It is agreed and understood that the funds provided by the City derive from the CDBG Program and that the funds shall be secured by a non- interest bearing Promissory Note and Money Mortgage, which shall have priority over all other encumbrances, except a Purchase Money First Mortgage. The Parties agree that the indebtedness shall be partially forgiven in the amount of Three Thousand Five Hundred Seventy-One Dollars and 42/100 Cents (**\$3,571.42**) each year over a seven (7) year period, until fully forgiven.

If any interest in the property is sold, conveyed or transferred, or the Note and Mortgage created by this Agreement is subordinated, whether voluntarily or involuntarily, including bankruptcy or foreclosure, within seven (7) years of this Agreement's execution, such an event shall be considered a default unless the property Owner(s) agrees to re-pay the remaining balance prior to such event. The indebtedness shall become payable at a rate of four percent (4%) simple interest per year on the unpaid principal amount. Any person or entity, who, subsequent to the execution of this Agreement, purchases or receives any interest in the subject property, shall be bound by the terms and conditions of this Agreement and shall execute any and all documents required by the City.

10. The Owner(s) and Contractor will not voluntarily create or permit, suffer to be created or to exist on or against the subject property or any part, any lien superior to the City's interest, and will keep and maintain the property from the claim of all parties supplying labor or materials which will enter into the construction or installation of improvements
11. The City may seek civil action and penalties including court costs, attorneys' fees and reasonable administrative expenses should Owner(s) fail to comply with the foregoing covenants and restrictions.
12. The City may, periodically, inspect the real property for the purpose of assuring compliance with this Agreement.
13. In the event the Owner(s) or Contractor prevents the City from inspecting the Project for purposes of assuring compliance with this Agreement or with the Contract Documents, or prevents the City from complying with HUD regulations, federal, state or local laws, the City shall be entitled to immediately terminate this Agreement, retain any remaining funds, seek reimbursement for any funds distributed for the Project or obtain other relief as permitted by the Agreement or law. Further, action by the Owner(s) or Contractor to prevent or deny the City's inspection of the Project will constitute a default of this Agreement, and the City shall be entitled to exercise any and all remedies at law or equity.

14. If the Owner(s) terminates or cancels the services of the Contractor, and the Contractor is not in default of this Agreement, the Contractor shall be compensated for labor and material expenses incurred up to the date of cancellation, plus normal profit and overhead, the total sum of which shall not exceed 20% of the labor and materials' cost. As a condition of payment, Contractor shall submit verifiable written documentation of labor and materials expenses to the City. 18. The City desires to enter into this Agreement only if by so doing the City can place a limit on its liability for any cause of action arising out of this Agreement, so that its liability never exceeds its monetary commitment of Twenty-Five Thousand Dollars and 00/100 Cents (**\$25,000.00**). Owner(s) and Contractor express their willingness to enter into this Agreement with recovery from the City for any action arising out of this Agreement to be limited to the total amount of its monetary commitment of Twenty-Five Thousand Dollars and 00/100 Cents (**\$25,000.00**), less the amount of all funds actually paid by the City pursuant to this Agreement. Nothing contained in this paragraph or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed on the City's liability as set forth in Section 768, Florida Statutes. Additionally, the City does not waive sovereign immunity, and no claim or award against the City shall include attorney's fees, investigative costs or pre-judgment interest.
19. The Owner(s) and Contractor shall hold harmless, indemnify and defend the City, its officers and employees from any and all obligations, liabilities, actions, claims, causes of action, suits or demands arising from this Agreement.
20. The Owner(s) and Contractor shall not sublease, transfer or assign any interest in this Agreement.
21. In the event of a default, the City may mail to Owner(s) or Contractor a notice of default. If the default is not fully and satisfactorily cured in the City's sole discretion within thirty

(30) days of the City's mailing notice of default, the City may cancel and terminate this Agreement without liability to any other party to this Agreement. In addition, the City shall determine the amount of compensation to be paid to the Contractor for the work completed up to the time of termination. Contractor shall be responsible for all repairs and replacement of all work to the City's satisfaction.

22. In the event of a default, the City shall additionally be entitled to bring any and all legal and/or equitable actions in Miami-Dade County, Florida, in order to enforce the City's right and remedies against the defaulting party. The City shall be entitled to recover all costs of such actions including a reasonable attorney's fee, at trial and appellate levels, to the extent allowed by law.
23. A default shall include but not be limited to the following acts or events of Owner(s), Contractor, or their agents, servants, employees or subcontractors:

  - f. The breach of any term or condition of this Agreement.
24. If the Owner(s) defaults this Agreement by insolvency or bankruptcy, the following shall apply:
  - a. Should this Agreement be entered into and fully executed by the Parties, funds released and the Debtor files for bankruptcy, the following shall occur:
    1. In the event the Owner(s) files a voluntary petition under 11 U.S.C. 301 or 302, or an order for relief is entered under 11 U.S.C. 303, the Owner(s) or Contractor shall acknowledge the extent, validity, and priority of the lien recorded in favor of the City. The Owner(s) further agrees that in the event of this default, the City shall, at its option, be entitled to seek relief from the automatic stay provisions in effect pursuant to 11 U.S.C. 362. The City shall be entitled to relief from the automatic stay pursuant to 11 U.S.C. 362(d)(1) or

(d)(2), and the Owner(s) agrees to waive the notice provisions in effect pursuant to 11 U.S.C. 362 and any applicable Local Rules of the United States Bankruptcy Court. The Owner(s) acknowledges that such waiver is done knowingly and voluntarily.

2. Alternatively, in the event the City does not seek stay relief, or if stay relief is denied, the City shall be entitled to monthly adequate protection payments within the meaning of 11 U.S.C. 361. The monthly adequate protection payments shall each be in an amount determined in accordance with the Note and Mortgage executed by the Owner(s) in favor of the City.
3. In the event the Owner(s) files for bankruptcy under Chapter 13 of Title 11, United States Code, in addition to the foregoing provisions, the Owner(s) agrees to cure any amounts in arrears over a period not to exceed twenty-four (24) months from the date of the confirmation order, and such payments shall be made in addition to the regular monthly payments required by the Note and Mortgage, if applicable. Additionally, the Owner(s) shall agree that the City is over secured and, therefore, entitled to interest and attorney's fees pursuant to 11 U.S.C. 506(b). Such fees shall be allowed and payable as an administrative expense. Further, in the event the Owner(s) has less than five (5) years of payments remaining on the Note, the Owner(s) agrees that the treatment afforded to the claim of the City under any confirmed plan of reorganization shall provide that the remaining payments shall be satisfied in accordance with the Note, and that the remaining payments or claim shall not be extended or amortized over a longer period than the time remaining under the Note.

- b. Should this Agreement be entered into and fully executed by the Parties, and the funds have not been forwarded to Owner(s) or Contractor, the following shall occur:

In the event the Owner(s) files a voluntary petition pursuant to 11 U.S.C. 301 or 302, or an order for relief is entered under 11 U.S.C. 303, the Owner(s) acknowledges that the commencement of a bankruptcy proceeding constitutes an event of default under the terms of this Agreement. Further, the Owner(s) acknowledges that this Agreement constitutes an executory contract within the meaning of 11 U.S.C. 365. The Owner(s) acknowledges that the Agreement is not capable of being assumed pursuant to 11 U.S.C. 365(c)(2), unless the City expressly consents in writing to the assumption. In the event the City consents to the assumption, the Owner(s) agrees to file a motion to assume the Agreement within ten (10) days after their receipt of written consent from the City, regardless of whether the bankruptcy proceeding is pending under Chapter 7, 11, or 13 of Title 11 of the United States Code. The Owner(s) further acknowledges that this Agreement is not capable of being assigned pursuant to 11 U.S.C. 365(b)(1).

- c. Should the Parties wish to execute the Agreement after the Owner(s) has filed for bankruptcy, the following shall occur:

1. The Owner(s) agrees that in the event they are current Debtors in bankruptcy, at the request of the City, the Owner(s) shall file a motion for authorization to obtain post-petition financing pursuant to 11 U.S.C. 364(d)(1). The Owner(s) further agrees that any funds loaned by the City shall be secured by a lien on the real property first in priority and ahead of any other existing lien(s), unless otherwise agreed to in writing by the City.
2. In the event of default, the City shall be entitled to pursue any and all available legal and equitable remedies, including, but not limited to, those remedies provided herein.

25. If Contractor defaults under this Agreement, by way of insolvency or bankruptcy, the following shall apply:

Should this Agreement be entered into and fully executed by the Parties, funds released and the Contractor files for bankruptcy, the following shall occur:

- a. In the event the Contractor files a voluntary petition pursuant to 11 U.S.C. § 301, or an order for relief is entered under 11 U.S.C. § 303, the Contractor acknowledges that the commencement of a bankruptcy proceeding constitutes an event of default under the terms of this Agreement. Further, the Contractor acknowledges that this Agreement constitutes an executory contract within the meaning of 11 U.S.C. § 365. The Contractor agrees to file a motion to assume the Agreement within fifteen (15) days after a voluntary petition is filed pursuant to 11 U.S.C. § 301, or within five (5) days following the entry of an order for relief under 11 U.S.C. § 303. The City expressly reserves the right to oppose any motion to assume the Agreement filed by the Contractor under the provisions of this subparagraph. In the event the Contractor does not voluntarily assume the Agreement, or, in the event the United States Bankruptcy Court does not authorize the Contractor's assumption of this Agreement, the Contractor acknowledges and agrees that the City may assert a valid claim of recoupment, thereby being entitled to recoup any damages suffered as a result of the Contractor's breach of this Agreement either by failing to voluntarily assume the Agreement, or, as a result of the entry of an order by the United States Bankruptcy Court prohibiting such assignment, against any monies which may be owed by the City to Contractor under the terms of the Agreement.
- b. In the event the Contractor is authorized to assume this Agreement, the Contractor acknowledges and agrees that it shall be obligated to cure any and all existing defaults upon the entry of an order by the United States Bankruptcy Court authorizing its assumption of this Agreement. Furthermore, the Contractor shall be obligated to provide adequate assurance of future performance including, but not limited to, adequate assurances that the Contractor shall complete the project contemplated by the Agreement within the time frame provided and agreed upon by the Parties under the terms and conditions of this Agreement.
- c. In the event that the Owner(s) defaults under this Agreement by insolvency or bankruptcy, either by filing a voluntary petition under 11 U.S.C. §§ 301 or 302, or an order for relief is entered under 11 U.S.C. § 303, Contractor fully understands, acknowledges and agrees to be fully bound by the provisions contained in

Paragraph 22 (a)(1), (a)(2), (a)(3), (b) and/or (c), in the event Contractor files a voluntary petition under 11 U.S.C. § 301, or an order for relief is entered under 11 U.S.C. § 303. The Contractor further acknowledges and agrees that, in the event the City is not obligated to perform under the terms and conditions of this Agreement, as a result of the Owner(s) defaulting under this Agreement by insolvency or bankruptcy, by filing a voluntary petition under 11 U.S.C. § 301 or 302, or an order for relief is entered under 11 U.S.C. § 303, the City shall be entitled to assert any defenses to which it may avail itself against the Owner(s), against the Contractor including, but limited to, any claim or right of recoupment.

26. This Agreement shall be governed by the laws of Florida, and venue shall be in Miami-Dade County, Florida.

Any such reference is intended merely to establish a standard; and, unless it is followed by the words "**no substitution is permitted**" because of form, fit, function and quality, any material, item, article, appliance, or equipment from other manufacturer's and vendors which will perform or serve the requirements of general design will be considered equally acceptable provided the material, item, article, appliance, or equipment so proposed is, in the sole opinion of the CITY, equal in substance, approval granted by the CITY in the form of an executed change order prior to the installation of the material, item, article, appliance, or equipment.

When a specification refers to an "allowance", the Contractor is to permit the Homeowner to select the product to be installed, providing the pre-tax cost of the product does not exceed the allowance. The product selected must meet the standards specified in these specifications.

## SECTION 3 CLAUSE AND PROVISIONS

This section establishes the requirements to be followed to ensure the objectives of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) (Section 3) are met. The purpose of Section 3 is to ensure that economic opportunities, most importantly employment, generated by certain HUD financial assistance shall be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing or residents of the community in which the Federal assistance is spent.

### Requirements.

#### (a) *Employment and training.*

(1) To the greatest extent feasible, and consistent with existing Federal, state, and local laws and regulations, recipients covered by this subpart shall ensure that employment and training opportunities arising in connection with Section 3 projects are provided to Section 3 workers within the metropolitan area (or nonmetropolitan county) in which the project is located.

(2) Where feasible, priority for opportunities and training described in paragraph (a)(1) of this section should be given to:

- (i) Section 3 workers residing within the service area or the neighborhood of the project, and
- (ii) Participants in YouthBuild programs.

#### (b) *Contracting.*

(1) To the greatest extent feasible, and consistent with existing Federal, state, and local laws and regulations, recipients covered by this subpart shall ensure contracts for work awarded in connection with Section 3 projects are provided to business concerns that provide economic opportunities to Section 3 workers residing within the metropolitan area (or nonmetropolitan county) in which the project is located.

(2) Where feasible, priority for contracting opportunities described in paragraph (b)(1) of this section should be given to:

- (i) Section 3 business concerns that provide economic opportunities to Section 3 workers residing within the service area or the neighborhood of the project, and
- (ii) YouthBuild programs.

### Targeted Section 3 worker for housing and community development financial assistance.

(a) **Targeted Section 3 worker.** A Targeted Section 3 worker for housing and community development financial assistance means a Section 3 worker who is:

- (1) A worker employed by a Section 3 business concern; or
- (2) A worker who currently fits or when hired fit at least one of the following categories, as documented within the past five years:
  - (i) Living within the service area or the neighborhood of the project, as defined in 24 CFR 75.5; or
  - (ii) A YouthBuild participant.

**Section 3 safe harbor.**

**(a) *General.***

Recipients will be considered to have complied with requirements in this part, in the absence of evidence to the contrary if they:

- (1) Certify that they have followed the prioritization of effort in 24 CFR 75.19, and
- (2) Meet or exceed the applicable Section 3 benchmark as described in paragraph (b) of this section.

**(b) *Establishing benchmarks.***

(1) HUD will establish Section 3 benchmarks for Section 3 workers or Targeted Section 3 workers or both through a document published in the Federal Register. HUD may establish a single nationwide benchmark for Section 3 workers and a single nationwide benchmark for Targeted Section 3 workers, or may establish multiple benchmarks based on geography, the nature of the Section 3 project, or other variables. HUD will update the benchmarks through a document published in the Federal Register, subject to public comment, not less frequently than once every 3 years. Such notice shall include aggregate data on labor hours and the proportion of recipients meeting benchmarks, as well as other metrics reported pursuant to 24 CFR 75.25 as deemed appropriate by HUD, for the 3 most recent reporting years.

(2) In establishing the Section 3 benchmarks, HUD may consider the industry averages for labor hours worked by specific categories of workers or in different localities or regions; averages for labor hours worked by Section 3 workers and Targeted Section 3 workers as reported by recipients pursuant to this section; and any other factors HUD deems important. In establishing the Section 3 benchmarks, HUD will exclude professional services from the total number of labor hours as such hours are excluded from the total number of labor hours to be reported per 24 CFR 75.25(a)(4).

(3) Section 3 benchmarks will consist of the following two ratios:

(i) The number of labor hours worked by Section 3 workers divided by the total number of labor hours worked by all workers on a Section 3 project in the recipient's program year.

(ii) The number of labor hours worked by Targeted Section 3 workers as defined in 24 CFR 75.21(a), divided by the total number of labor hours worked by all workers on a Section 3 project in the recipient's program year.

**Reporting.**

**(a) *Reporting of labor hours.***

(1) For Section 3 projects, recipients must report in a manner prescribed by HUD:

(i) The total number of labor hours worked;

(ii) The total number of labor hours worked by Section 3 workers; and

(iii) The total number of labor hours worked by Targeted Section 3 workers.

(2) Section 3 workers' and Targeted Section 3 workers' labor hours may be counted for five years from when their status as a Section 3 worker or Targeted Section 3 worker is established pursuant to 24 CFR 75.31.

(3) The labor hours reported under paragraph (a)(1) of this section must include the total number of labor hours worked on a Section 3 project, including labor hours worked by any subrecipients, contractors and subcontractors that the recipient is required, or elects pursuant to paragraph (a)(4) of this section, to report.

(4) Recipients reporting under this section, as well as subrecipients, contractors and subcontractors who report to recipients, may report labor hours by Section 3 workers, under paragraph (a)(1)(ii) of this section, and labor hours by Targeted Section 3 workers, under paragraph (a)(1)(iii) of this section, from professional services without including labor hours from professional services in the total number of labor hours worked under paragraph (a)(1)(i) of this section. If a contract covers both professional services and other work and the recipient or contractor or subcontractor chooses not to report labor hours from professional services, the labor hours under the contract that are not from professional services must still be reported.

(5) Recipients may report their own labor hours or that of a subrecipient, contractor, or subcontractor based on the employer's good faith assessment of the labor hours of a full-time or part-time employee informed by the employer's existing salary or time and attendance based payroll systems, unless the project or activity is otherwise subject to requirements specifying time and attendance reporting.

(b) ***Additional reporting if Section 3 benchmarks are not met.*** If the recipient's reporting under paragraph (a) of this section indicates that the recipient has not met the Section 3 benchmarks described in 24 CFR 75.23, the recipient must report in a form prescribed by HUD on the qualitative nature of its activities and those its contractors and subcontractors pursued. Such qualitative efforts may, for example, include but are not limited to the following:

- (1) Engaged in outreach efforts to generate job applicants who are Targeted Section 3 workers.
- (2) Provided training or apprenticeship opportunities.
- (3) Provided technical assistance to help Section 3 workers compete for jobs (e.g., resume assistance, coaching).

- (8) Assisted Section 3 workers to obtain financial literacy training and/or coaching.
- (9) Engaged in outreach efforts to identify and secure bids from Section 3 business concerns.
- (10) Provided technical assistance to help Section 3 business concerns understand and bid on contracts.
- (11) Divided contracts into smaller jobs to facilitate participation by Section 3 business concerns.
- (12) Provided bonding assistance, guaranties, or other efforts to support viable bids from Section 3 business concerns.
- (13) Promoted use of business registries designed to create opportunities for disadvantaged and small businesses.
- (14) Outreach, engagement, or referrals with the state one-stop system as defined in Section 121(e)(2) of the Workforce Innovation and Opportunity Act.

(c) ***Reporting frequency.*** Unless otherwise provided, recipients must report annually to HUD under paragraph (a) of this section, and, where required, under paragraph (b) of this section, on all projects completed within the reporting year in a manner consistent with reporting requirements for the applicable HUD program.

Greater consideration will be given to those contractors who will have training and employment opportunities for project area residents. This information will be captured on Local Business Opportunities, Employment and Training Plan.

Should the Mortgaged Property at any time require inspection, repair, care or attention of any kind or nature not provided by the Mortgagor(s) as determined by the Mortgagee in its sole discretion, the Mortgagee may, after notice to the Mortgagor(s), enter or cause entry to be made upon the Mortgaged Property and inspect, repair, protect, care for or maintain such property, as the Mortgagee may in its sole discretion deem necessary, and may pay all amounts of money, as the Mortgagee may in its sole discretion deem necessary.
10. The principal amount owing on the Note together with interest and all other charges, as provided in the Note, and all other amounts of money owing by the Mortgagor(s) to the Mortgagee pursuant to and secured by this Mortgage, shall immediately become due and payable without notice or demand upon the transfer or alienation of the Mortgaged Property to another person other than the Mortgagor(s), except is such transfer is to the surviving spouse, appointment of a receiver or liquidator, whether voluntary or involuntarily, for the Mortgagor(s) or any of

the property of the Mortgagor(s), or upon the filing of a petition by or against the Mortgagor(s) under the provisions of any State insolvency law, or under the provisions of the Bankruptcy Act of 1898, as amended, or upon the making by the Mortgagor(s) of an assignment for the benefit of the Mortgagor's creditors. The Mortgagee is authorized to declare, at its option, all or any part of such indebtedness immediately due and payable upon the happening of any of the following events which shall constitute a default on that Note and any other Note which this mortgage secures:

- a) Failure to pay the amount of any installment of principal and interest, or other charges payable on the Note which shall have become due;
- b) Nonperformance by the Mortgagor(s) of any covenant, agreement, term or condition of this Mortgage, or the Note (except as otherwise provided in subdivision (a) or of any other agreement made by the Mortgagor(s) with the Mortgagee in connection with such indebtedness, after the Mortgagor(s) have been given due notice by the Mortgagee of such nonperformance;
- c) Failure of the Mortgagor(s) to perform any covenant, agreement, term or condition in any instrument creating a lien upon the Mortgaged Property, or any part, which shall have priority over the lien of this Mortgage;
- d) The Mortgagee's discovery of the Mortgagor's failure in any application of the Mortgagor(s) to the Mortgagee to disclose any fact deemed by the Mortgagee to be material, or of the making, or in any of the agreements entered into by the Mortgagor(s) with the Mortgagee (including, but not limited to, the Note and this Mortgage) of any misrepresentation by, on behalf of, or for the benefit of the Mortgagor(s);
- e) The sale, lease or other transfer of any kind or nature of the Mortgaged Property, or any part, without the prior written consent of the Mortgagee, including the subordination of this mortgage or owner/s refinancing of the mortgage property.

The Mortgagee's failure to exercise any of its rights shall not constitute a waiver. All the events in this Paragraph enumerated upon the happening of any of which the Note shall become, or may be declared to be, immediately due and payable are in this Mortgage called "events of default".

11. Future Advances. This Mortgage secures such future or additional advances (in addition to the principal amount of the Note) as may be made by Mortgagee or the holder hereof at its exclusive option, to Mortgagor(s) or their successors or assigns in title, for any purpose, provided that all such advances are made within seven (7) years from the date of this Mortgage or within such lesser period of time as may be provided by law as a prerequisite for the sufficiency of actual notice or record notice of such optional, future or additional advances as against the rights of creditors or subsequent purchasers for valuable consideration to the same extent as if such future or additional advances are made on the date of the execution of this Mortgage. The total amount of indebtedness secured by this Mortgage may be increased or decreased from time to time, but the total unpaid balance so secured at any one time shall not exceed the maximum principal amount of Twenty-Five Thousand Dollars and 00/100 (**\$25,000.00**), plus interest and any disbursements made under this Mortgage for payment of impositions, insurance or otherwise, with interest on such disbursements. It is agreed that any additional sum or sums advanced by Mortgagee shall be equally secured with, and have the same priority as, the original principal indebtedness payable under the Note and shall be subject to all of the terms, provisions, and conditions of this Mortgage, whether or not such additional loans or advances are evidenced by other promissory notes of Mortgagor(s) and whether or not identified by a recital that it or they are secured by this Mortgage. This Mortgage cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of any waiver, change, discharge or termination is sought.

12. The Mortgagee may from time to time cure each default under any covenant or agreement in any instrument creating a lien upon the Mortgaged Property, or any part which shall have priority over the lien of this Mortgage, to such extent as the Mortgagee may exclusively determine, and each amount paid, if any, by the Mortgagee to cure any such default shall be paid by the Mortgagor(s) to the Mortgagee, and the Mortgagee shall also become subrogated to whatever rights the holder of the prior lien might have under such instrument.

13. a) After the happening of any default, the Mortgagor(s) shall, upon demand of the Mortgagee, surrender possession of the Mortgaged Property to the Mortgagee, and the Mortgagee may enter such property, and let the same and collect all the rents therefrom which are due or to become due, and apply the same, after payment of all charges and expenses, on account of the indebtedness secured, and all such rents and all losses existing at the time of such default are assigned to the Mortgagee as further security for the payment of the indebtedness secured, and the Mortgagee may also dispossess, by the usual summary proceedings, any tenant defaulting in the payment of any rent to the Mortgagee.
- b) In the event that the Mortgagor(s) occupy the Mortgaged Property or any part, the Mortgagor(s) agrees to surrender possession after such default, such possession shall be as a tenant of the Mortgagee, and the Mortgagor(s) shall pay in advance, upon demand by the Mortgagee, as a reasonably monthly rental for the premises occupied by the Mortgagor(s), an amount at least equivalent to one-twelfth the aggregate of the twelve monthly installments payable under the Note in the current calendar year, plus the actual amount of the annual ground rent, if any, taxes, assessments, water rates, other governmental charges, and insurance premiums payable in connection with the Mortgaged Property during such year, and upon the failure of the Mortgagor(s) to pay such monthly rental, the Mortgagor(s) may also be dispossessed by the usual summary proceedings applicable to tenants. This covenant shall become effective immediately upon the happening of any such default, as determined in the sole discretion of the Mortgagee, who shall give notice of such determination to the Mortgagor(s), and in the case of foreclosure and the appointment of a receiver of the rents, the covenant shall inure to the benefit of such receiver.

14. The Mortgagor in any action to foreclose this Mortgage shall be entitled to the appointment of a receiver without notice, as a matter of right and without regard to the value of the Mortgaged Property, or the solvency or insolvency of the Mortgagor(s) or other party liable for the payment of the Note and other indebtedness secured by this Mortgage.
15. The Mortgagor(s), within ten (10) days upon request in person or within twenty (20) days upon request by mail, will furnish promptly a written statement in form satisfactory to the Mortgagee, signed by the Mortgagor(s) and duly acknowledged, of the amount then owing on the Note and other indebtedness secured by this Mortgage, and whether any offsets or defenses exist against such indebtedness or any part.
16. The Mortgagor(s) will give immediate notice by registered or certified mail to the Mortgagee of any fire, damage or other casualty affecting the Mortgaged Property, or of any conveyance, transfer or change in ownership of such property, or any part.
17. Notice and demand or request may be made in writing and may be served in person or by mail.
18. In case of a foreclosure sale of the Mortgaged Property, it may be sold in one parcel.
19. The Mortgagor(s) will not assign the rents, if any, in whole or in part, from the Mortgaged Property, or any part, without the prior written consent of the Mortgagee.
20. The Mortgagor(s) is lawfully seized of the Mortgaged Property and has good right, full power and lawful authority to sell and convey the same in the manner above provided, and will warrant and defend the same to the Mortgagee forever against the lawful claims and demands of any and all parties whatsoever.
21. The Mortgagor(s) waives the benefit of all homestead exemptions as to the debt secured by this Mortgage and as to any expenditure for insurance, taxes, levies, assessments, dues or charges incurred by the Mortgagee pursuant to any provision of this Mortgage.
22. This Mortgage and all the covenants, agreements, terms and conditions herein contained shall be binding upon and inure to the benefit of the Mortgagor(s) and the heirs, legal representatives and assigns of the Mortgagor(s), and to the extent permitted by law, every subsequent owner of the Mortgaged Property, and shall be binding upon and inure to the benefit to the Mortgagee and its assigns. If the Mortgagor(s) consists of two or more parties, this Mortgage shall constitute a grant and mortgage by all of them jointly and severally, and they shall be obligated jointly and severally under all these provisions and under the Note. The word "Mortgagee" shall include any person, corporation or other party who may from time to time be the holder of this Mortgage. Wherever used, the singular number shall include the plural, the plural number shall include the singular, and the use of any gender shall be applicable to all genders wherever the sense requires.

