Are you interested
 in gardening
 and growing your own
 vegetables, herbs and
 flowers? Then, the
 Community Garden is
 the place to be!

Community gardening is a great way to spend some time outdoors. With nice weather in South Florida, now is the perfect time to start planting!

We will be working together to maintain a raised bed next to the beautiful orchard.

Take advantage of this great opportunity to learn from an experienced gardener through mini workshops, talks and guided tours of the orchard.
