

PUBLIC NOTICE

BUSINESS TAX RECEIPTS REFUNDS FOR OVERPAYMENT

The City of North Miami will provide a partial refund to anyone operating more than one business, occupation or profession at one single location and who can show proof of overpayment of the Business Tax Receipt to the City. See the excerpt from our City Code below to verify if you qualify for such refund.

Chapter 11, Article II, Section 11-25 of the City of North Miami (“City”) Code of Ordinances, provides the following:

Section 11-25. - Multiple local business tax receipts.

In the event any person engaged in a business, occupation or profession at one (1) location or place of business is required under the terms of this article to have more than one (1) business tax receipt and to pay more than one (1) local business tax, the taxpayer shall pay in full the highest local business tax required. They shall, in addition, pay one-half (½) of all other local business taxes required.

The City of North Miami wishes to ensure that all persons operating a business, occupation or profession within the City limits, and who are entitled to a refund in accordance with Section 11-25, have the opportunity of requesting and obtaining such refund.

**All claims for a refund must be filed with the:
North Miami Office of the City Clerk
