### **RECOMMENDATION**

That the Mayor and Council approve the proposed resolution to amend Chapter 9, of the Code of Ordinance.

### **BACKGROUND**

On May 8, 2012, the Mayor and City Council of the City of North Miami executed a contract with Waste Pro to be the exclusive hauler for the City. As per the terms of that contract, on May 1, 2015, Waste Pro will be the exclusive garbage hauler in the City. The amended ordinance is crucial to the cohesive enforcement of sanitation regulations and the City's Contract. The amended ordinance will also be a tool for curtailing and abating violations of the City Code relating to litter, sanitation, trash, garbage and waste hauling.
