JOB SUMMARIES

Building & Minimum Housing: Under direct supervision of the Building and Minimum Housing Manager, the intern will be responsible for the in-house scanning of permit and land records to include and not limited to permit cards, plans smaller than 11x17, submittal documents, permit cancellation forms, and realty cards in accordance with established standard operating procedures. Preparation and digitization of the current documents for scanning include the removal of staples and paperclips, feeding the documents through a desktop scanner, entering essential metadata into the Laserfiche template, conducting a quality inspection of the scanned images, recycling the file folder for continued use by the office, assembling individual permit sets with a rubber band, filing permit sets in storage boxes, and filling out the destruction log for examination by the immediate supervisor. Coordination to transport the storage boxes to the off-site space may be needed. General knowledge, skills and abilities include lifting and moving storage boxes, utilizing desktop computer to launch and use software, operating scanning equipment, using a QWERTY keyboard for data entry, filing and sorting documents, deciphering document type, verifying information on hardcopy and electronically, collaborating with other employees, following instructions, and seeking assistance or clarification when uncertain about directives.

City Attorney's Office: Intern will assist with: filing, mail pick-up, opening mail, hand-delivering documents to several departments in and around City Hall, faxing, photocopying/scanning documents, updating the books (City & County codes); organizing files, preparing storage boxes and logging boxes' content in both Excel & Word. Intern must have minimum computer skills.

City Clerk's Office: Intern will assist staff and is required to have a variety of clerical skills such as, but not limited to, photocopying, scanning documents (i.e., business tax receipt applications, etc.), filing, faxing, assisting with answering phones, providing information to residents and customers when necessary, mail pickup and distribution and other related work as well.

City Manager's Office: Intern within *City Manager Office* will assist with the day to day operations. The intern will work on special projects, which include but are not limited to the following: generate City advisory board agendas, minutes, and correspondence, assist with the planning and implementation of special presentations, research grant opportunities for various departments, assist with the filing of grant applications and administrative regulations, provide routine office support such as making copies, faxing, answering phones, and preparing correspondence for mailing. Intern within *Public Information Office* will work under the direction and supervision of the Public Information Officers. Intern will have duties which include, but are not limited to the following: update contact information for print and broadcast media (ongoing), update community lists and create a user friendly database, clip newspaper and other publication articles regarding the City of North Miami, gather information for inclusion in Calendar of Events and on website, assist at special events, attend meetings, and miscellaneous tasks as necessary to operate the Public Information Office. Interns must have excellent communication and writing skills and knowledge of Microsoft Office and Internet Explorer.

Community Planning & Development: During the summer, the intern will work in all of the divisions within the Department, i.e. Planning, Transportation, Economic Development and Housing and Social Services. The Intern will assist in a variety of clerical tasks, including but not limited to: filing, opening mail, hand-delivering documents to several departments in and around City Hall; routing plans; photocopying documents; organizing books in the Department's conference room/library; and organizing the office supply cabinet.
