RE: **A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF NORTH MIAMI, FLORIDA, AUTHORIZING THE INTERIM CITY MANAGER TO ISSUE PURCHASE ORDERS ON AN AS-NEEDED BASIS, FOR THE PURCHASE OF TIRES AND RELATED SERVICES FOR CITY FLEET VEHICLES, IN THE AGGREGATE AMOUNT NOT TO EXCEED ONE HUNDRED THOUSAND DOLLARS (\$100,000.00) PER YEAR FROM TWO (2) COMPETITIVELY SELECTED VENDORS (MIAMI TIRESOLES, INC., AND GOODYEAR AUTO SERVICE CENTER), TO PIGGYBACK THE COMPETITIVE AWARDS ISSUED BY THE FLORIDA SHERIFFS ASSOCIATION UNDER THE INVITATION TO BID TIRES AND RELATED SERVICES BID NUMBER 15/17-07-0220; PROVIDING FOR AN EFFECTIVE DATE AND FOR ALL OTHER PURPOSES.**

RECOMMENDATION

Staff is requesting that the Mayor and Council authorize the Interim City Manager to issue purchase orders to Miami Tiresoles, Inc. (Miami Tiresoles) and Goodyear Auto Service Center (Goodyear) by piggybacking on a contract awarded to Miami Tiresoles and Goodyear by the Florida Sheriffs Association (FSA) as a result of Bid No. 15/17-07-0220, to procure tires and other related services in accordance with the terms, conditions, and specifications in the contract documents, for a term commencing from award of the contract through February 28, 2017 at a not-to-exceed amount of \$100,000 annually.

BACKGROUND

On January 14, 2015 the FSA issued and Invitation to Bid # 15/17-07-0220 requesting sealed bids from qualified vendors for the purchase of tires and other related services in accordance with the terms, conditions, and specifications contained in the ITB. In response to the ITB, Miami Tiresoles and Goodyear submitted bid proposals and were selected as part of list of responsive and responsible vendors.

Tire purchases and related vehicle services are an essential component to maintain and facilitate ongoing City fleet vehicle operations. Staff is recommending that the City piggyback on the favorable terms and rates resulting from the FSA bid solicitation and award to Miami Tiresoles and Goodyear.

Pursuant to Section 2.7 of the Terms and Conditions of the FSA bid solicitation, the FSA authorizes other governmental entities in the State of Florida to piggyback on their contracts. Therefore, staff is recommending approval and award of the City's piggyback on the Miami Tiresoles and Goodyear contracts.

In lieu of being listed in the publications, a Contractor may provide a Qualification Certification Form signed by the CATL Program Administrator.

2. REQUIRED RELATED SERVICES

Prices for the following services shall be supplied on the price sheets as separate items from the tire price for passenger, pursuit, and light truck tires (Specifications 1, 2, and 3):

- Dynamic balancing including weights

Customers may purchase tires alone, without related services. If additional services are purchased, each related cost shall be added to the invoice as an additional charge.

All bulk deliveries of tires shall be completed within thirty (30) days after receipt of an order, unless the Contractor and Customer negotiate a different delivery schedule and include it in an order.

- Disposal of used tires. The Customer has the option of retaining used tires for recycling purposes. On bulk tire deliveries to a Customer's facility, the Contractor must pick up and dispose of an equal number of replaced used tires. This pickup of used tires may be required at a later date. All used tires must be disposed of in accordance with all Federal, State and local requirements, and disposal fee maybe assessed (See Part D "Price Sheets") by contractor to recover such costs.

On the Ordering Instructions form submitted with the bid, bidders shall note the proposed Universal Resource Locator (URL) for this list. Posting of the list in a form easily accessible to the Cooperative Bid Coordinator and Customers shall be a condition precedent to Contractor's right to payment under the Contract. The Cooperative Bid Coordinator, in its sole discretion, may maintain Contractor's authorized list or provide electronic links to it. Regardless of the number of links to the list, Contractor shall ensure that Customers are able to access one, and only one, version of the authorized list. The authorized list shall include, either directly or via electronic link, the following:

Contract number; contact person; part or product numbers and descriptions; ordering information; pricing information, and service/distribution points organized geographically by city. When submitting your information for your "Authorized Service Centers/Distributors", please provide the following headings:

Contractor shall not make the list generally available or accept any orders off it until the Cooperative Bid Coordinator approves the list. Contractor may thereafter amend the list to reflect product line and price changes, subject to the following restrictions:

- For product line changes, a Contractor may amend its list to reflect product developments. Any added product shall be offered at the then-current authorized percentage discount, which shall always be at least as great as the discount offered initially.
- For price changes, a Contractor shall only decrease, and shall never increase, the prices offered initially. Posted price reductions shall take effect immediately and be applied to unshipped and subsequent orders. **CONTRACTORS ARE FREE TO OFFER GREATER DISCOUNTS FOR INDIVIDUAL TRANSACTIONS, AND CUSTOMERS ARE ENCOURAGED TO SEEK THEM AND TO EXPLORE WHETHER OTHER CONTRACTORS AUTHORIZED FOR THE PRODUCT GROUP MIGHT OFFER BETTER DISCOUNTS.**
- At least two (2) business days before making any changes to the posted authorized list – whether to products, to prices, or otherwise – a Contractor shall notify the Cooperative Bid Coordinator by mail of its intent to make a change and describe the proposed change. The Cooperative Bid Coordinator may, in its sole discretion, prohibit any requested change or direct a Contractor to undo any change already made.
