SECTION 2: Summary of Regulations

Landscaping Permit Regulations

Please refer to North Miami Code of Ordinances Land Development Regulations, Division 12. Minimum Landscaping and Buffering Requirements

Tree Removal/Relocation Regulations

North Miami Code of Ordinances, Land Development Regulations, Section 5-2302

Prior to cutting down, destroying, removing or moving, or effectively removing through damaging any tree, or pruning any tree roots within the city, a tree removal permit shall first be submitted and approved by the community planning and development departments, except for the pruning of roots when essential for any repairs or improvements performed by the city public works department, or unless the tree is otherwise exempt herein.

A. Application for tree removal permit

1. Application for removal not in conjunction with building permit. Any person wishing to remove any non-exempt tree, which is not exempted herein and is not in conjunction with building permit, shall file an application with the required fee to the community planning and development department on a form provided by the city, prior to the removal of the tree. The application shall include the reasons for removal and be accompanied by a site plan drawn to scale, and a current property survey with a valid reason or justification for removal and with pictures of the tree to be removed.

2. Application for removal in conjunction with building permit. Any person wishing to remove any non-exempt tree in conjunction with a development or improvement to property for which a building permit is required, shall file an application with the community planning and development on a form provided by the city, prior to the removal of the tree. The application shall include the common name of the tree to be removed, reasons for removal, and be accompanied by:

a. A certified site survey of the property showing:

i. Locations of streets, rights-of-way, easements, setback lines, walls, fences, and other improvements in order to clearly indicate how the proposed development relates to existing trees on the property.

ii. The location, size in estimated height and trunk diameter at four and one-half (4½) feet aboveground, the botanical name of all trees and notes of potential conflicts.

iii. A tree disposition plan drawn to scale no smaller than one (1) inch equals sixteen (16) feet indicating: Designation of those trees to be removed, retained, moved to another location on site, and proposed location of new trees; and Proposed grade changes due to flood criteria fill requirements, or grade changes resulting from the proposed site development, which might adversely affect or endanger any trees on the site.

iv. No building permit shall be issued until the tree disposition plan required by this section has been reviewed and approved by the community planning and development department and all mitigation requirements are satisfied.

v. No certificate of occupancy shall be issued until tree replacement, relocation or monetary payment to the city's tree mitigation fund, if required, has been accomplished.

North Miami Code of Ordinances, Land Development Regulations, Section 5-2304

All trees removed, abused or effectively destroyed must be replaced with an equal amount of the tree canopy, removed, abused or effectively destroyed. No fees shall be assessed for removal of verified prohibited tree species. Replacement trees are not required for the removal of any prohibited species except *Ficus altissima* (Lofty Fig), *Ficus benghalensis* (Banyan Tree), *Ficus lyrata* (Fiddle Leaf), and *Ficus rubiginosa* (Rusty Fig).

Public Right of Way Planting Regulations

North Miami Code of Ordinances Land Development Regulations, Section 5-2304

Landscape plan required. The landscape plan shall be drawn to a scale not less than one (1) inch: thirty (30) feet, including dimensions, areas and distances, and clearly delineate the existing and proposed parking spaces, or other vehicular use areas, access aisles, driveways, coverage of required irrigation systems, water outlet locations and the location and size of buildings. The plan shall also designate, by name, size and location, the plant material to be installed, or if existing, to be used in accordance with the requirements hereof. No permit shall be issued for such building unless such landscape plan complies with the provisions herein. Only the design professional whose seal is affixed to the landscape plan or his designee may make minor modifications to the landscape plans. In R-1, R-2 districts only, a landscape plan is not required, but shall be in the form of a plot plan or drawing that may be prepared by the owner or the owner's representative showing required landscaping detail, including quantity, size and location. A landscape permit is required for all landscape installations including new single-family homes that are not part of a planned community. **No trees or other plant material may be planted in public rights-of-way (swale areas) without a landscape permit from the city.**

SECTION 3a. : Owner Affidavit for Corporation

**STATE OF FLORIDA
CITY OF NORTH MIAMI**

Before me, the undersigned authority, personally appeared _____ hereinafter the Affiant(s), who being first duly sworn by me, on oath, deposes and says:

SECTION 4: Hold Harmless Agreement

Re: Property located at (address and legal description)

Gentlemen:

As legal owner of the subject property, I request the right to landscape the swale area adjacent to my property pursuant to the information provided in the attached Landscape Permit Application, and conditional on the approval of this Landscape Permit Application by City staff. I hereby apply as owner-builder or authorize (contractor name) _____ to install the approved landscaping on the subject right-of-way.

I agree to hold the City of North Miami, its agents and authorized personnel harmless and relieve them from any responsibility or liability for any legal action or damage, cost or expense (including attorney's fee) resulting from the cancellation of the existing permit or the issuance of a new permit. I furthermore assume responsibility for the correction, if required of work performed under the permit for which I am applying. In the event there has been a change of ownership of the property, the new owner assumes the responsibility for notifying the previous owner of his or her intent to transfer the permit.

Very truly yours,

OWNER

STATE OF FLORIDA CITY OF NORTH MIAMI:

The person whose signature appears above, deposes that he/she is the legal owner of the above property.
