(a) The director of the purchasing department may purchase supplies and services not exceeding \$5,000.00 with the use of informal quotations. The formal competitive procurement process enumerated in sections 7-137 and 7-138 shall not be required for such purchases. The method used in selecting the source of supplies or services under this section, shall be made by the director of the purchasing department in writing.

(b) Purchases exceeding \$5,000.00 up to \$50,000.00 shall require at least three (3) written informal quotations from qualified suppliers or service providers. The formal competitive procurement process enumerated in sections 7-137 and 7-138 shall not apply to purchases. The director of the purchasing department shall negotiate, as appropriate, the price, delivery and terms of the purchase. The director of the purchasing department shall also strive to obtain adequate and reasonable competition for such procurement insofar as it is practicable and shall require the maintenance of adequate written records to document the purchasing decision. Such records shall be open to public inspections. The provisions of this section shall not apply to architectural, engineering, landscape architectural, or surveying and mapping services defined in Sec. 287.055, F.S., Consultants' Competitive Negotiation Act.

(c) Procurement requirements shall not be artificially divided so as to permit use of informal procurement procedures prescribed in this section instead of the methods otherwise applicable.

**Sec. 7-143. Sole source procurement.**

(a) *Conditions for use.* A contract may be awarded without competitive bids or proposals when the director of the purchasing department, after conducting a good faith review of available sources, determines in writing that there is only one reasonable source of supply and the contract by its very nature, is not suitable to competitive bids or proposals. Sole source awards may be made as an exception to the other procurement methods prescribed in this code, under the following circumstances:

- (1) Where the compatibility of equipment, accessories, or replacement parts permits one reasonable source of supply;
- (2) Where the supplies or services available from a single source are needed for trial use or testing; and

(3) Where the unique and specialized expertise of one source of supplies or services is unlikely to be obtained from any other source.

(b) Negotiations. The director of the purchasing department shall conduct negotiations, as appropriate, as to price, delivery and terms.

(c) Approval and award. Any sole source contract in excess of \$50,000.00 shall be approved by the city council, upon recommendation of the city manager.

**Sec. 7-144. Emergency procurement.**

Notwithstanding any other provision of this code, the city manager, the director of the purchasing department, or other city official as designated by regulation, may make or authorize others to make emergency procurements when there exists an immediate threat to public health, welfare, or safety or to prevent or minimize serious disruption of government services, provided that such emergency procurements shall be made with such competition as is practicable under the circumstances. A written determination of the basis for the emergency and for the selection of the particular supplier or contractor shall be included in the contract file. Any emergency procurement in excess of \$100,000.00 for supplies and services shall be referred to the city council for ratification.

**Sec. 7-145. Disposal of surplus property.**

The director of the purchasing department shall be responsible for the sale or disposition of surplus property by a method or methods deemed by the director of the purchasing department to be the most advantageous to the city. All surplus items with an estimated fair market value of \$25,000.00 or more must be declared surplus by a resolution of the city council before the director of the purchasing department may dispose of said surplus property.

**Sec. 7-146. Purchase requests.**

Except as otherwise authorized in this code, all purchases shall be made by submission of a purchase request to the purchasing department. Prior to submission to the purchasing department, all purchase requests shall be approved by the department head making the request or by an individual authorized by the department head.

**Sec. 7-147. Commencement of work.**

Unless otherwise authorized by the director of the purchasing department, no work shall be commenced, nor any supplies delivered, under any city contract until all conditions precedent as specified in the contract documents have been met, including, but not limited to:

(1) The contract has been duly executed by the city; and

- (2) The contractor has furnished, where required, certificates of insurance, performance bonds and payment bonds.

**Sec. 7-148. Contract administration.**

The director of the purchasing department shall establish and maintain a contract administration system designed to ensure that a contractor is performing in accordance with the solicitation documents under which the contract was awarded, and the terms and conditions of the contract.

**Sec. 7-149. Right to conduct inspections and audits.**

(a) Inspections. The city may, at reasonable times, inspect the part of the plant, facility, or place of business, or worksite of a contractor or any subcontractor that is pertinent to the performance of any contract awarded or to be awarded by the city.

