In the event the Contractor does not voluntarily assume the Agreement, or, in the event the United States Bankruptcy Court does not authorize the Contractor's assumption of this Agreement, the Contractor acknowledges and agrees that the City may assert a valid claim of recoupment, thereby being entitled to recoup any damages suffered as a result of the Contractor's breach of this Agreement either by failing to voluntarily assume the Agreement, or, as a result of the entry of an order by the United States Bankruptcy Court prohibiting such assignment, against any monies which may be owed by the City to Contractor under the terms of the Agreement.

In the event the Contractor is authorized to assume this Agreement, the Contractor acknowledges and agrees that it shall be obligated to cure any and all existing defaults upon the entry of an order by the United States Bankruptcy Court authorizing its assumption of this Agreement. Furthermore, the Contractor shall be obligated to provide adequate assurance of future performance including, but not limited to, adequate assurances that the Contractor shall complete the project contemplated by the Agreement within the time frame provided and agreed upon by the Parties under the terms and conditions of this Agreement.

In the event that the **Owners** default under this Agreement by insolvency or bankruptcy, either by filing a voluntary petition under 11 U.S.C. §§ 301 or 302, or an order for relief is entered under 11 U.S.C. § 303, Contractor fully understands, acknowledges and agrees to be fully bound by the provisions contained in Paragraph 21 (a)(1), (a)(2), (a)(3), (b) and/or (c), in the event Contractor files a voluntary petition under 11 U.S.C. § 301, or an order for relief is entered under 11 U.S.C. § 303. The Contractor further acknowledges and agrees that, in the event the City is not obligated to perform under the terms and conditions of this Agreement, as a result of the **Owners** defaulting under this Agreement by insolvency or bankruptcy, by filing a voluntary petition under 11 U.S.C. § 301 or 302, or an order for relief is entered under 11 U.S.C. § 303, the City shall be entitled to assert any defenses to which it may avail itself against the **Owners**, against the Contractor including, but limited to, any claim or right of recoupment.

(2) Where feasible, priority for contracting opportunities described in paragraph (b)(1) of this section should be given to:

- (i) Section 3 business concerns that provide economic opportunities to Section 3 workers residing within the service area or the neighborhood of the project, and
- (ii) YouthBuild programs.

Targeted Section 3 worker for housing and community development financial assistance.

(a) *Targeted Section 3 worker.* A Targeted Section 3 worker for housing and community development financial assistance means a Section 3 worker who is:

- (1) A worker employed by a Section 3 business concern; or
- (2) A worker who currently fits or when hired fit at least one of the following categories, as documented within the past five years:
 - (i) Living within the service area or the neighborhood of the project, as defined in 24 CFR 75.5; or
 - (ii) A YouthBuild participant.

Section 3 safe harbor.

(a) ***General.***

Recipients will be considered to have complied with requirements in this part, in the absence of evidence to the contrary if they:

- (1) Certify that they have followed the prioritization of effort in 24 CFR 75.19, and
- (2) Meet or exceed the applicable Section 3 benchmark as described in paragraph (b) of this section.

(b) ***Establishing benchmarks.***

(1) HUD will establish Section 3 benchmarks for Section 3 workers or Targeted Section 3 workers or both through a document published in the Federal Register. HUD may establish a single nationwide benchmark for Section 3 workers and a single nationwide benchmark for Targeted Section 3 workers, or may establish multiple benchmarks based on geography, the nature of the Section 3 project, or other variables. HUD will update the benchmarks through a document published in the Federal Register, subject to public comment, not less frequently than once every 3 years. Such notice shall include aggregate data on labor hours and the proportion of recipients meeting benchmarks, as well as other metrics reported pursuant to 24 CFR 75.25 as deemed appropriate by HUD, for the 3 most recent reporting years.

(2) In establishing the Section 3 benchmarks, HUD may consider the industry averages for labor hours worked by specific categories of workers or in different localities or regions; averages for labor hours worked by Section 3 workers and Targeted Section 3 workers as reported by recipients pursuant to this section; and any other factors HUD deems important. In establishing the Section 3 benchmarks, HUD will exclude professional services from the total number of labor hours as such hours are excluded from the total number of labor hours to be reported per 24 CFR 75.25(a)(4).

(3) Section 3 benchmarks will consist of the following two ratios:

- (i) The number of labor hours worked by Section 3 workers divided by the total number of labor hours worked by all workers on a Section 3 project in the recipient's program year.

(ii) The number of labor hours worked by Targeted Section 3 workers as defined in 24 CFR 75.21(a), divided by the total number of labor hours worked by all workers on a Section 3 project in the recipient's program year.

Reporting.

(a) *Reporting of labor hours.*

(1) For Section 3 projects, recipients must report in a manner prescribed by HUD:

(i) The total number of labor hours worked;

(ii) The total number of labor hours worked by Section 3 workers; and

(iii) The total number of labor hours worked by Targeted Section 3 workers.

(2) Section 3 workers' and Targeted Section 3 workers' labor hours may be counted for five years from when their status as a Section 3 worker or Targeted Section 3 worker is established pursuant to 24 CFR 75.31.

(3) The labor hours reported under paragraph (a)(1) of this section must include the total number of labor hours worked on a Section 3 project, including labor hours worked by any subrecipients, contractors and subcontractors that the recipient is required, or elects pursuant to paragraph (a)(4) of this section, to report.

(4) Recipients reporting under this section, as well as subrecipients, contractors and subcontractors who report to recipients, may report labor hours by Section 3 workers, under paragraph (a)(1)(ii) of this section, and labor hours by Targeted Section 3 workers, under paragraph (a)(1)(iii) of this section, from professional services without including labor hours from professional services in the total number of labor hours worked under paragraph (a)(1)(i) of this section. If a contract covers both professional services and other work and the recipient or contractor or subcontractor chooses not to report labor hours from professional services, the labor hours under the contract that are not from professional services must still be reported.

(5) Recipients may report their own labor hours or that of a subrecipient, contractor, or subcontractor based on the employer's good faith assessment of the labor hours of a full-time or part-time employee informed by the employer's existing salary or time and attendance based payroll systems, unless the project or activity is otherwise subject to requirements specifying time and attendance reporting.

(b) *Additional reporting if Section 3 benchmarks are not met.* If the recipient's reporting under paragraph (a) of this section indicates that the recipient has not met the Section 3 benchmarks described in 24 CFR 75.23, the recipient must report in a form prescribed by HUD on the qualitative nature of its activities and those its contractors and subcontractors pursued. Such qualitative efforts may, for example, include but are not limited to the following:

- (1) Engaged in outreach efforts to generate job applicants who are Targeted Section 3 workers.
- (2) Provided training or apprenticeship opportunities.
- (3) Provided technical assistance to help Section 3 workers compete for jobs (*e.g.*, resume assistance, coaching).

- (13) Promoted use of business registries designed to create opportunities for disadvantaged and small businesses.
- (14) Outreach, engagement, or referrals with the state one-stop system as defined in Section 121(e)(2) of the Workforce Innovation and Opportunity Act.

(c) **Reporting frequency.** Unless otherwise provided, recipients must report annually to HUD under paragraph (a) of this section, and, where required, under paragraph (b) of this section, on all projects completed within the reporting year in a manner consistent with reporting requirements for the applicable HUD program.
