

You may qualify for HHF Program Financial Assistance

The federal government has allocated funding to help pay the mortgages of qualified homeowners who are unemployed or underemployed through no fault of their own.

Homeowners who qualify for financial assistance may receive up to 6 months of monthly mortgage payments and/or funds to pay past due mortgage payments to bring the mortgage current; these funds are paid directly to the loan servicer/lender.

To determine if YOU qualify, log onto the official HHF website at:
