3. INITIAL PAYMENT; RENT; INITIAL REIMBURSEMENT

3.1 *Initial Payment.* In consideration of Landlord's granting the option to purchase provided for in Section 3.3, Tenant shall pay on the Commencement Date by bank wire transfer in immediately available federal funds, the sum of (a) Seventeen Million Five Hundred Thousand and No/100 Dollars (\$17,500,000.00), plus (b) the amount required to pay in full all outstanding Real Estate Taxes (including interest and penalties) on the Premises plus (c) the amount specified in Section 3.10 below, to the specified accounts of Landlord. Such sum shall be deemed fully earned as of the Commencement Date, shall not be refundable and is not Rent or consideration for the rental of the Premises.

3.2 *Fixed Rent.* Tenant shall pay Landlord, without notice or demand, in lawful money of the United States of America, a net annual rental (the "Fixed Rent") as follows:

Term	Fixed Rent	
	<u>Annual</u>	<u>Quarterly</u>
Initial	\$1,500,000.00	\$375,000.00

Fixed Rent for the first Lease Year of the Term shall be due on the Commencement Date. No Fixed Rent shall be due or payable for the second, third, fourth or fifth Lease Years of the Term unless and until final certificates of occupancy or their equivalent have been issued for 500,000 gross square feet or more of Improvements, at which time a reduced Fixed Rent of \$200,000.00 per Lease Year (prorated), payable

quarterly in advance, shall commence and be payable through the end of the fifth Lease Year. Thereafter during the Term, full Fixed Rent shall be due and payable in quarterly installments on the first day of each three month quarter. If the Commencement Date is a date other than the first day of the month, Tenant shall pay to Landlord on the Commencement Date (in addition to the Fixed Rent for the first Lease Year) the quarterly Fixed Rent prorated by multiplying the quarterly Fixed Rent by a fraction, the numerator of which is the number of days remaining in the month (including the Commencement Date) for which Rent is being paid, and the denominator of which is the total number of days in such quarter.

3.3 *Participation Rent.* In order to allow Tenant and its Subtenants to predict with precision their costs over the Term, Landlord has agreed to receive as Additional Rent the amounts described in this Section (“Participation Rent”) instead of requiring a periodic increase in Fixed Rent that is tied to a consumer price index or other index for inflation. Accordingly, Tenant shall pay the following amounts as Participation Rent:

3.3.1 *Retail, Office, Recreation/Entertainment Indoor, Recording and TV/Radio.* Tenant shall pay 1.5% of the gross revenue actually received and whenever received by Tenant (or the fair value equivalent thereof, for space other than sales, leasing and/or construction centers occupied by Tenant), excluding all pass-through reimbursements, from the portions of the Premises having a primary use of retail, office, Recreation/Entertainment Indoor, or Recording and TV/Radio uses (but excluding such amounts derived from retail, office, Recreation/Entertainment Indoor, or Recording and TV/Radio uses that are located in any hotel, senior housing or residential facility, if any, which shall be deemed revenue of such hotel, senior housing or residential facility) during the prior calendar year. If, as, and when Light Industrial uses are approved for the Premises, Tenant shall pay Participation Rent of 1.5% of the gross revenue actually received and whenever received by Tenant for portions of the Premises having a primary use of Light Industrial.

3.3.2 *Residential Rentals.* Tenant shall pay 1.5% of the gross revenue actually received and whenever received by Tenant from the portions of the Premises having a primary use as rentals of space in any senior housing or other residential use facility on the Premises during the prior calendar year.

3.3.3 *Hotel.* Tenant shall pay 2% of the gross revenue actually received and whenever received by Tenant for portions of the Premises having a primary use as hotel or transient housing purposes.

3.3.4 *Sales.* Tenant shall pay 3% of the gross revenue actually received and whenever received by Tenant from sales of condominium units and senior housing units on the Premises (including a long term “buy-in” option for a continuing care retirement community) during the prior calendar year, less (i) all closing costs but capped at 8% in the aggregate (including brokerage commissions, transfer costs and recording fees, seller concessions and prorations), and (ii) the release price paid to release any Leasehold Mortgage on the units or facility sold, but only up to an aggregate amount for all such releases equal to the maximum amount of the initial construction loan(s) disbursed for such units or facility.

3.3.5 *Condominiums.* Tenant agrees that all first-time sales of any condominium units on the Premises shall be good faith, third party, commercially reasonable transactions.

3.3.6 *Other Commercial Uses; Future Uses and Revenue.* If in the future a use or manner of revenue production that is not presently expressly subject to Participation Rents under this Lease (by way of example only and not limitation, industrial use, sale of shares in a cooperative, any concession, license, management, or occupancy agreement allowing any Person to occupy, use or possess a portion of the

Premises, including without limitation any cell tower lease, air rights lease, or billboard signage license), then Landlord and Tenant agree to diligently and in good faith amend the Participation Rent provision of this Lease to provide reasonable additional Participation Rent to Landlord related to such use or method of revenue production.

3.3.7. *No Duplication.* There shall be no duplication of payments under any of the foregoing categories.

3.3.8. *Payment.* Within one hundred twenty (120) days after the end of each calendar year, any portion of which occurs within the Term, Tenant shall calculate, provide detailed substantiation for, and pay to Landlord the Participation Rent attributable to such calendar year (or portion thereof), and an authorized representative of Tenant shall certify to Landlord that such report is true, correct and complete in all material respects. Landlord's processing of any payment shall not be deemed acceptance of Tenant's calculations of Participation Rent.

3.3.9. *Books, Records, Documents; Inspection.* All books, records, and other documents used by Tenant to calculate or substantiate the Participation Rent (the "Records") will be maintained at the Premises in a fireproof safe, in a location provided by Tenant to Landlord by Notice from time to time, and in the manner recited in this Subsection. Tenant shall maintain all Records for the immediately preceding seven (7) calendar years or parts thereof during which any part of the Term falls at such location. The Records shall be open to inspection, examination, copying, and audit by Landlord or Landlord's designated representative, in comfortable office surroundings, upon giving Tenant five (5) days' prior notice of Landlord's intention to exercise its rights under this Section. If upon inspection or examination of the Records, Landlord determines that (a) Tenant has failed to maintain, preserve, or retain the Records in the manner set forth in this Section, or (b) the Records are insufficient to enable Landlord to verify the accuracy of the Participation Rent paid by Tenant for any calendar year being audited, Landlord shall give Tenant sixty (60) days to cure the deficiencies. Tenant shall reimburse Landlord as Additional Rent for all reasonable expenses incurred by Landlord in determining the deficiencies, including any audit or examination fees incurred by Landlord. If Landlord does not give Tenant notice of its intention to exercise its rights under this Section within one (1) year after the end of a calendar year with respect to which any Participation Rent is payable, it shall have no right to do so unless a subsequent examination of a later calendar year reveals an underpayment of Participation Rent in that calendar year. All direct Subleases with Tenant shall provide that Landlord shall have the right to request and such Subtenant shall provide certified estoppel information in connection with any audit.

3.3.10. *Failure to Cure Deficiencies.* If Tenant fails to cure the deficiencies described in Section 3.3.9 within sixty (60) days after notice, Landlord may, at its option, either hold Tenant in default of the Lease, or, at Tenant's expense and for Tenant's benefit, retain an independent accounting or bookkeeping firm to prepare and maintain the Records. If Landlord elects the latter option, the representatives of the accounting or bookkeeping firm shall have full right of entry and access to the Premises and existing financial records, and full cooperation by Tenant, for the purpose of establishing and maintaining the Records. Any expenses incurred by Landlord in furtherance of its rights under this Section shall be Additional Rent payable by Tenant upon receipt of an invoice. If an audit or examination by Landlord, or its representative, discloses that Tenant has failed to report all revenue subject to Participation Rent accurately, and that the total amount of the underreported revenue exceeds 2% of the revenue previously reported by Tenant for any period examined, or the total amount of the underreported revenue subject to Participation Rent results in Tenant owing additional Participation Rent in excess of \$5,000.00, Tenant shall reimburse

Landlord for all reasonable expenses incurred by Landlord in performing the examination, in addition to all additional Participation Rent found to be owed by Tenant pursuant to this Section. Additional Participation Rent shall bear interest at the lesser of fifteen (15%) per annum or the highest rate allowed by law from the date on which the additional Participation Rent was due until it is paid in full with interest. If an examination by Landlord or its representative discloses that Tenant has overreported revenue subject to Participation Rent and that as a result of the overreporting Tenant has overpaid Participation Rent, Landlord shall promptly refund the balance of the overpaid Participation Rent to Tenant.

3.3.11. *Taxes.* The revenue specified above to which the percentages are applied shall not include any sums collected or paid out for any sales or retail excise tax imposed by any duly constituted governmental authority. Tenant shall pay all sales, use, or similar taxes payable with respect to the Participation Rent.

3.4 *Periodic Fixed Rent Increases.* Fixed Rent shall increase by an amount equal to One Hundred Fifty Thousand Dollars (\$150,000.00) on the first day of each of the eleventh, twenty-first, thirty-first, forty-first, fifty-first, sixty-first, seventy-first, eighty-first and ninety-first Lease Years, and by ten percent (10%) of the then current Fixed Rent for any renewal term on each tenth (10th) anniversary of the commencement date of such renewal term.

3.5 *Renewal Rent.* If Tenant exercises its option to extend the Term for an additional 99 Lease Years, annual Fixed Rent for the extension term shall be Seventeen Million and No/100 Dollars (\$17,000,000.00).

3.6 *Payment; Proration; Etc.* Tenant shall pay Fixed Rent in equal quarterly installments in advance on the first day of each quarter of each Lease Year. Tenant shall pay all Rent payable to Landlord by good and sufficient check payable to Landlord or by wire transfer, at such address as Landlord shall designate from time to time.

3.7 *Additional Rent.* In addition to Fixed Rent, Tenant shall promptly pay the appropriate third party, or to Landlord as applicable, as additional rent under this Lease, all Additional Rent. Except where this Lease provides otherwise, Tenant shall pay all Additional Rent within thirty days after receipt of an invoice and reasonable backup documentation, if appropriate.

3.8 *No Allocation to FF&E.* No Rent is allocable to any FF&E.

3.9 *No Offsets.* Tenant shall pay all Rent without offset, defense, claim, counterclaim, reduction, or deduction of any kind whatsoever.

3.10 *Government Restriction on Rent.* During any period when any Rent shall be or become uncollectible, reduced, or required to be refunded because of any rent control Law or other Law (a "Rent Regulation Period"), Tenant shall enter into such agreement(s) and take such other steps as Landlord may reasonably request and as may be legally permissible to permit Landlord to collect the maximum Rent that, from time to time during such Rent Regulation Period, may be legally permissible (and not in excess of the amounts then reserved therefor under this Lease to the extent then due and payable under this Lease). After any Rent Regulation Period: (a) Rent shall become and thereafter be payable in accordance with this Lease; and (b) Tenant shall promptly pay in full to Landlord, unless prohibited by Law, an amount equal to the excess, if any, of the following during the Rent Regulation Period: (1) the Rent that this Lease required Tenant to pay; less (2) the Rent Tenant actually paid.

3.11 *Third Party Professional Fee and Property Maintenance Reimbursement.* On the Commencement Date, Tenant shall reimburse Landlord for up to One Million and No/100 Dollars (\$1,000,000.00) for documented and reasonable third party professional fees related to this Lease transaction and for the costs of maintenance of the Premises by Landlord from August 31, 2009 until the Commencement Date.

3.12 *Casino Gambling or Gaming.* If casino gambling or gaming becomes a use that is permitted by Law on the Premises, no portion of the Premises shall be used for the primary purpose of casino gambling or gaming unless and until Landlord and Tenant have renegotiated the Participation Rent provision of this Lease to provide reasonable additional Participation Rent to Landlord related to such use, which Landlord and Tenant agree to do diligently and in good faith. Incidental use of any portion of the Premises for gaming, such as by the installation of slot machines or the sale of lottery tickets as part of another primary use, shall not be restricted by this Section 3.12 or require renegotiation of the Lease as contemplated by this Section 3.12

3.13 *Replacement of Participation Rent.* Landlord and Tenant agree that if the Participation Rent provisions of this Lease create a federal or other tax liability for Landlord, including unrelated business income, then the parties will work in good faith to restructure the Participation Rent component of the Rent payments (retroactively to the extent necessary to remove the tax liability) to afford Landlord substantially the same economic benefit and Tenant substantially the same economic obligation but in a manner that does not create a federal or other tax liability for Landlord.

4. ADDITIONAL PAYMENTS BY TENANT; REAL ESTATE TAXES

4.1 *Landlord's Net Return.* This Lease shall constitute an absolutely "net" lease. The Fixed Rent shall give Landlord an absolutely "net" return for the Term, free of any expenses or charges for the Premises, except as this Lease expressly provides otherwise. Tenant shall pay directly to the payee as Additional Rent and discharge (subject to Tenant's right of Contest as this Lease expressly provides), before failure to pay creates a material risk of lien on the Fee Estate, each and every item of expense, of every kind and nature whatsoever, related to or arising from the Premises, or by reason of or in any manner connected with or arising from the leasing, operation, management, maintenance, repair, use, or occupancy of, or Construction affecting, the Premises, including all costs and expenses relating to the Premises and the business carried on therein during the Term of this Lease, all taxes and charges of every kind and nature (including Real Estate Taxes, *ad valorem*, single business, sales taxes on Rent, business receipts taxes, certificates of use, sales, use or similar taxes, and personal property taxes) on or with respect to the Premises, or the use, lease, ownership or operation thereof; all general and special assessments, levies, permits, inspection and license fees (including without limitation any inspections required by municipal or county codes such as building recertification) on or with respect to the Premises; all water and sewer rents and other utility charges on or with respect to the Premises; all code violation fees and fire alarm fees; and all other public charges and/or taxes whether of a like or different nature, even if unforeseen or extraordinary, imposed or assessed upon or with respect to the Premises, during the Term, against Landlord, Tenant or any of the Premises as a result of or arising in respect of the occupancy, leasing, use, maintenance, operation, management, repair or possession thereof, or any activity conducted on the Premises, or the Rent, including without limitation, any rent tax, occupancy tax or excise tax levied by any governmental body on or with respect to such Rent, including pursuant to Fla. Stat. 212.031 (2007) as same may be amended from time to time; all payments required to be made to a Government (or private entity in lieu thereof) that are in lieu of any of the foregoing. Except for (i) the reimbursement for administrative cost provided for in Section 4.7 of

this Lease, (ii) the reimbursement for third party professional fees and property maintenance expenses payable pursuant to Section 3.10, (iii) the reimbursement of expenses incurred by Landlord under circumstances contained in this Lease that expressly permit such reimbursement (by way of examples only, expenses incurred by Landlord under Subsection 3.3.11 because of a failure by Tenant to cure deficiencies in the maintenance of Records and under Section 9.3.2 for third-party costs and expenses of Landlord's cooperation), Tenant need not pay (as Landlord shall be responsible for timely paying without contribution by Tenant) the following items payable, accrued, or incurred by Landlord: (a) Fee Debt Service; (b) depreciation, amortization, brokerage commissions, financing or refinancing costs, management fees, or leasing expenses for the Fee Estate; (c) after the Commencement Date, any consulting, overhead, accounting, tax preparation, other professional fees, travel, legal and staff costs, bank service charges, and other costs incidental to Landlord's ownership of the Premises and administration and monitoring of this Lease, including such costs Landlord incurs in reviewing anything Tenant delivers under this Lease or determining whether Tenant is in compliance with this Lease, except to the extent that this Lease requires Tenant to pay such costs or expenses; (d) any costs or expenses that Landlord incurs in or for any litigation, except to the extent that this Lease requires Tenant to pay such costs or expenses; (e) any costs arising from or under any instrument or agreement affecting the Premises that is not a Permitted Exception and was not requested or created by or with the consent of Tenant or anyone claiming through Tenant, and to which Landlord is a party and Tenant is not a party, except to the extent that this Lease requires Tenant to pay such costs or expenses; (f) any insurance premiums, utilities, operating expenses, or other costs related to the Premises that accrued before the Commencement Date, except to the extent that this Lease requires Tenant to pay such costs or expenses; (g) any sums expressly payable by Landlord under this Lease or expressly excluded from the definition of Real Estate Taxes; and (h) all other costs or expenses that, by their nature, are personal to Landlord or Landlord's ownership of the Fee Estate. The intent of the foregoing sentence is not to abrogate the triple net nature of this Lease, but is instead to make it clear that costs normally for the account of the landlord in a triple net ground lease remain for the account of the Landlord in this Lease, except to the extent that this Lease requires Tenant to pay such costs or expenses.

4.2 *Real Estate Taxes.* Tenant shall pay and discharge all Real Estate Taxes payable or accruing for 2012 and all period(s) within the Term (including any determined to be due and owing after a Contest of Real Estate Taxes), by November 1 of the calendar year during which the Real Estate Taxes are payable without delinquency (ex. 2012 Real Estate Taxes are payable without delinquency until March 31, 2013, so Tenant would have until November 1, 2013 to pay same) but in any event prior to the Expiration Date. Tenant shall also pay all interest and penalties any Government assesses for late payment of any Real Estate Taxes. Notwithstanding the foregoing, Tenant shall not be in default for failure to pay Real Estate Taxes (including any determined to be due and owing after a Contest of Real Estate Taxes) until Tenant has received Notice which includes, in all capital and bold letters, in a size no smaller than the largest print on the Notice, the following legend: "**FAILURE TO TIMELY TAKE ACTION MAY RESULT IN ENFORCEMENT ACTION**" and the opportunity to cure that is afforded Tenant for Monetary Defaults under this Lease. Tenant shall within a reasonable time after payment give Landlord reasonable proof that Tenant has paid any Real Estate Taxes that this Lease requires Tenant to pay. Tenant shall have the sole right and authority to contest Real Estate Taxes, in compliance with the Contest Conditions. Notwithstanding anything in this Lease to the contrary, Landlord shall promptly after the Commencement Date pay to the Miami-Dade County Tax Collector's office an amount sufficient to pay in full all Real Estate Taxes for the years 2010 and 2011, including interest and penalties. Real Estate Taxes for the year in which the Expiration Date occurs shall be prorated as of midnight of the day preceding the Expiration Date, and such amount shall be paid within 10 Business Days after the Expiration Date by Tenant to Landlord. If the amount of taxes for such year cannot be ascertained, rates for the previous year will be used with due allowance being made for

improvements and exemptions. Any tax proration based on an estimate will, at the request of either party, be readjusted upon receipt of the tax bill for the Premises for the year of the Expiration Date; this provision will survive the termination of the Lease.

4.3 *Assessments in Installments.* To the extent Law allows, Tenant may apply to have any assessment by a Government payable in installments. Upon approval of such application, Tenant shall pay and discharge only such installments as become due and payable during the Term.

4.4 *BID Decisions.* If any proposal is made to include the Premises in any BID (or to Modify the terms of any BID, including the amount or calculation of any required payments or assessments) and the owner of the Fee Estate is entitled to vote in favor of or against such proposal, then Tenant shall solely decide how to vote on behalf of such owner, the parties shall reasonably cooperate to effectuate such decision, and Tenant shall have full and sole power (to the exclusion of Landlord) to represent the Premises as owner in all matters regarding the BID, provided that at the time of determination the unexpired Term (including any extension option, whether or not exercised) is ten years or more and no Event of Default exists. A BID shall include the creation of a CDD in order to obtain lower interest rates for the funding of CDD costs, as defined in Section 190.003(7), Florida Statutes, as it may be amended or renumbered from time to time. Landlord agrees to timely approve any such application for a CDD in its capacity as owner of the Premises, as long as the unexpired Term condition set forth above is satisfied and no Event of Default exists.

4.5 *Direct Payment by Landlord.* Additional Rent shall include obligations of Tenant owed to third parties by virtue of other provisions of this Lease. If any such Additional Rent is required by such third parties to be paid directly by Landlord, then: (a) Landlord appoints Tenant as Landlord's attorney-in-fact solely to make such payment; and (b) if the payee nevertheless refuses to accept payment from Tenant, then Tenant shall Notify Landlord and shall pay such amount to Landlord in a timely manner with reasonable instructions on remittance of such payment by Landlord to the payee. Landlord shall with reasonable promptness comply with Tenant's reasonable instructions, and Landlord shall pay (either to the third party directly or to Tenant within 30 days after Notice) any penalties, late fees, finance charges, lost discounts or other amounts payable to the obligee as a direct result of Landlord's failure to do so.

4.6 *Utilities.* Tenant shall arrange and pay for all fuel, gas, light, power, water, sewage, garbage disposal, telephone, and other utility charges, and the expenses of installation, maintenance, use, and service in connection with the foregoing, for the Premises during the Term before delinquency (or before they can become a lien on the Premises on account of non-payment thereof, if later) but in any event prior to the Expiration Date. Notwithstanding the foregoing, Tenant shall not be in default for failure to pay utility costs until Tenant has received a Minor Default Notice which includes, in all capital and bold letters, in a size no smaller than the largest print on the Minor Default Notice, the following legend: "**FAILURE TO TIMELY TAKE ACTION MAY RESULT IN ENFORCEMENT ACTION**" and the opportunity to cure that is afforded Tenant in the definition of Delay Fee under this Lease. Landlord's sole remedies shall be at Landlord's option to impose a Delay Fee, and/or to pay the delinquent utility costs (including any interest and penalties), and/or specific performance, and Tenant waives all defenses, except defense of performance, in any action brought by Landlord to enforce its rights under this Section. Tenant shall promptly reimburse Landlord for any payments made and costs incurred under this Section, plus a \$500 (increasing 10% at the beginning of the 11th full Lease Year and at the beginning of each 10th full Lease Year thereafter)

administrative fee, interest at the Default Interest Rate and Legal Costs. Notwithstanding anything to the contrary, should any non-payment under this section result in a lien on the Fee Estate, then Landlord shall have the remedies provided for Prohibited Liens.

4.7 *Administrative Cost Reimbursement.* During the first five (5) Lease Years only, Tenant shall pay to Landlord \$50,000.00 semi annually (\$100,000.00 annually, \$500,000.00 in the aggregate for all 5 years) at the end of the 6th month of the Lease Year and at the end of the Lease Year, within 30 days of Notice from Landlord, which Notice shall include a certificate from the City Manager or other authorized representative of Landlord to the effect that at least \$50,000 of third party and in house costs have reasonably been incurred by Landlord for the 6 month period for which payment is being requested for administering and monitoring compliance of Tenant's performance under this Lease. If Landlord has not provided the Notice and supporting affidavit provided for herein for any 6 month period within 365 days after the end of such 6 month period, Tenant shall be forever relieved of the obligation to pay any amount pursuant to this Section 4.7 for such 6 month period.

4.8 *Payments to be Made by Landlord and Consequences for Failure To Do So.* If any payment required to be made by Landlord under this Lease (whether to Tenant or a third party) is not timely paid, Landlord shall not be in default for failure to pay same, and Tenant shall not take action on same, until Landlord has received Notice (which includes, in all capital and bold letters, in a size no smaller than the largest print on the Notice, the following legend: "**FAILURE TO TIMELY PAY THE AMOUNTS ADDRESSED HEREIN MAY RESULT IN LANDLORD INCURRING ADDED COSTS OR LIABILITY**") and 30 days opportunity to cure has elapsed, and thereafter Tenant gives Notice with time to cure as provided in Section 23.11 of this Lease, but thereafter Tenant may pay same (in the case of payments to third parties) and Landlord shall reimburse Tenant (in the case of third party payments) or pay Tenant for the amount thereof.

5. USE

5.1 *Permitted Use.* Tenant may use the Premises for any lawful purpose. Tenant at its sole option, may seek to rezone the Premises or any portion thereof.

5.2 *Exclusive Control.* Tenant shall have exclusive control, possession, occupancy, use, and management of the Premises, subject only to Permitted Exceptions. Except for the rights and obligations under the ERA, Landlord, at its sole cost and expense, shall terminate any and all existing service and management contracts that exist prior to the Commencement Date, effective on the Commencement Date. Subject to the terms of Section 31.4 of this Lease, Tenant shall have the exclusive right to install signage on or at the Premises, or to Transfer the right to install such signage during the Term. During the Term, Tenant may enter into and thereafter terminate, or Modify any contract for management or operation of the Premises entered into by Tenant or Modify any provision of services to the Premises procured by Tenant, without Landlord's input, consent or approval. Any such contracts shall automatically expire on the Expiration Date.

6. COMPLIANCE

6.1 *Generally.* Tenant shall during the Term, at Tenant's expense, in all material respects, subject to Tenant's right of Contest: (a) comply with all Laws and Permitted Exceptions; and (b) procure and comply with all Approvals required by Law. In amplification of the foregoing, all Construction shall be performed in compliance with applicable Laws and Approvals.

6.2 *Copies of Notices.* Landlord shall promptly give Tenant a copy of any notice of any kind regarding the Premises or any Real Estate Taxes (including any bill or statement), and any notice of nonrenewal or threatened nonrenewal of any Approval that Landlord receives from any Government, utility company, insurance carrier, or insurance rating bureau.

7. DEVELOPMENT; MAINTENANCE AND ALTERATIONS; DISPUTE RESOLUTION

7.1 *Development.* Tenant and those claiming under it may perform any lawful Construction on the Premises without the consent of Landlord. Without limiting the foregoing, the Concept Plan is a conceptual plan for the Premises and includes presently proposed phases, presently anticipated time frames for development, and the presently proposed uses of the Project. Tenant and Landlord recognize and agree that except for the Park Property, the location and boundaries of which shall not be changed without the prior written consent of Landlord, the Development plan for the Premises will change over time based on market conditions and needs, and that Tenant requires the flexibility to react to those changing conditions in a prompt and timely fashion. Thus, this Concept Plan should be considered a general guideline for the Development of the Premises, which Tenant may modify from time to time in its sole discretion, except as provided above as to the Park Property. Likewise, the projected time frames and sequence of Development is totally market driven and, therefore, such time frames and sequencing are merely aspirational goals and may be changed from time to time by Tenant in its sole discretion. However, notwithstanding anything to the contrary in this Lease, Tenant shall cause the timely completion of (a) the Initial Development, (b) the Second Stage Development, and (c) the Third Stage Development, in each case subject to extension by reason of Unavoidable Delay (collectively, "Tenant's Construction Obligations"), and no change in the Concept Plan shall be deemed to change the requirements included in Tenant's Construction Obligations. Notwithstanding anything to the contrary in this Lease, any breach of Tenant's Construction Obligations as set forth in the immediately preceding subsections (a) and (b) shall become an Event of Default if not cured within ninety (90) days of Notice from Landlord of same. A projected schedule of values and projected timeline for the Initial Development is set forth on **Exhibit D-1** attached hereto. All Construction at the Premises shall be performed in a good and workmanlike manner. Tenant shall Notify Landlord of all material changes to the Concept Plan. Tenant shall not be in default of the requirements regarding good and workmanlike construction and required notification of changes in the Concept Plan until it has received a Minor Default Notice which includes, in all capital and bold letters, in a size no smaller than the largest print on the Minor Default Notice, the following legend: "**FAILURE TO TIMELY TAKE ACTION MAY RESULT IN ENFORCEMENT ACTION**" and the opportunity to cure that is afforded Tenant in the definition of Delay Fee under this Lease, and thereafter Landlord's sole remedies for breach of this obligation shall be limited to specific performance and/or payment of the Delay Fee, and Tenant waives all defenses, except defense of performance, in any action brought by Landlord to enforce its rights under this Section. The foregoing shall not be deemed to limit in any way the regulatory requirements, Approvals or processes required by Law for Construction. Tenant agrees to seek any necessary Approvals from Landlord, acting in its governmental capacity, and agrees that such Applications shall be consistent with the Concept Plan, as amended.

7.2 *Plans and Specifications.* Tenant shall submit to Landlord a courtesy copy of any Plans and Specifications (as Modified) for Major Construction at the same time that same are submitted for Government Approvals. If such Plans and Specifications are changed, then Tenant shall promptly on Landlord's request deliver copies of such changes to Landlord for its information. Tenant shall not be in default of these obligations until it has received a Minor Default Notice which includes, in all capital and bold letters in a size no smaller than the largest print on the Minor Default Notice, the following legend:

"FAILURE TO TIMELY TAKE ACTION MAY RESULT IN ENFORCEMENT ACTION" and the opportunity to cure that is afforded Tenant in the definition of Delay Fee under this Lease. Landlord's sole remedies for breach of these obligations shall be limited to specific performance and/or payment of the Delay Fee, and Tenant waives all defenses, except defense of performance, in any action brought by Landlord to enforce its rights under this Section. Neither the retention of the Plans and Specifications nor any other action Landlord takes regarding the Plans and Specifications shall constitute an opinion or representation on their sufficiency.

7.3 *Approvals; Applications; Cooperation.* Tenant shall cause all applicable Applications to be submitted and all applicable Approvals to be obtained for any Construction. No demolition or Construction will commence without possession of all appropriate approvals and permits from all governing jurisdictions. Tenant shall not be in default of its obligation regarding submitting such Applications and obtaining such Approvals (but excluding its obligation to not start demolition or Construction until they are received) until it has received a Minor Default Notice which includes, in all capital and bold letters in a size no smaller than the largest print on the Minor Default Notice, the following legend: **"FAILURE TO TIMELY TAKE ACTION MAY RESULT IN ENFORCEMENT ACTION"** and the opportunity to cure that is afforded Tenant in the definition of Delay Fee under this Lease. Landlord's sole remedies for breach of this obligation shall be limited to specific performance and/or payment of the Delay Fee, and Tenant waives all defenses, except defense of performance, in any action brought by Landlord to enforce its rights under this Section. Tenant shall not submit Applications or apply for Approvals or Modifications of either in Landlord's name without the prior written consent of Landlord. Subject to the provisions of Section 32 entitled "Sovereign Rights", Landlord in Landlord's capacity as owner of the Fee Estate and not as a municipality shall reasonably cooperate, provided there is no cost or increased obligation or liability to Landlord, (a) with Tenant in obtaining applicable Approvals, including where reasonably necessary joining in any documents for which the owner of the Fee Estate must join to bind the Premises, and (b) in submitting Applications, including for any pass-through grants other than the Grant or other payments or entitlements that may be available to Landlord and that can be passed through to Tenant to offset costs of Development of the Premises, pursuant to Tenant's reasonable request, and Tenant shall reimburse Landlord's actual third-party costs and expenses of such cooperation. Landlord assumes no liability by cooperating with any Construction. Tenant shall Indemnify Landlord regarding such cooperation.

7.4 *Bonds.* Tenant shall use commercially reasonable efforts, including providing (or causing to be provided) for same in the applicable Sublease, to cause Landlord to be named as an additional obligee (subordinate to any construction lender) on any payment or performance bond issued with respect to the Construction of Improvements. Prior to the issuance of a building permit for any and all Improvements which may be required within dedicated rights of way and/or public facility easements, Tenant shall provide or cause to be provided to Landlord a Surety Bond for such Improvements. Tenant will obtain a Surety Bond pursuant to section 255.05, Fla. Stat. (2012), as same may be amended from time to time for all public works, including the Remedial Action.

7.5 *Certain Deliveries.* When Tenant has obtained a certificate of occupancy for any Major Construction, Tenant shall provide Landlord with a courtesy copy thereof and, when available, a courtesy copy of "as-built" plans and specifications for such Major Construction and a courtesy copy of an "as-built" survey, either of which may be in electronic format, but Tenant shall not be in default of these obligation until it has received a Minor Default Notice which includes, in all capital and bold letters in a size no smaller than the largest print on the Minor Default Notice, the following legend: **"FAILURE TO TIMELY TAKE ACTION MAY RESULT IN ENFORCEMENT ACTION"** and the opportunity to cure as is afforded

Tenant in the definition of Delay Fee in this Lease. Landlord's sole remedies for breach of these obligations shall be limited to specific performance and/or payment of the Delay Fee, and Tenant waives all defenses, except defense of performance, in any action brought by Landlord to enforce its rights under this Section.

7.6 *Obligation to Maintain.* Except to the extent that (a) this Lease otherwise expressly provides or allows or (b) Construction is being performed, Tenant shall during the Term cause (which may be by enforcement of provisions in Subleases as to Subleased Premises) the Premises to be kept and maintained in good order, condition, and repair (which for these purposes shall mean in accordance with the standards for maintenance and building set forth in the City of North Miami Code of Ordinances as same may be amended or replaced from time to time, and other Laws), subject to Loss (governed by other provisions of this Lease), and reasonable wear and tear. Tenant's obligation to cause the Premises to be maintained includes an obligation to cause to be made all repairs that the Premises (including plumbing, heating, air conditioning, ventilating, electrical, lighting, fixtures, walls, Structure, building systems, ceilings, floors, windows, doors, plate glass, skylights, landscaping, driveways, site improvements, curb cuts, parking lots, fences and signs located in, on or at the Premises, together with (to the extent not publicly dedicated) any sidewalks and streets adjacent to the Premises) and as may be required by Law from time to time during the Term, whether structural or nonstructural, foreseen or unforeseen, capital or operating. Tenant shall cause trash and debris to be removed from the Premises and the adjoining sidewalks, and cause them to be maintained in a reasonably clean condition. Tenant shall not be in default of the foregoing obligations until it has received a Minor Default Notice which includes, in all capital and bold letters in a size no smaller than the largest print on the Minor Default Notice, the following legend: "**FAILURE TO TIMELY TAKE ACTION MAY RESULT IN ENFORCEMENT ACTION**" and the opportunity to cure afforded Tenant in the definition of Delay Fee in this Lease, provided however that if the specified default is due to the conduct of a Subtenant and is not within Tenant's direct control and therefore cannot with due diligence be cured within ten (10) Business Days from such Minor Default Notice, Tenant shall have additional time prior to the imposition of the Delay Fee to cure such specified default if it duly commences such cure (which may be by enforcement of provisions in Subleases as to Subleased Premises) within such period and then diligently prosecutes such cure to completion. Landlord's sole remedies for breach of these obligations shall be limited to specific performance and/or payment of the Delay Fee, and Tenant waives all defenses, except defense of performance, in any action brought by Landlord to enforce its rights under this Section.

7.7 *Green practice standard.* To the extent required by Laws, all Buildings shall achieve LEED Certification or greater or the equivalent under a similar nationally recognized green practice standard,

7.8 *Reports.* Tenant agrees to provide Landlord with quarterly (during both design and construction) written updates ("Progress Reports") regarding its progress and construction activities in substantially the form attached hereto as **Schedule 7.8**, including estimated timetables (with periodic updates), status of milestones for Major Construction, subleasing, list and status of existing permits, list and status of permits applied for, schedule update of all environmental projects, schedule update of all Construction projects, update of local vendor and labor participation program, disclosure of Unavoidable Delays, disclosure of changes in the Concept Plan and such other information as Landlord may reasonably request and is not confidential. These reports shall be delivered to the City Manager of Landlord or his designee. The provision of information and materials under this Section is intended solely for informational purposes to allow Landlord to monitor the progress of Development and compliance with this Lease in an efficient fashion and not for purposes of consent or approval, except that Landlord shall be entitled to rely on the information provided by Tenant regarding Unavoidable Delays and changes in the Concept Plan. Tenant shall not be in default of its obligation to provide a Progress Report until it has received a Minor Default

Notice which includes, in all capital and bold letters in a size no smaller than the largest print on the Minor Default Notice, the following legend: "**FAILURE TO TIMELY TAKE ACTION MAY RESULT IN ENFORCEMENT ACTION**" and the opportunity that is afforded to Tenant in the definition of Delay Fee in this Lease to cure. Landlord's sole remedies for failure to provide a Progress Report shall be limited to specific performance and/or payment of the Delay Fee, and Tenant waives all defenses, except defense of performance, in any action brought by Landlord to enforce its rights under this Section.

7.9 *Materials on Premises.* The parties acknowledge that the materials, equipment and other personal property described on attached **Schedule 7.9** were stored on the Premises as of February __, 2012. Effective on the Commencement Date, Landlord conveys to Tenant all of Landlord's right, title, and interest, if any, in any such construction material, equipment and other personal property (in "as-is" "where-is" condition with no representations or warranties whatsoever) located on the Premises on the Commencement Date and Tenant shall have the right to retain and use, or remove, sell or discard, all such construction materials, equipment and other personal property. Specifically excluded from the foregoing conveyance, whether or not listed on **Schedule 7.9**, are the crane and generator, as well as any equipment owned by the contractor or any subcontractors under the ERA. Tenant shall provide Landlord with the use of the fusing machine and a trained operator at Tenant's cost from time to time at Landlord's request for use on the Premises.

7.10 *License of Construction Documents.* Tenant hereby grants Landlord a license to use all Construction Documents and all Plans and Specifications for completion, maintenance, repairs and replacements of then existing Improvements after the Expiration Date for purposes of any Law related to intellectual property, but such assignment shall be effective only to the extent Tenant is permitted to do so under the applicable contract with the applicable vendor or preparer of same (and such preparer or vendor may refuse to allow the assignment in its sole discretion). Such license includes the right to modify or amend the Plans and Specifications and the right to grant sublicenses. Landlord shall not exercise its rights under any license of Construction Documents or Plans and Specifications granted to Landlord under this Lease unless this Lease has terminated and no Leasehold Mortgagee has requested a New Lease.

7.11 *Conditional Assignment of Financing Commitment.* Provided that such assignment is expressly permitted by the Construction Loan, Tenant hereby assigns to Landlord Tenant's rights under each Construction Loan. Although such assignment is presently effective, Landlord shall not exercise or seek to exercise any rights as assignee unless and until the Lease has been terminated, the New Lease Option Period has expired without a request for a New Lease, and Tenant's lender has consented in writing to such assignment in its sole discretion. No fact or circumstance, except such lender's actual written consent, shall be deemed to constitute such lender's consent to such assignment. Tenant's lender's acceptance of a Leasehold Mortgage shall not be deemed consent to the foregoing assignment and shall not constitute such lender's acknowledgment that such assignment is permitted by the Construction Loan. If such lender does not consent to such assignment, then such failure shall not constitute a Tenant Default. Such lender is under no obligation to consent to such assignment and may refuse such consent in its sole and absolute discretion. Unless and until Tenant's lender has actually consented to such assignment in writing and this Lease has terminated, Landlord shall not be entitled to exercise against such Construction Loan lender any rights of Tenant and may not assert any other claims against Tenant's lender with respect to the Construction Loan. The purpose of this assignment is solely to allow Landlord to obtain the benefit of the Construction Loan, free of any claims by Tenant if, as and when both: (a) this Lease has terminated; and (b) Tenant's lender in its sole and absolute discretion has in writing consented to this assignment and agreed to recognize Landlord

as successor borrower under the Construction Loan. Landlord shall not be deemed to have assumed the Construction Loan or any other obligation except under an express written assumption.

7.12 Dispute Resolution. The Parties acknowledge that litigation is expensive and time consuming, and that the parties to a dispute are frequently in a much better position to reach a satisfactory resolution when working in a good faith, commercially reasonable, collaborative manner. Accordingly, the Parties agree that they will each work to resolve any disputes arising under this Section 7 in a good faith, commercially reasonable, collaborative manner as follows (“the Dispute Resolution Procedures”):

7.12.1 Project Coordination Team. The Parties shall first work to resolve any problems at the Project Coordination Team meetings. Landlord and Tenant agree to notify the members of the Project Coordination Team promptly in writing in the event that either becomes aware of any unreasonable interference with the complaining party’s work or operations where the offending party has been informed of the problem but has not sufficiently addressed it. Such written notification shall recite the foregoing facts with specificity and shall be a condition precedent to the making of any claim for damages in any Arbitration or litigation proceeding hereunder.

7.12.2 Arbitration; Arbitrator(s). If the problem is not resolved at the Project Coordination Team meetings, the issue may be submitted for Arbitration at the request of any Party as provided in this Lease. Any dispute which is to be resolved by arbitration under this Section 7 shall be referred to and exclusively and finally settled by binding arbitration, conducted in accordance with the Construction Arbitration Rules (or similar successor rules thereto) and this Section 7. The place of arbitration shall be North Miami, Florida. In the event that any Party calls for a determination in arbitration pursuant to the terms of this Lease, the Parties shall have a period of ten (10) days from the date of such request to mutually agree on one arbitrator who, at a minimum, must be an attorney with at least fifteen (15) years experience practicing real estate construction law (with significant experience in construction contracts and development projects and related litigation) in Miami-Dade County, Florida. If the Parties fail to agree, each Party shall have an additional ten (10) days to each select an individual meeting the same minimum qualifications set forth above, and the two (2) arbitrators selected shall select an arbitrator to be the arbitrator for the dispute in question. If any Party fails to make its respective selection of an arbitrator within the additional 10-day period provided for above, then the remaining Party’s selection shall select the arbitrator.

7.12.3 Arbitration Process. The arbitrator shall decide the issues submitted to him/her in accordance with (a) the language, commercial purpose and restrictions contained in this Lease (including exhibits hereto, if any) and (b) what is just and equitable under the circumstances, provided that all substantive issues shall be determined under the laws of the State of Florida and all matters involving the discretion of the North Miami City Council shall not be subject to arbitration, but instead shall be subject where appropriate to judicial review. With respect to any arbitration proceeding hereunder, the following provisions shall apply: (i) The Parties shall cooperate with one another in the production and discovery of requested documents, and in the submission and presentation of arguments to the arbitrator at the earliest practicable date; (ii) The arbitrator conducting any arbitration shall be bound by the provisions of this Lease and shall not have the power to add to, subtract from or otherwise modify such provisions; (iii) The Parties renounce all recourse to litigation with respect to the matters in this Lease which direct the dispute in question to be resolved under this arbitration provision, and agree that, with respect to such matters only, the ruling and award (if any) of the arbitrator(s) shall be conclusive, final and binding upon the Parties, and shall not be subject to judicial review; (iv) Judgment on the award of the arbitrator may be entered in any court having jurisdiction over the Party against which enforcement of the award is being sought, and any Party

may institute judicial proceedings to compel arbitration in accordance with the provisions hereof; and (v) Each Party shall be responsible for its own costs and expenses incurred in the arbitration, including attorneys' fees, but the costs of the presiding arbitrator and the arbitration itself shall be shared equally by the Parties. Except to the extent this Lease expressly provides that certain matters are to be resolved with the assistance of the Project Coordination Team and/or by submission to Arbitration, all disputes between the Parties shall be resolved by litigation.

7.13. *Park Property Construction Material Tax Exemptions.* With respect to any sales, use or similar taxes otherwise payable on any materials, goods, supplies or equipment purchased or obtained for, or incorporated into, the Park Property, Landlord shall at no cost to Landlord reasonably cooperate with Tenant to order and pay for same or otherwise work with Tenant to realize any available exemption from sales, use or similar taxes thereon. Even though Landlord may purchase same, same shall be stored on the Premises as if purchased by Tenant, and Tenant shall assume the risk of Loss respecting same.

8. PROHIBITED LIENS

8.1 *Tenant's Covenant.* If a Prohibited Lien is filed then Tenant shall, within 30 days after receiving Notice from Landlord which includes, in all capital and bold letters in a size no smaller than the largest print on the Notice, the following legend: "**FAILURE TO TIMELY TAKE ACTION MAY RESULT IN ENFORCEMENT ACTION**" of such filing, cause such Prohibited Lien to be paid, discharged, bonded, transferred to security or cleared from title. If Tenant fails to do so, Landlord may do so and Tenant shall reimburse Landlord for the reasonable costs of doing so, including Legal Costs incurred by Landlord, and/or Landlord may give Notice of Default and pursue its remedies pursuant to the terms of this Lease. If Landlord receives notice of any such filing, then Landlord shall promptly Notify Tenant. Nothing in this Section shall be construed to: (a) limit Tenant's right of Contest so long as no Prohibited Lien is filed; or (b) obligate Tenant regarding any lien that results from any act or omission by Landlord (for which Landlord shall be provided Notice by Tenant (which includes, in all capital and bold letters in a size no smaller than the largest print on the Notice, the following legend: "**FAILURE TO TIMELY ADDRESS THE MATTER DISCUSSED HEREIN MAY RESULT IN LANDLORD INCURRING ADDED COSTS**") and, if Landlord does not within 30 days thereafter cause such lien to be paid, discharged, bonded, transferred to security or cleared from title, Tenant may do so and Landlord shall reimburse Tenant for the reasonable costs of doing so. If any Subtenant or other party claiming under Tenant causes a Prohibited Lien, then Tenant's obligations under this Subsection shall be suspended for a period not to exceed thirty (30) days so long as both: (a) Tenant is with reasonable diligence endeavoring to cause the Subtenant or other party to remove the Prohibited Lien, and is keeping Landlord informed as to its efforts; and (b) the holder of the Prohibited Lien has not commenced foreclosure proceedings. If either of the foregoing conditions is not met, or if the thirty (30) day period expires, Tenant shall within ten (10) days of the failure of such condition cause such Prohibited Lien to be paid, discharged, bonded, transferred to security or cleared from title.

8.2 *Protection of Landlord.* NOTICE IS HEREBY GIVEN THAT LANDLORD SHALL NOT BE LIABLE FOR ANY LABOR OR MATERIALS FURNISHED OR TO BE FURNISHED TO TENANT OR ANY SUBTENANT OR OTHER PARTY CLAIMING UNDER TENANT UPON CREDIT, AND THAT NO CONSTRUCTION OR OTHER LIEN FOR ANY SUCH LABOR OR MATERIALS SHALL ATTACH TO OR AFFECT THE FEE ESTATE. NOTHING IN THIS LEASE, INCLUDING WITHOUT LIMITATION JOINDER BY LANDLORD IN ANY APPLICATION OR APPROVAL, SHALL BE DEEMED OR CONSTRUED IN ANY WAY TO CONSTITUTE LANDLORD'S CONSENT OR

REQUEST, EXPRESS OR IMPLIED, BY INFERENCE OR OTHERWISE, TO ANY CONTRACTOR, SUBCONTRACTOR, LABORER, EQUIPMENT OR MATERIAL SUPPLIER FOR THE PERFORMANCE OF ANY LABOR OR THE FURNISHING OF ANY MATERIALS OR EQUIPMENT FOR ANY CONSTRUCTION, NOR AS GIVING TENANT OR ANY SUBTENANT OR ANY OTHER PARTY CLAIMING UNDER TENANT ANY RIGHT, POWER OR AUTHORITY TO CONTRACT FOR, OR PERMIT THE RENDERING OF, ANY SERVICES, OR THE FURNISHING OF ANY MATERIALS THAT WOULD GIVE RISE TO THE FILING OF ANY LIENS AGAINST THE FEE ESTATE. TENANT SHALL INDEMNIFY LANDLORD AGAINST ANY CONSTRUCTION UNDERTAKEN BY TENANT OR ANYONE CLAIMING THROUGH TENANT OR ANY SUBTENANT, AND AGAINST ALL PROHIBITED LIENS.

9. HAZARDOUS SUBSTANCES; ENVIRONMENTAL COMPLIANCE AND REMEDIATION

9.1 *Restrictions.* Tenant shall not cause or permit to occur on, under or at the Premises during the Term: (a) any violation of any Environmental Law; or (b) the use, generation, release, manufacture, refining, production, processing, storage, or disposal of any Hazardous Substance in violation of Environmental Laws, or the transportation to or from the Premises of any Hazardous Substance in violation of Environmental Laws.

9.2 *Condition of Premises; Compliance; Clean-Up.* Condition of Premises. Tenant acknowledges that it is fully familiar with the physical and environmental condition of the Property shall take the Premises in "AS IS" and "WHERE IS" condition without any representation or warranty whatsoever including regarding environmental condition of the Premises except as expressly set forth in this Lease for the Term, upon the terms and conditions of this Lease. Tenant shall, at Tenant's sole expense: (a) comply with Environmental Law and, to the extent Environmental Law requires, clean up any Hazardous Substance Discharge; (b) make all submissions to, deliver all information required by, and otherwise fully comply with all requirements of any Government under Environmental Laws; (c) if any Government requires any clean-up plan or clean-up because of a Hazardous Substances Discharge, prepare and submit the required plans and any required financial assurances for such Hazardous Substances Discharge; (d) promptly and diligently carry out all such clean-up plans; (e) conduct and complete the Remedial Action as part of and in accordance with the timeline for the Third Stage Development; and (f) as to the period beginning on the Commencement Date and ending on the Expiration Date, Indemnify Landlord against any Hazardous Substances Discharge or violation of Environmental Law or non-performance of or delay in completion of the Remedial Action. Without limiting the generality of the foregoing, Tenant shall comply with any conditions of any no further action determination as provided for and in conformance with Rule 62-780.680, Fla. Admin. Code. Neither Landlord nor Tenant shall modify the terms of any such no further action determination without the written consent of the other party. Any party's obligations under this Section 9 shall not limit such party's rights against third parties. Notwithstanding anything to the contrary in this Lease, as to the period beginning on the Commencement Date and ending on the Expiration Date, as between Landlord and Tenant (and those claiming through Tenant), Landlord shall have no responsibility whatsoever regarding environmental matters and conditions on the Premises, except for the ERA Work. If available at commercially reasonable rates, Tenant shall obtain and maintain throughout the Term a pollution liability policy in the amount of \$ _____ (2012 dollars) with a deductible not to exceed \$ _____ (2012 dollars) to insure against risks including (if available) an unknown pollution condition, third-party claims alleging that pollution has migrated from the Premises and has damaged property off-Premises, allegations of bodily injury or property damage as a result of exposure to toxic

substances on the Premises, damage claims by Governments where permanent irreversible environmental damage is alleged, and similar risks. Both Landlord and Tenant shall be named insureds, though the policy will provide that only Tenant is responsible for premium payment.

9.3 *Grant from County; Environmental Obligations.* Landlord and County are parties to that certain Second Amended Grant Agreement dated March 26, 2004 (the “Grant Agreement”), in which County has agreed to provide Landlord a grant (the “Grant”) in the amount of Thirty One Million Twenty Seven Thousand and No/100 Dollars (\$31,027,000.00) to be funded by County for (a) groundwater remediation and (b) landfill closure pursuant the Grant Agreement. The Grant Agreement expires on the later of (x) receipt of a final certificate of completion of groundwater remediation and landfill closure, or (y) depletion of the escrow accounts so that no further funds are available for disbursements therein.

9.3.1 *Groundwater Remediation.* Landlord entered into the ERA for the design and construction of the groundwater remediation system required under the CLCP. Landlord shall diligently pursue completion of the groundwater remediation system as provided in the ERA and pursuant to the terms of the Grant Agreement, Landfill Closure Permit, and CLCP. The Parties shall reasonably cooperate and work in good faith with each other in coordinating development of each of their components of the project in order not to unreasonably interfere with each others’ construction plans, activities and schedules. Landlord and Tenant shall each designate coordination representatives (collectively, the “Project Coordination Team”) and establish a regular meeting schedule beginning within seven (7) days after the Commencement Date, and shall meet no less frequently than monthly until the Substantial Completion of the Initial Development, and thereafter as decided by the Project Coordination Team, to allow representatives to provide applicable reports, plans, and other information, and discuss the progress and coordination of the groundwater remediation system (including horizontal piping and placement of extraction wells) and the Initial Development so as not to unreasonably interfere with each other’s work, and address issues and problems that arise in a good faith, collaborative manner. Landlord’s initial representative of the Project Coordination Team shall be the City PE, and Tenant’s initial representative of the Project Coordination Team shall be Herbert George Tillman License # CGC036001. Tenant shall have the right to observe but not interfere with the work done pursuant to the ERA. If Tenant has concerns regarding the quality, appropriateness, or compliance with Laws, applicable Approvals or the Grant of such work, Tenant shall provide a reasonably detailed written description of such concerns to the City PE (or other Landlord designated member of the Project Coordination Team), who will evaluate and if necessary after appropriate consultation and investigation, address the concerns in an appropriate manner.

9.3.2. *Landfill Closure.* The SOV allocates certain funds to be used for landfill closure, including the capping of the Premises, stormwater management system, and gas methane control, and pre-Landfill Closure monitoring as required under the CLCP. On the Commencement Date, Tenant shall assume all of the obligations of Landlord for the Remedial Action. Landlord agrees to use the available unused proceeds of the Grant Agreement allocated under the SOV for the Remedial Action and to reimburse Tenant for its work to complete the Remedial Action, provided however that Tenant complies in all respects with requirements for such funding under the Grant Agreement, including provision of required documentation and releases and access to the Premises to County and City of North Miami officials. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS LEASE, TENANT SHALL BE SOLELY RESPONSIBLE FOR ALL COSTS TO COMPLETE THE REMEDIAL ACTION WHICH EXCEED THOSE AVAILABLE AND ACTUALLY DISBURSED FOR THE REMEDIAL ACTION UNDER THE GRANT AGREEMENT AND SOV. Provided no Event of Default exists at the time any of the below events would otherwise be consummated, Landlord agrees that without obtaining Tenant’s prior

written consent, which consent may be withheld in Tenant's good faith sole discretion, Landlord shall not approve, permit or agree to any supplement, modification, amendment or termination of, or consent to or agree to any waiver of any of the terms of, the Grant Agreement, or any other material document or agreement relating thereto which would diminish the amount of the funds allocated for the Remedial Action under the Grant Agreement or the SOV or adversely affect the timing of the funding of the Grant. Landlord in Landlord's capacity as owner of the Fee Estate and as a municipality shall reasonably cooperate with Tenant in requesting additional funds from the County under the Grant, provided that no such request shall cause delay or other change under the existing Landfill Closure Permit and related permits or any delay in completion of the groundwater remediation system or the funding for same. Tenant shall reimburse Landlord's actual third-party costs and expenses of such cooperation. Landlord assumes no liability by such cooperation, and Tenant shall Indemnify Landlord regarding such cooperation. Landlord shall not be required to provide any consideration to any party for any such increase in the Grant. Landlord and Tenant shall each be responsible for complying with the terms and provisions of the Grant Agreement that apply to their obligations under this Section. Landlord agrees to promptly request funds from County as requested by Tenant and to pay those funds to Tenant or other appropriate payee promptly upon receipt thereof, all pursuant to the Grant, and to take all other actions reasonably necessary for Landlord to obtain all Grant funds to which Landlord is entitled under the Grant Agreement in a timely manner. Tenant agrees to submit promptly such documentation, proof of compliance with Laws and applicable environmental permits and approvals, inspection reports, lien releases and other back-up as may be requested by Landlord's Public Works Department or by the County in connection with the work for which Landlord requests funding under the Grant (but failure to do so shall not constitute a Default or Event of Default under this Lease; rather it shall merely defer Landlord's obligation to pursue funding under the Grant while delivery of such materials is pending, provided however that any delay or insufficiency that results in a reduction in or lack of payment of funding under the Grant Agreement shall reduce Tenant's right to receive payment to the same extent). Tenant hereby agrees to complete the Remedial Action in compliance with the CLCP, Landfill Closure Permit, and any other applicable environmental permits and approvals, as part of and in accordance with the timeline for the Third Stage Development, provided that the foregoing will not be construed to extend the deadline for any portion of the Remedial Action which also constitutes a part of the Initial Development. Tenant shall Indemnify Landlord regarding such completion and compliance.

9.3.3. *Landfill Closure Monitoring and Compliance.* Except for the ERA Work for which Landlord is responsible, Tenant shall assume all of the obligations of Landlord for the monitoring and compliance requirements under the CLCP, Landfill Closure Permit, and any other applicable environmental permits and approvals related to the Premises from and after the Landfill Closure pursuant to such documents. Tenant acknowledges that there are no funds available under the Grant Agreement for such obligations, and that Tenant will be responsible for all costs of same. Tenant shall, as part of the Initial Development, on or before the fifth (5th) anniversary of the Commencement Date, create a homeowner's association or CDD or declaration of covenants and restrictions or similar funding source running with the land included in the Premises for all environmental monitoring and compliance costs under the CLCP, which shall be in form and substance reasonably acceptable to Landlord, and for which funding requirements Tenant shall assume all financial responsibility as Additional Rent under this Lease, and Tenant shall include a proportional amount in each Sublease to be paid by each Subtenant.

9.3.4 *Environmental Meetings; Inspection.* Each of Landlord and Tenant shall provide reasonable advance notice of any proposed meeting or telephone conference with governmental authorities concerning the Remedial Action or the ERA Work so Landlord's representatives have the opportunity to attend and participate in such meeting or telephone conference. Each of Landlord and Tenant may designate

representatives to attend all proceedings, telephone conferences, and meetings with any governmental authority regarding environmental issues related to the Premises, and upon Landlord's request or Tenant's request, Tenant and Landlord's Public Works Department and PE shall actively consult regarding such issues.

9.3.5 *Records*. Tenant shall provide access to Tenant's books and records and to the Premises to representatives of the County and Landlord in its municipal capacity as required in the Grant Agreement, shall maintain all records and documents, and shall otherwise comply with all requirements of the Grant Agreement, the CLCP, and all other applicable permits, Approvals and Laws. Tenant shall Indemnify Landlord regarding such access and compliance.

10. Indemnification; Liability of Landlord

10.1 *Obligations*. Tenant shall Indemnify Landlord against any: (a) wrongful act, wrongful omission, or negligence of the Indemnitor (and anyone claiming by or through the Indemnitor) or its or their partners, members, directors, officers, or employees; (b) breach or default by the Indemnitor under this Lease; or (c) breach of any representation or warranty Indemnitor makes in this Lease. Tenant shall Indemnify Landlord against the following during the Term and so long as Tenant remains in possession after the Expiration Date: (u) any Contest Tenant initiates; (v) any Application made at Tenant's request; (w) use, occupancy, control, management, operation, and possession of the Premises, excluding any publicly dedicated street, curb or sidewalk adjoining the Premises; (x) any Construction and any agreements that Tenant (or anyone claiming through Tenant) makes for any Construction; (y) the condition of the Premises, excluding any publicly dedicated street, curb or sidewalk adjoining the Premises; and (z) any accident, injury or damage whatsoever caused to any person in or on the Premises, excluding upon or under any publicly dedicated street, curb or sidewalks adjoining the Premises. Notwithstanding anything to the contrary in this Lease, no Indemnitor shall be required to Indemnify any Indemnitee regarding the Indemnitee's intentional acts or omissions or gross negligence. Nothing in this Section 10.1 shall apply to obligations concerning Environmental Law and Hazardous Substances Discharges, which are covered in Section 9.

10.2 *Liability of Landlord*. During the Term: (a) Tenant is and shall be in exclusive control and possession of the Premises; and (b) Landlord shall not be liable for any injury or damage to any property (of Tenant or any other Person) or to any person occurring on or about the Premises, except to the extent caused by Landlord's intentional act or gross negligence. Landlord's right to enter and inspect the Premises is intended solely to allow Landlord to ascertain whether Tenant is complying with this Lease and (to the extent this Lease allows) to cure any Default. Such provisions shall not impose upon Landlord any liability to third parties. Nothing in this Lease shall be construed to exculpate, relieve, or Indemnify Landlord from or against any liability of Landlord: (y) to third parties existing at or before the Commencement Date; or (z) arising from Landlord's intentional acts or gross negligence.

10.3 *Indemnification Procedures*. Wherever this Lease requires any Indemnitor to Indemnify any Indemnitee:

10.3.1 *Prompt Notice*. Indemnitee shall promptly Notify Indemnitor of any claim. To the extent, and only to the extent, that Indemnitee fails to give prompt Notice and such failure materially prejudices Indemnitor, Indemnitor shall be relieved of its indemnity obligations for such claim.

10.3.2 *Selection of Counsel*. Indemnitor shall select counsel reasonably acceptable to Indemnitee. Counsel to Indemnitor's insurance carrier shall be deemed satisfactory. Even though Indemnitor

shall defend the action, Indemnitee may, at its option and its own expense, engage separate counsel to advise it regarding the claim and its defense. Such counsel may attend all proceedings and meetings. Indemnitor's counsel shall reasonably consult with Indemnitee's counsel. Indemnitor and its counsel shall, however, fully control the defense.

10.3.3 *Cooperation.* Indemnitee shall reasonably cooperate with Indemnitor's defense, provided Indemnitor reimburses Indemnitee's actual reasonable out of pocket expenses (including Legal Costs) of such cooperation.

10.3.4 *Settlement.* Indemnitor may, with Indemnitee's consent, not to be unreasonably withheld, settle the claim. Indemnitee's consent shall not be required for any settlement by which: (w) Indemnitor procures (by payment, settlement, or otherwise) a release of Indemnitee by which Indemnitee need not make any payment to the claimant; (x) neither Indemnitee nor Indemnitor on behalf of Indemnitee admits liability; (y) the continued effectiveness of this Lease is not jeopardized in any way; and (z) Indemnitee's interest in the Premises is not jeopardized in any way.

10.3.5 *Insurance Proceeds.* Indemnitor's obligations shall be reduced by net insurance proceeds Indemnitee actually receives for the matter giving rise to indemnification.

11. Right of Contest

11.1 *Tenant's Right; Contest Conditions.* Notwithstanding anything to the contrary in this Lease, Tenant shall have the exclusive right to contest, at its sole cost, by appropriate legal proceedings diligently conducted in good faith, the amount or validity of any Real Estate Taxes or Prohibited Lien; the valuation, assessment, or reassessment (whether proposed, phased, or final) of the Premises for Real Estate Taxes; the amount of any Real Estate Tax; the validity of any Law or its application to the Premises; the terms or conditions of, or requirements for, any Approval; the validity or merit of any claim against which this Lease requires Tenant to Indemnify Landlord; or any other matter involving a Person other than Landlord that Tenant has agreed to comply with or be bound by under this Lease that is susceptible to Contest (any of the foregoing, a "Contest"). Tenant may defer payment or performance of the contested obligation pending outcome of the Contest, provided that Tenant causes the following conditions (collectively, the "Contest Conditions") to remain satisfied:

11.1.1 *No Criminal Act.* Such deferral or noncompliance shall not constitute a criminal act by Landlord and shall not subject Landlord to a material risk of any fine or penalty, except fines or penalties for which Tenant agrees to be liable.

11.1.2 *No Liability.* Excluding deferrals or noncompliance resulting from the Contest of Real Estate Taxes, such deferral or noncompliance creates no material risk of a lien, charge, or other liability of any kind against the Fee Estate, unless Tenant has given Landlord reasonable security in an amount reasonably estimated to equal the amount of such lien, charge or other liability.

11.1.3 *No Forfeiture.* Such deferral or noncompliance will not place the Fee Estate in material danger of being forfeited or lost, and no Prohibited Lien will be created by such Contest.

11.1.4 *No Cost to Landlord.* Such Contest shall be without cost, liability, or expense to Landlord.

11.1.5 *Diligence*. Tenant shall prosecute such Contest with reasonable diligence and in good faith.

11.1.6 *Payment*. If required for such Contest, Tenant shall have paid the Contested Real Estate Taxes or other matter.

11.1.7 *Collection of Real Estate Taxes*. If such Contest relates to any Real Estate Tax, Tenant shall Indemnify Landlord in respect of collection from Landlord and the Fee Estate of same.

11.1.8 *No Tax Deed*. If, at any time, payment of any Real Estate Taxes is necessary to prevent the imminent (i.e., within 30 days) delivery of a tax deed of the Fee Estate for nonpayment, then Tenant shall pay or cause to be paid the sums in sufficient time to prevent delivery of such deed.

11.1.9 *Named Parties*. If Landlord has been named as a party in any action, then Tenant shall cause Landlord to be removed as such party and Tenant substituted in Landlord's place, if permissible under the circumstances.

11.1.10 *No Event of Default*. No Event of Default shall exist at the time of commencement of the Contest.

11.2 *Landlord Obligations and Protections*. Landlord need not join in any Contest unless (a) Tenant has complied with the Contest Conditions; and (b) such Contest must be initiated or prosecuted in Landlord's name. In such case, Landlord shall reasonably cooperate, as Tenant reasonably requests, to permit the Contest to be prosecuted in Landlord's name. Landlord shall give Tenant any documents, deliveries, and information in Landlord's control as owner of the Fee Estate and reasonably necessary for Tenant to prosecute its Contest. Landlord shall otherwise assist Tenant in such Contest as Tenant reasonably requires. Tenant shall pay all reasonable costs and expenses, including Legal Costs, of any Contest. Tenant shall, at Landlord's request, advance (when Landlord incurs them) such reasonable costs and expenses as Landlord incurs, for Tenant's Contest and Landlord's assistance with such Contest.

11.3 *Miscellaneous*. Tenant shall be entitled to any refund of any Real Estate Taxes (and penalties and interest paid by Tenant), to the extent attributable to periods within the Term, whether such refund is made during or after the Term. When Tenant concludes Tenant's Contest of any Real Estate Taxes, Tenant shall pay (within the time frame permitted for payment of same as set forth in Section 4.2) the amount of such Real Estate Taxes (if any) as has been finally determined in such Contest to be due, to the extent attributable to periods within the Term, and any costs, interest, penalties, or other liabilities in connection with such Real Estate Taxes. Upon final determination of Tenant's Contest of a Law, Tenant shall comply with such final determination. So long as the Contest Conditions remain satisfied, Landlord shall enter no objection to any Contest. Landlord may not contest any matter for which Tenant is entitled to prosecute a Contest.

11.4 *Landlord in its Municipal Capacity*. Notwithstanding anything to the contrary in this Section 11, Landlord shall not be required to assist or side with Tenant in any Contest against the City of North Miami in its municipal capacity.

12. INSURANCE [BEING REVIEWED BY LANDLORD AND TENANT INSURANCE CONSULTANTS]

12.1 *Tenant to Insure.* Tenant shall, at its sole expense, during the Term, cause to be maintained the insurance (or its then reasonably available equivalent) described in this Section. Landlord acknowledges being advised that the insurance required by this Lease may be provided by different parties and different insurers as to different portions of the Premises, and Landlord will accept such insurance as satisfying the insurance provisions of this Lease.

12.1.1 *Property Insurance.* Tenant shall provide commercial Property Insurance on an “all risk” or “special” coverage form without any exclusion for damage caused by windstorm or hail. Such Property Insurance shall not be subject to any coinsurance provision. Landlord shall be named as an insured, as its interests may appear, on the Property Insurance, which shall provide that Landlord shall not be responsible to pay any premiums. The amount of property coverage shall be no less than the estimated replacement value of all of Improvements and fixtures on the Premises. The maximum deductible for other than windstorm or hail shall be \$100,000 per occurrence. The maximum deductible per occurrence for windstorm and hail shall be 5% of the estimated replacement value of all of the Improvements and fixtures on the Premises. Tenant shall be responsible to pay on behalf of Landlord any such deductible.