IN WITNESS WHEREOF, this Mortgage has been duly signed and sealed by the Mortgagor(s) on or as of the day and year first above written.

This Promissory Note is made and entered into this day of \_\_\_\_\_, between **Micheline Philippe & Reginald Simon**, ("Mortgagor") residing at 1640 NW 134<sup>th</sup> Street, North Miami, Florida 33167, and the **City of North Miami, Florida** ("Mortgagee").

FOR VALUE RECEIVED, the undersigned jointly and severally promise(s) to pay to the City of North Miami, Florida ("City") the sum of Twenty-Five Thousand Dollars and 00/100 (**\$25,000.00**), payable without interest.

So long as the undersigned has not defaulted on payment under this Note, or has not provided false information in support of the application for loan, or has not otherwise violated the City of North Miami Community Development Block Grant (CDBG") Program ("Program") requirements, this amount shall be partially forgiven in the amount of Three Thousand Five Hundred Seventy-One Dollars and 42/100 (**\$3,571.42**) each year over a seven (7) year period, until fully forgiven at the conclusion of seven (7) years.

If the property securing this note is sold or in any way alienated or transferred, except if such transfer is to the surviving spouse, such an event shall constitute a default, and this sum shall be payable at a rate of four percent (4%) simple interest per year on the unpaid principal amount then owing. Determination of an alienation, transfer or sale sufficient to call for payment of this Note shall rest with the City and/or its designated agents and the maker shall be notified of the time and place of payment. Subordination of this Note or the Owner's refinancing of the subject property shall constitute a default.

The undersigned reserve(s) the right to repay at any time all or any part of the principal amount of this Note without the payment of penalties or premiums.

If the principal amount of this Note is not paid when due, the undersigned's action shall constitute a default and shall, at the option of the City, pay to the City the late charge of one (1) percent per calendar month, or fraction thereof, on the amount past due and remaining unpaid. Failure of the City to exercise such option shall not constitute a waiver of such default. If the undersigned shall default on payment under this note, or provide false information in support of the application for loan, or otherwise violate the City's Program requirements, the undersigned may be subject to penalties authorized by state and local laws, codes, rules and regulations. If this Note be reduced to judgment, such judgment should bear the statutory interest rate on judgments.

If suit is instituted by the City to recover on this Note, the undersigned agree(s) to pay all costs of such collection including reasonable attorney's fees, at trial and appellate levels, and court costs.

THIS NOTE is secured by a Mortgage of even date duly filed for record in the Public Records of Miami-Dade County, Florida.

DEMAND, notice of demand and protest are hereby waived, and the undersigned hereby waives, to the extent authorized by law, any and all homestead and other exemption rights which otherwise would apply to the debt evidenced by this Note.

IN WITNESS WHEREOF, this Note has been duly executed by the undersigned as of its date.