(b) Contract audit. The city may, at reasonable times and places, audit the books and records of any person doing business with the city to the extent that such books and records relate to the performance of any contract awarded or to be awarded by the city. Any person receiving a city contract, change order, or contract modification, shall maintain such books and records for a period of three years from the date of final payment by the city, unless a shorter period is authorized in writing by the city manager.

**Sec. 7-150. Maximum practicable competition.**

All specifications shall seek to promote overall economy for the purposes intended and encourage competition in satisfying the city's needs, and shall not be unduly restrictive. The director of the purchasing department shall review specifications written by user departments to assure that the specifications allow for open and free competition.

**Sec. 7-151. Procedure to provide preference to local business in city contracts.**

(a) Definitions. The following words, terms and phrases, when used in this section, shall have the following meanings, except where the context clearly indicates a different meaning:

Business location means a permanent office or other site where the local business conducts, engages in, or carries on all or a portion of its business. A post office box or a location at a postal service center shall not constitute a business location.

Local business means the offeror, supplier, or contractor has a business located in the City of North Miami with a current city business tax receipt issued prior to the city's issuance of the solicitation for supplies or services.

(b) Preference to local business. Except where federal or state law mandates to the contrary, in the purchase of supplies or services in which objective factors used to evaluate the submittals

received from offerors are assigned point totals, a preference of ten percent (10%) of the total evaluation points, or ten percent (10%) of the total price, shall be given to a local business.

(c) *Comparison of qualifications.* The preferences established in no way prohibit the right of the city to compare quality of supplies or services proposed for purchase and to compare qualifications, character, responsibility and fitness of all persons, firms or corporations submitting bids or proposals. Further, the preferences established in no way prohibit the right of the city from giving any other preference permitted by law instead of the preferences granted, nor prohibit the city to select the bid or proposal which is the most responsible and in the best interests of the city.

**Secs. 7-152–7-157. Reserved.**

**DIVISION 4. DISPUTE RESOLUTION AND REMEDIES; DEBARMENT**

**Sec. 7-158. Resolution of protested solicitations and awards.**

(a) *Remedies prior to an award.* If prior to contract award, it is determined that a solicitation or proposed award is in violation of law, then the solicitation or proposed award shall be cancelled or revised to comply with the law.

(b) *Right to protest formal solicitations.* The following procedures shall be used for resolution of protested formal solicitations and awards:

- (1) *Protest of solicitations.* Any prospective bidder or offeror who perceives itself aggrieved in connection with the solicitation of a contract may file a written protest with the city clerk within five (5) business days prior to the date set for opening of bids or receipt of proposals. A written protest is considered filed when received by the city clerk.
- (2) *Protest of award.* Any actual bidder or offeror who perceives itself aggrieved in connection with the recommended award of a contract may file a written protest with the city clerk within five (5) business days after receipt by the bidder or offeror of the city's notice of recommendation for award of contract. A written protest is considered filed when received by the city clerk.
- (3) *Protest requirements.* The written protest shall state with particularity the specific facts and law upon which the protest of the solicitation or award is based, and shall include all pertinent documents and evidence and shall be accompanied by the required filing fee as provided below. This shall form the basis for review of the written protest and no facts, grounds, documentation or evidence not contained in the protester's submission to the city clerk at the time of filing the protest shall be permitted in the consideration of the written protest.

(4) Authority to resolve protests. The director of the purchasing department shall have the authority, subject to the approval of the city manager and the city attorney, to settle and resolve any written protest. The director of the purchasing department shall obtain the requisite approvals and communicate said decision in writing to the protesting party within thirty (30) days after receipt of the protest. If the protest cannot be resolved, the city manager may then reject all bids or proposals. Any aggrieved person may appeal the decision of the city manager to award a bid or solicitation within five (5) days of issuance of a written decision, pursuant to subsection (d) of this section.

(5) Stay of procurements during protests. Upon receipt of a written protest filed pursuant to the requirements of this section, the city shall not proceed further with the solicitation or with the award of the contract until the protest is resolved by the city as provided in subsection (4), unless the city manager, after consultation with the head of the using department and city attorney, makes a written determination that the solicitation process or the contract award must be continued without delay in order to protect substantial interests of the city or to avoid immediate danger to the public health, safety or welfare.

