the City of North Miami (City), a Florida municipal corporation, having its principal office at 776 N.E. 125th Street, North Miami, Florida 33161; and Conwell & Associates Consulting Company (Contractor), having its principal business address at 11771 S.W. 137 Place, Miami, Florida, 33186

WITNESSETH:

WHEREAS, the City has established the “Single-Family Beautification Program” (Program) to provide assistance to eligible homeowners within District 4 for the purpose of providing financial assistance to income eligible residents of North Miami District 4 who are in need of repairs and beautification of their property (Project); and

WHEREAS, the City utilizes approved funding from the North Miami General Fund (City Funds) in administering the Program; and

WHEREAS, the Owner, legal owner of the property described above, has agreed to the Project in accordance with Program specifications; and

WHEREAS, this Agreement is entered into after compliance by the parties with all applicable provisions of Federal, State, and local laws, statutes, rules and regulations.

NOW THEREFORE, in consideration of the mutual promises and the money which the City will pay, which consideration is acknowledged by the parties, the parties agree as follows:

1. City’s Capital Improvements Funds in the amount of \$100,000.00 are being utilized for the purpose of beautifying the subject property located in District 4.
2. The following documents are incorporated hereto and are made part of this Agreement collectively referred to as the “Contract Documents”:
 - The **IFB#37-06-15** is incorporated herein by reference;
 - The Specifications & Proposal related to the Project, attached as composite Exhibit “A”, amended from time to time, represent the scope of services and responsibilities of the parties under the Program and that the parties agree to abide by and comply with their roles and responsibilities;
 - Program Guidelines and Contractor Payment Schedule, attached as Exhibit “B.”

3. The City has the sole responsibility and obligation of interpreting the intent and purpose of the Program and Contract Documents.
4. The Project shall be performed in accordance with the applicable codes, ordinances and statutes of the State of Florida, the City and Metropolitan Dade County.
5. The Owner(s) agree to maintain the property in good condition after the Project is completed. If the property is located in a Federal Emergency Management Act 100 year flood plain zone, the Owner must have an active flood insurance policy.
6. The City, Contractor and Owner(s) acknowledge and agree that funds provided derive from the City's General Fund for the uses and purposes referred to in this Agreement.
7. The Owner(s) acknowledges that they presently occupy the property as their primary residence, and agrees to continually occupy the property as their primary residence.
8. Owner is required to provide proof of required insurance coverage and policy endorsements. If insurance coverage is not in compliance, Owner may achieve compliance by obtaining the required coverage. Failure of Owner to obtain and provide the City with proof of insurance within one (1) year from the date of execution of the contract will be an act of default.
9. The City may, periodically, inspect the property for the purpose of assuring compliance with this Agreement.
10. Owner shall not release or amend this Agreement without the prior written consent of the City.
11. Payment to the Contractor for the Project shall be made as described in composite Exhibit "B". After payment is made to the Contractor by the City, the City shall be automatically discharged from any and all obligations, liabilities and commitments to Owner(s), Contractor or any third person or entity.
12. The City desires to enter into this Agreement only if by so doing the City can place a limit on its liability for any cause of action arising out of this Agreement, so that its liability never exceeds its monetary commitment of \$ 8,850.32 . Owner(s) and Contractor express their willingness to enter into this Agreement with recovery from the City for any action arising out of this Agreement to be limited to the total amount of its monetary commitment of \$ 8,850.32 , less the amount of all funds actually paid by the City pursuant to this Agreement. Nothing contained in this paragraph or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed on the City's liability as set forth in Section 768.28, Florida Statutes.
1. Owner(s) and Contractor shall hold harmless, indemnify and defend the City, its officers and employees from any and all obligations, liabilities, actions, claims, causes of action, suits or demands arising or accruing by virtue of this Agreement.
13. Owner(s) and Contractor shall not assign any interest in this Agreement.

14. In the event of a default, the City may mail to Owner(s) or Contractor a notice of default. If the default is not fully and satisfactorily cured within thirty (30) days of the City's mailing notice of default, the City may cancel and terminate this Agreement without liability to any other party to this Agreement. In addition, the City shall set the amount of compensation to be paid to the Contractor for the work completed up until the time of termination, including replacement of all work areas to a suitable condition.
15. In the event of a default, the City shall additionally be entitled to bring any and all legal and/or equitable actions in Miami Dade County, Florida, in order to enforce the City's right and remedies against the defaulting party. The City shall be entitled to recover all costs of such actions including a reasonable attorney's fee, at trial and appellate levels, to the extent allowed by law.
16. A default shall include but not be limited to the following acts or events of an Owner(s), Contractor, or their agents, servants, employees, or subcontractors:
