In addition to the Lease Payments described above, Lessee shall pay the following:

A security deposit of **Zero Dollars and 00/100 Cents (\$0.00)** is to be paid together with the first rental payment on or before **May 3, 2025**, to bind Lessee's pledge of full compliance with the terms of this Lease Agreement.

The Security Deposit may not be used to pay rent or other charges while Lessee occupies the apartment. No refund of the Security Deposit will be made until Lessee has vacated, and Lessor has inspected the apartment.

If any deductions are made, Lessor will furnish Lessee with a written statement of any such costs for damages and/or other charges deducted from the Security Deposit.

V. NOTICES.

City of North Miami
776 NE 125 Street
North Miami, FL 33161
Attn: Housing & Social Services Department

VI. UTILITIES.

Lessee must obtain electric service for the leased apartment, if separately metered, and pay all charges for hook-up, connection, and deposit for providing utilities and utility services to the property. Lessor is not liable for any interruption or malfunction in service of any utility due to any cause. Lessee may not occupy the leased apartment without electric service.

VII. OCCUPANCY AND USE OF PREMISES.

Only those persons whose names appear on this Lease Agreement may occupy the apartment. No other persons may occupy the apartment for more than **three (3) days** per month without prior written consent of the Lessor or its Agent. Such consent may be withheld for any reason or no reason. The apartment is to be used for the purpose of private housing. Lessee further agrees not to use, nor permit the apartment to be used for any illegal, immoral, or improper purpose, nor to permit any disturbance, noise, or annoyances whatsoever detrimental to the comfort and peace of any of the inhabitants of the premises. Lessee may not assign this Lease Agreement or sublet any portion of the leased apartment without Lessor's prior written consent. Such consent may be withheld for any reason or no reason.

VIII. PETS PROHIBITED.

No pets may be kept in the apartment or on the premises.

IX. DEFAULT.

- A. **Lessor's Default.** Except as noted below, Lessor will be in default if Lessor fails to comply with Lessor's required maintenance obligations or fails to comply with other material provisions of the Lease Agreement and such failure continues for more than **seven (7) days** after Lessee delivers a written notice to Lessor that tells Lessor how the Lessor has violated the Lease Agreement.

If Lessor's failure to comply is due to causes beyond the Lessor's control and if Lessor has made, and continues to make, every reasonable effort to correct the problem, the Lease Agreement may be altered by the parties, as follows:

1. If Lessor's failure to comply makes the premises uninhabitable and Lessee vacates, Lessee shall not be liable for rent during the period the premises remain uninhabitable.
2. If Lessor's failure to comply does not make the premises uninhabitable and Lessee continues to occupy the premises, the rent for the period of noncompliance will be reduced by an amount in proportion to the loss of rental value caused by the noncompliance.

- B. **Lessee's Default.** Lessee will be in default if any of the following occur:

1. Lessee fails to pay rent when due and the default continues for **three (3) days**, excluding Saturday, Sunday, and legal holidays, after delivery of written demand by Lessor for payment of the rent or possession of the premises.
2. Lessee fails to perform Lessee's obligations under the Lease Agreement, and the failure is such that Lessee should not be given an opportunity to correct it or the failure occurs within **twelve (12) months** of a written warning by Lessor of a similar failure. Examples of such failures that do not

require an opportunity to correct include, but are not limited to, destruction, damage, or misuse of Lessor's property by an intentional act or a subsequent or continued unreasonable disturbance.

3. Except as provided above, Lessee fails to perform any other obligation under the Lease Agreement and the default continues for more than **seven (7) days** after delivery of written notice to Lessee from Lessor specifying the default.

X. REMEDIES.

- A. **Holdover Tenants.** If Lessee remains in possession of the apartment after the expiration of the Lease Agreement without Lessor's approval and Lessee does not sign a new lease agreement, Lessee shall be considered a holdover tenant as defined by Section 83.58, Florida Statutes and Lessor may recover double the amount of rent due on the apartment, or any part thereof, for the period during which the tenant refuses to surrender possession.
- B. **Month-to-Month Tenants.** If Lessee remains in possession of the apartment after the expiration of the Lease Agreement with Lessor's approval and Lessee does not sign a new lease agreement, Lessee is considered a month-to-month tenant under Florida law. As a month-to-month tenant, Lessor can charge the market rate, which increases as the market increases, plus month-to-month rent costs hereby deemed rent. Month-to-month tenancies will not be prorated, the full month's rent is payable in advance pursuant to Florida Statute 83.46(2).
- C. If Lessee defaults under the Lease Agreement by failing to pay rent, Lessor may terminate Lessee's rights under the Lease Agreement and Lessee shall vacate the premises immediately. If Lessee defaults under the Lease Agreement for any other reason, Lessor may terminate Lessee's rights under the Lease Agreement and Lessee shall vacate the premises within **seven (7) days** of delivery of the notice of termination.
- D. If Lessee fails to cure a default within the time specified in the notice to Lessee, Lessor may recover possession of the premises as provided by law.
- E. Lessor shall not recover possession of the premises except:
 1. In a legal action for possession;
 2. When Lessee has surrendered possession of the premises to Lessor;
 3. When Lessee has abandoned the premises. Absent actual knowledge of abandonment, the premises shall be considered abandoned if Lessee is absent for at least one-half a Rental Installment Period, the rent is not current, and Lessee has not notified Lessor, in writing, of an intended absence; or
 4. By mutual consent.
- F. If Lessee has defaulted under the Lease Agreement and Lessor has obtained a writ of possession, if Lessee has surrendered possession of the premises to Lessor, or if Lessee has abandoned the premises, Lessor may:
 1. Treat the Lease Agreement as terminated, retake possession for Lessor's own account, and any further liability of Lessee will be ended;

2. Retake possession of the premises for Lessee's account. Lessee will remain liable for the difference between rent agreed to be paid under the Lease Agreement and rent Lessor is able to recover in good faith from a new Lessee; or
 3. Do nothing, and Lessee will be liable for the rent as it comes due.
- G. If Lessor retakes possession of the premises for Lessee's account, Lessor must make a good faith effort to re-lease the premises. Any rent received by Lessor as a result of the new lease shall be deducted from the rent due from Lessee. For purposes of this section, "good faith" in trying to re-lease the premises means that Lessor shall use at least the same efforts to re-lease the premises as were used in the initial rental or at least the same efforts as Lessor uses in attempting to lease other similar property.
- H. **Other Remedies.** Each party also may have other remedies available at law or in equity.
- I. **Payment of Rent to Court.** In any legal action by Lessor for possession of the premises, if Lessee raises any defense other than payment, Lessee must pay into the registry of the court the past due rent set forth in Lessor's complaint, or an amount determined by the court, and the rent which comes due during the lawsuit, as it comes due. Failure of Lessee to pay the rent into the registry of the court will be a waiver of Lessee's defenses other than payment.
- J. **Attorneys' Fees.** In any legal action brought to enforce the Lease Agreement or under applicable law, the prevailing party may recover its reasonable court costs and attorneys' fees from the other party.

XI. TERMINATION.

Upon termination or expiration of this Lease Agreement, Lessee agrees to vacate the premises peaceably and immediately. The dwelling unit must be left in the same condition as it was at the beginning of the Lease Agreement with the exception of damage due to reasonable wear and tear. If any of Lessee's property is left in the apartment, on the premises, or in any unauthorized area after the termination of this Lease Agreement or Lessee vacates the apartment, Lessor may remove, dispose of, or place that property in storage and charge Lessee accordingly and Lessee waives any claims for damages as a result of the disposal of the property. If Lessee fails to deliver all keys, replacement costs will be deducted from the security deposit. Lessee shall give **sixty (60) days'** written notice to vacate prior to the expiration date of the Lease Agreement. The date of termination shall always be the last day of the month. Failure to give the **sixty (60) days'** written notice to vacate prior to termination of the Lease Agreement will result in **one (1) month** additional rent as "liquidated damages" to the Lessor.

XII. RENEWAL.

This Lease Agreement shall automatically terminate as of the expiration date set forth above, without notice from Lessor. If any monies are due at the time of termination of this Lease Agreement, and a new lease is signed, it is hereby agreed that all monies due shall be due to Lessor as rent or additional rent and will be collected as same.

XIII. LIENS.

Lessee shall not have the right or authority to encumber the premises or to permit any person to claim or assert any lien for the improvement or repair of the premises made by

Lessee. Lessee shall notify all parties performing work on the premises at Lessee's request that the Lease Agreement does not allow any liens to attach to Lessor's interest.

XIV. RIGHT TO ENTER.

Lessor shall have the right to enter Lessee's apartment for inspection, extermination, maintenance, and repair with reasonable notice and during reasonable hours, at any time in an emergency, or as provided otherwise by law.

XV. REPAIR AND MAINTENANCE.

Lessee acknowledges that Lessee has inspected the apartment and is fully satisfied and accepts it in its "as is" condition, except as otherwise agreed to by Lessee and us in writing.

Lessor and Lessee agree that the maintenance of the premises is as follows:

A. **Lessor's Required Maintenance.** Lessor is responsible for all major maintenance or major replacement of appliances and equipment, not caused by the negligence of the Lessee. Maintenance or replacement needed due to negligence of the Lessee shall be the responsibility of Lessee. Major maintenance and replacement are those repairs or replacement items exceeding **One Hundred Dollars and 00/100 Cents (\$100.00)**. All maintenance or replacement of **One Hundred Dollars and 00/100 Cents (\$100.00)** or less shall be the responsibility of Lessee. Lessor shall maintain air conditioning and heating equipment, although Lessee must pay for any repair occasioned by Lessee misuse or neglect.

In addition to the above, at all times during the Lease Term, Lessee shall:

1. Comply with all obligations imposed upon Lessees by applicable provisions of building, housing, and health codes;
2. Maintain the premises in a neat, clean, decent, safe, and sanitary condition;
3. Remove all garbage from the dwelling unit in a clean, sanitary manner, maintain plumbing fixtures, faucets, pipes, etc.;
4. Maintain all plumbing fixtures in the dwelling unit in a clean, sanitary condition and in good repair; and
5. Assure that property belonging to the Lessor is safeguarded against damage, destruction, loss, removal, or theft; and
6. Use and operate in a reasonable manner all electrical, plumbing, sanitary, heating, ventilating, air conditioning, and other facilities and appliances.

Lessor shall have no responsibility for the repair or replacement of the washer or dryer. Lessee may use the washer and dryer but bears full responsibility for repair or replacement. Lessee is responsible for grounds, and lawn and garden maintenance at Lessee's expense.

Nothing in this section makes Lessor responsible for any condition created or caused by the negligent or wrongful action or omission of Lessee, any member of Lessee's household, or any person on the premises with Lessee's consent.

Lessee is responsible for the removal of trash and garbage from Lessee's apartment and keeping it in a clean and sanitary manner. Damages to lock or keys lost or damaged by Lessee will be repaired and/or replaced by Lessor at Lessee's expense. Lessee must

check Lessee smoke detectors weekly and replace the battery routinely to ensure that they are working properly. Lessee must change A/C filters monthly, or more often if required, please contact the leasing office to find out the location where Lessee can get the A/C filters. Storing items in the A/C closet is strictly prohibited. Stored items may damage the A/C system. Lessee shall use plumbing fixtures and facilities, electric systems, and other mechanical systems in the manner designed. Any and all damages caused by Lessee or Lessee's family or invitees to the apartment or the premises, whether by misuse, neglect, accident, intentionally, or otherwise, will be corrected, repaired, or replaced at Lessee's expense, as additional rent to be paid immediately. Lessee agrees to immediately notify Lessor in writing of any needed maintenance or repair.

XVI. ALTERATIONS.

Lessee shall not make alterations, or additions nor install or maintain in the apartment, or any part of the premises, any fixture, appliance, devices, or signs without our written consent, which may be withheld for any reason or no reason unless prohibited by law. Any alterations, additions, or fixtures, which are made after Lessee has received Lessor's written consent, shall remain a part of the dwelling unit unless specifically agreed otherwise.

XVII. REIMBURSEMENT BY LESSEE.

Lessee agrees to reimburse Lessor promptly in the amount of the loss, property damage, or cost of repairs or service (including plumbing repairs) caused by negligence or improper use by Lessee, Lessee's agents, invitees, family, or guests. Lessee shall be responsible for any damage resulting from windows or doors left open. Such reimbursement shall be due immediately upon demand by Lessor. Lessor's failure or delay in demanding damage reimbursement, late-payment charges, returned check charges, or other sums due from Lessee, shall not be deemed a waiver thereof, and Lessor may demand same at any time, including move-out.

IT IS UNDERSTOOD AND AGREED THAT LESSOR MAY AT ANY TIME AND FROM TIME TO TIME DEDUCT DAMAGE REIMBURSEMENTS, UTILITY CHARGES, LATE PAYMENT CHARGES, AND/OR RETURNED CHECK CHARGES, OR ANY PORTIONS THEREOF, FROM LESSEE'S SECURITY DEPOSIT, WITHOUT WAIVER OR ANY OTHER RIGHTS OR REMEDIES OF LESSOR.

XVIII. LIABILITY.

Lessor shall not be liable for any loss by reason of damage, theft, or otherwise to the contents, belongings, and personal effects of the Lessee, or Lessee's family, agents, employees, guests, or visitors located in or about the Premises, or for damage or injury to Lessee or Lessee's family, agents, employees, guests, or visitors. Lessor shall not be liable if such damage, theft, or loss is caused by Lessee, Lessee's family, agents, employees, guests, or visitors. Nothing contained in this provision shall relieve Lessor or Lessee from responsibility for loss, damage, or injury caused by their own negligence or willful conduct. Lessor makes no representation of any kind to protect Lessee or anyone else, Lessee's property, or anyone else's property from the negligent or criminal acts of others. Lessee is responsible for all liability insurance coverage on Lessee's apartment and, with respect to Lessee's family, licensees, or invites, agrees to save, and hold Lessor harmless and indemnify Lessor from any liability. LESSOR STRONGLY RECOMMENDS THAT LESSEE SECURE RENTERS INSURANCE TO PROTECT LESSEE FROM ALL SUCH OCCURRENCES. Lessor is not responsible for any damage that may result from any acts of God.

XIX. FIRE AND CASUALTY.

Fire Protection is available on the premises. If Lessee apartment becomes uninhabitable because of fire, explosion, or other casualty, Lessor may at our option, terminate this Lease Agreement or repair the apartment within **thirty (30) days**. If we elect not to repair the apartment, this Lease Agreement shall terminate. If we do elect to repair the apartment, and if the damage is not due to Lessee's negligence, this rent shall be abated during the time Lessee cannot occupy the apartment. Nothing shall be used or kept in or about Lessee's apartment that would in any way affect the terms and conditions of our fire and extended coverage policy or be a violation of the law.

XX. APPLICATION.

Lessee affirms that the information given by Lessee in Lessee's application is true and correct. If any information is found to be false, Lessor may terminate this Lease Agreement for material non-compliance. Lessee will notify of any change in the information in Lessee's application promptly in writing.

XXI. POLICIES AND PROCEDURES.

Attached to and made part of this Lease Agreement are the Policies and Procedures, promulgated for the mutual benefit of all. Lessee agrees to abide by these policies and by any changes or additions, which may be promulgated at a later time. Lessor has the right to modify, amend or add to the Policies and Procedures whenever, it is necessary or advisable to do so for the purpose of safety, economy, preservation, or cleanliness in the operation and maintenance of the premises, or for the safety, comfort, convenience, or welfare of the Lessee. Lessee further agrees that the posting of any changes to the attached Policies and Procedure shall be sufficient to make the changes known to Lessee.

XXII. RADON GAS.

Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of Radon that exceed Federal and State guidelines have been found in buildings in Florida. Additional information regarding Radon and Radon testing may be obtained from Lessee County Public Health Unit. This information is provided for informational purposes pursuant to Section 404.059(8), Florida Statutes (1989).

XXIII. EXPRESSED AGREEMENT, SEVERABILITY.

We are pleased to rent to Lessee the above-referenced apartment. This Lease Agreement is the entire agreement between Lessee and Lessor and may be modified only in writing. The invalidity or enforceability of any provision of this Lease Agreement shall in no way affect the validity or enforceability of any other provision of this Lease Agreement. As used in this Lease Agreement "Lessee" means those lessee(s), tenant(s) whose names appear above, and Lessee are jointly and severally responsible. "Lessor" means the lessor. "Premises" means the entire property, including public areas. UPON EXECUTION OF THIS LEASE AGREEMENT, LESSEE ACKNOWLEDGES THAT LESSEE READ AND AGREES TO ALL OF ITS PROVISIONS. It is executed by the Lessee(s) and the Lessor on the above date.

XXIV. OVER THE AIR RECEPTION DEVICES/SATELLITE DISHES.

The installation of Over Air Reception Devices/Satellite Dishes is strictly prohibited without prior written consent in the form of an executed ADDENDUM and all associated

fees paid in advance. Installation without written approval would constitute a material noncompliance of this Lease Agreement.

XXV. MILDEW AND MOLD.

Lessee acknowledges that the apartment is located in Florida which has a climate conducive to the growth of mold and mildew and that it is necessary to provide proper room temperature, lighting, ventilation, air conditioning, and dehumidification of the apartment to retard or prevent the growth of mold and mildew. Lessee hereby acknowledges that there was no mold in the apartment at the time of move-in. Lessee agrees to be responsible for taking all proper action to retard and prevent mold and mildew and to protect his person and property from loss or damage as a result thereof and further agrees that Lessee shall be responsible for damage to the apartment resulting from Lessee's failure to provide proper climate control. Further, Lessor shall not, in any event, be responsible for damage or loss/injury to persons or property caused by mold or mildew.

XXVI. PEST INFESTATIONS.

Rental units have been maintained and are pest free. In the event Lessee finds, at the time of possession, any type of pest in the unit, including but not limited to bed bugs, Lessee must notify the Lessor immediately. Lessee's failure to notify Lessor or Lessor's representatives within **twenty-four (24) hours** of possession of any type of pest, including bed bugs, will be deemed Lessee's acknowledgment that the apartment was free from any pest infestation when possession was given to the Lessee. Lessor will not be responsible for any pest infestations, including bed bugs, caused by the Lessee. It is Lessee's responsibility to immediately address said pest problem. Any pest extermination, including the eradication of bed bugs, after **twenty-four (24) hours** of possession, will be at Lessee's expense. In the event Lessee fails to address a bed bug problem, the Lessor may take measures to eradicate the pests at the Lessee's expense. Said pest eradication costs will be deemed rent and collected as same.

XXVII. SMOKE DETECTION SYSTEM.

Smoke Detectors have been installed and are in operable condition on the property. Lessee is required to maintain the smoke detectors with new batteries. Lessee's failure to maintain the smoke detectors in working order absolves the Lessor from any responsibility for losses due to malfunction of the alarm in case of fire.

XXVIII. MOVE-OUT & INSPECTIONS.

Failure to execute a Move-Out Condition Report and conduct an inspection of Lessee's apartment with a company representative, at the time of move-out, will result in Lessee waiving all rights to dispute any and all charges that may be incurred for damages to the apartment. A price list for damages is incorporated herein and Lessee hereby agrees to be responsible for all damages charged. Lessee must schedule a move-out inspection **two (2) weeks** in advance with management, prior to move-out.