(6) Filing fee. The written protest to the city clerk must be accompanied by a filing fee in the form of a money order or cashier's check, payable to the city, in an amount equal to one percent (1%) of the amount of the bid or proposed contract, or \$1,000.00, whichever is less. The filing fee shall guarantee the payment of all costs which may be adjudged against the protestor in any administrative or court proceeding. If the protest is denied, the filing fee shall be forfeited to the city in lieu of payment of costs for the administrative proceedings. If the protest is upheld by the city, the filing fee shall be refunded to the protestor.

(7) Entitlement to costs. When a protest is sustained and the protesting bidder or offeror should have been awarded the contract under the solicitation but is not, then the protesting bidder or offeror shall be entitled to the reasonable costs incurred in connection with the solicitation, including bid preparation costs other than attorney's fees.

(c) Compliance with filing requirements. Failure of a party to file the protest or submit the filing fee on a timely basis shall constitute a forfeiture of such party's right to file a protest pursuant to this section. The protesting party shall not be entitled to seek judicial relief without first having followed the procedures set forth in this section.

(d) Right to appeal. Any aggrieved person may appeal the decision of the city manager to award a bid or solicitation. Such appeal must be filed in writing with the city clerk and mailed by the protesting party to all participants in the competitive procurement process within seven (7) days of the city manager's recommendation for an award. The appeal shall be in writing, shall state the particular grounds on which it is based, and shall include all pertinent documents and evidence. Any grounds not stated in the appeal shall be deemed waived.

- (1) Appeals shall be referred by the city clerk to the city attorney, who shall select a hearing officer to hold a hearing and submit written findings and a decision within twenty (20) business days of the filing of the appeal, unless otherwise extended by the parties in writing. The hearing officer shall consider the written appeal, supporting documents and evidence, the city's recommendation and supporting documentation, and all evidence presented at the hearing. Such findings and recommendations shall also be filed with the city clerk.
- (2) Hearing officers may be retired judges or licensed practitioners of law, as selected by the city attorney.
- (3) All hearings before the hearing officer shall be open to the public and all testimony shall be under oath.
- (4) The proceedings at the hearing shall be recorded and may be transcribed at the expense of the party requesting transcripts.
- (5) Each appeal before a hearing officer shall be presented by the city attorney or city attorney's designee.
- (6) The hearing is not bound by the formal rules of evidence, but fundamental due process shall be observed and govern the proceedings. Any relevant evidence shall be admitted if the hearing officer finds it competent and reliable, regardless of any common law or statutory rule to the contrary.
- (7) Each party shall have the right to call and examine witnesses, to introduce exhibits, to cross examine opposing witnesses on any matter relevant to the issues, to impeach any witness and to rebut the evidence against the witness. The hearing officer's findings and decision shall be final. The protestor or the city may appeal the decision of a hearing officer by filing a petition for certiorari with the circuit court, appellate division. Such appeal shall be filed within thirty (30) days of the date of issuance of the hearing officer's decision.

#### **Sec. 7-159. Resolution of contract disputes.**

(a) Authority to resolve contract disputes. All claims by a contractor against the city relating to a contract shall be submitted in writing to the city manager. The city manager, after obtaining approval by the city attorney, shall have the authority to resolve disputes or controversies arising under a contract. Such authority extends, without limitation, to controversies based upon breach of contract, mistake, misrepresentation, lack of complete performance, or other cause for contract modification or rescission. When the amount equals or exceeds \$100,000.00, the dispute resolution must be approved by the city council upon recommendation by the city manager.

(b) Contract dispute decisions. If a dispute is not resolved by mutual consent, the city manager shall promptly render a written report stating the reasons for the action taken by the city council or the city manager, which shall be final and conclusive. A copy of the decision shall be immediately provided to the protesting party, along with a notice of such party's right to seek judicial relief, provided that the protesting party shall not be entitled to such judicial relief without first having followed the procedure set forth in this section.

(c) Remedies prior to award. If prior to a contract award it is determined that a solicitation or proposed award is in violation of law, the solicitation or proposed award shall be cancelled by the city council, the city manager or the director of the purchasing department, as may be applicable, or revised to comply with the law.

