RE: **A Resolution of the Mayor and City Council of the City of North Miami, Florida, authorizing the City Manager to issue Purchase Orders for the purchase of three (3) 2014 Ford pickup trucks to be placed in service by the Public Works Department, at an approximate cost of One Hundred Four Thousand Four Hundred Twelve Dollars and Twenty Cents (\$104,412.20) from Duval Ford, Alan Jay Ford Lincoln, and Don Reid Ford to piggyback the competitive bid award issued by the Florida Sheriffs Association & Florida Association of Counties, under the Off-Road Utilities, Medium/Heavy Trucks, & Other Fleet Equipment Number 13-11-0904; Providing for an Effective Date and for all other purposes.**

RECOMMENDATION

Staff is requesting that the Mayor and Council authorize the City Manager to issue purchase orders for four (4) 2014 Ford pickup trucks totaling \$104,412.20 to the following vendors:

Alan Jay Ford	\$29,965.20
Duval Ford	\$49,538.00
Don Reid Ford	\$24,909.00

BACKGROUND

Staff is utilizing the Florida Sheriff's Association and Florida Association of Counties Contract # 13-11-0904 to purchase the vehicles. This vehicle will replace the following units;

Unit No.	Year / Make / Model	Condition
2061	2003 GMC 2500	Pickup truck has exceeded its useful life
2067	2003 FORD F-450	Pickup truck that was in an accident and has been declared a total loss
2063	2003 GMC 2500	Pickup truck has exceeded its useful life

The vehicles being replaced would require extensive exterior, interior and mechanical work in order to remain part of the fleet. Moreover, these vehicles have exceeded their useful life term.

The replacement trucks will provide safe and reliable transportation of crews, materials and equipment to the job sites.

Funding for this purchase was approved in the FY14 budget and is available in Account # 490-10-621000-538-601-000.

BASE PRICE:	\$17,452.00	\$17,706.00	\$17,590.00	\$17,722.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.
