RE: A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF NORTH MIAMI, FLORIDA, ALLOWING THE CITY ADMINISTRATION TO EXCEED THE MAXIMUM RESIDENTIAL ROOFING PROGRAM AWARD AMOUNT PER ELIGIBLE HOUSEHOLD UNDER THE CURRENT CITY OF NORTH MIAMI PROGRESS 2013 RESIDENTIAL ROOFING PROGRAM GUIDELINES FROM $18,000.00 TO $20,583.00 FOR EXTENUATING CIRCUMSTANCES IN ORDER TO PROVIDE ADDITIONAL EMERGENCY ASSISTANCE FOR ONE SINGLE FAMILY ROOFING PROJECT WITH ISSUES THAT IMPACT SAFETY AND QUALITY OF LIFE; AND PROVIDING FOR AN EFFECTIVE DATE AND ALL OTHER PURPOSES.

RECOMMENDATION

It is recommended that the Mayor and Council approve the attached resolution allowing City Administration to exceed the maximum Residential Roofing program award amount per eligible household under the current City Of North Miami Progress 2013 Residential Roofing Program guidelines from $18,000.00 to $20,583.00 for extenuating circumstances in order to provide additional emergency assistance for one single family roofing project with roofing issues that impact safety and quality of life.

BACKGROUND

In May 2012, the City Council signed a lease for the Biscayne Landing development project, as a result of this lease agreement the City received approximately $17.5 Million Dollars in revenue. Since the receipt of the $17.5 Million Dollars, the Mayor and the City Council made certain allocations of a portion of the proceeds for certain capital related projects known as "Progress 2013". One such allocation memorialized by resolution, is that of $1 Million Dollars toward the City of North Miami Housing Program. As such, the Housing Division proposed the implementation of a Roofing Program to meet the area of greatest need.

Subsequently, through the approval of Resolution No. 2013-16, the North Miami Residential Roofing Program guidelines established a roofing repair and replacement assistance award amount of Fifteen Thousand Dollars ($15,000.00) with provision for an additional twenty percent (20%) with administrative approval for a maximum award of Eighteen Thousand Dollars ($18,000.00) for extenuating and extraordinary circumstances where the total square footage of the roof is larger than average and result in greater costs.

Upon final inspection of the homeowner's roof by City staff as well as the final price quoted submitted by one of the City approved contractors, it was determined that the maximum roofing repair award amount of Eighteen Thousand Dollars ($18,000.00) which includes the 20% administrative approval under the North Miami Residential Roofing program guidelines, is insufficient to address the life and safety issues of the single family home located at 170 N.E. 121st Street, North Miami. The increase from the maximum award amount of Eighteen Thousand Dollars ($18,000.00) to Twenty Thousand Five Hundred Eighty Three Dollars ($20,583.00) will be sufficient to address the extenuating code and life safety roofing issues that exist at 170 N.E. 121st Street, North Miami.

As such, the approval of the City Administration to exceed the maximum Residential Roofing program award amount per eligible household under the current City of North Miami Progress 2013 Residential Roofing Program guidelines from $18,000.00 to $20,583.00 will allow the City to provide the needed replacement of the roof for the single family home located at the above captioned address.
