In addition, the City shall determine the amount of compensation to be paid to the Contractor for the work completed up to the time of termination. Contractor shall be responsible for all repairs and replacement of all work to the City's satisfaction.

- b. Should this Agreement be entered into and fully executed by the Parties, and the funds have not been forwarded to Owner(s) or Contractor, the following shall occur:

In the event the Owner(s) files a voluntary petition pursuant to 11 U.S.C. 301 or 302, or an order for relief is entered under 11 U.S.C. 303, the Owner(s) acknowledges that the commencement of a bankruptcy proceeding constitutes an event of default under the terms of this Agreement. The Owner(s) further agrees that any funds loaned by the City shall be secured by a lien on the real property first in priority and ahead of any other existing lien(s), unless otherwise agreed to in writing by the City.
    - 2. In the event of default, the City shall be entitled to pursue any and all available legal and equitable remedies, including, but not limited to, those remedies provided herein.

- a. In the event the Contractor files a voluntary petition pursuant to 11 U.S.C. § 301, or an order for relief is entered under 11 U.S.C. § 303, the Contractor acknowledges that the commencement of a bankruptcy proceeding constitutes an event of default under the terms of this Agreement. Further, the Contractor acknowledges that this Agreement constitutes an executory contract within the meaning of 11 U.S.C. § 365. Furthermore, the Contractor shall be obligated to provide adequate assurance of future performance including, but not limited to, adequate assurances that the Contractor shall complete the project contemplated by the Agreement within the time frame provided and agreed upon by the Parties under the terms and conditions of this Agreement.
- c. In the event that the Owner(s) defaults under this Agreement by insolvency or bankruptcy, either by filing a voluntary petition under 11 U.S.C. §§ 301 or 302, or

an order for relief is entered under 11 U.S.C. § 303, Contractor fully understands, acknowledges and agrees to be fully bound by the provisions contained in Paragraph 22 (a)(1), (a)(2), (a)(3), (b) and/or (c), in the event Contractor files a voluntary petition under 11 U.S.C. § 301, or an order for relief is entered under 11 U.S.C. § 303. All related construction items removed or replaced shall become the property of the contractor unless prior agreement with the Homeowner has been reached in writing and approved by the Housing & Social Services Department. The contractor shall not use the Homeowner's residential bulk pickup and the regular trash pickup system to remove construction debris.

The Contractor shall provide all necessary materials, equipment and shall perform the services with the standard of skill, care, and due diligence, which a competent and suitable qualified person performing such services would reasonably be expected to exercise in accordance with the Work Specifications. The work shall be performed in a "Workman Like Manner." Contractor to include cost of services of any licensed professional, if necessary, in procuring permits for the work.

All work to be performed in the Contract Agreement, including plans and bid specifications, shall comply with all current building codes, ordinances, and permitting requirements from the City of North Miami. This includes the current Florida Building Code with the latest revisions. All applicable State and Federal Statutes must be followed (e.g., Davis Bacon, Child Labor Laws, etc.) Failure to comply with general conditions may result in suspension or removal from the program.

The Contractor certifies that the location of the proposed work has been examined, as necessary to fully understand the nature of the obligation. Contractor is responsible for verifying all existing dimensions and job site conditions prior to submitting his bid. The work should be completed in the time limit(s) specified and in accordance with the plans and Work Specifications.

The Contractor must obtain all required permits within fifteen (15) days of the issuance of the Notice to Proceed. Construction work must begin within thirty (30) days from the date of the Building Permit issuance and shall be carried out at a rate that ensures its full completion: no later than thirty (30) days for exterior work and one hundred twenty (120) days for total rehabilitation work, from the date of the issuance of the Notice to Proceed. The Contractor is responsible for scheduling and coordinating all subcontractor work.

All permits, inspections, process fees, Notice of Commencement and engineering or survey required to complete the following tasks shall be the responsibility of the Contractor.

The Contractor agrees to provide a one (1) year general warranty for all work performed under these specifications and a 5/10/15-year and 25 years roof warranty depending on the type . This will include all labor and materials. If certain items require different warranty periods, these items will be cited in the individual specifications.

To the fullest extent permitted by law, the Contractor shall indemnify, defend and hold harmless the Homeowner and the City and its agents and employees, from and against claims, damages, losses and expenses, including but not limited to attorney's fees, arising out of or resulting from performance of the work or providing of materials to the extent caused in whole or in part by negligent or wrongful acts or omissions of, or a breach of this agreement by, the contractor, a subcontractor, anyone directly or indirectly employed by them or anyone whose acts they are legally responsible.

No verbal agreements are to be made between the Contractor and Homeowner. It is understood that the work contained in these specifications shall be done. **There shall be no private agreements of any kind between the Homeowner and the Contractor.**

No changes will be permitted to the Contract Agreement unless of an emergency nature, code violations, a requirement by the Building Department, a request for modification, or other instances as deemed necessary to complete the project. If said changes occur, a Change Order shall be approved and executed by the Homeowner, the Contractor, and the City prior to the start of the change order work.

If at any point in the following Specifications a "maximum retail price" is quoted for an item to be installed, the Homeowner will be responsible for selecting and approving this item within the quoted price range. The Contractor must have written acceptance from the Homeowner, prior to the product installation.

Whenever a material, item, article, appliance, or piece of equipment is identified in the Contract Agreement including plans and bid specifications by reference to manufacturers of vendor's names, trade names, model numbers, catalog numbers, or otherwise, the CITY, will have made its best efforts to name such reference. Any such reference is intended merely to establish a standard; and, unless it is followed by the words "**no substitution is permitted**" because of form, fit, function and quality, any material, item, article, appliance, or equipment from other manufacturer's and vendors which will perform or serve the requirements of general design will be considered equally acceptable provided the material, item, article, appliance, or equipment so proposed is, in the sole opinion of the CITY, equal in substance, approval granted by the CITY in the form of an executed change order prior to the installation of the material, item, article, appliance, or equipment.

When a specification refers to an "allowance", the Contractor is to permit the Homeowner to select the product to be installed, providing the pre-tax cost of the product does not exceed the allowance. The product selected must meet the standards specified in these specifications.

If there are conflicts between the Homeowner and the Contractor, the requirements cited in the Work Specifications shall prevail. Exception: Contractor and Homeowner must get written approval from the Homeowner or Condo Association and/or Property Manager for all work items.

The Contractor acknowledges that the agent of the City shall perform pre and post inspections of all work performed. The Mortgagee may obtain and pay the premium on (but shall be under no obligation to do so) every kind of insurance required if the amount of such premium has not been deposited as required by this Mortgage, in which event the Mortgagor will pay the Mortgagee every premium so paid by the Mortgagee.
  - b) In the event of loss or damage to the mortgage property, the Mortgagor will give to the Mortgagee immediate notice by mail, and the Mortgagee may make and file proof of loss if not made otherwise promptly by or on behalf of the Mortgagor. Each insurance company issuing any such policy is hereby authorized and directed to make payment for such loss to the Mortgagor and the Mortgagee jointly, unless the amount of loss is payable first to the lienholder under a mortgage or similar instrument to which this Mortgage is expressly subject, and the insurance proceeds, or any part, if received by the Mortgagee, may be applied by the Mortgagee, at its option, either in reduction of the indebtedness secured, or to the restoration or repair of the Mortgaged Property in extinguishment of such indebtedness, all right, title and interest of the Mortgagor in and to every such insurance policy then in enforce, subject to the rights and interest of the holder of any such prior lien, shall pass to the grantee acquiring title to the Mortgaged Property together with such policy and appropriate assignment of such right, title, and interest which shall be made by the Mortgagor.
7. The Improvements and all plans and specifications shall comply with any and all applicable municipal, county, state and federal ordinances, regulations and rules made or promulgated by lawful authority, and upon their completion, shall comply with the rules of the Board of Fire Underwriters having jurisdiction.
8. Upon any failure by the Mortgagor to comply with or perform any of the terms, covenants or conditions of the Mortgage requiring the payment of any amount of money by the Mortgagor, other than the principal amount of the loan evidenced by the Note, interest and other charges, as provided in the Note, the Mortgagee may at its option make such payment. Every payment so made by the Mortgagee (including reasonable attorney's fees incurred), with interest thereon from date of such payment, at the rate of four percent (4%) per annum, except any payment for which a different rate of interest is specified herein, shall be payable by the Mortgagor to the Mortgagee on demand and shall be secured by this Mortgage. This Mortgage with respect to any such amount and the interest thereon shall constitute a lien on the Mortgaged Property prior to any other lien attaching or accruing subsequent to the lien of this Mortgage.
9. The Mortgagee, by any of its agents or representatives, shall have the right to inspect the Mortgaged Property from time to time at any reasonable hour of the day. Should the Mortgaged Property at any time require inspection, repair, care or attention of any kind or nature not provided by the Mortgagor as determined by the Mortgagee in its sole discretion, the Mortgagee may, after notice to the Mortgagor, enter or cause entry to be made upon the Mortgaged Property and inspect, repair, protect, care for or maintain such property, as the Mortgagee may in its sole discretion deem necessary, and may pay all amounts of money, as the Mortgagee may in its sole discretion deem necessary.
10. The principal amount owing on the Note together with interest and all other charges, as provided in the Note, and all other amounts of money owing by the Mortgagor to the Mortgagee pursuant to and secured by this Mortgage, shall immediately become due and payable without notice or demand upon the transfer or alienation of the Mortgaged Property to another person other than the Mortgagor, except is such transfer is to the surviving spouse, appointment of a receiver or liquidator, whether voluntary or involuntarily, for the Mortgagor or any of the property

of the Mortgagor, or upon the filing of a petition by or against the Mortgagor under the provisions of any State insolvency law, or under the provisions of the Bankruptcy Act of 1898, as amended, or upon the making by the Mortgagor of an assignment for the benefit of the Mortgagor's creditors. The Mortgagee is authorized to declare, at its option, all or any part of such indebtedness immediately due and payable upon the happening of any of the following events which shall constitute a default on that Note and any other Note which this mortgage secures:

- a) Failure to pay the amount of any installment of principal and interest, or other charges payable on the Note which shall have become due;
- b) Nonperformance by the Mortgagor of any covenant, agreement, term or condition of this Mortgage, or the Note (except as otherwise provided in subdivision (a) or of any other agreement made by the Mortgagor with the Mortgagee in connection with such indebtedness, after the Mortgagor has been given due notice by the Mortgagee of such nonperformance;
- c) Failure of the Mortgagor to perform any covenant, agreement, term or condition in any instrument creating a lien upon the Mortgaged Property, or any part, which shall have priority over the lien of this Mortgage;
- d) The Mortgagee's discovery of the Mortgagor's failure in any application of the Mortgagor to the Mortgagee to disclose any fact deemed by the Mortgagee to be material, or of the making, or in any of the agreements entered into by the Mortgagor with the Mortgagee (including, but not limited to, the Note and this Mortgage) of any misrepresentation by, on behalf of, or for the benefit of the Mortgagor;
- e) The sale, lease or other transfer of any kind or nature of the Mortgaged Property, or any part, without the prior written consent of the Mortgagee, including the subordination of this mortgage or owner/s refinancing of the mortgage property.

The Mortgagee's failure to exercise any of its rights shall not constitute a waiver. All the events in this Paragraph enumerated upon the happening of any of which the Note shall become, or may be declared to be, immediately due and payable are in this Mortgage called "events of default".

11. Future Advances. This Mortgage secures such future or additional advances (in addition to the principal amount of the Note) as may be made by Mortgagee or the holder hereof at its exclusive option, to Mortgagor or their successors or assigns in title, for any purpose, provided that all such advances are made within seven (7) years from the date of this Mortgage or within such lesser period of time as may be provided by law as a prerequisite for the sufficiency of actual notice or record notice of such optional, future or additional advances as against the rights of creditors or subsequent purchasers for valuable consideration to the same extent as if such future or additional advances are made on the date of the execution of this Mortgage. The total amount of indebtedness secured by this Mortgage may be increased or decreased from time to time, but the total unpaid balance so secured at any one time shall not exceed the maximum principal amount of **Thirty-Eight Thousand Dollars and 00/100 Cents (\$38,000.00)**, plus interest and any disbursements made under this Mortgage for payment of impositions, insurance or otherwise, with interest on such disbursements. It is agreed that any additional sum or sums advanced by Mortgagee shall be equally secured with, and have the same priority as, the original principal indebtedness payable under the Note and shall be subject to all of the terms, provisions, and conditions of this Mortgage, whether or not such additional loans or advances are evidenced by other promissory notes of Mortgagor and whether or not identified by a recital that it or they are secured by this Mortgage. This Mortgage cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of any waiver, change, discharge or termination is sought.
12. The Mortgagee may from time to time cure each default under any covenant or agreement in any instrument creating a lien upon the Mortgaged Property, or any part which shall have priority over the lien of this Mortgage, to such extent as the Mortgagee may exclusively determine, and each amount paid, if any, by the Mortgagee to cure any such default shall be paid by the Mortgagor to the Mortgagee, and the Mortgagee shall also become subrogated to whatever rights the holder of the prior lien might have under such instrument.
13. a) After the happening of any default, the Mortgagor shall, upon demand of the Mortgagee, surrender possession of the Mortgaged Property to the Mortgagee, and the Mortgagee may enter such property, and let the same and collect all the rents therefrom which are due or to become due, and apply the same, after payment of all charges and expenses, on account of the indebtedness secured, and all such rents and all losses existing at the time of such default are assigned to the Mortgagee as further security for the payment of the indebtedness secured, and the Mortgagee may also dispossess, by the usual summary proceedings, any tenant defaulting in the payment of any rent to the Mortgagee.  
  
b) In the event that the Mortgagor occupies the Mortgaged Property or any part, the Mortgagor agrees to surrender possession after such default, such possession shall be as a tenant of the Mortgagee, and the Mortgagor shall pay in advance, upon demand by the Mortgagee, as a reasonably monthly rental for the premises occupied by the Mortgagor, an amount at least equivalent to one-twelfth the aggregate of the twelve monthly installments payable under the Note in the current calendar year, plus the actual amount of the annual ground rent, if any, taxes, assessments, water rates, other governmental charges, and insurance premiums payable in connection with the Mortgaged Property during such year, and upon the failure of the Mortgagor to pay such monthly rental, the Mortgagor may also be dispossessed by the usual summary proceedings applicable to tenants. This covenant shall become effective immediately upon the happening of any such default, as determined in the sole discretion of the Mortgagee, who shall give notice of such determination to the Mortgagor, and in the case of foreclosure and the appointment of a receiver of the rents, the covenant shall inure to the benefit of such receiver.

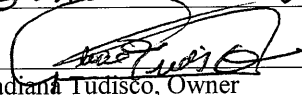

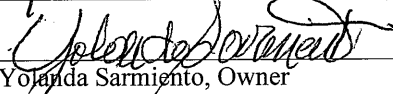

14. The Mortgagee in any action to foreclose this Mortgage shall be entitled to the appointment of a receiver without notice, as a matter of right and without regard to the value of the Mortgaged Property, or the solvency or insolvency of the Mortgagor or other party liable for the payment of the Note and other indebtedness secured by this Mortgage.
15. The Mortgagor, within ten (10) days upon request in person or within twenty (20) days upon request by mail, will furnish promptly a written statement in form satisfactory to the Mortgagee, signed by the Mortgagor and duly acknowledged, of the amount then owing on the Note and other indebtedness secured by this Mortgage, and whether any offsets or defenses exist against such indebtedness or any part.
16. The Mortgagor will give immediate notice by registered or certified mail to the Mortgagee of any fire, damage or other casualty affecting the Mortgaged Property, or of any conveyance, transfer or change in ownership of such property, or any part.
17. Notice and demand or request may be made in writing and may be served in person or by mail.
18. In case of a foreclosure sale of the Mortgaged Property, it may be sold in one parcel.
19. The Mortgagor will not assign the rents, if any, in whole or in part, from the Mortgaged Property, or any part, without the prior written consent of the Mortgagee.
20. The Mortgagor is lawfully seized of the Mortgaged Property and has good right, full power and lawful authority to sell and convey the same in the manner above provided, and will warrant and defend the same to the Mortgagee forever against the lawful claims and demands of any and all parties whatsoever.
21. The Mortgagor waives the benefit of all homestead exemptions as to the debt secured by this Mortgage and as to any expenditure for insurance, taxes, levies, assessments, dues or charges incurred by the Mortgagee pursuant to any provision of this Mortgage.
22. This Mortgage and all the covenants, agreements, terms and conditions herein contained shall be binding upon and inure to the benefit of the Mortgagor and the heirs, legal representatives and assigns of the Mortgagor, and to the extent permitted by law, every subsequent owner of the Mortgaged Property, and shall be binding upon and inure to the benefit to the Mortgagee and its assigns. If the Mortgagor consists of two or more parties, this Mortgage shall constitute a grant and mortgage by all of them jointly and severally, and they shall be obligated jointly and severally under all these provisions and under the Note. The word "Mortgagee" shall include any person, corporation or other party who may from time to time be the holder of this Mortgage. Wherever used, the singular number shall include the plural, the plural number shall include the singular, and the use of any gender shall be applicable to all genders wherever the sense requires.

Owner(s) expresses their willingness to enter into this Agreement with recovery from the City for any action arising out of this Agreement to be limited to the total amount of its monetary commitment of Twenty-One Thousand Six Hundred Dollars and 00/100 Cents (**\$21,600.00**). 22. In the event of a default, the City may mail to Owner(s) a notice of default. If the default is not fully and satisfactorily cured in the City's sole discretion within thirty (30) days of the City's mailing notice of default, the City may cancel and terminate this Agreement without liability to any other party to this Agreement.
23. In the event of a default, the entire sum due is payable immediately and interest may be charged the maximum rate allowed by law. Owner(s) acknowledges that if the Project is terminated before completion, either voluntarily or otherwise, it will constitute an ineligible

activity and any funds invested in the Project must be repaid by the Owner(s) to the City. The City shall additionally be entitled to bring any and all legal and/or equitable actions in Miami-Dade County, Florida, in order to enforce the City's right and remedies against the defaulting party. The City shall be entitled to recover all costs of such actions including a reasonable attorney's fee, at trial and appellate levels, to the extent allowed by law.

24. A default shall include but not be limited to the following acts or events of an Owner(s):

  - b. Failure of the Owner(s) to perform any covenant, agreement, term or condition in any instrument creating a lien upon the property.
  - c. The City's discovery of Owner(s)' failure in the Program Application to disclose any fact, or the City's subsequent discovery of any fact, deemed by the City to be material, and one upon which the City relied in order to enter this Agreement, or City's discovery of any misrepresentation by, on behalf of, or for the benefit of the Property Owner(s).
  - d. Owner(s)' non-residential use, or disposition of the Property without the prior written consent of the City.
  - e. Owner(s)' failure to maintain the Property in a standard, habitable condition.
  - f. Owner(s)' acquiring additional indebtedness upon the Property without the specific written consent of the City.
  - g. The transfer of the Property without the specific written consent of the City.
25. If Owner(s) default this Agreement by insolvency or bankruptcy, the following shall apply:
- a. Should this Agreement be entered into and fully executed by the Parties, funds released and the Debtor files for bankruptcy, the following shall occur:
    1. In the event the Owner(s) files a voluntary petition under 11 U.S.C. 301 or 302, or an order for relief is entered under 11 U.S.C. 303, the Owner(s) shall acknowledge the extent, validity, and priority of the lien recorded in favor of the City. The Owner(s) further agrees that in the event of this default, the City shall, at its option, be entitled to seek relief from the automatic stay provisions in effect pursuant to 11 U.S.C. 362. The City shall be entitled to relief from the automatic stay pursuant to 11 U.S.C. 362(d)(1) or (d)(2), and the Owner(s) agrees to waive the notice provisions in effect pursuant to 11 U.S.C. 362 and any applicable Local Rules of the United States Bankruptcy Court. The Owner(s) acknowledges that such waiver is done knowingly and voluntarily.
    2. Alternatively, in the event the City does not seek stay relief, or if stay relief is denied, the City shall be entitled to monthly adequate protection payments within the meaning of 11 U.S.C. 361. The monthly adequate protection payments shall each be in an amount determined in accordance with the Note and Mortgage executed by the Owner(s) in favor of the City.

3. In the event the Owner(s) files for bankruptcy under Chapter 13 of Title 11, United States Code, in addition to the foregoing provisions, the Owner(s) agrees to cure any amounts in arrears over a period not to exceed twenty-four (24) months from the date of the confirmation order, and such payments shall be made in addition to the regular monthly payments required by the Note and Mortgage, if applicable. Additionally, the Owner(s) shall agree that the City is oversecured and, therefore, entitled to interest and attorneys' fees pursuant to 11 U.S.C. 506(b). Such fees shall be allowed and payable as an administrative expense. Further, in the event the Owner(s) has less than five (5) years of payments remaining on the Note, the Owner(s) agrees that the treatment afforded to the claim of the City under any confirmed plan of reorganization shall provide that the remaining payments shall be satisfied in accordance with the Note, and that the remaining payments or claim shall not be extended or amortized over a longer period than the time remaining under the Note.
- b. Should this Agreement be entered into and fully executed by the Parties, and the funds have not been forwarded to Contractor, the following shall occur:
- In the event the Owner(s) files a voluntary petition pursuant to 11 U.S.C. 301 or 302, or an order for relief is entered under 11 U.S.C. 303, the Owner(s) acknowledges that the commencement of a bankruptcy proceeding constitutes an event of default under the terms of this Agreement. Further, the Owner(s) acknowledges that this Agreement constitutes an executory contract within the meaning of 11 U.S.C. 365. The Owner(s) acknowledges that the Agreement is not capable of being assumed pursuant to 11 U.S.C. 365(c)(2), unless the City expressly consents in writing to the assumption. In the event the City consents to the assumption, the Owner(s) agrees to file a motion to assume the Agreement within ten (10) days after their receipt of written consent from the City, regardless of whether the bankruptcy proceeding is pending under Chapter 7, 11, or 13 of Title 11 of the United States Code. The Owner(s) further acknowledges that this Agreement is not capable of being assigned pursuant to 11 U.S.C. 365(b)(1).
- c. Should the Parties wish to execute the Agreement after the Owner(s) has filed for bankruptcy, the following shall occur:
1. The Owner(s) agrees that in the event they are current Debtors in bankruptcy, at the request of the City, the Owner(s) shall file a motion for authorization to obtain post-petition financing pursuant to 11 U.S.C. 364(d)(1). The Owner(s) further agrees that any funds loaned by the City shall be secured by a lien on the real property first in priority and ahead of any other existing lien(s), unless otherwise agreed to in writing by the City.

The Owner(s) shall in addition have the following rights and responsibilities in connection with the performance of the work at the Project, which shall include, but not be limited to the following:

- (1) Notice of Commencement. Prior to commencement of any work contemplated by the Contract Documents and simultaneously with the execution of the loan agreement and mortgage, the Owner(s) shall execute and deliver to the City a Notice of Commencement for recording in accord with the provisions of the Mechanic's Lien Law of Florida. The Owner(s) shall authorize the City to cause said Notice of Commencement to be recorded in accord with the provisions of said law. Payment, whether for partial or final completion of work, shall be in the form of a check issued by the City of North Miami. All partial payments will be in an amount holding back ten percent (10%) of the value of approved partial work, said retention to be added back and disbursed at the time of final payment.
- (6) Prohibition on Hindrance of Work. The Owner(s), nor any member of its family, tenants, agents or employees, shall not in any manner hinder the Contractor or its subcontractor, or their agents and employees from the execution and performance of the work, nor commit any abusive or threatening conduct with respect thereto; provided, that nothing contained herein shall limit or prevent the Owner(s) from exercising its rights and privileges as further described in this Addendum and the Rehabilitation Agreement to obtain the full and proper performance of the work in accord with the Contract Documents, nor from exercising all rights and remedies with respect thereto when prosecuted in accord with the methods and procedures otherwise described in this Addendum and the Rehabilitation Agreement.
- (7) Right to Stop the Work. If the Contractor fails to correct defective work as determined by the Construction Manager or persistently fails to carry out the work in accord with the Contract Documents, the Construction Manager, by a written order, may order the Contractor to stop the work, or any portion thereof, immediately upon receipt of the notice, until the cause for such written order has been eliminated.

- (8) Right to Carry Out the Work. If the Contractor defaults or neglects to carry out the work in accord with the Rehabilitation Agreement Documents, and fails within three (3) working days after receipt of written notice from the Construction Manager to commence and continue correction of such default or neglect with diligence and promptness, the Construction Manager may, after five (5) calendar days following receipt by the Contractor of an additional written notice, and without prejudice to any other remedy the Owner(s) may have, make a good such deficiencies. In such a case, an appropriate Change Order shall be issued deducting from the payments then or thereafter due to the Contractor the cost of correcting such deficiencies, including compensation for the additional costs incurred by the Construction Manager, if any, made necessary by such default, neglect or failure. If the payments then or thereafter due the Contractor are not sufficient to cover such amount, the Contractor shall pay the difference.
- (9) Right to Terminate. If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner their obligation under the Rehabilitation Agreement, or if the Contractor shall violate any of the covenants, agreements, or stipulations of the Contract Documents, the Construction Manager shall have the right to terminate the Rehabilitation Agreement by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least seven (7) calendar days before the effective date of such termination. In such event, all finished work determined by the Construction Manager to be acceptably installed and in place, shall be paid on the basis of the total item price or percentage of work completed as stipulated in the Contract Documents, less payments previously made and less any and all payments withheld from the Contractor for the purpose of set-off necessary to obtain another contractor to complete the remaining work at the Project. Regardless of the above, no such payment shall be made until such time as the exact amount due, if any, to the Contractor is determined by the Construction Manager after having obtained another contractor to complete the work at the Project.

Notwithstanding the above, the Contractor shall not be relieved of any additional liability to the Owner(s) for damages sustained by the Owner(s) by virtue of any breach of the Rehabilitation Agreement by the Contractor, and the Owner(s) may withhold any payments due to the Contractor for the purposes of set-off until such time as the exact amount of damages due to the Owner(s) from the Contractor is determined.

The Rehabilitation Agreement may not be so terminated if the failure to perform arises from unforeseeable causes beyond the control and without the fault or negligence of the Contractor. Such causes shall include, but are not restricted to: acts of God, acts of public enemy, acts of the government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, and unusually severe weather. In every case, the failure of perform must be beyond the control and without the fault or negligence of the Contractor.

In the event that the Rehabilitation Agreement is terminated, the Owner(s) acknowledges and understands that the Owner(s) shall not be relieved of its obligations to complete the work remaining at the Project in full accord with the terms and conditions of this Addendum and the Contract Documents as well as approved and otherwise required Change Orders, in effect at the time of said termination. In such case, the Owner(s) shall work with the Construction Manager to secure a replacement contractor in accord with the policies and guidelines of the Rehab Program, and shall execute all documents, including amendments to the original Mortgage and Note, if additional financing not inconsistent with the maximum available loan that can be made in accord with this Agreement, is necessary for the prompt completion of work being done in connection with the Project. Any additional costs necessary for the completion of the work at the Project, where further financing under the Rehabilitation Program cannot be extended in accord with this Addendum, shall be borne by the Owner(s).

(c) Construction Manager's Responsibilities. The Construction Manager shall administer on behalf of the Owner(s) the terms and conditions of the Rehabilitation Agreement. The Construction Manager shall advise and consult with the Owner(s) throughout the time of performance for the completion of the work specified in the Rehabilitation Agreement. All instructions from the Owner(s) to the Contractor shall be forwarded through the Construction Manager. The Construction Manager shall have authority to act on behalf of the Owner(s) only to the extent provided in this Addendum and the Rehabilitation Agreements, unless otherwise modified in writing, which shall include the following:

The Construction Manager shall conduct a Preconstruction Conference, to be attended by the Owner(s) and the Contractor, said preconstruction conference to be held within five (5) working days after full execution of the Rehabilitation Agreement. The Construction Manager shall, upon conclusion of the Preconstruction Conference, issue a "Notice to Proceed" to be made effective no later than ten (10) working days from the date of the Preconstruction Conference; providing, that a "Notice to Proceed" shall not be issued or made effective until the Construction Manager is provided proper evidence of the Contractor's license(s), waiver of lien and insurance, unless otherwise provided in the Contract Documents. Work shall commence within ten (10) days of issuance of the Notice to Proceed. The Construction Manager shall also receive from the Contractor for the work at the Project as well as other programmatic information reasonably required by the Construction Manager under the policies and guidelines of the Rehabilitation Program concerning the Contractors' subcontractors, work force needs and local business utilization plans.

- (2) Work Scheduling. The Construction Manager shall obtain from the Contractor prior to the commencement of work, a schedule of the work and approximate timeframes for the performance of all work by contractors and subcontractors participating on the Project, as may be amended or supplemented from time to time, so that the Construction Manager shall continuously be informed on the "Project Construction Schedule" to enable the Construction Manager to properly plan and perform the inspections and responsibilities of the Construction Manager.
- (3) Work Force. The Construction Manager shall be provided the full cooperation and courtesy of the workforce employed or performing work in connection with the Project by the Contractor or its subcontractors. - (4) Site Inspections. The Construction Manager shall visit the site at intervals appropriate to the stage of progress on the rehabilitation construction work to become generally familiar with the progress and quality of the work and to determine in general if the work is proceeding in conformance with the Contract Documents. However, the Construction Manager shall not be required to make exhaustive or continuous on-site inspections to check the quality or progress of the work. On the basis of these on-site observations, the Construction Manager shall keep the Owner(s) informed on the progress of the work.
- (5) Quality Control. The Construction Manager shall oversee quality control in the charge of construction means, methods, techniques, sequences or procedures, or for safety precautions and program performance in connection with the work at the Project, but the Construction Manager shall not be responsible for the Contractor's failure to carry out the work in accord with the Contract Documents.

Any such changes shall be made only when and where determined necessary and desirable in the opinion of the Construction Manager. Where approved Change Orders diminish the cost of the work specified in the Rehabilitation Agreement, such changes or alterations shall not constitute a claim for damages or anticipated profits. In determining the cost of items deleted or added that diminish or increase the scope of work specified in the Contract Documents, the parties to the Rehabilitation Agreement shall use those prices already stipulated therein or otherwise consistent with the intent and reasonably inferable from the Contract Documents; and if not set forth therein or otherwise reasonably inferable thereto, fair prices shall be determined by mutual agreement between the parties to the Rehabilitation Agreement, upon the recommendation of and approval by the Construction Manager.

The Construction Manager shall process a final payment request upon performing its final inspection and its determination that the Contractor has fully complied with the requirements of the Contract Documents. Upon said determination, the Construction Manager shall process the final payment request and issue the Certificate of Completion for the Project.

- (10) Questions and Interpretations. The Construction Manager shall be the interpreter of the requirements of the Contract Documents and the judge of the performance

thereunder by both the Owner(s) and the Contractor. The Construction Manager shall render interpretations necessary for the proper execution or progress of the work, with reasonable promptness and in accord with agreed upon time limits. Either party to the Rehabilitation Agreement may make written request to the Construction Manager for such interpretations.

All such claims, disputes and other matters in question between the Owner(s) and the Contractor relating to the execution or progress of the work or the interpretation of the Contract Documents shall be referred to the Construction Manager for decision. Upon receipt of the written request and review of the progress of the work, the Construction Manager shall render a decision in writing within the agreed upon time limits. All interpretations and decisions of the Construction Manager shall be consistent with the intent of and reasonably inferable from the Contract Documents and shall be in writing or in graphic form. The decision of the Construction Manager in matters relating to the execution or progress of work, including the artistic effect of the work, shall be final if consistent with the intent of the Contract Documents. This Mortgage cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of any waiver, change, discharge or termination is sought.
12. 13. a) After the happening of any default, the Mortgagors shall, upon demand of the Mortgagee, surrender possession of the Mortgaged Property to the Mortgagee, and the Mortgagee may enter such property, and let the same and collect all the rents therefrom which are due or to become due, and apply the same, after payment of all charges and expenses, on account of the indebtedness secured, and all such rents and all losses existing at the time of such default are assigned to the Mortgagee as further security for the payment of the indebtedness secured, and the Mortgagee may also dispossess, by the usual summary proceedings, any tenant defaulting in the payment of any rent to the Mortgagee.

to the Mortgagors, and in the case of foreclosure and the appointment of a receiver of the rents, the covenant shall inure to the benefit of such receiver.

14. The Mortgagee in any action to foreclose this Mortgage shall be entitled to the appointment of a receiver without notice, as a matter of right and without regard to the value of the Mortgaged Property, or the solvency or insolvency of the Mortgagors or other party liable for the payment of the Note and other indebtedness secured by this Mortgage.