12.1.2. *Liability Insurance.* Tenant shall maintain Liability Insurance which shall be no more restrictive than that provided by the most recent version of standard Commercial General Liability Form (ISO Form CG 00 01) without any restrictive endorsements. The minimum limits (inclusive of amounts provided by an umbrella or excess policy) shall be: \$ 5,000,000 General Aggregate; \$ 5,000,000 Products/Completed Operations Aggregate \$5,000,000 Personal and Advertising Injury; and \$ 5,000,000 Each Occurrence.

12.1.3. *Construction Related Insurance.* Before commencement of (and at all times during) any Construction or any related excavation or demolition, terminating on the Substantial Completion for such Construction, in addition to the other insurance this Lease requires, Tenant shall at no cost to Landlord procure and maintain, or cause to be procured and maintained (by the contractor or otherwise), the following insurance coverage:

(a) "All risk" builder's risk insurance on a completed value (nonreporting) basis, in an amount sufficient to prevent coinsurance, but in any event not less than 100% of replacement value including cost of debris removal but excluding foundation, footers and excavations, naming Landlord and Tenant, as their interests may appear;

(b) Commercial general and automobile Liability Insurance for not less than \$10,000,000.00 for personal injury and \$1,000,000.00 for broad form property damage, including premises-operations liability, independent contractors coverage for all subcontractors' operations, completed operations, contractual liability, and automobile liability (owned and non-owned), and for any foundation, excavation, or demolition work, an endorsement that such operations are covered and that the "XCU Exclusions" have been deleted, which insurance may be in the form of a single limit policy or policies;

(c) Workers' compensation, employer's liability, and disability benefits insurance covering all Persons employed by Tenant or its contractor, as applicable as described below in Subsection 12.2.4.

(d) During any demolition or excavation, such additional Liability Insurance as shall be reasonably customary to cover the added risks of such demolition or excavation. All Liability Insurance under this Subsection 12.2.3 shall be no more restrictive than that provided by the most recent version of standard Commercial General Liability Form (ISO Form CG 00 01) without any restrictive endorsements, including

coverage for liability contractually assumed, and shall cover all owned, non-owned, and hired autos used in connection with the performance of the Construction. Such insurance shall not be subject to any aggregate limit. The maximum deductible for other than windstorm or hail shall be \$100,000 per occurrence. The maximum deductible per occurrence for windstorm and hail shall be 5% of the estimated completed value at the time of loss. Tenant shall be responsible to pay on behalf of Landlord any such deductible.

12.1.4 Workers' compensation. Workers' compensation employer's liability, and disability benefits insurance covering all Persons employed by Tenant or its contractor, as applicable as described below in Subsection 12.2.4. Such insurance shall be no more restrictive than that provided by the latest edition of the standard Workers' Compensation Policy, as filed for use in Florida by the National Council on Compensation Insurance (NCCI), without any restrictive endorsements other than any endorsements required by NCCI or the State of Florida. In addition to coverage for the Florida Workers' Compensation Act, where appropriate, coverage is to be included for the Federal Employer's Liability Act and any other applicable Federal or State law. The policy must be endorsed to waive the insurer's right to subrogate against Landlord, and its members, officials, officers and employees in the manner which would result from the attachment of the NCCI Waiver Of Our Right To Recover From Others Endorsement (Advisory Form WC 00 03 13) with Landlord, and its officials, officers and employees scheduled thereon. The minimum amount of coverage (inclusive of any amount provided by an umbrella or excess policy) shall be: Part One: "Statutory"; Part Two: \$5,000,000 Each Accident; \$5,000,000 Disease - Policy Limit; \$5,000,000 Disease - Each Employee.

12.2 *Self Insurance.* Any Person with a net worth in excess of \$100,000,000.00 may self insure the risks required to be insured under this Lease, as to the portion of the Premises in which such Person holds an interest, so long as such Person maintains such net worth and reasonably substantiates same on request. Any self insured exposure shall be deemed to be an insured risk to the extent of the insurance required to be maintained under this Lease, and Landlord and any Fee Mortgagee shall be afforded the benefits of self insurance to the same extent that they would be afforded the benefits of insurance, including costs of defense. Any self insured Person shall be deemed to waive and hereby waives all rights to recover against Landlord or any Fee Mortgagee or any of their officers, employees, agents and representatives, for any damage arising from any cause covered by any insurance required to be carried by Tenant or any Subtenant, or self insured by Tenant or any Subtenant as permitted in this Lease, or any insurance actually carried by Tenant or any Subtenant. Tenant may not self-insure while a Event of Default exists (but this prohibition shall not be applicable to Subtenants).

12.3 *Nature of Insurance Program.* All insurance policies this Lease requires shall be maintained in full force and effect under the terms of this Lease issued by carriers that: (a) have a minimum of A- rating for management and VI for financial strength or better based on the latest rating publication of Property and Casualty Insurers by A.M. Best Company (or its equivalent); and (b) are lawfully doing business in the State. Any insurance required by this Lease may be carried under a "blanket" or "umbrella" insurance policy provided that (i) such policy or a certificate of such policy shall specify the amount(s) of the total insurance allocated to the Premises, which amount(s) shall equal or exceed the amount(s) required by this Lease and shall not be reduced for claims made for other properties; and (ii) such policy otherwise complies with this Lease.

12.4 *Policy Requirements and Endorsements.* All insurance policies this Lease requires shall contain (by endorsement or otherwise) the following provisions:

12.4.1 *Insureds*. Liability Insurance policies shall name Landlord and any Fee Mortgagee as a "named insured" (to the extent possible) or otherwise, as "additional insureds", and shall provide that Landlord shall not be responsible to pay any premiums. Landlord and its officials, officers and employees shall be included as an "Additional Insured" on a form no more restrictive than ISO form CG 20 11 (Additional Insured – Managers or Lessors of Premises). Property Insurance policies shall name Landlord and any Fee Mortgagee as loss payee as its interest may appear. Notwithstanding anything to the contrary in this Subsection, all Property Insurance Proceeds shall be paid and applied as this Lease provides.

12.4.2 *Primary Coverage*. All policies shall be written as primary policies not contributing to or in excess of any coverage that Landlord may carry.

12.4.3 *Contractual Liability*. Liability Insurance policies shall contain contractual liability coverage for Tenant's indemnity obligations under this Lease, to the extent covered by customary contractual liability insurance coverage. Tenant's failure to obtain such contractual liability coverage shall not relieve Tenant from any indemnity obligation under this Lease.

12.4.4 *Notice to Landlord*. Policies shall be endorsed to require notification of Landlord and any Fee Mortgagee of any cancellations or non-renewal at least thirty (30) days prior to effectuating same, provided the such notice requirement does not contravene insurer's policies; otherwise the 30 day time frame may be reduced to what the insurer can offer (but not less than ten (10) days). Landlord and any Fee Mortgagee shall be provided with a copy of the foregoing endorsement, and at all times be provided with certificates of insurance evidencing all coverage required herein.

12.5 *Deliveries to Landlord*. On the Commencement Date, and no later than the day any Liability Insurance or Property Insurance expires or is cancelled, Tenant shall deliver to Landlord copies of insurance policies with applicable endorsements evidencing Tenant's maintenance of all insurance this Lease requires. Notwithstanding the prior submission of a certificate of insurance, copies of endorsements, or other evidence initially acceptable to Landlord, if requested in writing by Landlord, Tenant shall, within thirty (30) days after receipt of a written request, provide Landlord with a certified copy or certified copies of the policy or policies providing the coverage required herein. Tenant may redact or omit, or cause to be redacted or omitted, those provisions of the policy or policies which are not relevant to the insurance required herein.

12.6 *Tenant's Inability to Obtain Insurance*. So long as (a) any insurance (except Property Insurance) this Lease requires is, after diligent effort by Tenant, unobtainable at commercially reasonable rates through no act or omission by Tenant; and (b) Tenant obtains the maximum insurance coverage reasonably obtainable and Notifies Landlord of the extent of Tenant's inability to obtain the full insurance this Lease requires, Tenant's obligation to procure and maintain such insurance as is unobtainable shall be excused, but only so long as conditions "a" through "b" are satisfied. Notwithstanding the foregoing, if Landlord at any time can procure for Tenant such insurance at commercially reasonable rates at any time after Tenant's Notice of inability to do so (and before Tenant has withdrawn such Notice), then Tenant shall obtain and maintain such insurance at Tenant's expense.

12.7 *Waiver of Subrogation*. Tenant waives all rights to recover against Landlord or its officers, employees, agents and representatives, for any damage arising from any cause covered by any insurance required to be carried by Tenant or self insured by Tenant as permitted in this Lease, or any insurance actually carried by Tenant. Tenant shall cause its insurer(s) to issue appropriate Waiver of Subrogation rights endorsements to all policies of insurance carried in connection with the Premises. Landlord waives all rights to recover against Tenant, its officers, directors, trustees, employees, agents and representatives, for

any damage arising from any cause covered by insurance (irrespective of whether the insurance is carried by Tenant or Landlord). Landlord shall cause its insurer(s) to issue appropriate Waiver of Subrogation rights endorsements in favor of Tenant to all policies of insurance (if any) carried in connection with the Premises. Any self-insurance program of Landlord shall be deemed to include a full Waiver of Subrogation consistent with this Section.

12.8 *No Liability of Landlord.* Except to the extent caused by the gross negligence or willful misconduct of Landlord or anyone acting by, through or under Landlord (for which Landlord will be liable to Tenant but subject to the limitations set forth in Section 768.28 of the Florida Statutes), Landlord shall not be liable for injury or damage which may be sustained by a person, goods, wares, merchandise or other property of Tenant, or Tenant's employees, invitees, officers, agents and customers, or by any other person in or about the Premises caused by or resulting from any peril which may affect the Premises, including, without limitation, fire, steam, electricity, gas, water or rain, which may leak or flow from or into any part of the Premises, or from the breakage, leakage, obstruction or other defects of the pipes, sprinklers, wires or plumbing to the Premises, whether such damage or injury results from conditions arising upon the Premises or from other sources.

12.9 *No Representation.* Neither party makes any representation that the limits, scope, or forms of insurance coverage this Lease requires are adequate or sufficient.

12.10 *Amendment of Insurance Requirements.* Landlord reserves the right to amend the insurance requirements by the issuance of a notice in writing to Tenant, provided that any new or amended insurance requirements must be reasonable and consistent with industry standards for similar uses and facilities in the County. Revised insurance requirements which meet the foregoing conditions shall become part of the insurance requirements under this Lease. Upon the written request of either Party, their representatives shall meet to discuss possible modifications to any of the foregoing insurance requirements if material changes in the availability and cost of the required coverage warrant such action. Not more than once every three (3) Lease Years, Landlord may require an increase in the amount of the required coverage maintained by Tenant.

13. LOSSES AND LOSS PROCEEDS

13.1 *Notice.* If either party becomes aware of any Casualty or any actual, threatened, or contemplated Condemnation, then such party shall promptly Notify the other.

13.2 *Effect of Casualty.* If any Casualty occurs, then: (a) no Rent shall abate; (b) this Lease shall not terminate or be impaired; (c) Tenant or those claiming under Tenant shall Restore with reasonable promptness regardless of cost; and (d) all Property Insurance Proceeds shall be applied to Restore, with any Property Insurance Proceeds (and the rights thereto) arising from the Casualty remaining after Restoration being paid to and belonging to Tenant or, at Tenant's direction, those claiming under Tenant. Provided Tenant or those claiming under Tenant otherwise complies with the terms of this Lease, it may construct Buildings which are larger, smaller or different in use and represent the highest and best use of the Premises. Tenant or those claiming under Tenant may also elect to demolish without reconstruction, in which case all debris shall be promptly removed and the site shall be filled and placed in a level and safe condition and the remaining Property Insurance Proceeds (and the rights thereto) arising from the such Casualty shall be paid to and belong to Landlord. Notwithstanding anything to the contrary contained herein, in the event that the Premises or any Phase thereof shall be affected by Casualty during the last five (5) years of the term of this Lease and the estimated cost for repair and restoration exceeds an amount equal to One Million Dollars

(\$1,000,000) in 2012 (increasing 3.5% on January 1 of each calendar year thereafter), then Tenant shall have the right to terminate this Lease and its obligations hereunder (either entirely or as to the applicable Phase or Phases) by giving Notice to Landlord within ninety (90) days after such Casualty. In such event, this Lease shall terminate (either entirely or as to the applicable Phase or Phases) thirty (30) days following such Notice, effective as of the date of such Casualty. The obligations of Tenant to pay rent under this Lease shall be prorated to the date of termination. If termination is as to one or more Phases only, Fixed Rent shall be subject to a just and proportional adjustment after the partial termination, and Additional Rent shall be paid only on the portion of the Premises that remains leased after the partial termination. If this Lease is terminated (either entirely or as to one or more Phase) as a result of a Casualty, Tenant or those claiming under Tenant shall use Property Insurance Proceeds to remove all debris from, fill any substantial excavations in and return the Premises, or the applicable Phase or Phases, to a level, safe and vacant condition, and the remaining Property Insurance Proceeds shall be paid to and belong to Landlord).

13.3 *Adjustment of Claims; Use of Property Insurance Proceeds.* Except in the event that Tenant terminates the Lease in the last 5 years of the Term due to Casualty as provided in Section 13.2 above, Tenant or those claiming under Tenant shall have the sole right and authority to adjust any insurance claim, subject to rights of Leasehold Mortgagee(s) or Subleasehold Mortgagee(s). Subject to any Leasehold Mortgagee's or Subleasehold Mortgagee's loan documents, Property Insurance Proceeds shall be disbursed: (a) in the case of a Loss of Two Million Five Hundred Thousand Dollars (\$2,500,000.00) or less in 2012 (increasing 3.5% on January 1 of each calendar year thereafter), to Tenant or those claiming under Tenant, to be held in trust to be applied first for Restoration; and (b) in the case of any other Casualty, to Depository, to be released in installments for Restoration provided that Restoration Funds are sufficient to Restore, with any balance remaining after Restoration is completed being disbursed to Tenant or, at Tenant's direction, to those claiming under Tenant. If Restoration Funds are insufficient to Restore, then Tenant shall nevertheless begin to Restore at its expense until such time as the Restoration Funds are sufficient to complete Restoration or shall deposit the difference with the Depository. To obtain each such disbursement, there shall be delivered to Depository the below, or substantially similar documentation as may be required by such Depository:

13.3.1 *Architect's Certificate.* A certificate of a licensed architect, confirming that in such architect's professional judgment: (a) the sum then being requested is then properly due and payable to contractors, subcontractors, or other Persons for Restoration; (b) Restoration is proceeding in substantial compliance with the applicable plans and specifications and otherwise satisfactorily; (c) the sum being requested does not exceed the amount then due and payable; (d) except in the case of the final disbursement of Restoration Funds, the remaining Restoration Funds after disbursement are reasonably anticipated to suffice to pay for the remaining Restoration yet to be performed; and (e) in the case of the final disbursement of Restoration Funds, Tenant has Substantially Completed Restoration and obtained a temporary certificate of occupancy for the Restoration to the extent Law requires;

13.3.2 *Status of Title.* Evidence reasonably satisfactory to Depository that no Prohibited Lien exists, except any to be fully paid from the current disbursement;

13.3.3 *Lien Waivers.* If required by the Depository, progress lien waivers for Restoration completed and paid for through the date of the preceding disbursement and, in the case of the final draw, delivered (or simultaneously delivers in exchange for payment) final lien waivers from all Persons otherwise entitled to claim a Prohibited Lien because of the Restoration; and

13.3.4 *Other*. Such other documents, deliveries, certificates, and information as Depository reasonably requires.

13.4 *Substantial Condemnation*. If a Substantial Condemnation occurs, then this Lease (except as it relates to allocation of the Condemnation Award) shall terminate on the Condemnation Effective Date. Rent shall be apportioned accordingly. The Condemnation Award shall be allocated in accordance with Florida law. If the values of the respective interests of Landlord and Tenant (and those claiming under Tenant) shall be determined according to the foregoing provisions of this Section 13.4 in the proceeding pursuant to which the Premises shall have been taken, the values so determined shall be conclusive upon Landlord and Tenant and those claiming under Tenant. If such values shall not have been separately determined in such proceeding, such values shall be fixed by agreement between Landlord and Tenant (and those claiming under Tenant who have an interest) or, if they are unable to agree, by an apportionment hearing within the condemnation proceeding so that the allocation between the parties is fair and equitable. The party whose award compensates it for removing all debris from, filling any substantial excavations in and returning the Premises to a level, safe and vacant condition shall be obligated to perform such work at its cost. All Rents and other payments required to be paid by Tenant under this Lease shall be paid up to the Condemnation Effective Date. Tenant shall, in all other respects, keep, observe and perform all the terms of this Lease up to the Condemnation Effective Date.

13.5 *Insubstantial Condemnation*. If an Insubstantial Condemnation occurs, then (subject to the rights of Leasehold Mortgagees and Subleasehold Mortgagees) any Condemnation Award shall be paid to Depository to be applied first for Restoration in the same manner as Property Insurance Proceeds. Tenant or those claiming under Tenant shall Restore in the same manner as Restoration upon Casualty. Any Condemnation Award remaining after Restoration shall be allocated among Landlord, Tenant, and those claiming through Tenant in accordance with applicable Florida law.

13.6 *Temporary Condemnation*. In the event of a Temporary Condemnation, then Tenant or those claiming under Tenant shall receive any Condemnation Award (to the extent for periods within the Term), without affecting Tenant's obligations in any way.

13.7 *Immaterial Loss*. If an Immaterial Loss occurs, then Tenant or those claiming under Tenant shall receive any Condemnation Award in trust to be applied first to Restoration without affecting the obligations of Tenant or those claiming under Tenant in any way. Tenant or those claiming under Tenant shall Restore in accordance with this Lease. After Restoration, Tenant or those claiming under Tenant shall receive any remaining Condemnation Award.

14. Representations and Warranties

Landlord represents and warrants to Tenant that the following facts and conditions exist and are true as of the Commencement Date. Landlord shall execute, contemporaneously with the execution of this Lease, a Title Affidavit in the form of **Schedule 14** attached hereto. In addition, Tenant makes, for the benefit of Landlord, certain reciprocal representations and warranties as set forth below.

14.1 *Due Authorization and Execution*. Landlord has full right, title, authority, and capacity to execute and perform this Lease, the Memorandum of Lease, and any other agreements and documents to which Landlord is a party and referred to or required by this Lease (collectively, the "Lease-Related Documents"); the execution and delivery of the Lease-Related Documents have been duly authorized by all requisite actions of Landlord; the Lease-Related Documents constitute valid, binding, and enforceable

obligations of Landlord; and neither the execution of the Lease-Related Documents nor the consummation of the transactions they contemplate violates any agreement (including Landlord's organizational documents), contract, or other restriction to which Landlord is a party or is bound. Tenant makes to Landlord representations and warranties reciprocal to those in the preceding sentence. During the Term, any document requiring execution by Landlord may be executed by the City Manager or his designee and, if so executed, it shall be deemed to have been properly authorized and binding on Landlord without the need for any further verification of authority or execution by anyone else (the foregoing shall not be construed as a waiver of approval or authorization of the City Council of the City of North Miami, but rather, shall mean that any such approval or authorization of such City Council, if any is required, has been obtained prior to the execution by the City Manager or his designee and is evidenced by such execution, and no Person shall be required to look behind such execution as to approval or authority to execute and bind). Both parties' representations and warranties in this Subsection shall continue to apply in full force and effect throughout the Term as if made continuously during the Term.

14.2 *No Litigation.* There is no existing or, to Landlord's knowledge, pending or threatened litigation, suit, action, or proceeding before any court or administrative agency affecting Landlord, any constituent entity or individual of Landlord, or the Premises that would, if adversely determined, materially adversely affect Landlord, the Premises, this Lease, the Leasehold Estate, or Tenant's ability to develop and operate the Premises for a mixed use development, except and to the extent threatened by Wells Fargo Bank, N.A. as Trustee for the Credit Suisse First Boston, Securities Corp., Commercial Pass-Through Certificates, Series 2001-TFL2 in connection with that certain Amended and Restated Ground Lease dated June 27, 2008 by and between Landlord and Biscayne Landing, LLC.

14.3 *No Pending Condemnation.* There is no existing or, to Landlord's knowledge, pending or threatened Condemnation affecting any portion of the Premises or any pending public improvements in, about, outside, or appurtenant to the Premises that will materially adversely affect the use and operation of the Premises as a whole, the value of the Premises as a whole, or access to the Premises.

14.4 *Liens.* The Premises are free and clear of any liens or encumbrances except for the Permitted Exceptions.

14.5 *FIRPTA.* Landlord is not a "foreign person" within the meaning of United States Internal Revenue Code §1445(f)(3).

14.6 *No Pending Construction or Liens.* Except for the ERA, Landlord is not a party to any contract for any Construction and there has been no Construction on the Premises prior to the Commencement Date for which the full costs thereof have not been paid (or will be paid by landlord prior to delinquency). Except in connection with the ERA, no Person has the right to claim any construction lien arising from any labor or materials furnished to the Premises before the Commencement Date.

14.7 *Parties Entitled to Possession.* As of the Commencement Date, Tenant is the only party entitled to possession of the Premises and no other Person has any right to lease, use, have possession of or occupy the Premises, including Landlord.

14.8 *Initial Equity Interest in Tenant.* Tenant represents and warrants to Landlord that the Equity Interest composition of Tenant as of the Effective Date is as follows: _____, an Affiliate of LeFrak Organization, _____, an Affiliate of Swerdlow Group and _____, an

Affiliate of Millennium Partners. Nothing contained in this Section 14.8 shall limit the Transfer of Equity Interests, which is governed solely by Section 17.

