RECITALS

1. Owner is the owner of certain real property, more particularly described as follows:

- **GRIFFING BISC PK ESTS BLK 12. PB 6-170. W40.35FT OF LOT 19 BLK 12**
Property address: **687 NE 124 ST, North Miami, Florida 33161. Property Folio# 06-2230-032-0170.**

2. Licensee has requested a license to have a mural (the "Mural") painted on the side of that certain building (the "Building") at the Property. Owner is willing to grant to Licensee such license subject to and in accordance with the terms, conditions, covenants, and provisions of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Owner and Licensee agree as follows:

1. Grant of License. Subject to the terms, conditions, covenants and provisions of this Agreement, Owner hereby grants to Licensee a non-exclusive, non-transferable license (the "License") for the sole purpose of having the Mural painted on that portion of the Building which is marked and shown on the picture attached hereto as Exhibit "A" (the "Licensed Area"). Licensee agrees that the Mural shall be sized so as to "fit" the Building. Licensee further agrees that the Mural may or may not be illuminated, and Owner shall have no responsibility or liability to provide lighting of the Mural. Owner shall also provide to Licensee reasonable non-exclusive access to, and reasonable non-exclusive use of, space or pathways adjacent to the Building, as provided by Owner in Owner's reasonable but exclusive discretion, as reasonably necessary and incident to painting the Mural. The parties agree that (a) no fee shall be paid by the Licensee to the Owner, (b) that the mutual obligations set forth in this Agreement are sufficient consideration, and (c) each party waives any rights to claim this Agreement is unenforceable due to lack of consideration.

2. Term of License. The License granted hereunder shall be for a term of five (5) years commencing on the Effective Date and, unless terminated by Licensee by written notice by Licensee to Owner given at any time during such term, shall thereafter continue for additional five (5) year successive terms until terminated by the mutual agreement of the parties. At such time as the Licensee shall sunset and no longer be in existence, this Agreement and the License

granted hereunder shall run to and be for the benefit of the City of North Miami (the "City"), and the City shall be entitled to all of Licensee's rights and benefits hereunder, and subject to Licensee's obligations. Notwithstanding anything else herein to the contrary, Owner reserves the right to temporarily suspend the License if necessary to effectuate or accommodate any structural changes or architectural corrections or alterations to the Building comprised of the wall on which the Mural is to be installed or in cases of casualty or condemnation affecting the Building or portions thereof; provided, however, Owner shall not terminate the License absent written consent or written directions from Licensee to do so.

3. Approval of Mural. Owner hereby consents to the Mural as determined by the Licensee. During the term of this License, except for maintenance of the Mural, Licensee shall not make any alterations or additions to the Mural without the prior written consent of Owner, which consent shall not be unreasonably withheld, delayed or conditioned.

4. Installation and Insurance. Licensee shall be solely responsible for negotiating and entering into the agreement with the artist (the "Artist") for the Mural, and Owner shall have no responsibility or liability in connection therewith. Licensee shall be solely responsible for the acts of the Artist while on the Property. The Mural shall be installed and maintained at Licensee's sole cost and expense. Licensee's access to the Property and the Licensed Area is solely for the purpose of installing and maintaining the Mural in the Licensed Area, subject to advance notice to, and in coordination with, Owner, which notice may be oral or provided by electronic means. No portion of the Licensed Area shall be used for any other purposes than herein expressly permitted. Licensee's use of the Licensed Area shall at all times be subject to any and all matters of record recorded in the records of appropriate governments in the area where the Property is located. Prior to and during the installation and any maintenance work on the Mural, and throughout the term of this Agreement, Licensee, the Artist, and each contractor utilized by Licensee and/or the Artist, shall obtain and maintain public liability and property damage insurance, with insurance companies approved to write such policies in Florida, which policies must be reasonably satisfactory to Owner, shall name Owner as additional insured, provide that such policies may not be terminated, coverage reduced or policies not renewed, without thirty (30) days prior written notice to Owner and in such amounts and coverages as herein provided. Prior to the commencement of any installation and/or maintenance work, and each renewal and change of insurance, Licensee shall provide to Owner, certificates of insurance evidencing its compliance with the foregoing requirements. The liability insurance required under this paragraph shall be commercial general liability insurance in an amount not less than One Million and 00/100 Dollars (\$1,000,000.00) for bodily injury, personal injury or death of any one person and One Million and 00/100 Dollars (\$1,000,000.00) for more than one person and any one incident and the property damage coverage requirement shall be an amount of not less than Five Hundred Thousand and 00/100 Dollars (\$500,000.00); provided, however, Licensee may self-insure in lieu of providing the required insurance. Nothing in this Agreement is intended to, nor shall it, waive the Licensee's right of sovereign immunity set forth in Section 768.28, Florida Statutes, as amended or superseded by a successor statute. Licensee, the Artist, and any contractor used by Licensee and/or the Artist shall also maintain workers' compensation coverage in accordance with statutory limits and such employers liability coverage and with such limits for each accident and disease policy limit-each employee as and if required by law. All work done in conjunction with the installation and maintenance of the Mural shall comply with all applicable laws and

