In consideration of the mutual promises, covenants and agreements, and other good and valuable considerations, the receipt of which is acknowledged, the parties agree as follows:

GENERAL CONDITIONS:

1. Rehabilitation Agreement Documents: The Rehabilitation Agreement Documents consist of:
 1. Rehabilitation Agreement
 2. Exhibit 1 – Scope of Work
 3. Work Items Specifications and Drawings, and all other Addenda affixed prior to, and all written Modifications and Change Orders issued after, execution of the Rehabilitation Agreement.

The Rehabilitation Agreement Documents also include all provisions of the City of North Miami Neighborhood Stabilization Program Policies and Guidelines and the City's Green Housing Rehabilitation Standards incorporated herein and made a part of this Agreement by reference.

2. Scope of Work: The Contractor shall furnish all material and labor required including the payment of all required permits, fees and taxes in connection with the work identified in Exhibit 1, (Scope of Work), and formal, written and approved amendments thereto.
3. Compensation: The Contractor shall be paid for the completion of the specified work to be performed in connection with the Project, the total sum of **Six Thousand Dollars and 00/100 Cents (\$6,000.00)** unless said compensation is otherwise amended by an approved Change Order. Compensation shall be paid by a City North Miami check drawn on a local lending institution, and said check shall be issued solely in the name of the Contractor.
4. Time of Performance: The Contractor shall complete the above-described work within thirty (30) working days from the effective date of the Notice to Proceed to be provided at or in connection with the Pre-construction Conference. Work must commence within ten (10) days of issuance of the Notice to Proceed and must be steadily performed thereafter through to the completion of the contract.
5. Pre-construction Conference: The Contractor agrees to attend the pre-construction conference conducted by the City prior to the commencement of work. The Contractor shall provide at or prior to the Pre-construction Conference evidence of license(s), waiver of lien(s), insurance, and other information as may be required in connection with the Neighborhood Stabilization Program.
6. Right to Stop the Work: If the Contractor fails to correct defective work as determined by the City or persistently fails to carry out the work in accord with the Rehabilitation Agreement Documents, the City, by a written order may order the Contractor to stop the work, or any portion thereof, immediately upon receipt of the notice, until the cause for such written order has been eliminated.
7. Right to Carry Out the Work: If the Contractor defaults or neglects to carry out the work in accord with the Rehabilitation Agreement Documents, and fails within three (3) working

days after receipt of written notice from the City to commence and continue correction of such default or neglect with diligence and promptness, the City may, after five (5) calendar days following receipt by the Contractor of an additional written notice, and without prejudice to any other remedy the City may have, make good such deficiencies. In such a case, an appropriate Change Order shall be issued deducting from the payments then or thereafter due to the Contractor the cost of correcting such deficiencies, including compensation for the additional costs incurred by the City, if any, made necessary by such default, neglect or failure. If the payments then or thereafter due the Contractor are not sufficient to cover such amount, the Contractor shall pay the difference to the City.

8. Site Inspections: The City shall visit the site at intervals appropriate to the stage of progress on the rehabilitation construction work to become generally familiar with the progress and quality of the work and to determine in general if the work is proceeding in conformance with the Rehabilitation Agreement Documents. However, the City shall not be required to make exhaustive or continuous on-site inspections to check the quality or progress of the work.
9. Quality Control: The City shall oversee quality control in the charge of construction means, methods, techniques, sequences or procedures, for safety precautions and program performance in connection with the work at the Project, but the City shall not be responsible for the Contractor's failure to carry out the work in accord with the Rehabilitation Agreement Documents.

The Change Order shall be issued by the City, which said fully executed Change Order shall then constitute an addendum or modification to the original Rehabilitation Agreement.

Any such changes shall be made only when and where determined necessary and desirable in the sole opinion of the City. Where approved Change Orders diminish the cost of the work specified in the Rehabilitation Agreement, such changes or alterations shall not constitute a claim for damages or anticipated profits. In determining the cost of items deleted or added that diminish or increase the scope of work specified in the Rehabilitation Agreement Documents, the parties to the Rehabilitation Agreement shall use those prices already stipulated therein or otherwise consistent with the intent and reasonably inferable from the Rehabilitation Agreement Documents; and if not set forth therein or otherwise reasonably inferable thereto, fair prices shall be determined by mutual agreement between the parties to the Rehabilitation Agreement, upon the recommendation of and approval by the City.

11. Payment Processing and Approvals: The City shall review all payment applications submitted by the Contractor, whether a partial or final payment request, and shall then make on the approval and issuance of payment. amount due to the Contractor on its payment application and shall process a payment request for the work at the Project found acceptably installed and in place.
