ACCREDITATION TEAM INVITES PUBLIC COMMENTS ABOUT  
THE NORTH MIAMI POLICE DEPARTMENT

North Miami Police Department: A team of assessors from the Commission for Florida Law Enforcement Accreditation (CFA) will arrive on October 25, 2022, to examine all aspects of the North Miami Police Department’s policies and procedures, management, operations, and support services. The North Miami Police Department has to comply with numerous standards in order to receive accredited status. Many of the standards are critical to life, health, safety issues, and best practices.

As part of the assessment, agency members and the general public are invited to offer comments to the assessment team. A copy of the standards manual is available on the CFA website at www.flaccreditation.org under the “standards” tab.

For more information regarding CFA, or for persons wishing to offer written comments about the North Miami Police Department’s ability to meet the Commission’s standards, please send your correspondence to: CFA, P.O. Box 1489, Tallahassee, Florida, 32302, or email to flaccreditation@fdle.state.fl.us.

The Accreditation Program Manager for the North Miami Police Department is Major Diana Román. The Commission’s assessment team is composed of assessors, from similar agencies, who will review written materials, interview individuals, and visit offices and other areas where compliance can be observed. Once the assessors complete their review, they report to the full Commission, who then determines if the agency is qualified to receive reaccredited status. The Department has been accredited for the past three years and seeks to become reaccredited for the next three years.

The team of assessors’ verification that the North Miami Police Department meets the Commission’s standards is part of a voluntary process to maintain accreditation. Chief of Police Larry Juriga stated, “We are honored to have the CFA assessors come to our Police Department to meet our men and women, who, each day, display their commitment to professional excellence.”
