NOW, THEREFORE, the City and the Subrecipient, for and in consideration of the sum to be paid by the City, in the manner and at the time provided in this Agreement, and for other covenants and agreements contained in this Agreement, do hereby agree as follows:

I. SCOPE OF SERVICES

A. Activities

The Subrecipient will be responsible for administering a CDBG Public Services grant for Program Year 2025 for crime prevention (Domestic violence, human trafficking) and public safety in a manner satisfactory to the City and consistent with any standards required as a condition of providing these funds.

Such a program will include the following activities eligible under the Community Development Block Grant program:

1. Legal consultations and assessments to determine eligibility for certain reliefs such as VAWA relief and gain protection from abusers or traffickers.
2. Application Assistance: Assisting with the preparation and submission of applications and legal documents for multiple services related to domestic violence and human trafficking.
3. Follow-Up and Case Management: Providing ongoing support and case management to ensure successful outcomes, including monitoring the progress of applications and providing necessary legal counsel.

Community Development: Empowering victims to become self-sufficient has a ripple effect on the common support of activities noted above, the Subrecipient agrees to provide community-based social services benefiting low- and moderate-income population as described in Exhibit A, attached, which is incorporated in this Agreement by this reference, as if fully set forth.

B. National Objectives

All activities funded with CDBG funds must meet one of the CDBG program's National Objectives: benefit low- and moderate-income persons; aid in the prevention or elimination of slums or blight; or meet community development needs having a particular urgency, as defined in 24 CFR 570.208.

The Subrecipient certifies that the activities carried out under this Agreement will meet the National Objective of benefiting low- and moderate-income persons.

C. Levels of Accomplishment – Goals and Performance Measures

The Subrecipient agrees to carry out activities set forth in this Agreement in accordance with the goals and performance measures set forth in the Application.

D. Performance Monitoring

The City will monitor the performance of the Subrecipient against goals and performance standards as stated above and in the Subrecipient's grant application. Substandard performance as determined by the City will constitute noncompliance with this Agreement. If action to correct such substandard performance is not taken by the Subrecipient within a reasonable period of time after being notified by the City, contract suspension or termination procedures will be initiated. The Subrecipient further agrees to comply with 2 CFR 200.328, 24 CFR 570.507, and 24 CFR 570.509.

Funding is subject to performance by the Subrecipient. If a reasonable effort, as determined by the City, has not been made to spend funds in a timely manner, the City has the authority to terminate funding.

The City will monitor expenditures under this grant on a quarterly basis. On-site monitoring visits will be scheduled not less than yearly for all new subrecipient agencies and for those agencies that have received a finding from prior year monitoring visits. All other agencies will be monitored on-site based on their computed level of risk. Desk monitoring may be conducted in lieu of an onsite monitoring visit.

The City will provide monitoring dates to Subrecipient. All records for the specific years being monitored and appropriate staff should be available during this visit. If all records are not made available to the City on the agreed upon monitoring date, the Subrecipient will be noncompliant, and payment will be withheld until the issues have been resolved.

Noncompliance will be considered when applications are reviewed for funding during future application cycles. Subrecipients in noncompliance have up to 30 days to resolve monitoring issues. A formal letter with a written action plan to correct any noncompliance issues must be mailed return receipt to the City of North Miami Housing and Social Services Department.

II. TERM OF AGREEMENT

Services of the Subrecipient shall begin on **October 1st, 2024**, and end on **September 30, 2025**. The term of this Agreement and the provisions herein shall be extended to cover any additional time during which the Subrecipient remains in control of CDBG funds or other CDBG assets, including program income.

III. BUDGET

A detailed budget is attached as Exhibit B.

Any indirect costs charged must be consistent with the conditions of Paragraph VII, C, 2 of this Agreement. In addition, the City may require a more detailed budget breakdown than the one contained herein, and the Subrecipient shall provide such supplementary budget information in a timely fashion in the form and content prescribed by the City. Any amendments to the budget must be agreed upon and approved in writing by both the City and the Subrecipient before the start of the second quarter reporting period.

IV. PAYMENT

It is expressly agreed and understood that the total amount to be paid by the City under this Agreement shall not exceed **Twelve Thousand Dollars and 00/100 Cents (\$12,000.00)** and shall represent the only source of funding received from the City for the Program. Drawdowns for the payment of eligible expenses shall be made against the line-item budgets specified in Paragraph III herein and in accordance with performance.

