

INVITATION To Quote

**Furnish & Install 25 MPH Signs (Phase 1)
ITQ No. 38-06-15**

Attachment A

Specifications

The City is seeking bids from companies that can manufacture/purchase, call for locates, and install the signs per MUTCD and Miami-Dade County traffic engineering specifications. Poles may be installed in dirt, concrete or asphalt.

MUTCD and Miami-Dade County manuals can be found at the following web address:

<http://mutcd.fhwa.dot.gov/>

<http://www.miamidade.gov/publicworks/traffic-signals.asp>

Attached, please find a drawing, Attachment B; locations for Phase 1 of installations summary.

25 MPH Signs Requirements		
Quantity	MUTCD #	Description
Phase 1		
101	n/a	12' galvanized U-channel posts with breakovers/hardware
101	R2-1	Speed Limit 25 mph
6	R2-5bP	"Neighborhood" Plaques
30	R2-5cP	"Residential" Plaques

The City may require Optional Additional Phases at a later date.

Quantity	MUTCD #	Description
Optional (Additional Phases)		
150	n/a	12' galvanized U-channel posts with breakovers/hardware
150	R2-1	Speed Limit 25 mph
20	R2-5bP	"Neighborhood" Plaques
60	R2-5cP	"Residential" Plaques

Pricing must be done on a per unit basis as the actual quantity may vary from what is currently proposed on the map.

Bidder is required to submit pricing on all signs or may be rejected.