15. LANDLORD'S TRANSFERS

15.1 *Landlord's Right to Convey.* Landlord may Transfer the Fee Estate in whole but not in part from time to time, but only to a person that is not and cannot elect to be immune from civil process and then only if such transaction does not otherwise violate this Lease. No such Transfer shall be made by Landlord unless Landlord has first offered to Transfer the Fee Estate to Tenant in accordance with the provisions of Section 15.4. Further, notwithstanding anything in this Lease to the contrary, and subject to compliance with the preceding sentence, no such Transfer shall be effected (a) prior to expiration of the 10th Lease Year, or (b) until reasonable assurances acceptable to Tenant are received by Tenant that any Grant money available to Landlord in connection with the Remedial Action will continue to be received by Landlord and paid to Tenant or other acceptable payee pursuant to the terms of the Grant Agreement after the Transfer substantially and in all material respects as if the Transfer had not occurred, or (c) until a no further action letter (with only those conditions contained therein that are customary and standard for the zoning and intended use of the Premises and are otherwise reasonably acceptable to Tenant) has been issued with respect to the Remedial Action. If any transaction violates this Section 15.1, then: (a) it shall be null, void, and of no force or effect; and (b) notwithstanding the foregoing, Tenant shall be entitled to equitable relief to cancel and rescind it (without waiving any other rights or remedies, including an award of actual provable direct damages, capped at the amount received by the transferor for the Transfer). Landlord shall promptly Notify Tenant of such Transfer. Unless otherwise agreed by Tenant in its sole discretion Tenant shall have no liability for any transfer and other taxes payable on account of any Transfer by Landlord.

15.2 *Release of Landlord.* Upon any Transfer of the entire Fee Estate in compliance with this Lease, the grantor shall be automatically freed and relieved from all liability for performance of any covenants or obligations to be performed by Landlord after the Transfer other than liability previously accrued provided that: (i) Landlord delivers and turns over to the grantee all Trust Funds; and (ii) such successor Landlord acknowledges to Tenant receipt of such Trust Funds and assumes Landlord's future obligations under this Lease, all subject to the Nonrecourse Clause. This Lease shall bind Landlord only while Landlord owns the Fee Estate, except as to any liabilities and obligations accrued before the date of Transfer of the Fee Estate or arising from failure to turn over Trust Funds or violation of this Section 15, all subject to the Nonrecourse Clause.

15.3 *Development Rights.* Landlord shall not enter into any Development Rights Transfer without Tenant's prior written consent, which Tenant may withhold for any reason or no reason.

15.4 *Right of First Offer.* Landlord grants to Tenant the right of first offer (the "First Offer Right") to purchase Landlord's interest in the Premises, subject to the terms and conditions hereinafter set forth. There shall be no Transfer of the Fee Estate unless and until Landlord shall have first offered to Transfer the Fee Estate to Tenant and Tenant has waived its First Offer Right to purchase the Fee Estate, provided, however, that the First Offer Right shall not be exercisable if, at the time the Offer Notice is to be given, an Event of Default exists. In the event that Landlord desires to sell Landlord's interest in the Premises, Landlord shall, prior to offering the same to any third party, give Tenant written notice (the "Offer Notice") of the price at which it is willing to sell same and any other material terms and conditions of such proposed sale (collectively, the "Offer"). The Offer shall include, at a minimum, the following terms: (i) a purchase price and deposit amount, (ii) that closing shall be conditioned on the payment in full and satisfaction of any

Fee Mortgage out of the purchase price, with any excess being paid by Landlord at closing, (iii) that the buyer accept the Premises "AS IS", "WHERE IS" and "WITH ALL FAULTS" and with no due diligence period in the case of Tenant—a third party can have a due diligence period but must take "as is", "where is" and "with all faults" after expiration of that due diligence period, (iv) that closing shall occur no later than one-hundred eighty (180) days following exercise of the First Offer Right, and (v) method of allocation of prorations and closing costs between the buyer and seller. The Offer Notice shall not provide for a property exchange. If Tenant desires to exercise its First Offer Right, Tenant shall deliver written notice (the "Acceptance Notice"), accompanied by the deposit, to Landlord within thirty (30) days following Tenant's receipt of the Offer Notice, and the closing shall be on the terms and conditions specified in the Offer, with Landlord conveying by Special Warranty Deed, subject only to the Permitted Exceptions and any exceptions created by or with the consent of Tenant and those claiming through Tenant, and providing reasonable evidence of authority to convey as required by the title insurance underwriter insuring the purchaser, a customary title affidavit regarding parties in possession, construction liens, FIRPTA and insuring the "gap". The parties shall reasonably cooperate with such other and follow customary practices and provide such other customary deliveries as either may request if not in conflict with the provisions of this Lease. In the event that Tenant has not delivered an Acceptance Notice accompanied by the deposit (which shall be applied to the purchase price at closing) prior to the expiration of such 30 day period, or Tenant is unable to close in accordance with the terms and conditions of the Offer, then Landlord shall thereafter have the right to sell Landlord's interest in the Premises on terms and conditions which do not materially deviate from the Offer (any reduction in the deposit by more than 5% shall be deemed material); provided, however, that any change in terms or concession on costs, timing or expenses that do not reduce the overall economic consideration of the transaction (i.e. reduce the cost to Tenant) by more than 5% shall not be considered a material deviation and shall not require a re-offer to Tenant. In the event of a material deviation from the Offer, Landlord shall not be permitted to sell Landlord's interest in the Premises without first re-offering same to Tenant in accordance with the provisions of this Section. The First Offer Right shall survive any transfer(s) of Landlord's interest in the Premises. However, the First Offer Right shall be deemed waived, terminate and be of no further force or effect if, having furnished an Acceptance Notice, Tenant thereafter defaults in its obligation to close the transaction. The termination of the First Offer Right and retention of the deposit as liquidated damages shall be Landlord's sole remedies for such default, and a default by Tenant in its obligation to close the transaction shall not be deemed a Default or Event of Default under this Lease. The parties acknowledge that in the event of Tenant's default in its obligation to close the First Offer Right transaction, Landlord's damages are incapable of exact ascertainment and that Landlord's retention of the deposit as liquidated damages is fair and reasonable and is not a penalty. If Landlord fails to close the sale in accordance with the provisions of this Lease for any reason other than failure to make the title marketable after diligent effort, then Tenant may either receive the return of its deposit or seek specific performance as its sole remedies. The First Offer Right shall apply to a sale of Landlord's interest in the Premises, but shall not apply to any mortgage, pledge or hypothecation thereof, or any grant of a security interest therein, or any similar transaction, or any transfer of Landlord's interest in the Premises (or any portion thereof) or majority ownership interest in connection with the foreclosure, deed in lieu of foreclosure or enforcement of any other rights or remedies under any such mortgage, pledge, hypothecation, security interest or similar instrument (but the First Offer Right shall apply to any subsequent Transfer). The First Offer Right shall not apply to any transfers of interests in any publicly held companies or to any transfer of interests to any party (herein referred to as a "City Affiliate") which directly or indirectly: (i) wholly owns or controls Landlord, (ii) is wholly owned or controlled by Landlord, (iii) is under common ownership or control with Landlord, (iv) into which any of the foregoing parties is merged, consolidated or reorganized, or to which all or substantially all of the assets or such other party are sold, or (v) is an agency of Landlord.

16. FEE MORTGAGES

This Lease, including all amendments, renewals and extensions thereto or thereof, and the Leasehold Estate shall be prior and superior to all Fee Mortgages (including all extensions, renewals, replacements, modifications and consolidations thereof, and to all advances thereunder) and the rights of all Fee Mortgagees. Tenant shall not be obligated to provide any documentation to a Fee Mortgagee which in any way prejudices Tenant's rights under this Lease in Tenant's sole but commercially reasonably exercised discretion. Any inconsistency between any Fee Mortgage and this Lease shall be resolved in favor of this Lease.

17. TENANT'S TRANSFERS

17.1 *Transfer of Leasehold Estate by Tenant.* Provided that no Event of Default exists at the time of the Transfer and Tenant's Construction Obligations have been completed, Tenant may Transfer this Lease or the Leasehold Estate in whole but not in part, without Landlord's consent (except to any Person that is or can elect to be immune from civil process), provided, however, that (a) any assignee of Tenant shall be a Qualified Developer and shall assume (and shall be deemed to assume, whether or not so stated in the assignment and assumption document) all obligations and liabilities of Tenant under this Lease related to the time period from and after the effective date of the assignment, (b) Tenant shall not be released from any of its obligations and liabilities under this Lease related to the time period prior to the effective date of the assignment, and (c) as to the initial Transfer only, Tenant shall pay a transfer fee in the amount of _____ (\$ _____ .00) by wire to Landlord on the date of such Transfer. Tenant shall, without further action by Landlord, be released of all liability under this Lease related to the time period from and after the effective date of the assignment upon consummation of the assignment transaction. Landlord shall have no liability for any transfer and other taxes payable on account of any Transfer by Tenant. Notwithstanding anything to the contrary in this Lease, prior to completion of Tenant's Construction Obligations, neither Transfer of this Lease or the Leasehold Estate, nor any Transfers of Equity Interests in excess of twenty percent (20%) in the aggregate (to anyone other than Permitted Equity Owners) shall be effected without the prior written consent of Landlord. "Qualified Developer" shall mean a Person (or a wholly owned subsidiary of such Person, so long as such subsidiary is reasonably capitalized, including any financing) who has the business judgment, experience, personal and financial (with a minimum net worth of \$50,000,000.00) ability and wherewithal to proceed to perform under the Lease, as certified in writing to Landlord by such Qualified Developer. If any transaction violates this Section 17.1, then: (i) it shall be an Event of Default, (ii) it shall be null, void, and of no force or effect; and (iii) notwithstanding the foregoing, Landlord shall be entitled to equitable relief to cancel and rescind it (without waiving any other rights or remedies, including an award of actual provable direct damages, capped at the amount received by the transferor for the Transfer). Tenant shall promptly Notify Landlord of any Transfer.

17.2 *Transfer of Equity Interests.*

17.2.1 *Before Completion of Tenant's Construction Obligations.* Prior to completion of Tenant's Construction Obligations and provided that no Event of Default exists at the time of the Transfer, Tenant may without the prior written consent of Landlord (a) Transfer not more than twenty percent (20%) in the aggregate of the Equity Interests in Tenant to persons of good moral character, and (b) Transfer Equity Interests in Tenant to Permitted Equity Owners. Other than as set forth in Subsection (a), Tenant shall not Transfer an Equity Interest in Tenant prior to completion of Tenant's Construction Obligations to anyone other than Permitted Equity Owners without the prior written consent of Landlord.

17.2.2 *After Completion of Tenant's Construction Obligations.* After completion of Tenant's Construction Obligations, Tenant may Transfer an Equity Interest in Tenant without the prior written consent of Landlord provided that no Event of Default exists at the time of the Transfer.

17.2.3 *Transfer Breach.* If any transaction violates the restrictions on transfer of this Section 17.2, then: (a) it shall be an Event of Default; (b) it shall be null, void, and of no force or effect; and (c) notwithstanding the foregoing, Landlord shall be entitled to equitable relief to cancel and rescind it (without waiving any other rights or remedies, including an award of actual provable direct damages, capped at the amount received by the transferor for the Transfer). Tenant shall promptly Notify Landlord of any Transfer. All transferees of Equity Interests other than Permitted Equity Owners shall be Persons of good moral character.

17.3 *Mr. Swerdlow.* Michael Swerdlow, by signing below, agrees that until Tenant's Construction Obligations have been completed, he will remain actively and substantially involved with the Premises and its Development (which involvement may be as an owner, consultant or otherwise), subject to death, incapacity and removal from involvement with the Premises and Development by a Person who is entitled to do so pursuant to a written agreement between Michael Swerdlow and such Person. A breach of this Section 17.3 shall not constitute a Default or Event of Default under this Lease.

18. SUBLEASES; NONDISTURBANCE OF SUBTENANTS.

18.1 *Tenant's Right.* Tenant may enter into or Modify any Sublease, terminate any Sublease or evict any Subtenant, and grant any consent under any Sublease, all without Landlord's consent. No Sublease shall affect any obligations of Tenant or rights of Landlord under this Lease, all of which shall continue in full force and effect notwithstanding any Sublease. Any Sublease shall expire no later than the Expiration Date. The fact that any Subtenant causes any Default shall not relieve Tenant of Tenant's obligation to cure it. Tenant shall take all steps reasonable and necessary to prevent any such Default. Subject to the foregoing continuing responsibility of Tenant, Tenant may delegate any obligations under this Lease to any Subtenant (as to the Phase demised to such Subtenant), and Landlord shall accept performance by any such Subtenant as performance by Tenant.

18.2 *Required Provisions.* Each Sublease shall contain provisions in form and substance substantially as set forth below in this Section. By executing its Sublease, each Subtenant shall be deemed to have agreed to these provisions, which reflect the definitions in this Lease. All such defined terms shall be modified in the Sublease as appropriate to reflect the definitions in the Sublease.

All terms, covenants, and provisions of this Sublease and all rights, remedies, and options of Subtenant under this Sublease are and shall at all times remain fully subject and subordinate in all respects to the Lease. If the Lease and the Leasehold Estate terminate, then this Sublease shall remain in effect as a direct lease between Landlord and Subtenant; provided, however, that Landlord shall not be: (i) liable for any act or omission of a prior landlord (including Tenant); or (ii) subject to any offsets, defenses or deficiencies that Subtenant might have against any prior landlord (including Tenant); or (iii) liable to Tenant for any deposit, rental security or any other sums deposited with the original or any prior landlord under the Lease and not delivered to Landlord; or (iv) bound by any rent or additional rent which Subtenant might have paid in advance to any prior landlord (including Tenant) for a period in excess of one month; or (v) bound by any amendment, modification,

assignment or termination of a direct Sublease from Tenant made without the written consent of Landlord if at the time of the execution thereof a Event of Default, as defined in the [Ground] Lease (and the recorded Memorandum thereof), existed; or (vi) obligated or liable with respect to any representations, warranties or indemnities contained in the Sublease, including without limitation relating to work performed by any prior landlord under the Sublease; or (vii) liable to Subtenant or any other party for any conflict between the provisions of the Sublease and the provisions of any other lease affecting the Premises which is not entered into by Landlord; or (viii) obligated to construct any improvements to be constructed by Tenant under the Sublease including without limitation tenant improvements; or (ix) be obligated for the restoration of the Premises, Subleased Premises, or any other improvements on or benefiting the Subleased Premises in the event of any casualty or taking of any part of the Subleased Premises under power of eminent domain beyond any insurance or condemnation proceeds received in connection with such casualty or taking, provided however that Subtenant may offset from base rent payments currently due under the Sublease up to, but not in excess of, fifty percent (50%) of the excess of such Sublease base rents over the rents payable under this Lease that are allocable to the Sublease (as determined by a just and proportional allocation) against the costs and expenses incurred by Subtenant which Subtenant would have been able to recover from Tenant under the Sublease for Tenant construction obligations necessary for Subtenant to open for business and operate in the Subleased Premises. Any such offset will be applied proportionately in rental payments due under the Sublease until such offset amount is recovered by Subtenant in full. In that event, Subtenant shall attorn to Landlord and recognize Landlord as Subtenant's direct landlord under this Sublease. Subtenant shall execute and deliver, at any time and from time to time, upon the request of Landlord, any instrument necessary or appropriate to evidence such attornment. The Lease provides Landlord with certain audit rights. Landlord shall have the right to request and each Subtenant under a direct Sublease with Tenant shall provide certified estoppel information in connection with any audit.

18.3 *Conditions to Effectiveness of Certain Transactions.* No assignment of this Lease or any Sublease of substantially the entire Premises shall be effective or have any validity unless and until such assignment or Sublease otherwise complies with this Lease and Landlord has received: (a) in the case of an assignment, an executed counterpart of the assignment and an assumption of this Lease by the assignee in respect of those matters that first arise from and after the effective date of the assignment, in recordable form and in form and content reasonably satisfactory to Landlord (the assignee shall be deemed to have assumed all of the obligations of the assignor in respect of those matters that first arise from and after the effective date of the assignment, whether or not the assignment and assumption document so states), (b) in the case of a Sublease of all or substantially all the Premises, a copy of the executed Sublease complying with this Lease; and (c) Notice of the assignee or Subtenant.

18.4 *Nondisturbance of Subtenants.* If this Lease terminates, Landlord shall not disturb the possession, interest, or quiet enjoyment of any Subtenant whose Sublease (a) was entered into at a time when no Event of Default existed, which condition shall apply only to direct Subleases from Tenant (b) has a term that with any renewals does not extend beyond the Scheduled Expiration Date, (c) was not in default beyond applicable cure periods under such Sublease, and (d) complies with the provisions of this Section 18, provided that such Subtenant agrees to attorn to Landlord and the Sublease either: (x) does not demise all or substantially all the Premises and was on commercially reasonable and fair market terms (including fixed subrent that cannot decline except upon Loss) when the Subtenant became legally bound; or (y) demises the entire Premises and is in all material respects at all times no less favorable to Landlord than this Lease, all as certified to Landlord by Tenant. The Subleases are subject to audit on reasonable notice by Landlord's

outside legal counsel and real estate consultant to verify, but the audit shall be performed in a way that protects the terms of the Subleases from public disclosure, as the terms of the Subleases are confidential and sensitive and public disclosure is not desirable and would be prejudicial to the parties to the Subleases. Such nondisturbance is automatically granted by Landlord and occurs without the need for a separate nondisturbance agreement provided, however, that Landlord shall not be: (i) liable for any act or omission of a prior landlord (including Tenant); or (ii) subject to any offsets, defenses or deficiencies that Subtenant might have against any prior landlord (including Tenant); or (iii) liable to Tenant for any deposit, rental security or any other sums deposited with the original or any prior landlord under the Lease and not delivered to Landlord; or (iv) bound by any rent or additional rent which Subtenant might have paid in advance to any prior landlord (including Tenant) for a period in excess of one month; or (v) bound by any amendment, modification, assignment or termination of a direct Sublease from Tenant made without the written consent of Landlord if at the time of the execution thereof a Event of Default, as defined in this Lease existed; or (vi) obligated or liable with respect to any representations, warranties or indemnities contained in the Sublease, including without limitation relating to work performed by such landlord under the Sublease; or (vii) liable to Subtenant or any other party for any conflict between the provisions of the Sublease and the provisions of any other lease affecting the Premises which is not entered into by Landlord; or (viii) obligated to construct any improvements to be constructed by Tenant under the Sublease including without limitation tenant improvements; or (ix) be obligated for the restoration of the Premises, Subleased Premises, or any other improvements on or benefiting the Subleased Premises in the event of any casualty or taking of any part of the Demised Premises under power of eminent domain beyond any insurance or condemnation proceeds received in connection with such casualty or taking. Although nondisturbance for Subleases meeting the aforesaid conditions and terms is automatic and occurs without the need for a separate nondisturbance agreement at the time the Sublease was entered into, Landlord and the Subtenant shall from time to time within 30 days of request by Tenant (accompanied by the certification by Tenant to Landlord regarding the terms of the Sublease as described above in this Subsection and including a description of the Sublease term and Subleased Premises) issue a Nondisturbance Agreement confirming same in substantially the form attached hereto as **Exhibit F**, with such changes as the Subtenant may reasonably request, provided same does not increase the obligations or liabilities or decrease the rights of Landlord except for ministerial obligations, but failure to do so or the rejection of same in Bankruptcy or invalidity of same shall not affect the automatic nondisturbance obligation set forth in this Section 18.4. If this Lease terminates, Landlord shall recognize the rights and protections of Subleasehold Mortgagees as provided in Section 20 below to the extent they are timely asserted by such Subleasehold Mortgagees. Landlord acknowledges being advised that Landlord's failure to timely provide a confirmatory Nondisturbance Agreement as provided for in this Section (or an estoppel certificate as provided for in Sections 19.12 or 28.1) could have adverse consequences for Tenant, including potential delay or loss of a Sublease transaction with a Subtenant and the consequent economic loss. Accordingly, Tenant shall be entitled to specific performance of Landlord's obligation to provide a Nondisturbance Agreement as provided for in this Section as its sole remedy.

18.5 *Effect of Recapture by Landlord of Portions of the Premises.* In the event Landlord reacquires any portion (but not all) of the Premises by reason of termination of this Lease as to a Phase or otherwise, the portion so acquired by Landlord shall in no event be used for any of the following purposes while this Lease or any Sublease remains in effect with respect to any other portion of the Premises: trash transfer station, vehicle storage or repair yard, warehouse, jail, or other uses with a clear likelihood of diminishing the use and enjoyment of such portions of the Premises that Landlord has not reacquired.

19. LEASEHOLD MORTGAGES AND PROTECTIONS.

19.1 *Leasehold Mortgages.* Without Landlord's consent, at any time and from time to time, (a) Tenant may grant Leasehold Mortgage(s), and any modifications, extensions, consolidations or replacements thereto or thereof, and any future advances thereunder; (b) any Leasehold Mortgagee may initiate and complete any Foreclosure Event and exercise any other rights and remedies against Tenant and the Leasehold Estate (but not the Fee Estate), under its Leasehold Mortgage; and (c) any transferee through a Foreclosure Event, and its successors and assigns, may assign this Lease or Transfer Equity Interests in Tenant without Landlord's consent. A Foreclosure Event shall impair no estate or right under any Fee Mortgage and shall transfer only the Leasehold Estate or Equity Interests in Tenant. Notwithstanding anything to the contrary contained in this Lease, a Foreclosure Event shall not preclude Landlord from exercising its right to terminate this Lease in the event that Leasehold Mortgagee fails to timely exercise its right to cure any Monetary Default Or Nonmonetary Default.

19.2 *Lease Impairments.* Any Lease Impairment made without Leasehold Mortgagee's consent shall (at Leasehold Mortgagee's option) be null, void, and of no force or effect, and not bind Tenant or Leasehold Mortgagee or New Tenant.

19.3 *Notices.* Any Notice from Landlord to Tenant shall have no effect unless Landlord gives a copy to Leasehold Mortgagee. If any Default except a Minor Default occurs for which Landlord intends to exercise any remedy, Landlord shall promptly give Leasehold Mortgagee a Notice of Default.

19.4 *Opportunity to Cure; Construction Tolling Period.*

19.4.1 *Opportunity to Cure* Landlord shall accept Leasehold Mortgagee's cure of any Default at any time until thirty days after both: (a) Tenant and Leasehold Mortgagee have received the Notice of Default for that Default; and (b) Landlord has notified Leasehold Mortgagee that Tenant's cure period for that Default has expired without cure having been effected (the "Leasehold Mortgagee Cure Period"). Provided that (i) within the Leasehold Mortgagee Cure Period, Leasehold Mortgagee commits in writing to diligently pursue such cure to completion, and (ii) Leasehold Mortgagee timely exercises its cure rights for and cures all other Defaults except for Tenant-Specific Defaults, then (x) for any Default regarding Tenant's Construction Obligations, Leasehold Mortgagee shall have a cure period not to exceed thirty (30) days after the commencement of the Leasehold Mortgagee Cure Period, and (y) for any Default except for Tenant's Construction Obligations, if Leasehold Mortgagee cannot reasonably cure a Nonmonetary Default within the Leasehold Mortgagee Cure Period, it shall have such further time as it reasonably needs so long as it proceeds with reasonable diligence. If Leasehold Mortgagee consummates a Foreclosure Event, all Tenant-Specific Defaults shall be deemed automatically waived.