Payments may be contingent upon certification of the Subrecipient’s financial management system in accordance with the standards specified in 2 CFR 200. Upon execution of this Agreement, the City shall make payments to the Subrecipient for expenditures incurred under this Agreement based on actual expenditures with supportive documentation in accordance with the program budget and implementation.

It is expressly understood and agreed that in the event of curtailment or non-availability of Federal Grant funds, this Agreement will terminate effective as of the time that it is determined by the City that funds are no longer available. In the event of such determination, the Subrecipient agrees that it will not look to nor seek to hold liable the City for the performance of this Agreement and the City shall be released from further liability under the terms of this Agreement. This shall not release Subrecipient from the Hold Harmless provisions of this Agreement.

Notices required by this Agreement shall be in writing and delivered via mail (postage prepaid), commercial courier, or personal delivery, or sent by facsimile, or email. Any notice delivered or sent as aforesaid shall be effective on the date of receipt. The Subrecipient further agrees to utilize funds available under this Agreement to supplement rather than supplant funds otherwise available.

B. Independent Contractor

Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Subrecipient shall at all times remain an "independent contractor" with respect to the services to be performed under this Agreement. The City shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance, and Workers' Compensation Insurance, as the Subrecipient is an independent contractor.

The Subrecipient will save and hold harmless the City against liability resulting from any act, or omission by the subrecipient, its agents, servants, or employees related to services furnished by the subrecipient under this Agreement.

D. Workers' Compensation

The Subrecipient shall provide Workers' Compensation Insurance coverage for all of its employees involved in the performance of this Agreement.

E. Insurance and Bonding

The Subrecipient shall carry and maintain sufficient insurance coverage to protect contract assets from loss due to theft, fraud, and/or undue physical damage, and as a minimum shall purchase a blanket fidelity bond covering all employees in an amount equal to cash advances from the City.

The Subrecipient shall comply with the bonding and insurance requirements of 2 CFR 200, Bonding and Insurance. During the term of this Agreement, the Subrecipient shall carry and maintain:

1. Workmen's Compensation Insurance as required by Chapter 440, Florida Statutes.
2. Comprehensive General Liability Insurance in an amount not less than \$500,000 combined single limit for bodily injury and property damage. The policy shall be endorsed to include the City, its officers, agents, and employees as additional insureds, with all necessary endorsements showing the City as a first-party insured.
 - a. The Comprehensive General Liability Insurance coverage shall include those classifications, as listed in Standard Liability Insurance Manuals, which are applicable to the operations of the Subrecipient in the performance of this Agreement.
3. Automobile Liability Insurance covering all owned, non-owned, and hired vehicles used in connection with the work, in an amount not less than \$500,000 combined single limit for bodily injury and property damage.

All insurance policies required above shall be issued by companies authorized to do business under the laws of the State of Florida and executed by duly licensed agents upon whom service of process may be made in Miami-Dade County, Florida. All policies shall have a "General Policyholders Rating" of "A" or better and a "Financial Rating" of not less than Class "X" as reported by AM Best's Credit Ratings Guide's latest edition.

Compliance with the foregoing requirements shall not relieve the Subrecipient of its liability and obligations under this section or any other section of this Agreement.

F. Grantee Recognition

The Subrecipient shall insure recognition of the role of the City in providing services through this Agreement. All activities, facilities, and items utilized pursuant to this Agreement shall be prominently labeled as to funding source. In addition, the Subrecipient will include a reference to the support provided herein in all publications made possible with funds made available under this Agreement.

G. Amendments

The City or Subrecipient may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, are executed in writing, and duly approved and signed by an authorized representative of both parties. Such amendments shall not invalidate this Agreement, nor relieve or release the City or Subrecipient from its obligations under this Agreement.

The City may, in its discretion, amend this Agreement to conform with Federal, state, or local governmental guidelines, policies, and available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or schedule of the activities

to be undertaken as part of this Agreement, such modifications will be incorporated only by written amendment signed by both City and Subrecipient.