regulations and only after Licensee obtains, at Licensee's expense, all necessary governmental permits and licenses required therefor.

5. Responsibility of Licensee. Licensee shall conduct all activities related to the Mural in such a manner as will reasonably minimize any disruption of or interference with the normal activities of Owner, Owner's tenants and other licensees at and about the Property. Licensee agrees to assume, and hereby assumes, all responsibility for the Mural and activities relating to the Mural and the consequences thereof including, without limitation, (i) all acts and omissions of the Artist, Licensee and Licensee's board members, agents, officers, directors, contractors, employees, servants, customers, licensees and invitees in connection therewith and (ii) compliance with any and all applicable laws, codes, ordinances, copyrights, trademarks, rules and regulations. The Mural and all activities related thereto shall be completed promptly in a good and workmanlike manner and thereafter maintained by Licensee in a neat and sightly condition (including cleaning and repainting the Mural, if deemed reasonably necessary by Licensee and subject to available funding), and in compliance with all applicable governmental laws, regulations and other requirements. Licensee agrees to use its commercially reasonable efforts to complete the Mural in as short a period of time as is commercially reasonable.

6. Risk; Permits. Licensee shall (i) enter and use the Property and the Licensed Area, and conduct all activities related to the Mural, at its sole risk and expense; (ii) obtain, at its own cost and expense, all governmental approvals, licenses, permits and certificates, comply with all laws, statutes, rules and regulations; provided, however, nothing herein obligates Licensee to pay any part of the real estate taxes for the Property. Owner agrees it shall not seek any exemption for real estate taxes as a result of this Agreement.

7. No Assignment by Licensee. This License is expressly and intentionally made personal only and solely to Licensee, and therefore Licensee shall not assign or sub-license this Agreement or the License, rights or privileges granted hereunder.

8. License Only; Binding Effect; Other Provisions. Owner and Licensee expressly agree and declare that this Agreement shall not (i) create between them the relationship of landlord and tenant with respect to the Licensed Area, (ii) confer any rights upon Licensee as would amount in law to a landlord-tenant relationship, or (iii) create a joint venture or other arrangement between Owner and Licensee. This Agreement creates only the privilege on the part of Licensee, personal to Licensee, to install and maintain the Mural in the Licensed Area in the manner described in this Agreement. This Agreement may not be changed or terminated orally. This Agreement shall be binding upon and inure to the benefit of the respective heirs, executors, administrators, successors and assigns of the parties; provided, further that, upon the sunset of the Licensee, the City shall succeed to the interest of the Licensee and be entitled to all rights and benefits hereunder as well as complying with all obligations of Licensee. Neither this Agreement nor any memorandum or notice hereof shall be recorded in any public records without the prior written consent of Owner. The recitals set forth at the beginning of this Agreement are hereby incorporated within and made an integral part of this Agreement.

9. Notices. All notices, consents, approvals and requests required or permitted under this Agreement shall be given in writing and shall be effective for all purposes if hand delivered

or sent by (i) certified or registered United States mail, postage prepaid, or (ii) expedited prepaid delivery service, either commercial or United States Postal Service, with proof of attempted delivery, addressed as follows, or at such other address and person as shall be designated from time to time in a written notice to the other party in the manner provided for in this Paragraph.