19.4.2 In addition to the foregoing rights, Leasehold Mortgagee shall have the right (the "Tolling Option") to toll (extend) the deadlines for Tenant's Construction Obligations for a period of Three Hundred (300) days by giving Notice to Landlord of its exercise of the Tolling Option during the Leasehold Mortgagee Cure Period. The Tolling Option may only be exercised one time.

19.5 CURE RIGHTS IMPLEMENTATION. WHENEVER LEASEHOLD MORTGAGEE'S TIME TO CURE A DEFAULT HAS NOT EXPIRED, LANDLORD SHALL NOT TERMINATE THIS LEASE, ACCELERATE ANY RENT, OR OTHERWISE INTERFERE WITH TENANT'S OR LEASEHOLD MORTGAGEE'S POSSESSION AND QUIET ENJOYMENT OF THE LEASEHOLD ESTATE. LEASEHOLD MORTGAGEE MAY ENTER THE PREMISES TO SEEK TO CURE A DEFAULT. THIS RIGHT OR ITS EXERCISE SHALL NOT BE DEEMED TO GIVE LEASEHOLD MORTGAGEE POSSESSION.

19.6 *New Lease.* If this Lease terminates for any reason (except with Leasehold Mortgagee's consent or because of a Substantial Condemnation), even if Leasehold Mortgagee failed to timely exercise its cure rights for a Default, Landlord shall promptly give Leasehold Mortgagee a Lease Termination Notice. By giving notice to Landlord on or before the day that is thirty (30) days after Leasehold Mortgagee receives Landlord's Lease Termination Notice (such forty-five (45) day period, the "New Lease Option Period"), Leasehold Mortgagee may require Landlord to enter into a New Lease with New Tenant. Landlord need not do so, however, unless New Tenant has (a) in the New Lease committed to cure all Monetary Defaults within thirty (30) days of commencement of the New Lease, and to cure all Nonmonetary Defaults (except Tenant-Specific Defaults) within forty-five (45) days of commencement of the New Lease, except, in the case of any Nonmonetary Default that cannot with due diligence be cured within forty-five (45) days, New Tenant shall have commenced such cure and committed in the New Lease to diligently prosecute such cure to completion within a reasonable time under the circumstances, provided however that any breach of Tenant's Construction Obligations must be cured within forty-five (45) days after the commencement of the New Lease; and (b) reimbursed Landlord's reasonable costs and expenses (including reasonable attorneys' fees and expenses) to terminate this Lease, recover the Premises, and enter into the New Lease. If Leasehold Mortgagee exercises its option to require Landlord to enter into a New Lease with New Tenant, New Tenant shall execute the New Lease within thirty (30) days after expiration of the New Lease Option Period or the option shall be deemed to be waived and of no further effect.

19.7 *New Lease Implementation.* If Leasehold Mortgagee timely requests a new lease in conformity with this Lease, then from the date this Lease terminates until the parties execute and deliver a New Lease, Landlord shall not: (a) operate the Premises in an unreasonable manner; (b) terminate Sublease(s) except for a Subtenant Default; or (c) lease any Premises except to New Tenant. When the parties sign a New Lease, Landlord shall transfer to New Tenant all Subleases (including any Sublease security deposits Landlord held, if any), service contracts, premises operations, and net income Landlord collected from the Premises during the period described in the previous sentence, and Landlord shall cause every Fee Mortgagee to subordinate unconditionally to the New Lease.

19.8 *No Merger.* If the Leasehold Estate and the Fee Estate are ever commonly held, they shall remain separate and distinct estates (and not merge) without Leasehold Mortgagee's and Fee Mortgagee's consent.

19.9 *No Personal Liability.* Notwithstanding anything to the contrary in this Lease, no Leasehold Mortgagee, Subleasehold Mortgagee, New Tenant, or any Person acting for any of them shall have any personal liability under this Lease (or a New Lease), even if such Person exercises any Leasehold Mortgagee's cure rights, except to the extent that such Person assumes in writing any of Tenant's obligations under this Lease or a New Lease or agrees in writing to cure any Default. Any such liability shall: (a) not extend to any Default that occurred before such Tenant took title to this Lease, (or a New Lease), except as agreed in the New Lease or as identified in a Default Notice (or Lease Termination Notice) delivered to

Leasehold Mortgagee before such Tenant took title; and (b) terminate if and when any such Tenant assigns (provided the assignee assumes all of the assignor's obligations under this Lease New Lease or abandons this Lease (or a New Lease)).

19.10 *Multiple Leasehold Mortgages.* If at any time multiple Leasehold Mortgagees exist: (a) any consent by or notice to Leasehold Mortgagee refers to all Leasehold Mortgagees; (b) except under clause "a," only the most Senior Leasehold Mortgagee may exercise all rights of Leasehold Mortgagee(s), to the exclusion of junior Leasehold Mortgagee(s); (c) to the extent that the most Senior Leasehold Mortgagee declines to do so, any other Leasehold Mortgagee may exercise those rights, in order of priority; and (d) if Leasehold Mortgagees do not agree on priorities, a written determination of priority issued by a title insurance underwriter licensed in the State shall govern.

19.11 *Further Assurances.* Upon request from Tenant or any Leasehold Mortgagee (prospective or current), Landlord shall promptly, under documentation reasonably satisfactory to the requesting party: (a) acknowledge any Subtenant's nondisturbance and recognition rights (provided such Subtenant joins in a Nondisturbance Agreement); (b) agree directly with Leasehold Mortgagee that it may exercise against Landlord all Leasehold Mortgagee's rights in this Lease; (c) certify (subject to any then exception reasonably specified) whether this Lease is in full force and effect, whether any Lease Impairment has occurred, whether to Landlord's knowledge any Default exists, the date through which Rent has been paid, and other factual matters as reasonably requested; and (d) provided Tenant reimburses Landlord's reasonable attorneys' fees and expenses, amend this Lease as any current or prospective Leasehold Mortgagee reasonably requests, provided such amendment does not adversely affect Landlord, including reduction of any payment due Landlord, increase of any liability or obligation of Landlord, or change in any Default or cure or Notice period.

19.12 *Miscellaneous.* Notwithstanding anything to the contrary in this Lease, Leasehold Mortgagee may: (a) exercise its rights through an affiliate, assignee, designee, including a Mezzanine Lender, nominee, subsidiary, or other Person, acting in its own name or in Leasehold Mortgagee's name (and anyone acting under this clause "a" shall automatically have the same protections, rights, and limitations of liability as Leasehold Mortgagee); (b) refrain from curing any Default; (c) abandon such cure at any time; or (d) withhold consent or approval for any reason or no reason, except where this Lease states otherwise. Any such consent or approval must be written. To the extent any Leasehold Mortgagee's rights under this Lease apply after this Lease terminates, they shall survive such termination.

19.13 *Priorities of Multiple Mortgages.* If more than one Mortgagee of a particular type (Fee or Leasehold or Subleasehold, and as to Subleasehold Mortgagees, as to a particular encumbered Sublease) desires to exercise any mortgagee protection, then the party against whom such mortgagee protection is to be exercised shall be required to recognize either: (1) only the Mortgagee that desires to exercise such mortgagee protection and whose Mortgage is most Senior (as against other Mortgages of like type); or (2) such other Mortgagee of a particular type (all Fee Mortgagees or all Leasehold Mortgagees or all Subleasehold Mortgagees as applicable), have designated in writing to exercise such Mortgagee Protection. Priority of Mortgages shall be conclusively evidenced by (in order of precedence of application): (x) written agreement (or joint written instructions) by all Mortgagees of a particular type (Fee or Leasehold or Subleasehold, as applicable); or (y) a report or certificate of a title insurance company licensed to do business in the State. Neither Tenant nor Landlord shall be obligated to determine the relative priorities of any Mortgages. For any mortgagee protection that by its nature or under this Lease only one Leasehold Mortgagee can exercise (such as the right to a New Lease), pending the determination of priority, any time

period that applies to Leasehold Mortgagees' exercise of such mortgagee protection shall be tolled. Such tolling shall not apply for more than 30 days.

20. SUBLEASEHOLD MORTGAGES AND PROTECTIONS.

Notwithstanding anything in this Lease to the contrary, Tenant or those claiming under it shall have the absolute and unconditional right, without Landlord's consent, to execute and deliver Subleasehold Mortgage(s) at any time and from time to time during the Term. Landlord need not join in, or "subordinate the Fee Estate to," any Subleasehold Mortgage, and Tenant need not join in, or "subordinate the Leasehold Estate to," any Subleasehold Mortgage. No Subleasehold Mortgage shall reduce any party's rights or obligations under this Lease. Without Landlord's consent, at any time and from time to time: (a) any Subleasehold Mortgagee may initiate and complete any Foreclosure Event and exercise any other rights and remedies against the Subtenant and the Subleasehold Estate (but not the Fee Estate or the Leasehold Estate) under its Subleasehold Mortgage; and (c) any transferee through a Foreclosure Event, and its successors and assigns, may assign the subject Sublease. A Foreclosure Event shall impair no estate or right under the Fee Estate or the Leasehold Estate, and shall transfer only the Subleasehold Estate. In the event any Subleasehold Estate terminates at a time when the Leasehold Estate has terminated, all of the protections afforded to a Leasehold Mortgagee under Section 19 except for those related to a New Lease shall apply to each Subleasehold Mortgagee holding a Subleasehold Mortgage on that Subleasehold Estate, in order of priority.

21. EQUIPMENT LIENS

Landlord shall have no rights in respect of any FF&E, and Landlord hereby waives any statutory, landlord's or other liens on FF&E. From time to time promptly upon request, Landlord shall confirm to Tenant or any Subtenant the waiver contained in this Section as to particular FF&E. If at any time or from time to time Tenant or any Subtenant desires to enter into or grant any Equipment Lien, then upon Tenant's request Landlord shall enter into (and shall cause every Fee Mortgagee to enter into) such customary documentation regarding the Financed FF&E as Tenant or any Subtenant reasonably requests, providing for matters such as: (a) waiver of any right to take possession of such Financed FF&E upon an Event of Default; (b) waiver of any other right, title, or interest in the Financed FF&E; and (c) agreements to enable the holder of such Equipment Lien to repossess such Financed FF&E if such holder exercises remedies under its Equipment Lien. If Tenant enters into any Equipment Lien, such Equipment Lien shall not create a lien against the Fee Estate.

22. QUIET ENJOYMENT; TITLE TO CERTAIN PREMISES; CERTAIN AGREEMENTS

22.1 *Quiet Enjoyment.* So long as this Lease has not been terminated, Landlord covenants that Tenant shall and may peaceably and quietly have, hold, and enjoy the Premises for the Term, subject to the terms of this Lease, without molestation, hindrance, or disturbance by or from Landlord or anyone claiming by or through Landlord or having title to the Premises paramount to Landlord, and free of any encumbrance created or suffered by Landlord, except Permitted Exceptions.

22.2 *Access and Inspection.* Landlord in its capacity as the owner of the Fee Estate and its agents, representatives, and designees may enter the Premises upon reasonable notice, which the parties agree can be one Business Day's notice by email or phone, and accompanied by a representative of Tenant (which Tenant agrees to make available after reasonable notice), during regular business hours, solely to: (a) ascertain whether Tenant is complying with this Lease; (b) cure Tenant's Defaults (to the extent permitted by this Lease); (c) inspect the Premises and any Construction; (d) perform such tests, borings, and other analyses as

Landlord determines may be reasonably necessary or appropriate relating to (non)compliance with any Law or possible Hazardous Substances Discharge; or (e) show the Premises to a prospective transferee or Fee Mortgagee. In entering the Premises, Landlord and its designees shall not unreasonably interfere with operations on the Premises, shall not be entitled to enter secured areas without permission from and accompaniment by the occupant, and shall comply with Tenant's reasonable instructions. Tenant shall not be in default of the obligations contained in this Section 22.2 until it has received Minor Default Notice (which includes, in all capital and bold letters, in a size no smaller than the largest print on the Minor Default Notice, the following legend: " **FAILURE TO TIMELY TAKE ACTION MAY RESULT IN ENFORCEMENT ACTION**" and the opportunity to cure that is afforded Tenant for Nonmonetary Defaults under this Lease and thereafter Landlord's sole remedies for breach of this obligation shall be limited to specific performance and/or payment of the Delay Fee, and Tenant waives all defenses, except defense of performance, in any action brought by Landlord to enforce its rights under this Section. Notwithstanding the foregoing, if Tenant breaches this obligation more than 2 times in any Lease Year, such additional breach shall be a Nonmonetary Default with unrestricted remedies. Nothing in this Section shall be construed to limit any access or require notice by representatives, agents, and designees of the County or Landlord in its municipal capacity for inspection of the work that is subject to the Grant Agreement, CLCP or otherwise. Tenant shall Indemnify Landlord for any lack of access granted to such representatives, agents, and designees for any resulting impairment or infraction under the Grant Agreement or CLCP or any other Approval.

22.3 *Title*. Notwithstanding anything to the contrary in this Lease, all Buildings, Building Equipment, and FF&E located in, on, or at the Premises or otherwise constituting part of the Premises shall during the Term be owned by, and belong to, Tenant or those claiming under it. All benefits and burdens of ownership of the foregoing, including title, depreciation, tax credits, and all other tax items, shall be and remain in Tenant or those claiming under it during the Term.

23. EVENTS OF DEFAULT; REMEDIES

23.1 *Definition of "Event of Default."* An "Event of Default" means the occurrence of any one or more of the following:

23.1.1 *Monetary Default*. If a Monetary Default occurs and continues for 30 days after Notice from Landlord, specifying in reasonable detail the amount of money not paid and the nature and calculation of each such payment.

23.1.2 *Prohibited Liens*. If Tenant fails to comply with any obligation regarding Prohibited Liens and does not remedy such failure within 30 days after Notice from Landlord.

23.1.3 *Bankruptcy or Insolvency*. If Tenant ceases to do business as a going concern, ceases to pay its debts as they become due or admits in writing that it is unable to pay its debts as they become due, or becomes subject to any Bankruptcy Proceeding (except an involuntary Bankruptcy Proceeding dismissed within 365 days after commencement), or a custodian or trustee is appointed to take possession of, or an attachment, execution or other judicial seizure is made with respect to, substantially all of Tenant's assets or Tenant's interest in this Lease (unless such appointment, attachment, execution, or other seizure was involuntary and is contested with diligence and continuity and vacated and discharged within 365 days).

23.1.4 *Appointment of Receiver*. If a Receiver for Tenant is appointed whether voluntarily or involuntarily without the prior written consent of Landlord.

23.1.5 *Failure to Complete Tenant's Construction Obligations.* If Tenant fails to comply with Tenant's Construction Obligations and does not remedy such failure within ninety (90) days after Notice from Landlord.

23.1.6 *Breach of Transfer Provisions.* If any Transfer is made by Tenant that violates the requirements of Section 17 of this Lease.

23.1.7 *Nonmonetary Default.* If any other Nonmonetary Default occurs and Tenant does not cure it within 60 days after Notice from Landlord describing it in reasonable detail, or, in the case of a Nonmonetary Default that cannot with due diligence be cured within 60 days from such Notice, if Tenant shall not (y) duly commence such cure within such period and then diligently prosecute such cure to completion; and (z) complete such cure within a reasonable time under the circumstances (not necessarily limited to 60 days).

23.1.8 *Uncured Minor Defaults.* Notwithstanding anything to the contrary contained in this Lease, if any Minor Default is not cured at or prior to the cap on Delay Fees being met as to such Minor Default and specific performance is not reasonably available.

23.2 *Remedies.* If an Event of Default occurs, then Landlord shall, at Landlord's option, but subject to any limitations as to Minor Defaults expressly provided elsewhere in this Lease, have any or all of the following remedies, all cumulative (so exercise of one remedy shall not preclude exercise of another remedy), in addition to such other remedies as may be available at law or in equity or under any other terms of this Lease. Landlord's remedies include:

23.2.1 *Termination of Tenant's Rights.* Landlord may terminate Tenant's right to possess the Premises by any lawful means, in which case this Lease and the Term shall terminate, such date of termination shall be the Expiration Date, and Tenant shall immediately surrender possession to Landlord.

23.2.2 *Taking Possession.* Landlord may re-enter and take possession of the Premises with process of law, whether by summary proceedings or otherwise, and remove Tenant, with or without having terminated this Lease, and without thereby being liable for damages or guilty of trespass. This is intended to constitute an express right of re-entry by Landlord. Except as expressly provided in this Lease or prohibited by Law, Tenant, for and on behalf of itself and all persons claiming by, through or under Tenant, expressly waives any and all right of redemption provided by any Law, or re-entry or repossession or to restore the operation of this Lease if Tenant is dispossessed by a judgment or by warrant of any court or judge or in case of re-entry or repossession by Landlord or any expiration or termination of this Lease. No re-entry by Landlord, whether had or taken under summary proceedings or otherwise, shall absolve or discharge Tenant from liability under this Lease. The terms "enter," "re-enter," "entry," and "re-entry," as used in this Lease, are not restricted to their technical legal meanings.

23.2.3 *Suits Before Expiration Date.* Landlord may sue for damages or to recover Rent from time to time at Landlord's election.

23.2.4 *Receipt of Moneys.* No receipt of money by Landlord from Tenant after termination of this Lease, or after the giving of any notice of termination of this Lease, shall reinstate, continue, or extend this Lease or affect any notice theretofore given to Tenant, or waive Landlord's right to enforce payment of any Rent payable or later falling due, or Landlord's right to recover possession by proper remedy, except as

this Lease expressly states otherwise, it being agreed that after service of notice to terminate this Lease or the commencement of suit or summary proceedings, or after final order or judgment for possession, Landlord may demand, receive, and collect any moneys due or thereafter falling due without in any manner affecting such notice, proceeding, order, suit or judgment, all such moneys collected being deemed payments on account of use and occupation or, at Landlord's election, on account of Tenant's liability.

23.2.5 *No Waiver*. No failure by Landlord to insist upon strict performance of any covenant, agreement, term, or condition of this Lease or to exercise any right or remedy upon a Default, and no acceptance of full or partial Rent during continuance of any such Default, shall waive any such Default or such covenant, agreement, term, or condition. No covenant, agreement, term, or condition of this Lease to be performed or complied with by Tenant, and no Default, shall be Modified except by a written instrument executed by Landlord. No waiver of any Default shall Modify this Lease. Each and every covenant, agreement, term, and condition of this Lease shall continue in full force and effect with respect to any other then-existing or subsequent Default of such covenant, agreement, term or condition of this Lease.

23.2.6 *Security Devices*. Landlord may change the locks and other security devices providing admittance to the Premises as permitted by law.

23.2.7 *Damages*. Landlord may recover from Tenant all damages Landlord incurs by reason of Tenant's Default, including reasonable costs of recovering possession, reletting the Premises, and any and all other damages legally recoverable by Landlord, and reimbursement of Landlord's reasonable out of pocket costs, including Legal Costs and bank fees for dishonored checks. Such damages shall include, at Landlord's election, either (a) the present value, calculated at a discount rate equal to the then-current Prime Rate plus 5 Percent (5%) per annum, of the excess of the total Fixed Rent under this Lease over the fair market rental value of the Premises for the balance of the Term; or (b) the Rent payable to Landlord provided for in this Lease, when and as due and payable under this Lease, less (in the case of this clause "b" only) Landlord's actual proceeds of reletting less Landlord's actual reasonable costs of reletting. Landlord may recover such damages at any time after Tenant's Default, including after expiration of the Term. Notwithstanding any Law to the contrary, (x) Landlord need not commence separate actions to enforce Tenant's obligations for each quarter's Rent not paid, or each quarter's accrual of damages for Tenant's Default, but may accelerate all amounts due under the Lease and may bring and prosecute a single combined action for all such Rent and damages; and (y) Landlord may not recover any consequential damages for Tenant's Default.

23.2.8 *Injunction of Breaches*. Landlord may obtain a court order enjoining Tenant from continuing any Default. Tenant specifically and expressly acknowledges that damages would not constitute an adequate remedy for any Nonmonetary Default or Minor Default.

23.2.9 Intentionally deleted.

23.2.10 *Restoration Funds*. Upon any termination of this Lease, to the extent that Landlord or Depository then holds any Restoration Funds, they shall be applied solely as Landlord directs, including as a payment toward any sums then payable to Landlord.

23.2.11 *Special Default Notice Legends*. The following Sections contain special notice requirements and should be referenced for any required legend:

Section 4.2—Tenant's failure to timely pay Real Estate Taxes

Section 4.6-- Tenant's failure to timely pay utility charges

Section 7.1—Tenant's failure to timely provide Notices of changes to the Concept Plans

Section 7.2—Tenant's failure to timely provide copies of plans and specifications

Section 7.3—Tenant's failure to timely pursue Approvals

Section 7.5—Tenant's failure to timely provide as-built drawings or survey

Section 7.6—Tenant's failure to maintain

Section 7.8—Tenant's failure to timely provide required reports

Section 8.1—Landlord Notice to Tenant regarding Prohibited Liens

Section 22.2—Tenant's failure to provide Landlord access to inspect

Section 35.2—Tenant's failure to comply with local preference requirements

23.3 *Proceeds of Reletting*. Landlord shall apply any proceeds of any reletting as follows, without duplication, but including Default Interest on all such sums:

23.3.1 *Landlord's Costs*. First, to pay to itself the cost and expense of terminating this Lease, re-entering, retaking, repossessing, repairing, performing any Construction, and the cost and expense of removing all persons and property therefrom, including in such costs reasonable and customary brokerage commissions and Legal Costs;

23.3.2 *Preparation for Reletting*. Second, to pay to itself the cost and expense reasonably sustained in securing any new tenants and other occupants, including in such costs all brokerage commissions, Legal Costs, and any other reasonable costs of preparing the Premises for reletting;

23.3.3 *Costs of Maintenance and Operation*. Third, to the extent that Landlord shall maintain and operate the Premises, to pay to itself the reasonable cost and expense of doing so; and

23.3.4 *Residue*. Fourth, to pay to itself any balance remaining on account of Tenant's liability to Landlord.

23.4 *Exculpation; Landlord's Sole and Exclusive Remedy*. Notwithstanding anything to the contrary in this Lease, Landlord's right to terminate this Lease and re-enter the Premises and take possession of the Premises (and collect damages from Tenant, but only to the extent of Tenant's interest in the Premises or the proceeds from same) as provided in this Lease shall constitute Landlord's sole and exclusive remedy for any Default or Event of Default.

23.5 *Tenant's Late Payments; Late Charges*. If Tenant fails to make any payment to Landlord required under this Lease within 10 days after such payment is first due and payable, then in addition to any other remedies of Landlord, and without reducing or adversely affecting any of Landlord's other rights and remedies, Tenant shall pay Landlord within 30 days after demand Default Interest on such late payment, beginning on the date such payment was first due and payable and continuing until the date when Tenant

actually makes such payment. In addition, and without limiting any other rights or remedies of Landlord, Tenant shall pay Landlord, as Additional Rent, an administrative charge equal to \$500 (which amount shall increase by 10% on the tenth anniversary of the Commencement Date and on every tenth anniversary of the Commencement Date thereafter) for any payment that Tenant fails to pay within 10 days after Notice that such payment is delinquent. Such administrative charge is intended to compensate Landlord for the inconvenience and staff time incurred by Landlord to handle the late or missed payment, shall not be deemed a penalty or compensation for use of funds, and shall not be credited against any other obligations of Tenant under this Lease.

23.6 Landlord's Right to Cure. If Tenant at any time fails to (a) make any payment that could create a material risk of forfeiture of the Fee Estate or (b) take any action this Lease requires when there is already an Event of Default, then Landlord, if such breach is not cured after fourteen (14) days Notice to Tenant, or in an emergency with such notice (if any) as is reasonably practicable under the circumstances, and without waiving or releasing Tenant from any obligation or Default and without waiving Landlord's right to take such action as this Lease may permit as a result of such Default, may (but need not) make such payment or take such action. Tenant shall reimburse Landlord, as Additional Rent, for an amount equal to (i) all reasonable sums paid, and reasonable costs and expenses (including Legal Costs) incurred, by Landlord in exercising its cure rights under this Subsection; and (ii) Default Interest on "i."

23.7 Holding Over. If for any reason or no reason Tenant remains in the Premises after the Expiration Date, then Landlord will suffer injury that is substantial, difficult, or impossible to measure accurately. Therefore, if Tenant remains in the Premises after the Expiration Date, for any reason or no reason, then in addition to any other rights or remedies of Landlord, Tenant shall pay to Landlord, as liquidated damages and not as a penalty, for each month (prorated daily for partial months) during which Tenant holds over after the Expiration Date, a sum equal to 200% times the quarterly Fixed Rent payable under this Lease during the year preceding the Expiration Date, plus 100% of the Additional Rent.

23.8 Waivers; Venue. TO THE EXTENT PERMITTED BY LEGAL REQUIREMENTS, LANDLORD AND TENANT IRREVOCABLY WAIVE ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, PROCEEDING, COUNTERCLAIM, OR OTHER LITIGATION ARISING OUT OF OR RELATING TO THIS LEASE, THE RELATIONSHIP OF LANDLORD AND TENANT REGARDING THE PREMISES, ENFORCEMENT OF THIS LEASE, TENANT'S USE OR OCCUPANCY OF THE PREMISES, ANY CLAIM OF INJURY OR DAMAGE ARISING BETWEEN LANDLORD AND TENANT, OR ANY ACTIONS OF LANDLORD IN CONNECTION WITH OR RELATING TO THE ENFORCEMENT OF THIS LEASE. LANDLORD AND TENANT EACH HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF THE STATE AND FEDERAL COURTS IN MIAMI-DADE COUNTY, FLORIDA, FOR ANY AND ALL CLAIMS OR DISPUTES ARISING OUT OF, TO ENFORCE, CONSTRUE, OR OTHERWISE RELATING TO THIS LEASE, AND ANY APPELLATE COURT FROM ANY SUCH COURTS, IN ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS LEASE, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT THEREON, AND EACH HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH SUIT, ACTION OR PROCEEDING SHALL BE HEARD AND DETERMINED IN SUCH COURTS. LANDLORD AND TENANT EACH AGREES THAT A FINAL JUDGMENT (AFTER EXHAUSTION OF APPEALS OR EXPIRATION OF THE TIME TO APPEAL) IN ANY SUCH SUIT, ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. LANDLORD AND TENANT EACH HEREBY

IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT IT MAY LEGALLY AND EFFECTIVELY DO SO, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS LEASE IN ANY SUCH COURT. TENANT WAIVES ANY RIGHT OF REDEMPTION PROVIDED FOR BY LAW. TENANT AGREES NOT TO INTERPOSE ANY COUNTERCLAIM IN ANY ACTION BY LANDLORD FOR SPECIFIC PERFORMANCE, POSSESSION, AND/OR TERMINATION (SUMMARY OR OTHERWISE) UNDER THIS LEASE. If Landlord files an action for specific performance, possession and/or termination of this Lease ("Eviction Action"), Landlord and Tenant agree that any counterclaim that Tenant may have to the Eviction Action shall be filed as a separate action and shall not be filed in the Eviction Action. Landlord shall not raise as a defense in Tenant's separate action that such action is waived and/or should have been brought as a counterclaim in the Eviction Action or raise any defense of collateral estoppel, *res judicata*, claims splitting, or other similar defense.

23.9 *Accord and Satisfaction; Partial Payments.* No payment by Tenant or receipt by Landlord of a lesser amount than the amount owed under this Lease shall be deemed to be other than a part payment on account by Tenant. Any endorsement or statement on any check or letter accompanying any check or payment of Rent shall not be deemed an accord or satisfaction. Landlord may accept any such check or payment without prejudice to Landlord's right to recover the balance of such Rent or pursue any other remedy.

23.10 *Miscellaneous.* Landlord and Tenant further agree as follows with respect to any Defaults and Landlord's rights and remedies.

23.10.1 *Survival.* No termination of this Lease and no taking possession of or reletting the Premises shall relieve Tenant of its liabilities and obligations hereunder, all of which shall survive such expiration, termination, repossession, or reletting, but subject to any limitations on personal liability or recourse in this Lease.

23.10.2 *Multiple Suits.* Landlord may sue to recover damages, or sum(s) equal to any installment(s) of Rent payable by Tenant, from time to time at Landlord's election. Nothing in this Lease requires Landlord to await the date when this Lease or the Term would have expired absent an Event of Default and a resulting termination of this Lease.

23.10.3 *Receipt of Monies.* No receipt of moneys by Landlord from Tenant after the giving a termination notice or a notice to obtain possession, after expiration of the applicable cure period or after the retaking of possession by Landlord as aforesaid, shall reinstate, continue, or extend the Term or affect any notice previously given to Tenant, waive Landlord's right to enforcement of Rent payable by Tenant or thereafter falling due, or waive Landlord's right to recover possession of the Premises. After the service of any such notice, or commencement of any suit or summary proceedings, or after a final and unappealable order or judgment for possession of the Premises, Landlord may demand, receive, and collect any moneys due or thereafter falling due without in any manner affecting such notice, proceeding, order, suit, or judgment. Any sums so collected shall instead be deemed payments on account of use and occupation of the Premises or, at Landlord's election, to have been made on account of Tenant's liability under this Lease.

23.10.4 *No Double Recovery.* In no event shall Landlord be entitled, directly or indirectly, to recover twice for the same element of Landlord's damages.

23.11 *Landlord Default and Tenant Remedies.* Landlord shall not be in default under this Lease unless Landlord does not cure the default within 60 days after Notice from Tenant describing it in reasonable detail, or, in the case of a nonmonetary default that cannot with due diligence be cured within 60 days from such Notice, if Landlord shall not (y) duly commence such cure within such period and then diligently prosecute such cure to completion; and (z) complete such cure within a reasonable time under the circumstances (not necessarily limited to 60 days). If Landlord fails to timely cure, Tenant may exercise any and all rights and remedies available to it at law, in equity or under this Lease.

24. END OF TERM

Upon any Expiration Date: (a) all Buildings, FF&E not removed from the Premises, and Building Equipment shall become Landlord's property; (b) Tenant shall deliver to Landlord possession of the Premises, in the condition this Lease requires, reasonable wear and tear excepted and subject to any Loss that this Lease does not require Tenant to Restore; (c) Tenant shall surrender any right, title, or interest in and to the Premises and deliver such evidence and confirmation thereof as Landlord reasonably requires; (d) Tenant shall deliver the Premises free and clear of all: (i) Subleases, and (ii) liens except (1) Permitted Exceptions and (2) liens that Landlord or any of its agents consented to in writing, caused or joined in; (e) Tenant shall assign to Landlord, without recourse, and give Landlord copies or originals of, all assignable licenses, permits, contracts, warranties, and guarantees then in effect for the Premises; (f) the parties shall reasonably cooperate to achieve an orderly transition of operations from Tenant to Landlord without interruption, including delivery of such books and records (or copies thereof) as Landlord reasonably requires; (g) the parties shall adjust for Real Estate Taxes and all other expenses and income of the Premises and any prepaid Rent and shall make such payments as shall be appropriate on account of such adjustment in the same manner as for a sale of the Premises (but any sums otherwise payable to Tenant shall first be applied to cure any Default); (h) the parties shall terminate the Memorandum of Lease; and (i) Tenant shall assign to Landlord, and Landlord shall reimburse Tenant for, all utility and other service provider deposits for the Premises. Notwithstanding anything to the contrary in this Subsection, Tenant may remove from the Premises any FF&E, but Tenant must do so, if at all, before or within 30 days after the Expiration Date. Tenant shall not, however, remove any Buildings or Building Equipment. Tenant shall repair any material damage from any such removal. During such 30-day period: (x) Tenant may enter the Premises for such purposes, without being deemed a holdover; (y) Landlord shall have no obligation to preserve or protect such FF&E; and (z) in entering the Premises, Tenant shall comply with Landlord's reasonable instructions. Tenant's FF&E not removed within 30 days after the Expiration Date shall be deemed abandoned.

25. NOTICES

Except for Minor Default Notices, all Notices shall be in writing and addressed to Landlord and Tenant (and their designated copy recipients) as set forth in **Schedule 25**. Notices (including any required copies as set forth in **Schedule 25**) shall be delivered by certified mail, return receipt requested, or Federal Express or other overnight (one-night) courier service to the addresses set forth in **Schedule 25**, in which case they shall be deemed delivered on the date of delivery (or when delivery has been attempted twice, as evidenced by the written report of the post office or courier service) to such address(es). Notwithstanding the foregoing, Notices for the regular payment of Rent under this Lease (as opposed to late payments, for example) may be sent by first class mail, in which case they shall be deemed delivered three Business Days after deposit in the United States mail, provided that no postal strike (or other event likely to disrupt postal service) is then in effect. Either party may change its address or add/delete parties to receive Notice by Notice in compliance with this Lease. Notice of such a change shall be effective only upon receipt. Any party

giving a Notice may request the recipient to acknowledge receipt of such Notice. The recipient shall promptly comply with any such request, but failure to do so shall not limit the effectiveness of any Notice. Any attorney may give any Notice on behalf of its client. Any notice from Landlord to Tenant shall have no effect unless Landlord gives a copy to Leasehold Mortgagee. If any Default occurs for which Landlord intends to exercise any remedy, Landlord shall promptly give Leasehold Mortgagee a Default Notice.

26. NO BROKER

Each party: (a) represents and warrants that it did not engage or deal with any broker or finder, in connection with this Lease and no person is entitled to any commission or finder's fee on account of any agreement or arrangement made by such party; and (b) shall be liable for the consequences of any breach of the foregoing, and shall pay to the other within 30 days of demand therefor, any costs, expenses, damages or liability therefor including Legal Costs.

27. NONRECOURSE

Notwithstanding anything to the contrary in this Lease, the liability under this Lease of Landlord and Tenant (including any New Tenant or post-foreclosure Tenant) and each of their parent(s), subsidiary(ies), or affiliated corporations or other entities, and any of their constituent partners, joint venturers, or tenants-in-common, for damages or otherwise, shall be enforceable against, and shall not extend beyond, their interests in the Premises (including the proceeds thereof, or if such actual proceeds are unavailable, an amount equal to such proceeds, and the benefits of any dual obligee rider to a payment and performance bond). No property or assets whatsoever, except Landlord's or Tenant's (as applicable) interest in the Premises (including the proceeds thereof or if such actual proceeds are unavailable, an amount equal to such proceeds), shall be subject to levy, execution or any other enforcement procedure for the satisfaction of any remedies (monetary or otherwise) of the other party arising under or in connection with this Lease. No shareholder, officer, member, manager, director, agent, or employee of Tenant or Landlord shall have any liability under this Lease. This Lease sometimes refers to this Subsection as the "Nonrecourse Clause."

28. ADDITIONAL DELIVERIES; THIRD PARTIES

28.1 *Estoppel Certificates*. Each party to this Lease (a "Requesting Party") may require the other party (a "Certifying Party") to execute, acknowledge, and deliver to the Requesting Party (or directly to a designated third party) up to four original counterparts of an Estoppel Certificate. The Certifying Party shall sign, acknowledge, and return such Estoppel Certificate within 15 days after request, even if the Requesting Party is in Default. Any Estoppel Certificate shall bind the Certifying Party.

28.2 *Further Assurances*. Each party shall execute and deliver such further documents, and perform such further acts, as may be reasonably necessary to achieve the parties' intent in entering into this Lease.

28.3 *Memorandum of Lease*. Upon request by either, the parties shall promptly execute, acknowledge, and deliver duplicate originals of a Memorandum of Lease. Either party may record such Memorandum of Lease. Any taxes imposed upon such recording shall be paid by Tenant. If the parties amend this Lease, then the parties shall have the same rights and obligations regarding a memorandum of such amendment as they do for the Memorandum of Lease. Tenant may at any time by Notice to Landlord elect to require the Memorandum of Lease to be terminated.

28.4 *Modification.* Any Modification of this Lease must be in writing signed by the party to be bound.

28.5 *Successors and Assigns.* This Lease shall bind and benefit Landlord and Tenant and their successors and assigns, but this shall not limit or supersede any Transfer restrictions. Nothing in this Lease confers on any Person (except Landlord, Tenant, Leasehold Mortgagees, and Fee Mortgagees) any right to insist upon, or to enforce against Landlord or Tenant, the performance or observance by either party of its obligations under this Lease.

29. MISCELLANEOUS

29.1 *Costs and Expenses; Legal Costs.* In the event of any litigation or dispute between the parties, or claim made by either party against the other, arising from this Lease or the landlord-tenant relationship under this Lease, or Landlord's enforcement of this Lease upon a Default, or to enforce or interpret this Lease or seek declaratory or injunctive relief in connection with this Lease, or to exercise any right or remedy under or arising from this Lease, or to regain or attempt to regain possession of the Premises or terminate this Lease, or in any Bankruptcy Proceeding affecting the other party to this Lease, the prevailing party shall be entitled to reimbursement of its Legal Costs with Default Interest and all other reasonable costs and expenses incurred in enforcing this Lease or curing the other party's default. In connection with any amendments to this Lease, Legal Costs shall be allocated as provided for in such Lease amendment.

29.2 *No Consequential Damages.* Whenever either party may seek or claim damages against the other party (whether by reason of a breach of this Lease by such party, in enforcement of any indemnity obligation, for misrepresentation or breach of warranty, or otherwise), neither Landlord nor Tenant shall seek, nor shall there be awarded or granted by any court or other adjudicator, any speculative, consequential, collateral, special, punitive, or indirect damages, whether such breach shall be willful, knowing, intentional, deliberate, or otherwise. The parties intend that any damages awarded to either party shall be limited to actual, direct damages sustained by the aggrieved party. Neither party shall be liable for any loss of profits suffered or claimed to have been suffered by the other. The limitation of liability herein shall not apply to any indemnification for third party claims available at law or pursuant to, but subject to the limitations in, Section 10. This provision shall survive the Expiration Date or earlier termination of this Lease.

29.3 *No Waiver by Silence.* Failure of either party to complain of any act or omission on the part of the other party shall not be deemed a waiver by the noncomplaining party of any of its rights under this Lease. No waiver by either party at any time, express or implied, of any breach of this Lease shall waive such breach or any other breach.

29.4 *Performance Under Protest.* If a dispute arises about performance of any obligation under this Lease, the party against which such obligation is asserted shall have the right to perform it under protest, which shall not be regarded as voluntary performance. A party that has performed under protest may institute appropriate proceedings to recover any amount paid or the reasonable cost of otherwise complying with any such obligation, with interest at the Default Rate.

29.5 *Survival.* All rights, obligations and provisions that by their nature are to be performed after any termination of this Lease, including all provisions of Sections 29.1-29.3, inclusive, and Section 30, shall survive any such termination.

29.6 *Unavoidable Delay.* Each party's obligation to perform or observe any nonmonetary obligation under this Lease shall be suspended during such time as such performance or observance is prevented or delayed by Unavoidable Delay.

29.7 *Vault Space.* Any vaults and other areas now existing or later built extending beyond the building line of the Premises are not part of the Premises, but Tenant may occupy and use them during the Term, subject to applicable Law and payment of applicable Real Estate Taxes. No revocation by any Government of any license or permit to maintain and use any such vault shall in any way affect this Lease or the Rent. Landlord makes no representation or warranty about any such vault or Tenant's right to use or occupy it for any purpose, or any fees or taxes that may be imposed on account of such use or occupancy.

29.8 *Time of the Essence.* Subject to any extensions expressly provided in this Lease and Unavoidable Delay, time is of the essence as to the performance of the provisions of this Lease by Landlord and Tenant.

30. INTERPRETATION, EXECUTION, AND APPLICATION OF LEASE

30.1 *Captions.* The captions of this Lease are for convenience and reference only. They in no way affect this Lease.

30.2 *Counterparts.* This Lease may be executed in counterparts.

30.3 *Delivery of Drafts.* Neither party shall be bound by this Lease unless and until such party shall have executed and delivered at least one counterpart of this Lease. The submission of draft(s) or comment(s) on drafts, including any recordings of negotiations of this Lease, shall bind neither party in any way. Such draft(s) and comment(s) and recording(s) shall not be considered in interpreting this Lease.

30.4 *Entire Agreement.* This Lease contains all terms, covenants, and conditions between Landlord and Tenant about the Premises. The parties have no other understandings or agreements, oral or written, about the Premises or Tenant's use or occupancy of, or any interest of Tenant in, the Premises.

30.5 *Governing Law.* This Lease, its interpretation and performance, the relationship between the parties, and any disputes arising from or relating to any of the foregoing, shall be governed, construed, interpreted, and regulated under the laws of the State, without regard to principles of conflict of laws.

30.6 *Partial Invalidity.* If any term or provision of this Lease or its application to any party or circumstance shall to any extent be invalid or unenforceable, then the remainder of this Lease, or the application of such term or provision to persons or circumstances except those as to which it is invalid or unenforceable, shall not be affected by such invalidity. All remaining provisions of this Lease shall be valid and be enforced to the fullest extent Law allows.

30.7 *Principles of Interpretation.* No inference in favor of or against any party shall be drawn from the fact that such party has drafted any part of this Lease. The parties have both participated substantially in its negotiation, drafting, and revision, with advice from counsel and other advisers. A term defined in the singular may be used in the plural, and vice versa, all in accordance with ordinary principles of English grammar, which also govern all other language in this Lease. The words "include" and "including" shall be construed to be followed by the words: "without limitation." Each of these terms shall be interpreted as if followed by the words "(or any part of it)" except where the context clearly requires otherwise: Building

Equipment; FF&E; Fee Estate; Buildings; Land; Leasehold Estate; Premises; Structure; and any other similar collective noun. Every reference to any document, including this Lease, refers to such document as Modified from time to time (except, at Landlord's option, any Modification that violates this Lease), and includes all exhibits, schedules, and riders to such document. The word "or" includes the word "and."

30.8 *Reasonableness.* Wherever this Lease requires the consent or approval of a party, except as and to the extent expressly set forth to the contrary in this Lease, such party shall not unreasonably withhold approval and this means: (a) such approval shall not be unreasonably delayed or conditioned; (b) no withholding of approval shall be deemed reasonable unless withheld by Notice specifying reasonable grounds, in reasonable detail, for such withholding, and indicating specific reasonable changes in the proposal under consideration that would make it acceptable; and (c) if a party grants its consent (or fails to object) to any matter, this shall not waive its rights to require such consent for any further or similar matter. The parties agree to deal with each other fairly and in good faith.

31. ADDITIONAL PROVISIONS.

31.1 *Radon.* Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of Radon that exceed Federal and State guidelines have been found in buildings in Florida. Additional information regarding Radon and Radon testing may be obtained from the county health department.

31.2 *Nondiscrimination.* Tenant represents and warrants to Landlord that Tenant does not and will not engage in unlawful discriminatory practices and that there shall be no unlawful discrimination in connection with Tenant's performance under this Lease or in the use of the Premises, on account of race, color, sex, religion, age, handicap, disability, marital status, national origin, ancestry, familial status, or sexual orientation. Tenant further covenants that no otherwise qualified individual shall, solely by reason of his/her race, color, sex, religion, age, handicap, marital status, national origin, ancestry, familial status, or sexual orientation unlawfully be excluded from participation in, be denied services, or be subject to discrimination under any provision of this Lease in the use of the Premises. Landlord's sole remedy for breach of the provisions of this Section shall be specific performance.

31.3 *Conflict of Interest.* Tenant represents and warrants to Landlord that it has not employed or retained any person or company currently employed by Landlord to solicit or secure this Lease and that it has not offered to pay, paid, or agreed to pay any person any fee, commission, percentage, brokerage fee, or gift of any kind contingent upon or in connection with, the award of this Lease. Tenant covenants that no person under its employ who presently exercises any functions or responsibilities on behalf of Landlord in connection with this Lease has any personal financial interest, directly or indirectly, with contractors or vendors providing professional services on projects assigned by Tenant, except as fully disclosed and approved by Landlord.

