RE: **A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF NORTH MIAMI, FLORIDA, RATIFYING THE INTERIM CITY MANAGER'S ISSUANCE OF A PURCHASE ORDER IN THE AMOUNT OF ONE HUNDRED TWELVE THOUSAND DOLLARS (\$112,000.00) PIGGYBACKING THE STATE OF FLORIDA DEPARTMENT OF MANAGEMENT SERVICES CONTRACT #DMS – 10/11-008C AND THE FEDERAL GOVERNMENT GENERAL ADMINISTRATION SERVICES CONTRACT NO. GS-35F-0119P WITH VERIZON WIRELESS PERSONAL COMMUNICATIONS LP, TO PROVIDE THE NORTH MIAMI POLICE DEPARTMENT WITH THE EMERGENCY PROCUREMENT OF WIRELESS VOICE AND DATA COMMUNICATION SERVICES FOR A TERM OF ONE (1) YEAR WITH TWO (2) ONE-YEAR OPTIONS TO RENEW, PURSUANT TO SECTION 7-144 OF THE CITY CODE AND RESOLUTION NO. 2015-R-131; PROVIDING FOR AN EFFECTIVE DATE AND FOR ALL OTHER PURPOSES.**

RECOMMENDATION

Staff is requesting that the Mayor and City Council ratify the Interim City Manager's issuance of a purchase order in the amount of \$112,000 to Verizon Wireless Personal Communications LP (Verizon Wireless) piggybacking of the GSA Federal Supply Schedule (FSS) (Contract #GSA – FSA G5-35F-0119P) and the Department of Management Services (Contract # DMS – 10/11 -008c). In addition, staff is requesting the Mayor and City Council to ratify an Emergency Procurement, which will allow the procurement of telecommunication and wireless voice services for cellular phones, high speed internet and air cards for mobile crime reporting software from Verizon Wireless for a one (1) year term with two (2) one-year options to renew at a not-to-exceed amount of \$112,000.

BACKGROUND

Verizon Wireless provides cellular telephones and high speed internet, which are vital tools used by the City's police personnel for both administrative and investigative

purposes. The air cards are an integral part of the mobile crime reporting software. All police reports are laptop generated and transmitted wirelessly to the Records Management System.

In response to a national solicitation and resulting competitive bid and evaluation process, Verizon Wireless was awarded a Federal and State of Florida contracts by GSA Federal Supply Schedule and the Florida Department of Management Services. These contracts were awarded March 3, 2003, and January 20, 2012, respectively, to provide wireless voice, data and telecommunication Services. As a government entity, the City is able to take advantage of the economies of scale offered through the nationally competitive process contained in Verizon's contracts.

In order to ensure the availability and continuity of services needed to properly maintain the Police Department's administrative and investigative duties on a cost effective basis for day-to-day operations, staff recommends that the Mayor and City Council ratify the emergency procurement of services and the piggyback of the GSA Federal Supply Schedule (FSS) (Contract #GSA – FSA G5-35F-0119P) and the Department of Management Services (Contract # DMS – 10/11 -008c).

FUNDING SOURCE

The funding source for these contracts is allocated from the City's General Revenue Fund. It is estimated that the amount spent by the City for these services shall not-to-exceed \$112,000 annually.

It should also be used as a tool to assist in including small, small disadvantaged, and women-owned small businesses among those considered when selecting pricelists for a best value determination.

Verizon Wireless' Network

Verizon Wireless' commitment to quality is evident in our ongoing investment in the expansion and enhancement of our network. We are committed to providing our customers with access to the most reliable wireless network in the country. To this end, Verizon Wireless has invested more than \$70 billion in our network since it was formed in 2000 – on average more than \$6 billion every year – to increase the coverage and capacity of its premier nationwide network and to add new services. This investment has broadened the scope of our network coverage while increasing the reliability and capability of the wireless services we provide to our customers.

Verizon Wireless operates the nation's most reliable and largest wireless voice and 3G data network. In December 2010, we launched the world's first large-scale 4G LTE network – the fastest and most advanced 4G network in America.

CDMA Technology

Verizon Wireless' CDMA technology offers the following advantages over other technologies:

- CDMA technology is one of the most spectrally-efficient digital standards available. Increased spectrum capacity means more calls are completed and fewer calls are dropped.
- Your calls are more likely to connect on the Verizon Wireless network due to the increased capacity of CDMA. CDMA digital technology assigns each conversation a code, rather than a separate frequency or channel. CDMA can accommodate multiple conversations on a single channel, making it easier for calls to connect.
- CDMA employs coding technology that provides improved voice quality while virtually eliminating static and cross talk. It also provides a "soft hand-off" capability that makes hand-offs from one cell tower to another virtually unnoticeable.
- CDMA technology also provides privacy and security by converting speech into code and transmitting it in a random sequence.

Our CDMA technology has enabled Verizon Wireless to provide the nation's most reliable nationwide wireless broadband network. Our Mobile Broadband data service, powered by our CDMA2000 Evolution-Data Optimized (EV-DO) network, has typical speeds of 600 Kbps–1.4 Mbps. Mobile Broadband enables your remote workers and road warriors to quickly download files and view email attachments. Mobile Broadband CDMA technology also provides authentication and data protection and is compatible with many virtual private networks. Mobile Broadband is presently available to more than 289 million people in 264 major metropolitan areas and 269 airports in the U.S. and in certain parts of Canada and is expanding coast-to-coast. And when travelling outside our Mobile Broadband coverage area, our service is seamlessly backward compatible with our high-speed wireless third-generation (3G) 1xRTT national network service that provides typical data throughput speeds of 60-80 Kbps.

We offer EV-DO Rev. A throughout our Mobile Broadband footprint. EV-DO Rev. A is backwards compatible with EV-DO Rev. 0. This is important because it means that EV-DO Rev. 0 capable equipment that is currently in use will not lose functionality due to deployment of EV-DO Rev. A technology.

LTE Technology

We chose LTE as the technological foundation for our 4G wireless broadband network. We believe that LTE offers a number of significant technological and business advantages over other 4G technologies that make it a superior networking standard. Our customers want to be truly untethered with advanced communication devices that provide a similar experience as found in today's wired networks – you want to be able to communicate in new and innovative ways whenever and wherever you choose around the globe. For these reasons, we believe LTE is the best technology with the global scale needed to deliver such experiences.

Choosing the 700 MHz frequency as the basis of the Verizon Wireless 4G LTE network results in a longer range from the base station, compared with systems operating at 2.5 GHz or 3.5 GHz. LTE offers your mobile employees better coverage as they travel by providing seamless handover and roaming for true mobility.

LTE has strong and widespread support from the mobile industry, including support from a majority of the industry's key players. Many vendors will enable operator transition to LTE in a progressive, scalable, and cost-effective way—protecting investments in existing technologies made by today's GSM and CDMA carriers.

Surcharges & Fees

Verizon Wireless' pricing does not include federal, state, local or foreign fees, assessments or other charges (collectively "fees"), which must be billed based on the jurisdiction in which the subscriber's cellular number is set up and located. Fees vary by state and local areas and are subject to change without notice.

Verizon Wireless cannot provide a comprehensive list of all charges and regulatory fees required and assessed when using a wireless device because they vary greatly from one jurisdiction to another.

In addition to taxes, surcharges and fees that we are required to collect, we will also collect charges to recover or help defray costs of taxes and governmental surcharges and fees imposed on us, and costs associated with governmental regulations and mandates on our business. These charges include, among others, a Regulatory Charge and a Federal Universal Service Charge, and are described below in more detail. These charges are Verizon Wireless charges, not taxes, and are subject to change. Because these charges are not taxes, your tax exemptions, if any, will not apply to these charges.

Federal Universal Service Charge

Wireless carriers are assessed by the federal government to fund the delivery of universally-affordable telecommunications and information services under the Federal Universal Service Fund (FUSF) program.

The Federal Universal Service Charge (FUSC) is a percentage of the customer's applicable monthly wireless service charges based upon an assessment rate that changes quarterly. The rate for the quarter beginning – January 1, 2013 is 3.79% of the following items:

- Cellular Access for voice calling plans (only on first 79% of this item)
- Verizon Wireless Toll
- Roaming Charges
- Activation Charges
- Re-connect fees
- Landline Connect Fee
- TXT Messaging monthly service
- TXT Messaging usage
- Airtime usage for voice calls
- Mobile to Mobile feature
- Nights and Weekends feature
- Toll free feature

The FUSC on other separately billed interstate and international long distance charges is 16.1%.

The quarterly percentage rate described above for the FUSC is applied in our billing system.

Verizon Wireless also imposes state universal service charges. These charges vary by jurisdiction and are subject to change depending on changes in the state universal service impositions on Verizon Wireless.

Regulatory Charge

The FCC assesses wireless carriers the costs of enforcement, policy and rulemaking. The Regulatory Fee recovers Verizon Wireless' share of these costs, as well as some of the costs of implementing regulatory mandates, such as number portability. The Regulatory Charge is a flat charge of \$0.16 per Mobile Telephone Number (MTN) per month (excluding BroadbandAccess and NationalAccess Plans) and is \$0.02 per mobile number per month for BroadbandAccess and NationalAccess Plans, but is subject to change over time.

Regulatory fees impacting the wireless industry are constantly evolving and are subject to change without notice. For more information you can visit the FCC's website at www.fcc.gov.

The FUSC and Regulatory Charge are included in the "Verizon Wireless Surcharges" section of the bill.

Verizon Wireless Terms and Conditions

Verizon Wireless Calling Plan Optional Services. Additional fees may be required as per the individual calling plans

Calling Plans and Associated Charges: Some calling plans or monthly access price points may not be available in all markets. Subscriber's first partial and full month's access will not be refunded after activation of the Wireless Service. Activation fees are waived for all Government Subscribers. Charges for calls will be based on the cell sites used, which may be outside the calling plan coverage area even when the Subscriber is physically within the coverage area. Time of the call is based on the telephone switching office that carries the call, which may be different from the time of day shown on Subscriber's phone. Rates do not apply to credit card or operator-assisted calls, which may be required in certain areas. Usage rounded up to the next full minute. Unused minutes and/or Megabytes are lost. On outgoing calls, charges start when Subscriber first presses SEND or the call connects to a network, and on incoming calls, when the call connects to a network (which may be before it rings). A call may end several seconds after Subscriber presses END or the call otherwise disconnects. Calls made on the Verizon Wireless network, are only billed if they connect (which includes calls answered by machines). Billing for airtime and related charges may sometimes be delayed. Calls to "911" and certain other emergency services are toll-free and airtime-free, however, airtime may be charged when dialing toll-free numbers. All features may not be available in all Verizon Wireless markets.

Home Airtime and Roaming: Home airtime minutes apply when making or receiving calls from a calling plan's home rate and coverage area. Coverage information is available at www.verizonwireless.com. Airtime is rounded up to the next full minute. Allowance minutes/Megabytes are not transferable except as may be available on calling plans with sharing. Subscribers must periodically dial *228 to update roaming information. Automatic roaming may not be available in all areas and rates may vary. Roaming charges may be delayed to a later bill.

Long Distance: Unlimited domestic long distance is included when calling from the calling plan's home rate and coverage area, unless otherwise specified in the calling plan.

Customer's Cell Phone Number and Caller ID. Verizon Wireless will assign one Mobile Telephone Number ("MTN") to each Subscriber line. Other than as required to port an MTN, Customer does not have any property right in the MTN and Verizon Wireless may change, reassign, or eliminate an MTN upon reasonable notice to Customer under certain circumstances, including fraud prevention, area code changes and regulatory or statutory law enforcement requirements.

