

NORTH MIAMI CONSOLIDATED PLAN SURVEY LINKS

THE CITY OF NORTH MIAMI NEEDS YOUR INPUT!

North Miami receives federal Community Development Block Grant (CDBG), and HOME Investment Partnerships (HOME) funds each year through the U.S. Department of Housing and Urban Development (HUD). In order to receive these funds, the City of North Miami is required to prepare a Five - Year Consolidated Plan every five years and an Annual Action Plan for the use of CDBG and HOME funds.

The funds can be used for affordable housing, public facilities and infrastructure, public services, and economic development and must primarily serve low- and moderate-income households with incomes at or below 80% of the area median income as determined by HUD. Your input will assist the City in determining housing and community development needs and priorities and the use of funds.
