**NOW, THEREFORE**, in consideration of the Grant and the mutual covenants and conditions set forth herein, and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, the parties hereto do hereby agree as follows:

**Section 1.     Recitals; Program Guidelines.** The Recitals set forth above are true and correct and are incorporated in this Agreement by reference. The terms and provisions of the Program Guidelines are incorporated into this Agreement by reference and the Grantee agrees to abide by such terms and provisions. In the event of any conflict between the Program Guidelines and this Agreement, the terms and provisions of this Agreement will control with the understanding that any terms in the Program Guidelines that are not addressed in this Agreement shall nevertheless be applicable.

**Section 2.     Effective Term.** The term of this Agreement shall commence on the date when it has been executed by both parties (the “Effective Date”) and the obligation of the NMCRA to fund the Grant shall terminate ninety (90) days thereafter, unless sooner terminated by either party as set forth herein (the “Funding Termination Date”). In addition to any other rights and remedies of the NMCRA set forth in this Agreement, any portion of the Grant for which a reimbursement request has not been submitted by Grantee to the NMCRA by the Funding Termination Date shall be forfeited and Grantee hereby waives any rights to such forfeited portion of the Grant. Notwithstanding the foregoing, this Agreement shall remain in full force and effect following the Funding Termination Date for such time periods as necessary to give the terms and provisions of this Agreement their full force and effect.

**Section 3.     Scope of Work.** The Grantee agrees to use the Grant solely for the reimbursement of costs and expenses paid by the Grantee for the performance of the Scope of Work subject to and in accordance with this Agreement and the Program Guidelines. The Grantee further agrees that the Grant shall only be disbursed in accordance with the attached budget in the amounts for each line item as set forth therein. The Grantee shall be responsible for the design, engineering, permitting, and construction of the Project. Grantee shall cause the Contractor to commence the Project upon the Effective Date and thereafter prosecuted with due diligence and continuity and will achieve final completion on or before the Funding Termination Date. “Final Completion” shall be evidenced by a final certificate of occupancy or use, as applicable, issued by the City of North Miami (the “City”), free and clear of liens or claims for liens for materials supplied and for labor or services performed in connection therewith. The Grantee agrees that the Scope of Work performed under this Agreement shall be performed in accordance with all applicable laws including the City’s land use and zoning requirements and the Florida Building Code. The Grantee agrees and represents that the agreement entered into by it with the Contractor for the Project requires that the Contractor and any subcontractors, design professionals, engineers, and consultants possess the licenses required by applicable laws to cause to be performed the Scope of Work. Grantee shall provide the NMCRA with a copy of the fully executed agreement with the Contractor. Contractor represents and warrants that it is a Florida licensed contractor and possesses all necessary licenses to perform the Scope of Work for the Project.

**Section 4.     Amount Payable.** Subject to available funds, the maximum amount payable under this Agreement shall not exceed the Grant amount awarded. The Grantee acknowledges and

agrees that should Program funding be reduced or unavailable, the amount payable under this Agreement may be reduced by the NMCRA. Availability of Grant funds shall be determined by the NMCRA, in its sole discretion. The Grantee waives any and all claims against the NMCRA for any reduction or unavailability of funding. The Grantee will not look to, nor seek to hold liable, the NMCRA, its board members, employees, consultants, attorneys, and/or agents (collectively the "Related Parties") for the performance or non-performance of this Agreement and agrees to hold the NMCRA and the Related Parties harmless and release the NMCRA and the Related Parties from any and all claims and liability under this Agreement, whether as a direct or indirect consequence of any funding reduction or unavailability.

**Section 5.     Disbursement Procedures.** The NMCRA agrees, and Grantee authorized the NMCRA, to disburse the Grant directly to the Contractor upon Final Completion. Payment shall be made in accordance with the following procedures:

5.1     Disbursement Request. Disbursement requests are to be in writing and presented to the NMCRA by the Grantee only after Final Completion. The NMCRA shall have the right to inspect and verify payment for all labor and materials prior to release of the disbursement. By submitting a disbursement request to the NMCRA, the Grantee shall be deemed to acknowledge and agree, and represent to the NMCRA, that (a) the Scope of Work has achieved Final Completion and (b) the quality of the work is in accordance with the plans and specifications. As a condition to disbursement to the Contractor, the Contractor shall provide the NMCRA with all documents required by Chapter 713, Florida Statutes, including partial and final waivers of lien, as well as a release by the Contractor, all in a form and substance acceptable the NMCRA. Notwithstanding anything in this Agreement to the contrary, the NMCRA, in its sole discretion, shall withhold and retain a minimum of twenty percent (20%) of the Grant as the final reimbursement, which final reimbursement amount will be withheld until the Grantee provides the NMCRA with written documentation, in a form and substance acceptable to the NMCRA in all respects, certifying that the Project (i) is completed, (ii) all inspections have been passed and finalized, (iii) all permits have been closed and (iv) a Certificate of Occupancy has been issued. The foregoing is in addition to the expenditure report required by Section 5.2 below.

5.2     Expenditure Report Required. As part of the disbursement request, Grantee shall submit to the NMCRA, for its review and approval, a detailed expenditure report with all invoices and proof of payment as well as any other information and documentation reasonably requested by the NMCRA. No request for disbursement shall be processed without an expenditure report and the NMCRA reserves the right to withhold all or any portion of the Grant if required and/or requested documentation is not submitted or is in a form and substance not acceptable to the NMCRA. The payment of any disbursement request by the NMCRA shall not be construed that the work or any portion hereof complies with (a) the Scope of Work, the contract documents, and plans and specifications and/or (b) applicable law including the Florida Building Code, it being acknowledged and agreed by the Grantee that it is the Grantee's sole responsibility to ensure the work complies with (a) and (b) above.

**Section 6.     Maintenance; Alterations.**

6.1     Maintenance. Following Final Completion of the Project and for a period

of five (5) years thereafter, the Grantee, at its sole cost and expense shall be responsible for and perform all exterior and interior repairs and maintenance, and replacements relative to the Scope of Work. Maintenance, repairs and replacements shall be in quality and class comparable to the original construction, to preserve the Project in good working order and condition, reasonable wear and tear excepted.

6.2 Alterations. Following completion of the Project and for a period of five (5) years thereafter, the Grantee shall not, perform or caused to be performed any alterations to the Project including, without limitation, exterior or interior alterations and nonstructural or structural alterations without the prior written consent of the NMCRA in each instance; provided, however, the Grantee may make minor or cosmetic alterations without the consent of the NMCRA.

**Section 7. Relationship of the Parties.** The parties agree that this Agreement recognizes the autonomy of and does not imply any affiliation between the contracting parties. It is expressly understood and intended that neither the Grantee nor the Contractor, their agents and employees, are not agents or employees of the NMCRA, but are only recipients of funding support, and are not an agent or instrumentality of the NMCRA or entitled to any employment benefits by the NMCRA.

**Section 8. Assignment.** This Agreement and participation in the Program are not transferable to new property owners or lessees. New property owners or lessees must re-apply to participate in the Program and are subject to the "Past Program Participation" restrictions set forth in the Program Guidelines. If the Grantee either (a) the Grantee sells, transfers, conveys, or otherwise alienates the Property, in whole or in part or (b) there is a change of forty-nine percent (49%) or more of the ownership or control of the Grantee (either through a single transaction or the aggregate of multiple transactions) during the term of this Agreement or during the five (5) year period following completion of the Project, all funding or Grant disbursements shall immediately terminate and the Grantee agrees to immediately pay to the NMCRA one hundred percent (100%) of the Grant received through the Program.

**Section 9. Books and Records; Public Records, Reports, Reporting.**

9.1 Books and Records. The Grantee shall maintain complete and accurate books, records and accounts of all costs and expenses incurred in connection with the Project. Upon the request of the NMNMCRA, all such books and records of the Grantee which relate to the Project shall be available for inspection and audit by the NMCRA or any of its authorized representatives at all reasonable times during normal business hours. The NMCRA shall be entitled to make such copies of the books and records as the NMCRA deems appropriate. The Grantee's books and records shall be maintained or caused to be maintained in accordance with generally accepted accounting principles in a consistent manner, together with the pertinent documentation and data to provide reasonable audit trails for a period of six (6) years following Final Completion. The foregoing obligation shall expressly survive the expiration or earlier termination of this Agreement.

9.2 Public Records. The Grantee and Contractor understand that the NMCRA is subject to the Florida Public Records Law, Chapter 119, Florida Statutes, and all other

applicable Florida Statutes. The Grantee agrees and understands that Florida has broad public records disclosure laws, and that any written communication with the Grantee or Contractor, to include emails, email addresses, a copy of this Agreement, and any deliverables under this Agreement, are subject to public disclosure upon request, unless otherwise exempt or confidential under Florida Statutes. If the materials provided by the Grantee or Contractor do not fall under a specific exemption, under Florida or federal law, materials provided by the Grantee to the NMCRA would have to be provided to anyone making a public records request. It will be the Grantee's or Contractor's duty to identify the information, which it deems is exempt under Florida law, and to identify the statute by number, which exempts that information.

9.2.1 Pursuant to Section 119.0701, Florida Statutes, a request to inspect or copy public records relating to this Agreement must be made directly to the NMCRA. The Grantee or Contractor shall direct individuals requesting public records to the public records custodian listed below. Should any person or entity make a public request of the NMCRA which requires or would require the NMCRA to allow inspection or provide copies of records which the Grantee or Contractor maintains are exempt from public records laws or are confidential, it shall be the Grantee's or Contractor's obligation to provide the NMCRA within seven (7) days of notification by the NMCRA to the Grantee of the request, of the specific exemption or confidentiality provision so the NMCRA will be able to comply with the requirements of section 119.07(1)(e) and (f), Florida Statutes.

9.2.2 Should the NMCRA face any kind of legal action to require or enforce inspection or production of any records provided by Grantee to the NMCRA which Grantee maintains are exempt or confidential from such inspection/production as a Public Record, Grantee shall hire and compensate attorney(s) who shall represent the interests of the NMCRA as well as the Grantee in defending such action. The Grantee shall also pay any costs to defend such action and shall pay any costs and attorney's fees which may be awarded pursuant to section 119.12, Florida Statutes.

**IF THE GRANTEE OR CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE GRANTEE'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE NMCRA'S CUSTODIAN OF PUBLIC RECORDS CITY CLERK'S OFFICE, CITY OF NORTH MIAMI, 776 N.E. 125TH STREET, NORTH MIAMI, FLORIDA 33161, PHONE (305) 895-9817, [VAJOSEPH@NORTHMIAMI.FL.GOV](mailto:VAJOSEPH@NORTHMIAMI.FL.GOV)**

#### **Section 10. Breach of Agreement; Remedies; Security Interest.**

10.1 Breach. A breach by the Grantee and/or Contractor under this Agreement shall have occurred if: (a) the Project is not completed as set forth in this Agreement; (b) the Grant is ineffectively or improperly used under this Agreement; (c) all permits and/or governmental approvals for the Project as required by applicable law are not received; (d) a detailed expenditure report as required by this Agreement is not submitted or incorrect or incomplete proof of expenditures to support reimbursement requests is submitted; (e) the NMCRA is refused access to records or allowed to monitor, evaluate, and review the Project; (f) a transfer or assignment occurs within five (5) years following completion of the Project as set forth in Section 8 above, (g) changes,

alterations, or modifications are made to the completed Project without the prior written consent of the NMCRA, (h) the Grantee or Contractor discriminates in violation of any Federal, State, or local law; (i) the Grantee or Contractor attempts to meet its obligations under this Agreement through fraud, misrepresentation, or material misstatement; (j) final certificates of occupancy or completion, as applicable, for the Project are not obtained; (k) the Grantee or Contractor fails to perform or improperly performs any of its obligations set forth in this Agreement; (l) Grantee or Contractor defaults in its obligations under any other agreements entered into between the NMCRA and/or the City and Grantee or Contractor; and/or (m) an event of default occurs with respect to any loan to the Grantee. With respect to subsection (m), the Grantee agrees to provide the NMCRA with copies of any notices of default given by any lender and/or landlord.

10.2 Remedies. Immediately upon the breach of this Agreement by Grantee or Contractor as set forth in Section 10.1 above, in addition to all rights and remedies available at law or in equity and as may be set forth herein, the NMCRA may terminate this Agreement by giving written notice to the Grantee and Contractor of such termination and by specifying the termination date at least five (5) days before the effective date of termination. In the event of termination, the City may also (a) seek reimbursement of the Grant or any portion thereof paid under this Agreement; or (b) terminate or cancel any other agreements entered into between the NMCRA and the Grantee or Contractor. The Grantee and/or Contractor shall be responsible for all direct and indirect costs associated with such termination including, but not limited to, attorneys' fees and costs at both the trial and appellate levels and also incurred in enforcing this attorneys' fees provision.

10.3 No Waiver. No express or implied consent or waiver by the NMCRA to or of any breach or default in the performance or non-performance by the Grantee or Contractor of its obligations under this Agreement will be deemed or construed to be a consent or waiver to or of any other breach or default in the performance by the Grantee or Contractor of the same or any other obligations of such other Party hereunder. Failure by the NMCRA to complain of any act or failure to act or to declare a default, irrespective of how long such failure continues will not constitute a waiver by the NMCRA of its rights hereunder. The giving of consent by the NMCRA in any one instance will not limit or waive the necessity to obtain the NMCRA's consent in any future instance.

10.4 Security Interest. In order to secure Grantee's obligations to reimburse and/or repay the Grant as required by this Agreement, Grantee hereby pledges, grants, conveys, and assigns to the NMCRA a continuing lien and security interest upon the Collateral (as defined below). Grantee represents and warrants to the NMCRA that, upon the filing and recording of UCC financing statements with the Florida Secured Transactions Registry and Miami-Dade County, respectively, the lien granted pursuant to this Agreement will constitute a valid, perfected lien on the Collateral, enforceable as such against all creditors of Grantor and second in priority only to any institutional lenders identified in writing by Grantee to NMCRA at the time of execution of this Agreement. Upon satisfaction in full of Grantee's obligations hereunder including, but not limited to the maintenance requirements in Section 6 above, NMCRA's security interest under this Agreement shall terminate and NMCRA shall execute and deliver to the Grantee a UCC-3 termination statement or similar documents and agreements to terminate all of NMCRA's security interest rights under this Agreement. For purposes of this Agreement, "Collateral" shall mean: All furnishings, fixtures, equipment, and other personal property of Grantee, or in which Grantee

has any interest, whether now owned or hereafter acquired or created, wherever located, including (but not limited to), all Goods, Equipment, Inventory, Accounts, Deposit Accounts, Fixtures, General Intangibles, Goods, Documents, Documents of Title, Instruments, Contract Rights, Chattel Papers, and all books and records relating to any of the foregoing together with all additions, accessions, substitutions, changes, renewals, and replacements of all or any of the foregoing in part or in whole, and all Proceeds and Products of the foregoing, and all other personal property of Grantee now owned or hereinafter acquired and wherever located. All capitalized terms used and not otherwise defined herein shall have the meanings ascribed to them in the Florida Revised Uniform Commercial Code - Secured Transaction, Chapter 679, Florida Statutes (2019) or as incorporated therein by reference therein.

**Section 11. Indemnification by Grantee.** The Grantee and the Contractor hereby covenant and agree to indemnify and hold harmless the NMCRA and the Related Parties from and against all liability, losses, or damages, including attorneys' fees and costs, at both the trial and appellate levels, which the NMCRA and the Related Parties may suffer as a result of claims, demands, suits, causes of actions, or proceedings of any kind or nature arising out of, relating to, or resulting from the performance or non-performance of this Agreement by the Grantee or Contractor, their employees, agents, servants, partners, principals, or subcontractors. The Grantee and/or Contractor shall pay all claims and losses and shall investigate and defend (with legal counsel acceptable to NMCRA) all claims, suits, or actions of any kind or nature in the name of the NMCRA, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees and costs which may issue. The Grantee and Contractor expressly understand and agree that any insurance required by this Agreement or otherwise provided shall in no way limit the responsibility to indemnify, keep, and save harmless and defend the NMCRA and the Related Parties. Nothing contained in this Agreement shall be construed to affect the NMCRA's right of sovereign immunity as provided in Chapter 768, Florida Statutes. Additionally, the NMCRA does not waive sovereign immunity, and no claim or award against the NMCRA shall include attorney's fees, investigative costs, or pre-judgment interest.