Push to Talk Subscribers may initiate or participate on a call, simultaneously, with as many as 20 total participants (19 members per group plus the originator). Push to Talk groups must be established via the Push to Talk website prior to initiating a group call. Subscribers may establish as many as 50 group lists of up to 20 participants (19 members per group plus the originator). Existing Push to Talk Subscriber Equipment may require a software upgrade. Push to Talk is only available within the National Enhanced Services Rate and Coverage Area. There will be a delay from the time a Push to Talk call is initiated until the Push to Talk call is first received by the called party. A Push to Talk call will automatically time out after twenty (20) seconds of inactivity. While on a Push to Talk call, incoming voice calls will go directly to voice mail. When on a voice call, a Push to Talk

call cannot be received. Network registration information will be sent to the Equipment each time it is powered on in the National Enhanced Services Rate and Coverage Area, each time the Subscriber travels into the National Enhanced Services Rate and Coverage Area, and every 12 hours if the Subscriber stays within the National Enhanced Services Rate and Coverage Area. While the updated network registration information is being sent to the Equipment, incoming voice calls will go directly to voice mail. Contact list cannot be modified from certain Equipment. Current international calling rates may be found at www.verizonwireless.com.

International Roaming (Global Phone): Availability of calling features and TXT messaging varies by country and network. VZAccess and VZEmail usage is subject to VZAccess Acceptable Use Policy, available on www.verizonwireless.com. VZEmail optional features may only be purchased in conjunction with eligible voice calling plan with a monthly access fee of \$34.99 or higher. Monthly Megabyte allowances apply only to NationalAccess and BroadbandAccess data transmissions. Other data (Quick 2 NetSM or dial-up) transmissions as well as voice calls will be billed at the per minute overage rate according to the VZAccess calling plan. For optional data features, "other data" will be billed as anytime minutes or at the per minute overage rate according to the underlying calling plan. NationalAccess data sessions require a NationalAccess capable PC Card, PDA, BlackBerry or handset with its compatible Mobile Office Kit, and must be placed within NationalAccess service area. BroadbandAccess data sessions require BroadbandAccess capable Equipment and must be placed within BroadbandAccess service area. PDA/Smartphone and BlackBerry users that move from a VZEmail plan or feature, or a Voice and Data Choice Bundle to another calling plan will not be able to use their PDA/Smartphone or BlackBerry on the new calling plan and will need to purchase or provide compatible voice Equipment to switch to the new calling plan. For current NationalAccess and BroadbandAccess service areas, please visit www.verizonwireless.com. All data sessions automatically terminate after 24 hours of activity and on unlimited calling plans after 2 hours if inactivity. Data session is inactive when no data is being transferred. Data session may seem inactive while data is actively being transferred to Equipment, or may seem active when it is actually cached and not transferring data. Subscriber MUST press or click END or DISCONNECT button to ensure that session disconnects and charges cease. Third-party applications may automatically reinitiate data sessions without the Subscriber pressing or clicking SEND or CONNECT button. Voice calls cannot be received when an e-mail or other data transmission is occurring. Voice calls are possible when NationalAccess data session is inactive; however, charges apply simultaneously to the data session and the voice call in accordance with the applicable calling plan. Voice calls are not available with BroadbandAccess. Customer must maintain virus protection when accessing the service. Customer is responsible for all charges, including all data sent and received and "overhead" whether or not Subscriber or recipients actually receive the data. VZEmail calling plans and optional features not available with PC cards or wireless modems, including wireless Equipment tethered to a PC. In order to use some VZEmail features and applications, Subscriber's PC (or server where applicable) must be powered on, able to receive e-mail, and have Equipment manufacturer software (BlackBerry Desktop, Wireless Sync or GoodLink) installed. If Equipment is turned

off or if the Subscriber travels outside the NationalAccess service area, e-mail messages will be automatically stored for up to 7 days and forwarded when the Subscriber returns to the NationalAccess service area. Receiving e-mail attachments and graphics may be limited based on the Equipment model or software. With some Equipment, e-mails received may display only the first 2 kilobytes of information with additional 2 kilobyte increments delivered at the Subscriber's request.

Unlimited Data Plans and Features (such as NationalAccess, BroadbandAccess, Push to Talk, and certain VZEmail services) may ONLY be used with wireless devices for the following purposes: (i) Internet browsing; (ii) email; and (iii) intranet access (including access to corporate intranets, email, and individual productivity applications like customer relationship management, sales force, and field service automation). Sharing may only be available among Subscribers activating Wireless Service in the same Verizon Wireless market or group of markets (geographic regions may contain multiple Verizon Wireless markets). Sharing may require all Subscribers to be on the same billing account. Each sharing Subscriber's unused anytime minutes will pass to other sharing Subscribers that have exceeded their anytime minutes during the same monthly billing period (Mobile to Mobile minutes and Night and Weekend minutes do not share). Each sharing Subscriber's Monthly Home Airtime Allowance Minutes apply first to that line. Unused Monthly Home Airtime Minutes are then shared with other sharing Subscribers that have exceeded their Monthly Home Airtime Allowance in order of highest usage. At the termination of the Agreement, Government Subscriber lines on America's Choice for Business with Share Option may be migrated onto applicable retail consumer pricing or Government pricing. Calling plan changes may not take effect until the billing cycle following the change request. Based on the geographic location of Customer's Government Subscribers, some Customers may have to have sharing Subscribers activated in more than one Verizon Wireless billing system. Sharing among Subscribers in multiple Verizon Wireless billing systems requires online invoicing or reporting, and a minimum of one hundred (100) Government Subscribers all choosing the Share Option. Unused minutes for cross billing system sharing will be distributed proportionally as a ratio of the minutes needed by each sharing Subscriber to the total minutes needed by all sharing Subscribers. NOTE: Open Market Items are also known as incidental items, noncontract items, non-Schedule items, and items not on a Federal Supply Schedule contract.

For administrative convenience, an ordering activity contracting officer may add items not on the Federal Supply Multiple Award Schedule (MAS) -- referred to as open market items -- to a Federal Supply Schedule blanket purchase agreement (BPA) or an individual task or delivery order, **only if-**

- (1) All applicable acquisition regulations pertaining to the purchase of the items not on the Federal Supply Schedule have been followed (e.g., publicizing (Part 5), competition requirements (Part 6), acquisition of commercial items (Part 12), contracting methods (Parts 13, 14, and 15), and small business programs (Part 19));
- (2) The ordering activity contracting officer has determined the price for the items not on the Federal Supply Schedule is fair and reasonable;
- (3) The items are clearly labeled on the order as items not on the Federal Supply Schedule; and
- (4) All clauses applicable to items not on the Federal Supply Schedule are included in the order.