31.4 *Billboard.* Landlord represents that it has the right to grant to Tenant the right to use the billboard that is located on Biscayne Boulevard on the Premises for the Term. Tenant shall comply with and takes subject to any City of North Miami, State, and other regulatory procedures or requirements for use of the billboard. Tenant shall insure, repair (including replace, when and if necessary), maintain and pay Real Estate Taxes (including any personal property taxes thereon) on said billboard in accordance with the maintenance and insurance standards set forth in this Lease and any other applicable Approvals and Laws. Tenant may after Notice to Landlord abandon the right to use such billboard, in which case the rights provided to and obligations imposed on Tenant by the provisions of this Section shall no longer apply.

Tenant may assign the right to use said billboard to its designee, which assignment may be for consideration (which shall belong to and be retained by Tenant, but shall be subject to Participation Rent). If Tenant elects to replace the existing billboard with an electronic message board, which it may do subject to compliance with applicable Laws, Tenant agrees that no fewer than 10 minutes per hour of the usage of such electronic message board will be available to Landlord at no charge for City of North Miami public messages and to assist in traffic control. Landlord's sole remedy for a breach of this Section shall be limited to Delay Fees and/or specific performance, and Tenant waives all defenses, except defense of performance, in any action brought by Landlord to enforce its rights under this Section.

32. SOVEREIGN RIGHTS.

32.1 *Sovereign Rights as Municipality.* Notwithstanding anything to the contrary in this Lease, Landlord shall retain all of its sovereign prerogatives and rights as a municipality under State law with respect to the Premises. It is expressly understood that:

(a) Landlord retains all of its sovereign prerogatives and rights and regulatory authority (quasi-judicial or otherwise) as a municipal corporation under State law and shall in no way be estopped by virtue of its execution of this Lease from withholding or refusing to issue any approvals in its municipal regulatory capacity of applications for building, zoning, planning or development under present or future laws and regulations whatever nature applicable to the planning, design, construction and development of the Improvements, or the operation thereof, or be liable for the same; and

(b) Landlord shall not by virtue of this Lease or any other agreement entered into by Landlord relating to the Premises, be obligated in its municipal regulatory capacity to grant Tenant any approvals of applications for building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the planning, design, construction, development and/or operation of the Buildings.

(c) Notwithstanding and prevailing over any contrary provision in this Lease, any covenant or obligation of Landlord in its municipal regulatory capacity that may be contained in this Lease shall not bind the City Council or any City of North Miami department or authority, committee or agency to grant or leave in effect any zoning changes, variances, permits, waivers, or any other approvals that may be granted, withheld or revoked in the discretion of Landlord in its municipal regulatory capacity or other applicable governmental agencies in the exercise of its police power.

32.2 *No Partnership or Joint Venture.* Nothing contained in this Lease is intended or shall be construed in any manner or under any circumstances whatsoever as creating or establishing a partnership or a joint venture between or among any of the parties or as constituting any party as the agent or representative of any other party.

32.3 *No Permit.* This Lease is not and shall not be construed as a development agreement under Chapter 163, Florida Statutes, nor a development permit, development approval or authorization to commence development, nor shall it relieve Tenant of the obligations to obtain necessary Comprehensive Plan amendments and development approvals that are required under applicable law and under and pursuant to the terms of this Lease, if any.

32.4 *No subordination.* In no event shall Landlord be obligated to subordinate, hypothecate or otherwise encumber its fee simple ownership interest in the Premises. The foregoing is not intended to

The parties acknowledge that in the event of Tenant's default in its obligation to close the Option transaction, Landlord's damages are incapable of exact ascertainment and that Landlord's retention of the deposit as liquidated damages is fair and reasonable and is not a penalty. In such case Tenant shall, at the request of Landlord, execute and deliver to Landlord an instrument in recordable form, evidencing such waiver and acknowledging the termination of the Option as to the entire Option Rights Property; if Tenant fails to deliver such recordable instrument within seven (7) Business Days after request, Landlord is hereby authorized to record an affidavit regarding the waiver and acknowledging the termination of the Option as to such property and all persons shall be entitled to rely on such affidavit as to the termination of the Option. This section shall be included in any recorded memorandum of this Lease. Under no circumstances shall either Tenant's or Landlord's default in its obligation to close any Option transaction constitute a Default or Event of Default under this Lease. If Landlord fails to a sale pursuant to the exercise of the Option and in accordance with the provisions of this Lease for any reason other than (i) failure to make the title marketable after diligent effort or (ii) disapproval of the Option Parcel, then Tenant may either receive the return of its deposit or seek specific performance as its sole remedies.

MEMORANDUM OF GROUND LEASE

Oleta Partners, LLC, a Florida limited liability company, whose address is _____, Coconut Grove, Florida 33133 ("Tenant") and **City of North Miami**, a Florida municipal corporation, whose address is _____, North Miami, Florida 331__ ("Landlord") have entered into a Ground Lease dated _____, 2012 (the "Lease") with respect to the vacant and unimproved real property legally described on **Exhibit A** annexed hereto (the "Leased Premises"), which is part of Biscayne Landing. The term of the Lease commences on the date hereof and ends on _____, 2111. Tenant has one renewal option of 99 years. Rent and other charges payable during the Lease term are as set forth in the Lease.

All persons to whom these presents come or who should be on notice hereof are put on notice of the existence of the Lease and of all its terms and provisions. This Memorandum of Ground Lease is summary in nature and to the extent of any conflict or inconsistency between the provisions hereof and those contained in the Lease, the provisions of the Lease shall prevail.

The Lease contains, among other provisions, provisions relating to the following:

1. Tenant and those claiming under tenant are entitled to obtain leasehold and subleasehold financing, as therein provided, and the holder of such financing is entitled to the benefits afforded by the Lease.
2. Neither Tenant nor anyone claiming by, through or under Tenant including, without limitation, contractors, subcontractors, materialmen, mechanics and laborers, shall have any right to file or place any construction, materialmen's or other liens of any kind whatsoever upon Landlord's interest in the Leased Premises or any portion thereof; on the contrary, any such liens are specifically prohibited and shall be null and void and of no force or effect. Notice is hereby given that neither Tenant nor anyone claiming by, through or under Tenant has any power to subject Landlord's interest in the Leased Premises or any portion thereof to any claim or lien of any kind or character and any persons dealing with Tenant, or those claiming by, through or under Tenant must look solely to the credit of party with whom they are dealing for payment.

3. Landlord is not liable for any injury or damage to any property or any person happening on or about the Leased Premises, nor for any injury or damage to any property of Tenant or any other person contained therein or thereon. Tenant shall maintain, at its sole cost and expense, insurance in such amounts and with such companies as is provided for in the Lease insuring against all claims, demands, actions or damages for personal injury, death and damage to property.

4. There shall be no merger of the leasehold estate created by the Lease with the fee estate owned by Landlord unless all persons having an interest in the leasehold and fee estates (including, without limitation, any mortgagees) shall join in a written instrument for the specific purpose of effecting such merger and such instrument shall be placed of record in the county in which the Leased Premises are located.

5. The Lease contains both an option to purchase a portion of the Lease Premises and a right of first offer to purchase the Leased Premises, on the terms and conditions contained in the Lease. The Lease provides that the option to purchase "shall be deemed waived, terminate and be of no further force or effect if, having furnished a Notice confirming the exercise of the Option, Tenant thereafter defaults in its obligation to close the transaction. The termination of the Option and retention of the deposit as liquidated damages shall be Landlord's sole remedies for such default. The parties acknowledge that in the event of Tenant's default in its obligation to close the Option transaction, Landlord's damages are incapable of exact ascertainment and that Landlord's retention of the deposit as liquidated damages is fair and reasonable and is not a penalty. In such case Tenant shall, at the request of Landlord, execute and deliver to Landlord an instrument in recordable form, evidencing such waiver and acknowledging the termination of the Option; if Tenant fails to deliver such recordable instrument within seven (7) Business Days after request, Landlord is hereby authorized to record an affidavit regarding the waiver and acknowledging the termination of the Option as to such property and all persons shall be entitled to rely on such affidavit as to the termination of the Option."

6. The Lease permits self insurance under certain circumstances. With respect to self insurance, it provides that "Any self insured exposure shall be deemed to be an insured risk to the extent of the insurance required to be maintained under this Lease, and Landlord and any Fee Mortgagee shall be afforded the benefits of self insurance to the same extent that they would be afforded the benefits of insurance, including costs of defense. Any self insured Person shall be deemed to waive and hereby waives all rights to recover against Landlord or any Fee Mortgagee or any of their officers, employees, agents and representatives, for any damage arising from any cause covered by any insurance required to be carried by Tenant or any Subtenant, or self insured by Tenant or any Subtenant as permitted in this Lease, or any insurance actually carried by Tenant or any Subtenant." Anyone claiming under Tenant who is qualified under the Lease to and elects to self insure any risk shall comply with and be deemed to have agreed to the foregoing.

7. The Lease provides that "any document requiring execution by Landlord may be executed by the City Manager or his designee and, if so executed, it shall be deemed to have been properly authorized and binding on Landlord without the need for any further verification of authority or execution by anyone else (the foregoing shall not be construed as a waiver of approval or authorization of the City Council of the City of North Miami, but rather, shall mean that any such approval or authorization of such City Council, if any is required, has been obtained prior to the execution by the City Manager or his designee and is evidenced by such execution, and no Person shall be required to look behind such execution as to approval or authority to execute and bind)".

8. The Lease provides that "except to the extent caused by the gross negligence or willful misconduct of Landlord or anyone acting by, through or under Landlord (for which Landlord will be liable to Tenant), Landlord shall not be liable for injury or damage which may be sustained by a person, goods, wares, merchandise or other property of Tenant, or Tenant's employees, invitees, officers, agents and customers, or by any other person in or about the Premises caused by or resulting from any peril which may affect the Premises, including, without limitation, fire, steam, electricity, gas, water or rain, which may leak or flow from or into any part of the Premises, or from the breakage, leakage, obstruction or other defects of the pipes, sprinklers, wires or plumbing to the Premises, whether such damage or injury results from conditions arising upon the Premises or from other sources". This provision shall be binding on all Persons claiming by, through and under Tenant.

9. The Lease provides that "Each Sublease shall contain provisions in form and substance substantially as set forth below in this Section. By executing its Sublease, each Subtenant shall be deemed to have agreed to these provisions, which reflect the definitions in this Lease. All such defined terms shall be modified in the Sublease as appropriate to reflect the definitions in the Sublease.

All terms, covenants, and provisions of this Sublease and all rights, remedies, and options of Subtenant under this Sublease are and shall at all times remain fully subject and subordinate in all respects to the Lease. If the Lease and the Leasehold Estate terminate, then this Sublease shall remain in effect as a direct lease between Landlord and Subtenant; provided, however, that Landlord shall not be: (i) liable for any act or omission of a prior landlord (including Tenant); or (ii) subject to any offsets, defenses or deficiencies that Subtenant might have against any prior landlord (including Tenant); or (iii) liable to Tenant for any deposit, rental security or any other sums deposited with the original or any prior landlord under the Lease and not delivered to Landlord; or (iv) bound by any rent or additional rent which Subtenant might have paid in advance to any prior landlord (including Tenant) for a period in excess of one month; or (v) bound by any amendment, modification, assignment or termination of a direct Sublease from Tenant made without the written consent of Landlord if at the time of the execution thereof a Event of Default, as defined in the Ground Lease (and the recorded Memorandum thereof), existed; or (vi) obligated or liable with respect to any representations, warranties or indemnities contained in the Sublease, including without limitation relating to work performed by any prior landlord under the Sublease; or (vii) liable to Subtenant or any other party for any conflict between the provisions of the Sublease and the provisions of any other lease affecting the Premises which is not entered into by Landlord; or (viii) obligated to construct any improvements to be constructed by Tenant under the Sublease including without limitation tenant improvements; or (ix) be obligated for the restoration of the Premises, Subleased Premises, or any other improvements on or benefiting the Subleased Premises in the event of any casualty or taking of any part of the Subleased Premises under power of eminent domain beyond any insurance or condemnation proceeds received in connection with such casualty or taking, provided however that Subtenant may offset from base rent payments currently due under the Sublease up to, but not in excess of, fifty percent (50%) of the excess of such Sublease base rents over the rents payable under this Lease that are allocable to the Sublease (as determined by a just and proportional allocation), the costs and expenses incurred by Subtenant which Subtenant would have been able to recover from Tenant under the Sublease for Tenant construction obligations necessary for Subtenant to open for business and operate in the Subleased Premises. Any such offset will be applied proportionately in rental payments due under the Sublease until such offset amount is recovered by Subtenant in full. In that event, Subtenant shall attorn to Landlord and recognize Landlord as Subtenant's direct landlord under this Sublease. Subtenant shall execute and deliver, at any time and from time to time, upon the request of Landlord, any instrument necessary or appropriate to evidence

such attornment. The Lease provides Landlord with certain audit rights. Landlord shall have the right to request and each Subtenant under a direct Sublease with Tenant shall provide certified estoppel information in connection with any audit.”

10. The Lease provides that “All books, records, and other documents used by Tenant to calculate or substantiate the Participation Rent (the “Records”) will be maintained at the Premises in a fireproof safe, in a location provided by Tenant to Landlord by Notice from time to time, and in the manner recited in this Subsection. Tenant shall maintain all Records for the immediately preceding seven (7) calendar years or parts thereof during which any part of the Term falls at such location. The Records shall be open to inspection, examination, copying, and audit by Landlord or Landlord’s designated representative, in comfortable office surroundings, upon giving Tenant five (5) days’ prior notice of Landlord’s intention to exercise its rights under this Section. If upon inspection or examination of the Records, Landlord determines that (a) Tenant has failed to maintain, preserve, or retain the Records in the manner set forth in this Section, or (b) the Records are insufficient to enable Landlord to verify the accuracy of the Participation Rent paid by Tenant for any calendar year being audited, Landlord shall give Tenant sixty (60) days to cure the deficiencies. Tenant shall reimburse Landlord as Additional Rent for all reasonable expenses incurred by Landlord in determining the deficiencies, including any audit or examination fees incurred by Landlord. If Landlord does not give Tenant notice of its intention to exercise its rights under this Section within one (1) year after the end of a calendar year with respect to which any Participation Rent is payable, it shall have no right to do so unless a subsequent examination of a later calendar year reveals an underpayment of Participation Rent in that calendar year. All direct Subleases with Tenant shall provide that Landlord shall have the right to request and such Subtenant shall provide certified estoppel information in connection with any audit.”

11. Capitalized terms used herein and not defined herein shall have the meaning provided for in the Lease. The following terms used in the Lease have the following meanings:

"Leasehold Mortgagee" means a holder of a Leasehold Mortgage (and its successors and assigns), provided (a) it is not an Affiliate of Tenant, unless Landlord has given its prior written consent; and (b) Landlord has received Notice of its name and address (and that of any successors and assigns) and a copy of its Leasehold Mortgage.

GROUND LEASE NON-DISTURBANCE AGREEMENT

THIS AGREEMENT, made as of the _____ day of _____, 20____, by and between the CITY OF NORTH MIAMI, FLORIDA, a municipal corporation of the State of Florida, whose address is _____ ("Landlord") and _____, having its principal office at _____ ("Subtenant").

- A. Landlord is lessor under that certain lease (the "Ground Lease") with OLETA PARTNERS LLC, a Florida limited liability company ("Tenant"), as lessee, dated _____, 201____, which demises certain real property (the "Premises") located in North Miami, Florida. A Memorandum of Ground Lease regarding the Ground Lease was recorded in Book _____ at Page _____ of the Public Records of Miami-Dade County, Florida.
- B. Tenant subleased a part of its lessee's interest under the Ground Lease to _____ ("Subtenant") pursuant to that certain Sublease (the "Sublease") dated _____, 20____, which portion (the "Subleased Premises") is more particularly described on **Exhibit A** attached hereto and made a part hereof for an initial term of _____ years (commencing as provided in the Sublease), with _____ options to renew thereafter for _____ years each.

NOW, THEREFORE, it is agreed as follows:

1. For so long as Subtenant is not in default of any of its obligations under the Sublease beyond any applicable notice and cure periods as would permit Tenant to re-enter the Subleased Premises and/or terminate the Sublease, Landlord shall not disturb or deprive Subtenant in or of its possession or its rights to possession of the Subleased Premises or of any right or privilege granted to or inuring to the benefit of Subtenant under the Sublease, subject to the provisions of this Agreement, nor will Landlord bring any action against Subtenant to accomplish same.
2. If the Ground Lease terminates for any reason other than on its natural expiration date on _____ (or _____, if the renewal option contained in the Ground Lease is timely and properly exercised), and provided Subtenant attorns to Landlord, the Sublease shall continue in full force and effect, notwithstanding such termination of the Ground Lease, as a direct space lease between Landlord and Subtenant for the remainder of the term of the Sublease, without the necessity of executing a new space lease, and on the same terms and conditions as are in effect under the Sublease immediately preceding the termination of the Ground Lease; provided, however, that the Sublease contains substantially the following provision, and by executing its Sublease, each Subtenant shall be deemed to have agreed to these provisions, which reflect the definitions in this Lease:

All terms, covenants, and provisions of this Sublease and all rights, remedies, and options of Subtenant under this Sublease are and shall at all times remain fully subject and subordinate in all respects to the Lease. If the Lease and the Leasehold Estate terminate, then this Sublease shall remain in effect as a direct lease between Landlord and Subtenant; provided, however,

that Landlord shall not be: (i) liable for any act or omission of a prior landlord (including Tenant); or (ii) subject to any offsets, defenses or deficiencies that Subtenant might have against any prior landlord (including Tenant); or (iii) liable to Tenant for any deposit, rental security or any other sums deposited with the original or any prior landlord under the Lease and not delivered to Landlord; or (iv) bound by any rent or additional rent which Subtenant might have paid in advance to any prior landlord (including Tenant) for a period in excess of one month; or (v) bound by any amendment, modification, assignment or termination of a direct Sublease from Tenant made without the written consent of Landlord if at the time of the execution thereof a Event of Default, as defined in the Ground Lease (and the recorded Memorandum thereof), existed; or (vi) obligated or liable with respect to any representations, warranties or indemnities contained in the Sublease, including without limitation relating to work performed by any prior landlord under the Sublease; or (vii) liable to Subtenant or any other party for any conflict between the provisions of the Sublease and the provisions of any other lease affecting the Premises which is not entered into by Landlord; or (viii) obligated to construct any improvements to be constructed by Tenant under the Sublease including without limitation tenant improvements; or (ix) be obligated for the restoration of the Premises, Subleased Premises, or any other improvements on or benefiting the Subleased Premises in the event of any casualty or taking of any part of the Subleased Premises under power of eminent domain beyond any insurance or condemnation proceeds received in connection with such casualty or taking, provided however that Subtenant may offset from base rent payments currently due under the Sublease up to, but not in excess of, fifty percent (50%) of the excess of such Sublease base rents over the rents payable under this Lease that are allocable to the Sublease (as determined by a just and proportional allocation), the costs and expenses incurred by Subtenant which Subtenant would have been able to recover from Tenant under the Sublease for Tenant construction obligations necessary for Subtenant to open for business and operate in the Subleased Premises. Any such offset will be applied proportionately in rental payments due under the Sublease until such offset amount is recovered by Subtenant in full. In that event, Subtenant shall attorn to Landlord and recognize Landlord as Subtenant's direct landlord under this Sublease. Subtenant shall execute and deliver, at any time and from time to time, upon the request of Landlord, any instrument necessary or appropriate to evidence such attornment. The Lease provides Landlord with certain audit rights. Landlord shall have the right to request and each Subtenant under a direct Sublease with Tenant shall provide certified estoppel information in connection with any audit."

3. If Subtenant meets the requirements to self-insure under the Ground Lease, Subtenant may do so only in accordance with those requirements. Any self insured exposure shall be deemed to be an insured risk to the extent of the insurance required to be maintained under the Sublease, and Landlord and any Fee Mortgagee shall be afforded the benefits of self insurance to the same extent that they would be afforded the benefits of insurance, including costs of defense. Any self insured Person shall be deemed to waive and hereby waives all rights to recover against Landlord or any Fee Mortgagee or any of their officers, employees, agents and representatives, for any damage arising from any cause covered by any insurance required to be carried by Subtenant, or self insured by Subtenant as permitted in the Ground Lease, or any insurance actually carried by Subtenant.
4. Any notices, consents, approvals, submissions, demands or other communications (hereinafter collectively referred to as "Notice") given under this Agreement shall be in writing. Unless otherwise required by law or governmental regulation, Notices shall be deemed given if sent by

registered or certified mail, return receipt requested, postage prepaid (a) to Landlord, at the address of Landlord as hereinabove set forth or such other address as Landlord may designate by Notice to the other parties hereto, (b) to Subtenant, then in duplicate under separate cover, one copy to _____ and one copy to _____ or such other addresses or persons as Subtenant may designate by Notice to the other parties hereto. Delivery by nationally recognized overnight courier service or by hand delivery, with all charges prepaid, may be substituted for registered or certified mail. All Notices shall be deemed served or given on the date received (as evidenced by the return receipt or courier's receipt for delivery) or the date delivery was refused or unavailable due to an unnoticed change of address.

5. No modification, amendment, waiver or release of any provision of this Agreement or of any right, obligation, claim or cause of action arising hereunder shall be valid or binding for any purpose whatsoever unless in writing and duly executed by the party against whom the same is sought to be asserted. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors, assigns and subleases.
6. No inference in favor of or against any party shall be drawn from the fact that such party has drafted any part of this Agreement. The parties have both participated substantially in its negotiation, drafting, and revision, with advice from counsel and other advisers. A term defined in the singular may be used in the plural, and vice versa, all in accordance with ordinary principles of English grammar, which also govern all other language in this Lease. The words "include" and "including" shall be construed to be followed by the words: "without limitation."
7. This Agreement shall be governed by the internal law (and not the law of conflicts) of the State of Florida. The parties hereto agree that any suit brought to enforce this Agreement shall be brought in Miami-Dade County, Florida, in the courts of the State of Florida or in the United States District Court for the Southern District of Florida, and, by execution and delivery of this Agreement, each of the parties to this Agreement hereby irrevocably accepts and waives all objection to, the exclusive jurisdiction of the aforesaid courts in connection with any suit brought to enforce this Agreement.
