RE: **REMOVAL AND REPLACEMENT OF APPROXIMATELY 2000 LF OF SIDEWALKS**

RECOMMENDATION

Staff recommends that City Council approve expenditure of an additional $50,000 for the removal and replacement of approximately 2000 LF of sidewalks.

BACKGROUND

As shown in the attached photographs, the area bounded by NW 119th Street to the south of 135th Street to the north, I-95 to the west NW 2nd Avenue to the east. From the photographs it can clearly be seen this area has extensive sidewalk damage, deterioration, settlement and uplifting due to the tree roots. This damage creates a severe liability on the City's Right-of-Ways for pedestrians that use these sidewalks.
