Manager
City of North Miami

Arthur H. Sorey, III
Budget Manager
City of North Miami

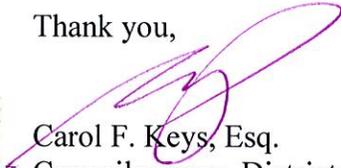

Gentlemen:

Last night, at the second budget meeting, the sum of \$780,000 was allocated in the budget for Capital Improvements. Said amount was not allocated for any specific projects. I am therefore requesting that the sum of \$650,000 be allocated to sidewalks, streetscape, beautification and other capital improvements in District 2.

Since the council allocated the sum of \$1,500,000, Tuesday evening for District 3, from the Biscayne Landing funds, I believe this is an appropriate request.

Please add this item to the Council agenda on October 8, 2013, if this is necessary for council approval.

Thank you,

Carol F. Keys, Esq.
Councilwoman, District 2