H. Suspension and Termination

In accordance with 2 CFR 200, the City may suspend or terminate this Agreement if the Subrecipient materially fails to comply with any terms of this Agreement, which include (but are not limited to) the following:

1. Failure to comply with any of the rules, regulations, or provisions referred to herein, or such statutes, regulations, executive orders, and HUD guidelines, policies, or directives as may become applicable at any time;

4. Submission by the Subrecipient to the City reports that are incorrect or incomplete in any material respect.

In accordance with 2 CFR 200, this Agreement may also be terminated for convenience by either the City or the Subrecipient, in whole or in part, by setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if in the case of a partial termination, the City determines that the remaining portion of the award will not accomplish the purpose for which the award was made, the City may terminate the award in its entirety.

VII. ADMINISTRATIVE REQUIREMENTS

A. Financial Management

The Subrecipient agrees to comply with 2 CFR 200 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

- a. Records providing a full description of each activity undertaken;
- b. Records demonstrating that each activity undertaken meets one of the National Objectives of the CDBG program;
- c. Records required to determine the eligibility of activities;
- d. Records required to document the acquisition, improvement, use, or disposition of real property acquired or improved with CDBG assistance;
- e. Records documenting compliance with the fair housing and equal opportunity components of the CDBG program;
- f. Financial records as required by 24 CFR 570.502, and 2 CFR 200; and
- g. Monthly report indicating current financial status of project activities including budgeted, obligated, and expended funds, both recipient and Subrecipient generated; and
- h. Other records necessary to document compliance with Subpart K of 24 CFR 570.

2. Retention

The Subrecipient shall retain all financial records, supporting documents, statistical records, and all other records pertinent to the Agreement for a period of four (4) years. The retention period begins on the date of the submission of the City's annual performance and evaluation report to HUD in which the activities assisted under the Agreement are reported on for the final time. Notwithstanding the above, if there is litigation, claims, audits, negotiations, or other actions that involve any of the records cited and that have started before the expiration of the four-year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the four-year period, whichever occurs later.

3. Client Data

The Subrecipient shall maintain client data demonstrating client eligibility for services provided. Such data shall include, but not be limited to, client name, address, income level or other basis for determining eligibility, and description of service provided. Such information shall be made available to City monitors or their designees for review upon request.

4. Disclosure

The Subrecipient understands that client information collected under this contract is private and the use or disclosure of such information, when not directly connected with the administration of the City's or Subrecipient's responsibilities with respect to services provided under this contract, is prohibited by the Florida Statutes unless written consent is

obtained from such person receiving service and, in the case of a minor, that of a responsible parent/guardian.

5. Close-outs

The Subrecipient's obligation to the City shall not end until all close-out requirements are completed. Activities during this close-out period shall include, but are not limited to making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the City), and determining the custodianship of records. Notwithstanding the foregoing, the terms of this Agreement shall remain in effect during any period that the Subrecipient has control over CDBG funds, including program income.

6. Audits & Inspections

All Subrecipient records with respect to any matters covered by this Agreement shall be made available to the City, grantor agency, and the Comptroller General of the United States or any of their authorized representatives, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data. Any deficiencies noted in audit reports must be fully cleared by the Subrecipient within thirty (30) days after receipt by the Subrecipient. Failure of the Subrecipient to comply with the above audit requirements will constitute a violation of this contract and may result in the withholding of future payments. The Subrecipient hereby agrees to have an annual agency audit conducted in accordance with current City policy concerning Subrecipient audits and 2 CFR 200.

C. Reporting and Payment Procedures

1. Program Income

The Subrecipient shall submit to the City quarterly reports of all program income (as defined at 24 CFR 570.500(a)) generated by activities carried out with CDBG funds made available under this Agreement. The use of program income by the Subrecipient shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the Subrecipient may use such income during the Agreement period for activities permitted under this Agreement and shall reduce requests for additional funds by the amount of any such program income balances on hand. All unexpended program income shall be returned to the City at the end of the Agreement period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not program income and shall be remitted promptly to the City.

For the purpose of this Agreement the term "Program Income" shall have the following meaning: Gross income received by the Subrecipient directly generated from the use of CDBG funds. When such income is generated by an activity that is only partially assisted with CDBG funds, the income shall be prorated to reflect the percentage of CDBG funds used.

2. Indirect Costs

Although not applicable under this agreement, if indirect costs are charged, the Subrecipient will develop an indirect cost allocation plan for determining the appropriate Subrecipient's share of administrative costs and shall submit such plan to the City for approval, in a form specified by the City. If an administrative cost line item is in the budget, the Subrecipient must provide an indirect cost schedule showing how this figure was computed.