### **Sec. 7-160. Authority to debar or suspend.**

After reasonable notice to an actual or prospective contractor, and after reasonable opportunity for said person to be heard, the director of the purchasing department, after consultation with the city attorney, shall have authority to debar or suspend an actual or prospective contractor for cause from consideration for award of contracts. The debarment shall be for a period of not more than three years. The director of the purchasing department, after consultation with the city attorney, shall also have the authority to suspend an actual or prospective contractor from consideration for award of city contracts if there is probable cause for debarment, pending the debarment determination. The suspension shall be for a period not to exceed three months.

(b) Causes for debarment or suspension. Causes for debarment or suspension include the following:

- (3) Conviction under state or federal antitrust statutes arising out of the submission of bids or proposals.
- (4) Violation of contract provisions, as set forth below, of a character which is regarded by the director of the purchasing department to be indicative of non-responsibility as to justify debarment:
  - a. Deliberate failure without good cause to perform in accordance with the specifications, terms and conditions or within the time limit provided in the contract; or

- b. A recent record of failure to perform, or of unsatisfactory performance, in accordance with the terms of one or more contracts, provided that failure to perform or unsatisfactory performance caused by acts beyond the control of the contractor, shall not be considered to be a basis for debarment.
- (5) Repudiation of an offer by failure to provide payment bond, performance bond, insurance certificates, or other required documentation within a reasonable time period.
- (6) Refusal to accept a purchase order, agreement, or contract, or to perform thereon provided such order was issued timely and in conformance with the offer received.
- (7) Presence of principals or corporate officers in the subject business, who were principals within another business at the time when the other business was suspended or debarred within the last three years under the provisions of this section.
- (8) Violation of the ethical standards set forth in state law.

(c) *Decision to debar or suspend.* Subject to the provisions of subsection (a), the director of the purchasing department shall render a written decision stating the reasons for the debarment or suspension. #### DIVISION 5. COOPERATIVE PURCHASING

**Sec. 7-167. Use of other governmental agencies' contracts ("piggyback contracts").**

Notwithstanding all other provisions of this code, the city manager, in lieu of the competitive bidding procedures, may approve any purchase for supplies or services from current contracts of other governmental agencies, which contracts have resulted from a formal competitive bid process, awarded to the lowest, responsive and responsible bidder meeting specifications, or from current Governmental Services Administration contracts or State of Florida Agreements. Any such purchase which exceeds \$100,000.00 shall be presented to the city council for approval.

**Sec. 7-168. Contracts with other governmental agencies or state funded public institutions.**

Notwithstanding all other provisions of this code, the city shall be exempt from all competitive bidding procedures when it enters into an agreement with other governmental agencies or state funded institutions for the procurement of supplies and services; provided, however, that such contracts are awarded pursuant to section 7-129.

The amount of the bid bond shall be five percent (5%) of the total bid or proposal amount. The bid bond shall be provided by a surety company authorized to do business in this state, or otherwise, in a substitute form as allowed by this code.

(b) *Rejection of solicitations for noncompliance with bid bond requirements.* When the solicitation requires a bid bond, noncompliance requires that the bid or proposal be rejected.

**Sec. 7-177. Performance and payment bonds.**

(a) *Bonds required when necessary.* Performance and payment bonds or their equivalent shall be required at the discretion of the director of the purchasing department. The requirement for performance and/or payment bonds shall be stated in the solicitation documents.

(b) Bond must be delivered prior to issuing contract or purchase order. If required, a performance and/or payment bond satisfactory to the city, executed by a surety company authorized to do business in this state or otherwise secured in a manner satisfactory to the city shall be presented to the director of the purchasing department prior to issuance of a contract or purchase order.

(c) Substitutes for bonds acceptable. In lieu of a bid bond, performance bond or payment bond, the city may accept cash, money order, certified check, cashier's check, or irrevocable letter of credit. Such alternate form of security shall be for the same purpose and shall be subject to the same conditions as a bid, performance or payment bond.

(d) Reduction of bond amount. The director of the purchasing department may reduce the amount of performance and payment bonds required on a specific contract. Disclosure of the possible reduction shall be present in the solicitation or through the issuance of an addendum.

(e) Authority to require additional bonds or security. Nothing in this section shall be construed to limit the authority of the director of the purchasing department to require a performance bond or other forms of security to assure timely, faithful, and uninterrupted performance, including, but not limited to, operations period surety bonds, letters of credit, and written guarantees from the contractor.

#### **Sec. 7-178. Insurance requirements.**

**Secs. 7-186–7-191. Reserved.**

DIVISION 8. CONE OF SILENCE

**Sec. 7-192. Cone of Silence.**

(a) Purpose and intent. The requirements of section 2-11.1(t), Cone of Silence Ordinances of the Code of Miami-Dade County, Florida, as amended, shall be applicable to the city. It is the intent of this code to prevent potential bidders, offerors or service providers from communicating with city department heads, their staff or selection and evaluation committee members during the period of time in which the cone of silence is imposed.

(b) Cone of silence is defined to mean a prohibition on:

(1) Any communication regarding a particular RFP, RFQ or IFB between a potential offeror, service provider, bidder, lobbyist, or consultant and the city’s professional staff including, but not limited to, the city manager and his or her staff;

(2) Any communication regarding a particular RFP, RFQ or IFB between the mayor, city council or their respective staffs and any member of the city’s professional staff including, but not limited to, the city manager and his or her staff;

- (3) Any communication regarding a particular RFP, RFQ or IFB between a potential offeror, service provider, bidder, lobbyist, or consultant and any member of the selection committee or evaluation committee;
- (4) Any communication regarding a particular RFP, RFQ or IFB between the mayor, city council or their respective staffs and any member of the selection committee or evaluation committee; and
- (5) Any communication regarding a particular RFP, RFQ or IFB between a potential offeror, service provider, bidder, lobbyist, or consultant and the mayor, County Council and their respective staffs.

(c) The city manager and the chairperson of the selection committee may communicate about a particular selection committee recommendation, but only after the committee has submitted an award recommendation to the city manager and provided that should any change occur in the committee recommendation, the content of the communication and of the corresponding change shall be described in writing and filed by the city manager.

(d) Notwithstanding the foregoing, the cone of silence shall not apply to:

- (6) Communications regarding a particular proposal, quotation or bid between the director of the purchasing department or designee and a member of the selection committee or evaluation committee provided the communication is limited strictly to matters of process or procedure already contained in the corresponding solicitation document.

### **Sec. 7-193. Procedure.**

(a) A cone of silence shall be imposed upon each RFP, RFQ and IFB after the advertisement of said RFP, RFQ or IFB. At the time of imposition of the cone of silence, the director of the purchasing department or designee shall provide for public notice of the cone of silence. The director of the purchasing department shall issue a written notice thereof to the affected departments, file a copy of such notice with the city clerk, with a copy thereof to each city council member, and shall include in any public solicitation for supplies or services a statement disclosing the requirements of this ordinance. Notwithstanding any other provision of this section, the imposition of a cone of silence on a particular RFP, RFQ or IFB shall not preclude procurement staff from obtaining industry comment or performing market research provided all communications related thereto with a potential offeror, service provider, bidder, lobbyist, or consultant are in writing or are made at a duly noticed public meeting.

(b) The cone of silence shall terminate at the time the city manager makes his or her written recommendation of award; provided, however, that if the city manager refers the recommendation back to the director of the purchasing department for further review, the cone of silence shall be re-imposed until such time as the city manager makes a subsequent written recommendation of award. If the city manager rejects all bids or proposals submitted in response to an RFP or IFB and concurrently requests the re-issuance of an RFP or IFB, the rejected bids or proposals shall remain under the cone of silence until such time the city manager issues a written recommendation of award or until the city manager withdraws the re-issued RFP or IFB.

(c) *Exceptions.* The provisions of this code shall not apply to oral communications at pre-bid conferences, oral presentations before selection committees or evaluation committees, contract negotiations during any duly noticed public meeting, public presentations made to the city council during any duly noticed public meeting or communications in writing at any time with any city employee, official or member of the city council unless specifically prohibited by the applicable RFP, RFQ or IFB documents. **Secs. 7-194–7-199. Reserved.**

**DIVISION 9. PREFERENCE TO CONTRACTORS PROVIDING EQUAL BENEFITS TO DOMESTIC PARTNERS**

**Sec. 7-200. Requirement for city contractors to provide equal benefits for domestic partners.**

(a) *Definitions.* For purposes of this section only, the following definitions shall apply:

- (1) *Benefits* means the following plan, program or policy provided or offered by a contractor to its employees as part of the employer's total compensation package: sick leave, bereavement leave, family medical leave, and health benefits.

- (2) Bid shall mean a competitive bid procedure established by the city through the issuance of an invitation to bid, request for proposals, and request for qualifications.
- (3) Cash equivalent means the amount of money paid to an employee with a domestic partner (or spouse, if applicable) in lieu of providing benefits to the employee's domestic partner (or spouse, if applicable). The cash equivalent is equal to the employer's direct expense of providing benefits to an employee for his or her spouse.

Cash equivalent. The cash equivalent of the following benefits apply:

- a. For bereavement leave, cash payment for the number of days that would be allowed as paid time off for the death of a spouse. Cash payment would be in the form of the wages of the domestic partner employee for the number of days allowed.
- b. For health benefits, the cost to the contractor of the contractor's share of the single monthly premiums that are being paid for the domestic partner employee, to be paid on a regular basis while the domestic partner employee maintains such insurance in force for himself or herself.
- c. For family medical leave, cash payment for the number of days that would be allowed as time off for an employee to care for a spouse who has a serious health condition. Cash payment would be in the form of the wages of the domestic partner employee for the number of days allowed.
- (4) Contract means any written agreement, purchase order, standing order or instrument entered into pursuant to the award of a bid whereby the city is committed to expend or does expend funds in return for work, labor, professional services, consulting services, supplies, equipment, materials, construction, construction related services or any combination of the foregoing.
- (5) Contractor means any person or persons, sole proprietorship, partnership, joint venture, corporation, or other form of doing business, that is awarded a bid and enters into a covered contract with the city, and which maintains 40 or more full-time employees on the payroll during 20 or more calendar work weeks in either the current or the preceding calendar year. Work weeks include consecutive and nonconsecutive work weeks.
- (6) Covered contract means a contract between the city and a contractor awarded subsequent to the date when this section becomes effective valued at over \$75,000.
- (7) Domestic partner shall mean any two adults of the same or different sex, who have registered as domestic partners with a governmental body pursuant to state or local law authorizing such registration, or with an internal registry maintained by the

employer of at least one of the domestic partners. A contractor may institute an internal registry to allow for the provision of equal benefits to employees with domestic partner who do not register their partnerships pursuant to a governmental body authorizing such registration, or who are located in a jurisdiction where no such governmental domestic partnership registry exists. A contractor that institutes such registry shall not impose criteria for registration that are more stringent than those required for domestic partnership registration by the City of North Miami.

(8) Equal benefits mean the equality of benefits between employees with spouses and employees with domestic partners, and/or between spouses of employees and domestic partners of employees.

(b) Equal benefits requirements.

(1) All bids for covered contracts which are issued on or after the effective date of this section shall include the requirement to provide equal benefits in the procurement specifications for such bids.

(2) The city shall not enter into any covered contract unless the contractor certifies that such contractor does not discriminate in the provision of benefits between employees with domestic partners and employees with spouses and/or between the domestic partners and spouses of such employees.

(3) Such certification shall be in writing and shall be signed by an authorized officer of the contractor and delivered, along with a description of the contractor's employee benefits plan, to the city's procurement director prior to entering into such covered contract.

(4) The city manager or his/her designee shall reject a contractor's certification of compliance if he/she determines that such contractor discriminates in the provision of benefits or if the city manager or designee determines that the certification was created, or is being used for the purpose of evading the requirements of this section.

(5) The contractor shall provide the city and/or the city manager or his/her designee, access to its records for the purpose of audits and/or investigations to ascertain compliance with the provisions of this section, and upon request shall provide evidence that the contractor is in compliance with the provisions of this section upon each new bid, contract renewal, or when the city manager has received a complaint or has reason to believe the contractor may not be in compliance with the provisions of this section. This shall include but not be limited to providing the city and/or the city manager or his/her designee with certified copies of all of the contractor's records pertaining to its benefits policies and its employment policies and practices.

