Dear Community Partner,

The North Miami Parks and Recreation Department is proud to announce that the 2013, *Back to School Bash and Health Fair* will be held on Saturday, August 10<sup>th</sup> from 11:00 a.m. – 2:00 p.m. at the Joe Celestin Center, a 20,000 square foot recreation community center and gymnasium.

The purpose of the fair is to help increase awareness of health and social issues in our community through education and prevention. Our goal is to improve access to healthcare for underprivileged children, low income families and community members. The event will provide health screenings and education to the residents of North Miami and surrounding communities.

Through collective efforts, we will certainly make a difference in our great community. The City of North Miami and all of its partners would greatly appreciate your sponsorship, partnership and any other assistance you may be able to provide for the success of this valuable community event.
