November 10, 2013

Dear Colleagues, Community Leaders & Sponsors:

The Haitian American Nurses Association Inc., (HANA) is a 501 (c) 3 non-profit membership organization was founded in 1984 by two registered nurses named Alice Casimir and Jacqueline Dasque. The founding members had a common goal to serve our community both here in South Florida and in Haiti which continues to be our objectives. Since then, HANA has grown to over 500 members consisting of Licensed Practical Nurses, Registered Nurses, Advanced Registered Nurse Practitioners and nursing students. We have expanded HANA with various chapters in other states including Rockland County New York, Greater New York, New Jersey, Washington D.C. and Georgia and will we continue to expand throughout the United States.

When it comes to nurturing, compassionate, and multi-faceted individuals, nurses are without equal. The Haitian American Nurses Association exemplifies these values everyday as we educate, serve, and advocate for the misinformed and less fortunate in our populations. For the past 29 years, HANA has gathered friends, family and colleagues within the community to recognize and celebrate the accomplishments of our local heroes & nursing students. HANA has been successful in hosting an annual scholarship fundraising award gala. We provide scholarships for five to seven nursing students who are currently enrolled in an accredited Dade and Broward County schools and in Haiti to continue their nursing education. We also honor the accomplishments of local heroes both in the United States & abroad for their unwavering commitment to community service.

In April [year], we want to continue with a three day convention open to nurses, physicians, nursing students and other healthcare professionals. The objective for this year's convention is [.....]. We are anticipating attendees from Florida and other states. We are confident that this convention will be a success however, we need your assistance in order to make this happen. We recognize your commitment to contributing in your community. Your contribution to this commendable cause is greatly appreciated and we look forward to your response.

Sincerely,

The Convention Steering & Gala Committee

MEMORANDUM

To: The Honorable Mayor and City Council

From: Stephen E. Johnson, City Manager

Date: April 7, 2014

RE: RETIREMENT

A handwritten signature in black ink, appearing to be "SEJ", written over the printed name "Stephen E. Johnson, City Manager".

Dear Mayor and Council Members,

After much deliberation, I am officially retiring from the City of North Miami. I began my service on April 23, 1984; as such, this month will be my 30th year anniversary.

I have greatly enjoyed my tenure with the City of North Miami, as a police officer who has excelled through the ranks to become the Chief of Police and to be appointed as City Manager. I believe that I have contributed positively to the community and am proud of those achievements. It is with a heavy heart that I have decided to move on after 30 years of continued service to pursue other opportunities. At the same time, I am very excited about beginning the next chapter in my life.

In addition to my regular entitled employee benefits, I am requesting 90 days severance pay.

I stand ready to assist the Council with the structure and execution of a search for a new City Manager.

SEJ:am