16. CONTRACTOR COMMITMENTS, WARRANTIES AND REPRESENTATIONS

a. For the purpose of this contract, commitments, warranties and representations include, in addition to those agreed to for the entire schedule contract:

- (1) Time of delivery/installation quotations for individual orders;
- (2) Technical representations and/or warranties of products concerning performance, total system performance and/or configuration, physical, design and/or functional characteristics and capabilities of a product/equipment/service/software package submitted in response to requirements which result in orders under this schedule contract.
- (3) Any representations and/or warranties concerning the products made in any literature, description, drawings and/or specifications furnished by the Contractor.

b. The above is not intended to encompass items not currently covered by the GSA Schedule contract.

17. OVERSEAS ACTIVITIES

Such ordering activity support will be provided on a reimbursable basis, and will only be provided to the Contractor's technical personnel whose services are exclusively required for the fulfillment of the terms and conditions of this contract.

18. BLANKET PURCHASE AGREEMENTS (BPAs)

Federal Acquisition Regulation (FAR) 13.303-1(a) defines Blanket Purchase Agreements (BPAs) as "...a simplified method of filling anticipated repetitive needs for supplies or services by establishing 'charge accounts' with qualified sources of supply." The use of Blanket Purchase Agreements under the Federal Supply Schedule Program is authorized in accordance with FAR 13.303-2(c)(3), which reads, in part, as follows:

"BPAs may be established with Federal Supply Schedule Contractors, if not inconsistent with the terms of the applicable schedule contract."

Federal Supply Schedule contracts contain BPA provisions to enable schedule users to maximize their administrative and purchasing savings. This feature permits schedule users to set up "accounts" with Schedule Contractors to fill recurring requirements. These accounts establish a period for the BPA and generally address issues such as the frequency of ordering and invoicing, authorized callers, discounts, delivery locations and times. Agencies may qualify for the best quantity/volume discounts available under the contract, based on the potential volume of business that may be generated through such an agreement, regardless of the size of the individual orders. In addition, agencies may be able to secure a discount higher than that available in the contract based on the aggregate volume of business possible under a BPA. Finally, Contractors may be open to a progressive type of discounting where the discount would increase once the sales accumulated under the BPA reach certain prescribed levels. Use of a BPA may be particularly useful with the new Maximum Order feature. See the Suggested Format, contained in this Schedule Pricelist, for customers to consider when using this purchasing tool.

19. CONTRACTOR TEAM ARRANGEMENTS

Contractors participating in contractor team arrangements must abide by all terms and conditions of their respective contracts. This includes compliance with Clauses 552.238-74, Contractor's Reports of Sales and 552.238-76, Industrial Funding Fee, i.e., each contractor (team member) must report sales and remit the IFF for all products and services provided under its individual contract.

20. INSTALLATION, DEINSTALLATION, REINSTALLATION

The Davis-Bacon Act (40 U.S.C. 276a-276a-7) provides that contracts in excess of \$2,000 to which the United States or the District of Columbia is a party for construction, alteration, or repair (including painting and decorating) of public buildings or public works with the United States, shall contain a clause that no laborer or mechanic employed directly upon the site of the work shall receive less than the prevailing wage rates as determined by the Secretary of Labor. The requirements of the Davis-Bacon Act do not apply if the construction work is incidental to the furnishing of supplies, equipment, or services. For example, the requirements do not apply to simple installation or alteration of a public building or public work that is incidental to furnishing supplies or equipment under a supply contract. However, if the construction, alteration or repair is segregable and exceeds \$2,000, then the requirements of the Davis-Bacon Act apply.

The ordering activity issuing the task order against this contract will be responsible for proper administration and enforcement of the Federal labor standards covered by the Davis-Bacon Act. The proper Davis-Bacon wage determination will be issued by the ordering activity at the time a request for quotations is made for applicable construction classified installation, de-installation, and reinstallation services under SIN 132-8.

Contract 10.0 - ABUSIVE OR FRAUDULENT USE OF THE SERVICES

10.01 Fraud

If Service Provider reasonably suspects that any Service is being abused or used for fraudulent purposes, Service Provider reserves the right to terminate such Service to the End User immediately. In those instances, the Department shall have no liability for abuse or fraudulent use charges incurred after Service Provider's suspicion occurred. Service Provider shall use reasonable efforts during Business Hours to provide advance notice of termination of Service.

10.02 Minimize Abuse

The Department agrees to (i) make good faith efforts to minimize abuse or fraudulent use, (ii) promptly report any suspected abuse or fraudulent use to Service Provider, and (iii) cooperate in any investigation or prosecution initiated by Service Provider. Service Provider may require the Department to cancel the right to use Service by any of its End Users or SUNCOM Clients abusing or fraudulently marketing or using Service.

10.03 Suspected Abuse or Fraudulent

If Service Provider gives the Department notice of suspected abuse or fraudulent use prior to termination of Service, the Department shall be liable for all abuse or fraudulent charges, costs or damages incurred more than twenty-four (24) hours (or such shorter period as Service Provider specified) after Service Provider provides such notice, unless the Department has instructed Service Provider in writing to terminate Service within twenty-four (24) hours (or such shorter period as Service Provider specifies) of receiving Service Provider notice.

10.04 Fraudulent Use of Services

If the Department at any time suspects that any Service may be, has been or is being used for abuse or fraudulent purposes, the Department shall be liable for all costs or charges incurred until four (4) Business Hours after the Department notifies Service Provider to terminate Service under Section 2.05.

10.05 Damages Resulting From Any Unauthorized Use

Any charges, costs or damages resulting from any unauthorized use of Service that were not caused by the actions or inactions of the Department, or an End User shall be the liability of Service Provider.

10.06 Interrupt or Terminate Service

Upon notice to Department, Service Provider may interrupt or terminate Service if Service Provider determines that the End User's use of the Service infringes intellectual property rights.

Contract 11.0 - NO WARRANTIES

SERVICE PROVIDER HEREBY EXPRESSLY DISCLAIMS ANY AND ALL IMPLIED WARRANTIES OF ANY NATURE RELATING WHATSOEVER TO THE SERVICE, SOFTWARE OR ANY EQUIPMENT PROVIDED UNDER THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE.

TO THE EXTENT SERVICE PROVIDER PROVIDES ACCESS TO INFORMATION PROVIDED BY OTHER SOURCES, SERVICE PROVIDER ACCEPTS NO LIABILITY FOR AND MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE CONTENT THEREOF.

Contract 12.0 - LIMITATIONS OF LIABILITY

SERVICE PROVIDER'S LIABILITY FOR DAMAGES OR COSTS ARISING FROM ERRORS, OUTAGES, OR FAILURES OF SERVICE, LACK OF SECURITY IN USE OF SERVICE, OR DEFECTS OR MALFUNCTIONS OF THE FACILITIES, OCCURRING IN THE COURSE OF PERFORMING UNDER THIS AGREEMENT, REGARDLESS OF THE LEGAL BASIS FOR SUCH CLAIM, SHALL IN ANY EVENT BE LIMITED TO AN AMOUNT EQUAL TO THE PROPORTIONATE CHARGE TO THE DEPARTMENT FOR THE PERIOD OF SERVICE DURING WHICH SUCH ERRORS, OUTAGES, FAILURES, DEFECTS, OR MALFUNCTIONS OF EQUIPMENT OCCUR, SUBJECT TO THE ADDITIONAL LIMITATIONS BELOW. THE ABOVE LIMITATION DOES NOT INCLUDE ANY POTENTIAL LIABILITY FOR INTENTIONAL TORTS.

NO PARTY SHALL BE LIABLE TO ANOTHER FOR SPECIAL, INDIRECT, PUNITIVE, OR CONSEQUENTIAL DAMAGES, INCLUDING LOST DATA OR RECORDS (EXCEPT TO THE EXTENT THE SERVICE PROVIDER IS REQUIRED TO BACK-UP DATA OR RECORDS), EVEN IF THE PARTY HAS BEEN ADVISED THAT SUCH DAMAGES ARE POSSIBLE. NO PARTY SHALL BE LIABLE FOR LOST PROFITS, LOST REVENUE, OR LOST INSTITUTIONAL OPERATING SAVINGS.

THE DEPARTMENT ACKNOWLEDGES THAT SERVICE IS MADE AVAILABLE TO EQUIPMENT ONLY WHEN THE EQUIPMENT IS WITHIN OPERATING RANGE OF THE FACILITIES LOCATED WITHIN THE WIRELESS SYSTEM. SERVICE MAY BE TEMPORARILY REFUSED, INTERRUPTED OR LIMITED FOR MANY REASONS. INDIVIDUAL CONNECTIONS MAY BE "DROPPED" (I.E., INVOLUNTARILY DISCONNECTED) FOR A VARIETY OF REASONS AS WELL. SERVICE PROVIDER SHALL INCUR NO LIABILITY FOR ITS INABILITY TO PROVIDE ADEQUATE SERVICES HEREUNDER IF SUCH INABILITY IS DUE TO THE LACK OF NETWORK COVERAGE, NETWORK CAPACITY, OR TO CAUSES BEYOND THE SERVICE PROVIDER'S REASONABLE CONTROL. NOR SHALL SERVICE PROVIDER BE RESPONSIBLE FOR ANY ACT OR OMISSION RELATED TO THIRD PARTY EQUIPMENT OR SYSTEMS USED IN CONNECTION WITH THE SERVICE.

WIRELESS SYSTEMS USE RADIO CHANNELS TO TRANSMIT VOICE AND DATA COMMUNICATIONS OVER A COMPLEX NETWORK, AND PRIVACY CANNOT BE

GUARANTEED. SO LONG AS THE SERVICE PROVIDER HAS TAKEN REASONABLE PRECAUTIONS AND COMPLIED WITH THE TERMS OF THIS AGREEMENT, THE DEPARTMENT AGREES THAT SERVICE PROVIDER SHALL NOT BE LIABLE TO THE DEPARTMENT OR TO END USERS FOR ANY SUCH LACK OF PRIVACY.

FOR ALL CLAIMS AGAINST SERVICE PROVIDER RELATING TO THE SERVICES PROVIDED UNDER THIS AGREEMENT, AND REGARDLESS OF THE BASIS ON WHICH THE CLAIMS ARE MADE, THE SERVICE PROVIDER'S LIABILITY FOR DIRECT DAMAGES SHALL BE LIMITED TO \$1,000,000.

THESE LIMITATIONS SHALL NOT APPLY TO CLAIMS ARISING UNDER THE INDEMNIFICATION PROVISIONS IN THIS AGREEMENT, OR UNDER SECTIONS 15.10 (COMPLIANCE WITH LAWS) OR 15.11 (E-RATE) OF THIS AGREEMENT.

Contract 13.0 - INDEMNIFICATION

13.01 Indemnification

Service Provider shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the State, the Department, the SUNCOM Clients and the End Users, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to the a breach of this Agreement by Service Provider. However, the foregoing shall not apply for that portion of any loss or damages proximately caused by the negligent act or omission of the State, the Department, a SUNCOM Client or an End User.

13.02 Conditions to Indemnification

Service Provider's obligations under the preceding paragraph with respect to any legal action are contingent upon the party seeking indemnification giving Service Provider (i) written notice of any action or threatened action, (ii) the opportunity to take over and settle or defend any such action at Service Provider's sole expense, and (iii) reasonable assistance in defending the action at Service Provider's sole expense. Service Provider shall not be liable for any settlement or compromise made by the State, the Department, a SUNCOM Client or any End User in any legal action without Service Provider's prior written consent, which shall not be unreasonably withheld.