3. Payment Procedures

The City will pay to the Subrecipient funds available under this Agreement based upon information submitted by the Subrecipient and consistent with any approved budget and City policy concerning payments. With the exception of certain advances, payments will be made for eligible expenses actually incurred by the Subrecipient, and not to exceed actual cash requirements. Payments will be adjusted by the City in accordance with advance fund and program income balances, if any, available in Subrecipient accounts. In addition, the City reserves the right to liquidate funds available under this contract for costs incurred by the City on behalf of the Subrecipient.

The City will require thirty (30) days for processing all payment requests. Please refer all questions regarding the status of your pay request to the Housing and Social Services Coordinator at (305) 893-6511 ext. 20000 or email cbos@northmiamifl.gov. All incorrect payment requests, including incorrect/inconsistent accomplishments data, from the Subrecipient will be returned for corrections prior to reimbursement. All invoices (draws) will be returned to the Subrecipient for correction before payment can be processed. The 30-day payment processing period starts upon receipt of complete documentation supporting the request.

4. Progress Reports

The Subrecipient shall submit regular Progress Reports to the City in the form, content, and frequency as required by the City.

Quarterly Progress Reports shall be submitted fifteen (15) days after the reporting period. This report shall include:

- a. Client(s) data, including but not limited to income level, race, ethnicity, gender, elderly, head of household, and residency;
- b. A comparison of actual accomplishments with the goals and objectives established for the period (if applicable, use cost data for computation of unit costs) and if unmet, reasons for unmet goals;
- c. Explanation of funds and match used for the reporting period;
- d. Narrative analysis and explanation of program activities for the period.

The reports for the final contractual quarter of this Agreement shall contain a final evaluation that includes the cumulative totals and other statistical findings (such as the number of dollars

spent to render actual services to each client, and the program's overall effectiveness) and shall be due no more than fifteen (15) days following this Agreement's expiration.

Other reporting requirements may be required by the City in the event of program changes and/or legislative amendments. The Subrecipient shall be informed, in writing, if any changes become necessary. The Subrecipient understands and agrees that this Agreement is subject to termination for failure to comply with reporting deadlines.

D. Procurement

1. Compliance

The Subrecipient shall comply with current City policy concerning the purchase of equipment and shall maintain inventory records of all non-expendable personal property as defined by such policy as may be procured with funds provided herein. All program assets (unexpended program income, property, equipment, etc.) shall revert to the City upon termination of this Agreement.

2. OMB Standards

Unless specified otherwise within this agreement, the Subrecipient shall procure all materials, property, or services in accordance with the requirements of 2 CFR 200.

3. Travel

The Subrecipient shall obtain written approval from the City for any travel outside the metropolitan area with funds provided under this Agreement.

E. Use and Reversion of Assets

The use and disposition of property and equipment under this Agreement shall be in compliance with the requirements of 2 CFR 200 and 24 CFR 570.502, 570.503, and 570.504, as applicable, which include but are not limited to the following:

1. The Subrecipient shall transfer to the City any CDBG funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.
2. Real property under the Subrecipient's control that was acquired or improved, in whole or in part, with funds under this Agreement in excess of \$25,000.00 shall be used to meet one of the CDBG National Objectives pursuant to 24 CFR 570.208 until five (5) years after expiration of this Agreement or such longer period of time as the City deems appropriate. If the Subrecipient fails to use CDBG-assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, the Subrecipient shall pay the City an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property. Such payment shall constitute program income to

the City. The Subrecipient may retain real property acquired or improved under this Agreement after the expiration of the five-year period or such longer period of time as the City deems appropriate.

3. In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be program income (prorated to reflect the extent to that funds received under this Agreement were used to acquire the equipment). Equipment not needed by the Subrecipient for activities under this Agreement shall be (a) transferred to the City for the CDBG program or (b) retained after compensating the City an amount equal to the current fair market value of the equipment less the percentage of non-CDBG funds used to acquire the equipment.

VIII. RELOCATION, REAL PROPERTY ACQUISITION, AND ONE-FOR-ONE HOUSING REPLACEMENT

The Subrecipient, if applicable, agrees to comply with (a) the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), and implementing regulations at 49 CFR 24 and 24 CFR 570.606(b); (b) the requirements of 24 CFR 570.606(c) governing the Residential Anti-displacement and Relocation Assistance Plan under section 104(d) of the HCD Act; and (c) the requirements in 24 CFR 570.606(d) governing optional relocation policies.

