Narratives

Areas of Greatest Need:

The City of North Miami has suffered a tremendous number of foreclosures and as of October 2008, there were approximately one thousand (1000) properties either foreclosed or in foreclosure status as recorded in Miami-Dade County Public Records. All neighborhoods have been affected by the foreclosure problem and pursuant to the Neighborhood Stabilization Program (NSP) requirements, the City will use its funding allocation of \$2,847,089 from the U.S. Department of Housing and Urban Development (HUD) to benefit those neighborhoods affected the most by foreclosures.

Distribution and and Uses of Funds:

The City of North Miami requests your approval to increase the budget of Activity 202- LH-25 by the receipted program income of \$127,431.48 in order to stabilize the most affected neighborhoods. The City will utilize NSP funds, in those areas with 1) the highest percentages of foreclosures 2) the highest percentage of homes financed by subprime mortgage related loans, and 3) likely to face a significant rise in the rate of foreclosures. The neighborhoods with the greatest needs are identified by census tracts 208, 209, 210, 304, 305 and 406, these neighborhoods have the largest concentration of low income households. Targeting these neighborhoods will help stabilize the area and revitalize the community as a whole.
