RE: AUTHORIZATION FOR EXPENDITURE FROM FEDERAL EQUITABLE SHARING FUNDS

RECOMMENDATION

That the City Council authorize \$50,000 for law enforcement activities delineated below. I certify that the proposed request for expenditures complies with the Guide to Equitable Sharing of Federally Forfeited Property for Local Law Enforcement Agencies.

BACKGROUND

1. Funds for Special Investigations.
Approximate cost: \$50,000.

Special Investigations such as homicide and narcotics cases incur expenses that require immediate access to funds. Funds are needed for flash money, informants, short-term rental of rooms, special equipment, etc.