The Subrecipient shall provide relocation assistance to displaced persons as defined by 24 CFR 570.606(b)(2) who are displaced as a direct result of acquisition, rehabilitation, demolition, or conversion for a CDBG-assisted project.

The Subrecipient also agrees to comply with applicable City ordinances, resolutions, and policies concerning the displacement of persons from their residences.

In regard to the sale, lease, or other transfer of land acquired, cleared, or improved with assistance provided under this contract, the Subrecipient shall cause or require a covenant running with the land to be inserted in the deed or lease for such transfer, prohibiting discrimination as herein defined, in the sale, lease or rental, or in the use or occupancy of such land, or in any improvements erected or to be erected thereon, providing that the City and the United States are beneficiaries of and entitled to enforce such covenants. The Subrecipient, in undertaking its obligation to carry out the program assisted hereunder, agrees to take such measures as are necessary to enforce such covenant, and will not itself so discriminate.

4. Section 504

The Subrecipient agrees to comply with all Federal regulations issued pursuant to compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), which prohibits discrimination against individuals with disabilities or handicaps in any Federally assisted program. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian-Americans, and American Indians. The Subrecipient may rely on written representations by

businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

3. Access to Records

The Subrecipient shall furnish and cause each of its own subrecipients or subcontractors to furnish all information and reports required hereunder and will permit access to its books, records, and accounts by the City, HUD, or its agent, or other authorized Federal officials for purposes of investigation to ascertain compliance with the rules, regulations, and provisions stated herein, as note in 24 CFR 570.502 and 570.508.

4. Notifications

The Subrecipient will, in all solicitations or advertisements for employees placed by or on behalf of the Subrecipient, state that it is an Equal Opportunity or Affirmative Action employer.

6. Subcontract Provisions

The Title IX, Section 504, and Title II regulations require that notices of nondiscrimination be made on a continuing basis. The notice must provide notification of nondiscrimination on the basis of race, color, and national origin available to beneficiaries, participants, and other interested persons.

The Subrecipient will include the provisions of Paragraphs X of this Agreement, (Sections A. Civil Rights, and B. Affirmative Action), and as noted in 24 CFR Part 1, in every subcontract or purchase order, specifically or by reference, so that such provisions will be binding upon each of its own subrecipients or subcontractors.

C. Employment Restrictions

1. Prohibited Activity

The Subrecipient is prohibited from using funds provided herein or personnel employed in the administration of the program for political activities; inherently religious activities; lobbying, political patronage, and nepotism activities.

2. Labor Standards

The Subrecipient agrees to comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act as amended, the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et seq.) and all other applicable Federal, state, and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. The Subrecipient agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. 874 et seq.) and its implementing regulations of the U.S. Department of Labor at 29 CFR 5. The Subrecipient shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to the City for review upon request.

The Subrecipient agrees that, except with respect to the rehabilitation or construction of residential property containing less than eight (8) units, all contractors engaged under contracts in excess of \$2,000.00 for construction, renovation, or repair work financed in whole or in part with assistance provided under this Agreement, shall comply with Federal requirements adopted by the City pertaining to such agreements and with the applicable requirements of the regulations of the Department of Labor, under 29 CFR 1, 3, 5, and 7 governing the payment of wages and ratio of apprentices and trainees to journey workers; provided that, if wage rates higher than those required under the regulations are imposed by state or local law, nothing hereunder is intended to relieve the Subrecipient of its obligation, if any, to require payment of the higher wage. The Subrecipient shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

The Subrecipient hereby agrees that they will contact the City of North Miami for approval prior to releasing the bids for any project that would need to comply with the Davis Bacon Act. The Subrecipient agrees to comply with 24 CFR 570.609 regarding the prohibited use of debarred, suspended, or ineligible contractors or subrecipients. The Subrecipient also agrees to comply with 24 CFR 570.603 on Labor Standards.

XIII. WAIVER

The City's failure to act with respect to a breach by the Subrecipient does not waive its right to act with respect to subsequent or similar breaches. The failure of the City to exercise or enforce any right or provision shall not constitute a waiver of such right or provision.
