

Purchasing Department – Registration for Business Opportunity Notification

DemandStar

In order to receive notification of business opportunities, vendors must register with Demandstar. The City utilizes Demandstar to better connect with vendors and provide vendors with procurement information. Demandstar Free Agency is an option available to vendors and offers a free notification service of solicitations issued by the City of North Miami. At a minimal cost, vendors have the option of additional services to download bids from Onvia DemandStar.

Vendor Registration for Demandstar is available at the following site:
