6. The Grantee desires to accept the Grant subject to the terms, conditions and restrictions set forth in this Agreement.

NOW, THEREFORE, in consideration of the Grant and the mutual covenants and conditions set forth herein, and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, the parties hereto do hereby agree as follows:

Section 1. Recitals; Program Guidelines. The Recitals set forth above are true and correct and are incorporated in this Agreement by reference. The terms and provisions of the Program Guidelines are incorporated into this Agreement by reference and the Grantee agrees to abide by such terms and provisions. In the event of any conflict between the Program Guidelines and this Agreement, the terms and provisions of this Agreement will control with the understanding that any terms in the Program Guidelines that are not addressed in this Agreement shall nevertheless be applicable.

IWO #20-415 (JLW)

Section 2. Contract Documents. The Specifications & Proposal (“Contract Documents”) related to the Project, attached as Exhibit “B”, represent the scope of services and responsibilities of the Parties under the Project, and the Parties agree to abide by and comply with their respective roles and responsibilities. The City has the sole responsibility and obligation of interpreting the intent and purpose of the Program and Contract Documents.

Section 3. Amount Payable. Subject to available funds, the maximum amount payable under this Agreement shall not exceed the Grant amount awarded. Payment to the Contractor for the Project shall be made as described in Exhibit “C”. After payment is made to the Contractor by the City, the City shall be automatically discharged from any and all obligations, liabilities and commitments to the Owner, Contractor or any third person or entity.

3.1 The Grantee acknowledges and agrees that should Program funding be reduced or unavailable, the amount payable under this Agreement may be reduced by the City. Availability of Grant funds shall be determined by the City, in its sole discretion. The Grantee waives any and all claims against the city for any reduction or unavailability of funding. The Grantee will not look to, nor seek to hold liable, the City, its officers, employees, or agents for the performance or non-performance of this Agreement and agrees to hold the City harmless and release the City from any and all claims and liability under this Agreement, whether as a direct or indirect consequence of any funding reduction or unavailability.

3.2 If the Owner terminates or cancels the services of the Contractor, and the Contractor is not in default of this Agreement, the Contractor shall be compensated for labor and material expenses incurred up to the date of cancellation, plus normal profit and overhead, the total sum of which shall not exceed twenty percent (20%) of the labor and materials’ cost. As a condition of payment, Contractor shall submit verifiable written documentation of labor and materials expenses to the City. The Contractor shall be compensated from the funds provided to this Project.

Section 4. Relationship of the Parties. The parties agree that this Agreement recognizes the autonomy of and does not imply any affiliation between the contracting parties. It is expressly understood and intended that the Grantee, its agents and employees, are not agents or employees of the city, but are only recipients of funding support, and is not an agent or instrumentality of the city or entitled to any employment benefits by the City.

Section 5. Assignment. This Agreement and participation in the Program are not transferable to new business owners or lessees. New business owners must re-apply to participate in the Program and are subject to the “Past Program Participation” restrictions set forth in the Program Guidelines. The Grantee and Contractor shall not sublease, transfer or assign any interest in this Agreement.

Section 6. Records, Reports, Audits, Monitoring and Review.

6.1 The Grantee and Contractor shall maintain complete and accurate books, records and accounts of all costs and expenses incurred in connection with the Grant. Upon the request of the City, all such books and records of the Grantee which relate to the Grant shall be available for

inspection and audit by the City or any of its authorized representatives at all reasonable times during normal business hours. The City shall be entitled to make such copies of the books and records as the City deems appropriate.

6.2 The Grantee and Contractor's books and records shall be maintained or caused to be maintained in accordance with generally accepted accounting principles in a consistent manner, together with the pertinent documentation and data to provide reasonable audit trails for a period of six (6) years following the Funding Termination Date. The foregoing obligation shall expressly survive the expiration or earlier termination of this Agreement.

Section 7. Breach of Agreement; Remedies.

7.1 Breach. A breach by the Grantee under this Agreement shall have occurred if: (a) the Grantee ineffectively or improperly uses the Grant allocated under this Agreement; (b) the Grantee fails to submit documentation as required by this Agreement or submits incorrect or incomplete proof of expenditures in accordance with the Program Guidelines; (c) the Grantee refuses to allow the City access to records or refuses to allow the City to monitor, evaluate and review the Grantee's use of grant funds; (d) a transfer or assignment occurs within three (3) years following completion of the Project as set forth in Section 9 above, (e) the Grantee discriminates in violation of any Federal, State or local law; (f) the Grantee attempts to meet its obligations under this Agreement through fraud, misrepresentation or material misstatement.

7.2 Remedies. Immediately upon the breach of this Agreement by Grantee as set forth in Section 10.1 above, in addition to all rights and remedies available at law or in equity, the City may terminate this Agreement by giving written notice to the Grantee of such termination and by specifying the termination date at least five (5) days before the effective date of termination. In the event of termination, the City may also (a) seek reimbursement of the Grant, or any portion thereof paid to the Grantee under this Agreement; or (b) terminate or cancel any other agreements entered into between the City and the Grantee. The Grantee shall be responsible for all direct and indirect costs associated with such termination including, but not limited to, attorneys' fees and costs at both the trial and appellate levels and also incurred in enforcing this attorneys' fees provision.

7.3 No Waiver. No express or implied consent or waiver by the City to or of any breach or default by the Grantee in the performance or non-performance by the Grantee of its obligations under this Agreement will be deemed or construed to be a consent or waiver to or of any other breach or default in the performance by the Grantee of the same or any other obligations of such other Party hereunder. Failure by the City to complain of any act or failure to act of the Grantee or to declare the Grantee in default, irrespective of how long such failure continues will not constitute a waiver by the City of its rights hereunder. The giving of consent by the City in any one instance will not limit or waive the necessity to obtain the City's consent in any future instance.

Section 8. Indemnification by Grantee. The Grantee and Contractor hereby covenants and agrees to indemnify and hold harmless the City and its officers, employees, agents, and instrumentalities from and against all liability, losses or damages, including attorneys' fees and costs, at both the trial and appellate levels, which the City may suffer as a result of claims, demands, suits, causes of actions or proceeding of any kind or nature arise out of, relating to or resulting from the performance or non-performance of this Agreement by the Grantee/Contractor or its employees,

agents, servants, partners, principals or subcontractors. The Grantee and Contractor shall pay all claims and losses and shall investigate and defend (with legal counsel acceptable to City) all claims, suits or actions of any kind or nature in the name of the City, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees and costs which may issue. The Grantee and Contractor expressly understand and agrees that any insurance required by this Agreement or otherwise provided by the Grantee shall in no way limit the responsibility to indemnify, keep and save harmless and defend the City. Nothing contained in this Agreement shall be construed to affect the City's right of sovereign immunity as provided in Chapter 768, Florida Statutes. Additionally, the City does not waive sovereign immunity, and no claim or award against the City shall include attorney's fees, investigative costs or pre-judgment interest.

Section 9. Notices. Whenever any party desires to give notice unto any other party, it must be given by written notice, sent by certified United States mail, with return receipt requested, or by nationally recognized overnight delivery service, addressed to the party for whom it is intended and the remaining party, at the places last specified, and the places for giving of notice shall remain such until they shall have been changed by written notice in compliance with the provisions of this section. Notice may also be sent by electronic means (facsimile or email) provided such is followed by a hard copy of such notice provided in the manner set forth above. Notice is deemed given when received. For the present, Grantee and the City designate the following as the respective places for giving such notice:

City:	City of North Miami 776 N.E. 125 th Street North Miami, FL 33161 Attn: City Manager
Copy to:	City of North Miami 776 N.E. 125 th Street North Miami, FL 33161 Attn: City Attorney

Section 10. Limitation of Liability. The City desires to enter into this Agreement only if in so doing the City can place a limit on its liability for any cause of action for money damages arising out of this Agreement, so that its liability never exceeds the sum of \$100.00. Grantee expresses its willingness to enter into this Agreement with recovery from the city for any action or claim arising from this Agreement to be limited to the sum of \$100.00. Accordingly, and notwithstanding any other

term or condition of this Agreement, Grantee agrees that City shall not be liable to Grantee for damages or for any action or claim arising out of this Agreement in an amount in excess of the sum of \$100.00. Nothing contained in this paragraph or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed upon City's liability as set forth in Chapter 768, Florida Statutes. Additionally, the City does not waive sovereign immunity, and no claim or award against the City shall include attorney's fees, investigative costs or pre-judgment interest.

Section 11. Miscellaneous.

11.1 Publicity. It is understood and agreed between the Parties that this Grantee is receiving funds by the City. Further, by the acceptance of these funds, the Grantee agrees that activities funded by this Agreement shall recognize the City as a funding source. The Grantee shall ensure that any publicity, public relations, advertisements and signs recognize the City for the support of all contracted activities. Grantee shall permit, or cause the landlord to permit, as applicable, a sign to be placed upon the Property by the City relative to this Agreement.

11.4 Binding Authority. 11.6 Exhibits. Each Exhibit referred to in this Agreement should be treated as part of this Agreement and are incorporated herein by reference.

11.7 Extent of Agreement. This Agreement represents the entire and integrated agreement between the City and the Grantee and supersedes all prior negotiations, representations or agreements, either written or oral.

11.8 Third Party Beneficiaries. Neither of the parties intend to directly or substantially benefit any third party by this Agreement. Therefore, the Parties agree that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against either of them based upon this Agreement.

11.9 Construction. Both parties have substantially contributed to the drafting and negotiation of this Agreement and this Agreement shall not, solely as a matter of judicial construction, be construed more severely against one of the Parties than the other.

11.10 Governing Law; Venue. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Venue for litigation concerning this Agreement shall be in Miami-Dade County, Florida.

11.11 Invalidity. If any term or provision of this Agreement, or the application thereof to any person or circumstance is determined to be invalid or unenforceable, then to the extent that the invalidity or unenforceability thereof does not deprive a party of a material benefit afforded by this Agreement, the remainder of this Agreement or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, will not be affected thereby, and each term and provision of this Agreement will be valid and will be enforced to the full extent permitted by law.

11.12 Survival. All terms and provisions of this Agreement shall survive the Funding Termination Date and the termination of this Agreement, as applicable, as necessary in order for the parties to enforce their rights hereunder.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective and duly authorized officers the day and year first above written.
