## **NOMI HOT MEALS FOOD PROGRAM ASSISTANCE**

### **Program Guidelines**

#### **Purpose**

The NoMi Hot Meals Food Assistance Program has two components:

- 1) to provide meals to homebound, 62 years old and older, high-risk individuals, as defined by the CDC, who are unable to access meals while staying at home and are ineligible for other nutrition programs within the city of North Miami boundaries.
- 2) to support local restaurants, caterers, other food providers and business owners who have closed or are struggling to remain open due to the COVID-19 crisis.

#### **Program Administration**

The program will be administered by Housing and Social Services department (“HSS”) who issues a Request for Proposal seeking to hire experienced, licensed and qualified food providers to furnish the services (hot meals including delivery). HSS will be responsible as well for the recipient application in order to streamline the process and avoid duplication of benefits.

#### **How will the program work?**

The City of North Miami, through its NoMi Hot Meals Food Assistance program, will provide two (2) nutritious daily meals to qualified individuals enrolled in the program during a three (3) month period or until funds are depleted. This program is free to participants whose income does not exceed 80% of the area median income (AMI). Though the Request for Proposal will be open to all qualified restaurants, caterers, and other food providers, local restaurants are preferred or will be given priority. The program will also create economic opportunities for local businesses and workers impacted by the COVID-19 crisis.

#### **How long will the program run?**

The program will run from September until funds are depleted.

### **City of North Miami Responsibility**

#### **Providers Recruitment**

HSS issues a Request for Proposal (“RFP”) seeking non-profit and for-profit food licensed providers, qualified restaurants, caterers, and local restaurants, to submit proposals for the provisions of two (2) nutritious daily meals (hot meals) to qualified individuals enrolled in the program. Providers will be selected by HSS administration based on the below criteria:

- Ability to serve participants with different cultural background in terms of food preference
- Ability to serve participants with limited mobility
- Ability to serve participants with limited English proficiency (Creole, Spanish)
- Have the resources (facility, human, financial) needed to effectively deliver the service

- Have a minimum of three (3) years of experience in the food industry
- Have experience in food safety
- Prior experience delivering hot meals is preferred

### **Individual Enrollment**

The Social Services Division of HSS will be responsible to enroll eligible North Miami participant through a self-certification process. Participant eligibility verification can be completed over the phone and verified upon the delivery of the first meals; individuals enrolling in the program must undergo a short screening process.

### Eligibility Criteria

Participating individuals qualified for this service must not be currently receiving assistance from any other State or Federal nutrition assistance programs and fall into the following categories:

- 1) Individuals who are 62 and older, living alone and/or homebound;

  - Individuals with an underlying health condition.

Additionally, the individuals must affirm their inability to prepare and obtain meals as well as affirm that they are not receiving similar services from other organizations. After all information are gathered, Social Services Representative will refer/assign participant to one of the selected providers based on their food preferences while ensuring that participant needs are met. Participating individuals will be provided two (2) meals a day.

## **Community Outreach**

Housing and Social Services will be responsible for conducting community outreach on the program. ## **Food Providers Responsibility**

Food providers may range from local licensed restaurants, to include those in hotels, as well as licensed kitchens operated within airports and other entities. Once selected, providers will be responsible to provide/deliver two (2) hot meals daily to assigned participants. Up to four (4) providers will be selected to participate and must show their capacity to deliver the services to eligible participant based on the established criteria.
