**A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF NORTH MIAMI, FLORIDA, URGING CONGRESS TO SUPPORT AMERICORPS PROGRAMS IN OUR COMMUNITIES; PROVIDING FOR AN EFFECTIVE DATE AND ALL OTHER PURPOSES.**

**WHEREAS**, national service programs under the umbrella of AmeriCorps, the federal agency for volunteering and service, are designed to engage Americans in service to others; and

**WHEREAS**, AmeriCorps, formerly known as the Corporation for National and Community Service, is the nation's largest annual grant maker for service and volunteering, investing over \$800 million annually to fund programs with nonprofit, faith-based, local government, and community organizations; and

**WHEREAS**, more than 200,000 AmeriCorps members and AmeriCorps Seniors volunteers nationwide serve at over 36,000 locations where they make an impact across urgent community needs – from environmental stewardship to education to economic opportunity; and

**WHEREAS**, after successful completion of service, AmeriCorps members earn the Segal AmeriCorps Education Award to pay for qualified educational costs, and since 1994, more than 1.25 million AmeriCorps members have earned education awards totaling more than \$4.5 billion; and

**WHEREAS**, each year AmeriCorps places over 140,000 AmeriCorps Seniors volunteers, adults over age 55, with service opportunities offered by partner organizations where they tutor and mentor students and help elderly individuals receive assistance so that they can continue to live independently; and

**WHEREAS**, recent Return on Investment Studies demonstrated AmeriCorps programs generate as much as a \$34.26 return on investment for every federal dollar invested, and other studies reported benefits of AmeriCorps programs including increased wages and decreased rates of unemployment for members, improved health outcomes for AmeriCorps Seniors volunteers, increased economic growth and tax revenue in communities served and positive environmental outcomes for native plant populations; and

**WHEREAS**, 8 of 10 AmeriCorps alumni say that their experience benefited their career path, with 42% of those alumni employed within 6 months saying they found a job through a connection made thru AmeriCorps[2], and the program has been a powerful workforce development pathway for cities across the country; and

**WHEREAS**, with the investments in the American Rescue Plan, AmeriCorps launched a new partnership with the Centers for Disease Control and Prevention called Public Health AmeriCorps, investing \$400 million in the next generation of public health workers, modeled on other successful federal agency partnerships such as FEMA Corps, which has created emergency management and federal career pathways for AmeriCorps members for over ten years.