**Section 12. Notices.** Whenever any party desires to give notice unto any other party, it must be given by written notice, sent by certified United States mail, with return receipt requested, or by nationally recognized overnight delivery service, addressed to the party for whom it is intended and the remaining party, at the places last specified, and the places for giving of notice shall remain such until they shall have been changed by written notice in compliance with the provisions of this section. Notice may also be sent by electronic means (facsimile or email) provided such is followed by a hard copy of such notice provided in the manner set forth above. Notice is deemed given when received. **Section 14. Limitation of Liability.** The NMCRA desires to enter into this Agreement only if in so doing the NMCRA can place a limit on its liability for any cause of action for money damages arising out of this Agreement, so that its liability never exceeds the sum of \$100.00. Grantee expresses its willingness to enter into this Agreement with recovery from the NMCRA for any action or claim arising from this Agreement to be limited to the sum of \$100.00. Accordingly, and notwithstanding any other term or condition of this Agreement, Grantee and Contractor agree that NMCRA shall not be liable to Grantee or Contractor for damages or for any action or claim arising out of this Agreement in an amount in excess of the sum of \$100.00. Nothing contained in this paragraph or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed upon the NMCRA's liability as set forth in Chapter 768, Florida Statutes. Additionally, the NMCRA does not waive sovereign immunity, and no claim or award against the NMCRA shall include attorney's fees, investigative costs or pre-judgment interest.

**Section 15. Miscellaneous.**

15.1 Publicity. It is understood and agreed between the parties that the Grantee is receiving funds by the NMCRA. Further, by the acceptance of these funds, the Grantee agrees that activities funded by this Agreement shall recognize the NMCRA as a funding source. The Grantee shall ensure that any publicity, public relations, advertisements, and signs recognize the NMCRA for the support of all contracted activities. 15.8 Third Party Beneficiaries. None of the parties intend to directly or substantially benefit any third party by this Agreement. Therefore, the parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against either of them based upon this Agreement.

15.9 Construction. All parties have substantially contributed to the drafting and negotiation of this Agreement and this Agreement shall not, solely as a matter of judicial construction, be construed more severely against one of the Parties than the other.

15.10 Governing Law. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida.

15.11 Invalidity. If any term or provision of this Agreement, or the application thereof to any person or circumstance is determined to be invalid or unenforceable, then to the extent that the invalidity or unenforceability thereof does not deprive a party of a material benefit afforded by this Agreement, the remainder of this Agreement or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, will not be affected thereby, and each term and provision of this Agreement will be valid and will be enforced to the full extent permitted by law.

15.13 Recording. Grantee agrees that the NMCRA may record a Memorandum

All policies required to be carried by Grantee hereunder shall be issued by and binding upon an insurance company licensed to do business in the State of Florida with a rating of at least "A - VIII" or better as set forth in the most current issue of Best's Insurance Reports, unless otherwise approved by the NMCRA. Grantee shall not do or permit anything to be done that would invalidate the insurance policies required herein. Certificates of insurance, acceptable to NMCRA, evidencing the existence and amount of each insurance policy required hereunder shall be delivered to NMCRA prior to disbursement of any Grant proceeds and thereafter no more than (10) days following each renewal date. Certificates of insurance for insurance required to be maintained as set forth above shall include an endorsement for each policy showing that the NMCRA is included as an additional insured. Further, the certificates must include an endorsement for each policy whereby the insurer agrees not to cancel, non-renew, or materially alter the policy without at least thirty (30) days' prior written notice to the NMCRA. The limits of insurance shall not limit the liability of Grantee or relieve Grantee of any obligation hereunder.