(6) The contractor must post a copy of the following statement in conspicuous places at its place of business available to employees and applicants for employment:

"During the performance of a Contract with the City of North Miami, Florida, the contractor will provide Equal Benefits to its employees with spouses and its employees with domestic partners."

The posted statement must also include a city contact telephone number which will be provided each contractor when the covered contract is executed.

(7) The contractor may not set up or use its contracting entity for the purpose of evading the requirements imposed by this section.

(c) Other options for compliance. Provided that the contractor does not discriminate in the provision of benefits, a contractor may also comply with this section in the following ways:

(1) The contractor may provide an employee with the cash equivalent of such benefit or benefits, if the city manager or his/her designee determines that either:

a. The contractor has made a reasonable yet unsuccessful effort to provide equal benefits. The contractor shall provide the city manager or his/her designee with sufficient proof of such inability to provide such benefit or benefits which shall include the measures taken to provide such benefits or benefits and the cash equivalent proposed, along with its certificate of compliance, as is required under subsection (b) of this section. The city manager or his designee shall, based on submitted evidence, determine whether the contractor's failure to provide such benefit or benefits precludes such contractor from entering into a covered contract pursuant to the requirements of this section; or

b. Under the circumstances, it would be unreasonable to require the contractor to provide benefits to the domestic partner (or spouse, if applicable).

(2) The contractor provides benefits neither to employees' spouses nor to employees' domestic partners.

- (1) During the performance of the covered contract, the contractor certifies and represents that it will comply with this section.
- (2) The failure of the contractor to comply with this section will be deemed to be a material breach of the covered contract.
- (3) If the contractor fails to comply with this section, the city may terminate the covered contract and all monies due or to become due under the covered contract may be retained by the city. The city may also pursue any and all other remedies at law or in equity for any breach.
- (4) If the city manager or his designee determines that a contractor has set up or used its contracting entity for the purpose of evading the requirements of this section, the city may terminate the covered contract.

- (3) Upon the request and written recommendation of the city manager, the city council may, by resolution adopted by a four-fifths vote of the city council, waive compliance of this section under the following circumstances:
- a. The covered contract is necessary to respond to an emergency, where the existence of an emergency is requested, upon written recommendation of the city manager, and same is determined by the city council. For purposes of waiver under this subsection only, in determining whether there is an emergency, the city council may consider the following nonexclusive factors:

1. The nature of the covered contract;
  2. The length of the covered contract;
  3. The cost of the covered contract;
  4. Whether grants are involved in the covered contract and the requirements of those grants;

- d. Where more than one bid response is received and bid responses are received from:
1. One or more bidders that comply with the requirements of this section and are otherwise responsive; and
  2. One or more bidders that do not or cannot comply with the requirements of this section, but would otherwise have been responsive if compliance with this section would not have been listed as a requirement in the bid specifications; and

3. The procurement director's review of the bids demonstrates that the cost of the bid (and/or the proposed covered contract which may be negotiated for such bid), as submitted by the lowest responsive bidder which complies with the requirements of this section (or, in the case of a proposal, the proposal of the top-ranked proposer), would be at least five percent, or \$250,000 (whichever is less), greater than the lowest responsive bid submitted by the bidder which does not comply with the requirements of this section but would otherwise have been responsive if compliance with this section would not have been listed as a requirement in the bid specifications (or, in the case of a proposal, where the top-ranked proposer which does not comply with the requirements of this section, but would otherwise have been responsive if compliance with this section would not have been listed as a requirement in the bid specifications); then, upon request and written recommendation of the city manager, the city council may, by resolution adopted by a four-fifths vote of the city council, waive compliance of this section, and award the bid to the lowest bidder (or, if a proposal, to the top ranked proposer) which does not comply with the requirements of this section but would otherwise have been responsive if compliance with this section would not have been listed as a requirement in the bid specifications.

(h) *Consistency with federal or state law.* The provisions of this section do not apply where the application of these provisions would violate or be inconsistent with the laws, rules or regulations of federal or state law, or where the application would violate or be inconsistent with the terms or conditions of a grant or contract with the United States of America, the State of Florida, or the instruction of an authorized representatives of any of these agencies with respect to any grant or contract.

(j) *Timing of application.* This section shall be applicable only to covered contracts awarded pursuant to bids which are issued six months from the date when this section becomes effective.