Contract 14.0 - DISPUTES

Any dispute concerning performance of the Agreement, except for billing disputes, shall be decided by the Department's Contract Manager, who shall reduce the decision to writing and serve a copy on Service Provider. The decision shall be final and conclusive unless within twenty one (21) days from the date of receipt, Service Provider files with the Department a petition for administrative hearing. The Department's decision on the petition shall be final, subject to Service Provider's right to review pursuant to Chapter 120 of the Florida Statutes. Exhaustion of administrative remedies is an absolute condition precedent to Service Provider's ability to pursue any other form of dispute resolution; provided, however, that the parties may employ the alternative dispute resolution procedures outlined in Chapter 120.

Without limiting the foregoing, the exclusive venue of any legal or equitable action that arises out of or relates to the Agreement shall be the appropriate State court in Leon County, Florida. In any such action, Florida law shall apply and the parties waive any right to jury trial.

Contract 15.0 – MISCELLANEOUS

15.01 Scrutinized Companies Lists

In executing this contract, Service Provider certifies that it is not listed on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, created pursuant to section 215.473, Florida Statutes. Pursuant to section 287.135(5), Florida Statutes, Service Provider agrees the Department may immediately terminate this contract for cause if the Service Provider is found to have submitted a false certification or if Service Provider is placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List during the term of the contract.

15.02 Annual Appropriations

The State's performance and obligation to pay under this contract are contingent upon an annual appropriation by the Legislature.

15.03 Waiver

The delay or failure by either party to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of that party's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

15.04 Public Records

The Department may terminate this Agreement if Service Provider refuses to allow public access to all documents, papers, letters, or other material made or received by Service Provider in conjunction with this Agreement, unless the records are exempt from Section 24(a) of Article I of the State Constitution and Section 119.07(1), Florida Statutes.

15.05 Contractual Obligations

Neither party is authorized to act as an agent for, or legal representative of, the other party, nor shall either party have authority to assume or create any obligation on behalf of, in the name of, or that shall be binding upon, the other party.

15.06 No Subcontracting

The Service Provider may not subcontract any of the Services without the Department's prior written consent. The Service Provider shall not be released of its contractual obligation to the Department because of any subcontract.

15.07 Notices

Except as otherwise provided in this Agreement, all notices required or permitted to be given hereunder shall be in writing and shall be delivered (a) personally; (b) by certified mail, return receipt requested; (c) by an overnight courier service having a record of receipt; or (d) by facsimile, with a confirming copy sent by one of the other three methods described in this sentence. Notices shall be addressed as follows:

- (a) If to Department, notice shall be sent to the Contract Administrator and the Contract Manager (see Section 6.05 above).

If to Service Provider:

Verizon Wireless
Attention: Legal and External Affairs Department
One Verizon Way, VC52S401
Basking Ridge, NJ 07920-1097

with a copy to:
Verizon Wireless
Attention: Area General Counsel
One Verizon Place
Alpharetta, GA 30004

Any party hereto may change its address by a notice given to the other party hereto in the manner set forth above. All notices shall be effective on receipt.

15.08 Force Majeure

The Contractor shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of the Contractor or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Contractor's control, or for any of the foregoing that affect subcontractors or Contractors if no alternate source of supply is available to the Contractor. In case of any delay the Contractor believes is excusable, the Contractor shall notify the Customer in writing of the delay or potential delay and describe the cause of the delay either (1) within ten (10) days after the cause that creates or will create the delay first arose, if the Contractor could reasonably foresee that a delay could occur as a result, or (2) if delay is not reasonably foreseeable, within five (5) days after the date the Contractor first had reason to believe that a delay could result. THE FOREGOING SHALL CONSTITUTE THE CONTRACTOR'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against the Customer. The Contractor shall not be entitled to an increase in the Contract price or payment of any kind from the Customer for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist the Contractor shall perform at no increased cost, unless the Customer determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the State or to Customers, in which case the Customer may (1) accept allocated performance or deliveries from the Contractor, provided that the Contractor grants preferential treatment to Customers with respect to products subjected to allocation, or (2) purchase from other sources (without recourse to and by the Contractor for the related costs and expenses) to replace all or part of the products that are the subject of the delay, which purchases may be deducted from the Contract quantity, or (3) terminate the Contract in whole or in part.

15.09 Ethical Responsibilities

Each party shall be governed in all its dealings with respect to this Agreement by the highest standards of honesty, integrity, and fair dealing. Notwithstanding, the Department shall meet the requirements of Chapter 112, Florida Statutes where applicable.

15.10 Compliance With Laws

Service Provider and the Department shall at all times comply in all material respects with all laws, rules, codes, ordinances, and licensing requirements and regulations applicable to the performance of this Agreement and the conduct of their business, including those of federal, State, and local agencies

having jurisdiction and authority. By way of non-exhaustive example, Chapter 287, Florida Statutes, and Chapters 60A-1 and 60FF, Florida Administrative Code, governs the Agreement. By way of further non-exhaustive example, Service Provider shall comply with Section 247A(e) of the Immigration and Nationalization Act, the Americans with Disabilities Act, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran's status. Violation of such laws shall be grounds for Agreement termination.

15.11 E-Rate

The Schools and Libraries Program of the federal Universal Service Fund, commonly known as "E-Rate," is administered by the Universal Service Administrative Company (USAC), through its Schools and Libraries Division (SLD), under the direction of the Federal Communications Commission (FCC). The program provides discounts to assist most schools and libraries in the United States to obtain affordable eligible telecommunications, Internet access, and internal connections. SUNCOM Clients who have applied for E-Rate funding for eligible services and equipment from Service Provider are referred to herein as "E-Rate SUNCOM Clients."

Service Provider must have obtained or applied to obtain a Service Provider Identification Number (SPIN) from USAC prior to execution of the Agreement and shall provide relevant SPIN(s) to the Department. Service Provider also is required to submit a Service Provider Annual Certification (SPAC) (Form 473) to USAC each funding year to certify that it will comply with E-Rate rules and regulations. Service Provider shall maintain eligibility as an E-Rate service provider and shall avoid being placed on Red Light status by the FCC for the duration of the Agreement.

During the term of the Agreement, Service Provider shall be required to take all appropriate action to provide services in compliance with the terms and conditions of the Agreement and E-Rate rules and regulations. If Service Provider becomes ineligible as an E-Rate service provider during the term of the Agreement or becomes unwilling or unable to provide E-Rate eligible services in compliance with the Agreement and E-Rate rules and regulations, the Department and its E-Rate SUNCOM Clients shall change service providers and, if applicable, seek substitute services in accordance with applicable E-Rate rules and procedures. If during the term of the Agreement, due to circumstances within Service Provider's control, Service Provider becomes ineligible as an E-Rate service provider, becomes unwilling or unable to provide E-Rate eligible services in compliance with E-Rate rules and regulations or the Agreement, or violates E-Rate rules and regulations in a way that causes USAC to deny E-Rate SUNCOM Clients funding in whole or in part, the following shall apply:

- A. Service Provider shall be liable for the actual direct damages incurred by the Department and any affected E-Rate SUNCOM Clients that have complied with the applicable E-Rate rules and regulations.
 1. In the event that the Department and its E-Rate SUNCOM Clients change service providers and seek substitute services pursuant to the above paragraph, direct damages shall include but not be limited to any amounts paid to the substituted service provider above Service Provider's price under this Agreement. In the event the Department or such E-Rate SUNCOM Clients are unable to obtain USAC approval to change to the new provider as a provider under E-Rate rules and such USAC denial is a result of Service Provider's intentional acts, gross negligence, or willful misconduct, Service Provider will also be liable for the amount of E-Rate funding forfeited as a result.

2. Service Provider shall continue to provide the affected services to the Department and any affected E-Rate SUNCOM Clients until such time as the Department and any affected E-Rate SUNCOM Clients obtain services from a new service provider as set forth above (Transition Period). If the Department or E-Rate SUNCOM Clients are unable to obtain E-Rate funding for the Service Provider services for the Transition Period as a result of Service Provider's intentional acts, gross negligence, or willful misconduct, the Department and E-Rate SUNCOM Clients will not be responsible to pay Service Provider for the amounts left unfunded by E-Rate for that Transition Period.
3. If Service Provider violation of the E-Rate rules and regulations is a reason for E-Rate SUNCOM Clients' loss or forfeiture of E-Rate funding, in whole or in part, the value of the lost funding associated with Service Provider violation will be considered direct damage under this subparagraph A..

In no event shall Service Provider be liable for direct damages as set forth in 1. or 3. above or be required to perform as set forth in 2. above, beyond the last day of the E-Rate funding year in which Service Provider becomes ineligible as a provider under E-Rate, becomes unwilling or unable to provide E-Rate eligible services in compliance with E-Rate rules and regulations or the Agreement, or violates E-Rate rules and regulations in a way that causes USAC to deny E-Rate SUNCOM Clients funding in whole or in part.

In addition, for purposes of clarification and to avoid confusion, the Department will not hold Service Provider responsible and Service Provider will not be liable pursuant to subparagraph A. above, if Service Provider becomes ineligible as an E-Rate provider during the term of the Agreement, becomes unwilling or unable to provide E-Rate eligible services in compliance with E-Rate rules and regulations or the Agreement, or violates E-Rate rules and regulations in a way that causes USAC to deny E-Rate SUNCOM Clients funding in whole or in part, due to circumstances that are determined to be beyond Service Provider's control.

In recognition of the lead time required to apply for E-Rate funding, existing E-Rate clients shall be entitled to continue utilizing the previous agreements as incorporated into this Agreement as **Exhibit 6**, currently in effect between the State of Florida and Service Provider until the end of the 2012-2013 E-Rate funding year, in the event the parties mutually agree that E-Rate funding is determined by the parties to be in jeopardy.

- B.** Invoicing. The Department acknowledges that it has posted an E-Rate Form 470 in connection with the procurement, which is a prerequisite to E-Rate eligible entities utilizing the Agreement awarded as a result of the procurement as the basis of E-Rate funding applications. Additionally, the Department acknowledges that some SUNCOM Clients may be eligible and apply for discounts under E-Rate. Both Service Provider and the Department agree that:
1. E-Rate has specific rules and regulations regarding the manner in which USAC and SLD approve funding requests, are presented billing and conducts audits in connections with funding under the E-Rate program; and
 2. In order to ensure that the billing mechanisms and processes established pursuant to this Agreement with respect to the applications of SUNCOM Clients for discounts under the E-Rate program are in compliance with the E-Rate program requirements and

regulations, the duties and responsibilities of each party are set forth in Section 5.07.06 (Invoicing) of **Exhibit 2 – Business Process and Operation**.

15.12 Advertising

Subject to Chapter 119, Florida Statutes, Service Provider shall not publicly disseminate any information concerning the Agreement without prior written approval from the Department, including, but not limited to mentioning the Agreement in a press release or other promotional material, identifying the Department or the State as a reference, or otherwise linking Service Provider's name and either a description of the Agreement or the name of the State, the Department or any SUNCOM Client in any material published, either in print or electronically, to any entity that is not a party to Agreement, except potential or actual authorized distributors, dealers, resellers, or service representative.

15.13 Assignment

No rights or obligations hereunder shall be assigned or delegated, in whole or in part, by either party to any other person, firm, corporation, or other entity without the other party's prior written consent, which consent will not be unreasonably withheld. Notwithstanding the foregoing, Service Provider may assign this Agreement to an entity to whom the outstanding common stock or substantially all the assets of Service Provider are transferred after first receiving FCC and other necessary governmental approvals. For purposes of this provision, any change in the ultimate control of a party, by stock sale, merger, consolidation, or any other means, shall constitute an assignment subject to the consent requirements hereof.

15.14 Employees, Subcontractors, and Agents

All Service Provider employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Service Provider shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under the Agreement must comply with all security and administrative requirements of the Department and shall comply with all controlling laws and regulations relevant to the services they are providing under the Agreement. As required by law, the State may conduct, and Service Provider shall not impede, a security background check or otherwise assess any employee, subcontractor, or agent furnished by Service Provider. The State may refuse access to, or require replacement of, any personnel for cause, including, but not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with a Department's security or other requirements. Such approval shall not relieve Service Provider of its obligation to perform all work in compliance with the Agreement. The State may reject and bar from any facility for cause any of Service Provider's employees, subcontractors, or agents.

15.15 Governmental Restrictions

If Service Provider believes that any governmental restrictions have been imposed that require alteration of the material, quality, workmanship or performance of the products offered under the Agreement, Service Provider shall immediately notify the Department in writing, indicating the specific restriction. The Department reserves the right and the complete discretion to accept any such alteration or to cancel the Agreement at no further expense to the Department.

15.16 Lobbying and Integrity

The Service Provider shall not, in connection with this or any other agreement with the State, directly or indirectly (i) offer, confer, or agree to confer any pecuniary benefit on anyone as consideration for any State officer or employee's decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty, or (ii) offer, give, or agree to give to anyone any gratuity for the benefit of, or at the direction or request of, any State officer or employee. For purposes of clause (ii), "gratuity" means any payment of more than nominal monetary value in the form of cash, travel,

entertainment, gifts, meals, lodging, loans, subscriptions, advances, deposits of money, services, employment, or contracts of any kind. Upon request of the Department's Inspector General, or other authorized State official, Service Provider shall provide any type of information the Inspector General deems relevant to Service Provider's integrity or responsibility. Such information may include, but shall not be limited to, Service Provider's business or financial records, documents, or files of any type or form that refer to or relate to the Agreement. The Service Provider shall retain such records for the longer of (i) three years after the expiration of the Agreement or (ii) the period required by the General Records Schedules maintained by the Florida Department of State (available at: <http://dhis.dos.state.fl.us/barm/genschedules/gensched.htm>). The Service Provider agrees to reimburse the State for the reasonable costs of investigation incurred by the Inspector General or other authorized State official for investigations of Service Provider's compliance with the terms of this or any other agreement between Service Provider and the State which results in the suspension or debarment of Service Provider. Such costs shall include, but shall not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Service Provider shall not be responsible for any costs of investigations that do not result in Service Provider's suspension or debarment.

15.17 Warranty of Ability to Perform

The Service Provider warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish Service Provider's ability to satisfy its obligations hereunder. The Service Provider warrants that neither it nor any affiliate is currently on the convicted vendor list maintained pursuant to Section 287.133, Florida Statutes, or on any similar list maintained by any other state or the federal government. The Service Provider shall immediately notify the Department in writing if its ability to perform is compromised in any manner during the term of the Agreement.

15.18 Modification of Terms

The Agreement contains all the terms and conditions agreed upon by the parties, which terms and conditions shall govern all transactions between the Department and Service Provider. The Agreement may only be modified or amended upon mutual written agreement of the Department and Service Provider. No oral agreements or representations shall be valid or binding upon the Department or Service Provider. No alteration or modification of the Agreement terms, including substitution of product, shall be valid or binding against the Department. The Service Provider may not unilaterally modify the terms of the Agreement by affixing additional terms to product upon delivery (e.g., attachment or inclusion of standard preprinted forms, product literature, "shrink wrap" terms accompanying or affixed to a product, whether written or electronic) or by incorporating such terms onto Service Provider's order or fiscal forms or other documents forwarded by Service Provider for payment. The Department's acceptance of product or processing of documentation on forms furnished by Service Provider for approval or payment shall not constitute acceptance of the proposed modification to terms and conditions.

If a SUNCOM Client or the Department previously entered into a written agreement for the purchase of any Service from Service Provider, the provisions of such earlier agreement shall be subject to the terms for transition as set forth in **Exhibit 2 – Business Process and Operations** and no early cancellation fees shall apply.

15.19 *FHP and Associated or Similar Number

Service Provider will allow the Department, SUNCOM Clients, and its End Users in Florida to dial *FHP and other associated or similar numbers at no additional charge.

This Agreement shall be binding upon, and inure to the benefit of, the parties hereto and their respective successors and permitted assigns.

15.21 Execution in Counterparts

The Agreement may be executed in counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

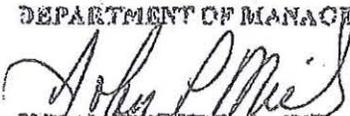

15.22 Severability

If a court deems any provision of the Agreement void or unenforceable, that provision shall be enforced only to the extent that it is not in violation of law or is not otherwise unenforceable and all other provisions shall remain in full force and effect.

MEMORANDUM

To: Arthur H. Sorey, III, Interim City Manager
From: Leonard Burgess, Chief of Police
Date: December 9, 2015
RE: Emergency Purchase (Verizon Wireless)

On October 26th, 2015, the P.D. forwarded Requisitions # 0018289, #0018291, and #0018304 to the Purchasing Department for cellular phone and air card services with Verizon Wireless. Total amount of services requested not-to-exceed \$112,000. PD also requested that the City piggy-back on existing Federal contract GSA-FSS: GS-35F-0119P and State of Florida contract DMS-10/11-008C. On December 9th, 2015, the Purchasing Dept. advised that the contracts were valid and the PD could piggy-back on the contracts.

Since the deadline to submit Council Reports for the December 8th, 2015, Council Agenda has passed, and there is no Council Meeting again until January 12th, 2016, the PD is respectfully requesting the emergency procurement of these services.

Cellular telephones are a vital tool used by police personnel for both administrative and investigative purposes. The air cards are a vital part of our mobile crime reporting software. All police reports are laptop generated and transmitted wirelessly to the Records Management System. The procurement of these services is vital to public safety, and not having them would seriously disrupt police services.

As you are aware, under the City's Procurement Code Ordinance #1391, Section 7-144 Emergency Procurement "...the city manager, the manager of the purchasing department, ...may make or authorize others to make emergency procurements when there exists an immediate threat to public health, welfare, or safety or to prevent or minimize serious disruption of government services...Any emergency procurement in excess of \$25,000 for supplies and series shall be referred to the City Council for ratification."
