WITNESSETH:

WHEREAS, the Florida Legislature created the State Housing Initiatives Partnership ("SHIP") Program to provide funds to local governments for the creation of local housing partnerships, the expansion, production, and preservation of affordable housing for very low-, low-, and moderate-income persons, and to increase housing-related employment; and

WHEREAS, the City has established a local Housing Assistance Program ("Program") to provide assistance to eligible homeowners within the City for the purpose of purchasing or rehabilitating property ("Project"), in accordance with the SHIP Program specifically described in Chapter 420, Florida Statutes and Chapter 67-37, Florida Administrative Code; and

WHEREAS, the Owner(s) has agreed to the Project in accordance with Program specifications; and

WHEREAS, this Agreement is entered into after compliance by the Parties with all applicable provisions of federal, state, and local laws, statutes, rules and regulations.

NOW, THEREFORE, in consideration of the mutual promises and the grant money in the amount of **Thirty-Six Thousand Four Hundred Dollars and 00/100 Cents (\$36,400.00)**, which the City will pay, which consideration is acknowledged by the Parties, the Parties agree as follows:

1. **SHIP Funds.** The State Housing Initiatives Partnership ("SHIP") funds in the amount of **Thirty-Six Thousand Four Hundred Dollars and 00/100 Cents (\$36,400.00)** are being utilized in this real estate transaction for the purpose of rehabilitating the subject property, as further detailed in the Scope of Services attached hereto as Exhibit "A" and are intended to fully fund the approved Project scope.
2. **Contract Documents.** The Specifications and Proposal ("Contract Documents") related to the Project, attached as Composite Exhibit "A", (as amended from time to time), outline the scope of services and responsibilities of the Parties under the Program, and the Parties agree to abide by and comply with their respective roles and responsibilities.
3. **City's Responsibility.** The City shall have the sole responsibility and obligation to interpret the intent and purpose of the Program and the Contract Documents.
4. **Homeowner(s) Responsibilities.** The Homeowner(s) is/are receiving a grant from the City of North Miami, Florida, secured by the above-described property. In consideration of this grant, the

Homeowner(s) agree to cooperate promptly with the City of North Miami and its agents in correcting or completing any required documents, including the updating of any agreement documents, if deemed necessary or desirable by the City. This may include the correction or execution of a new note and mortgage to reflect the agreed terms. The Homeowner(s) understand that refusal to do so may jeopardize their continued participation in the Program.

5. **Project Compliance.** The Project shall be performed in accordance with the applicable codes, ordinances, and statutes of the City, Miami-Dade County, and the State of Florida.

6. **Property Maintenance and Insurance Requirements.**

- a. The Owner(s) agree to maintain the property in good condition after the Project is completed.
- b. If the property is located in a Federal Emergency Management Agency (FEMA) 100-year flood plain zone, the Owner(s) must maintain an active flood insurance policy.
- c. The Owner(s) agree to purchase and maintain Homeowner's Insurance, Windstorm Insurance, or Flood Insurance (as applicable) upon the completion of the rehabilitation work on the property.

The required insurance coverage details are as follows:

- i. **Hazard (or Homeowner's) Insurance:** A policy for the replacement value as determined by the insurer, properly endorsed.
- ii. **Windstorm Insurance (if applicable):** Proof of coverage for the replacement value, properly endorsed, if not already covered by the Homeowner's Insurance policy.
- iii. **Flood Insurance (if applicable):** Proof of coverage for the replacement value, properly endorsed, if the subject property is located within a Flood Zone.
- iv. The **mortgagee loss payee clause** on the insurance policy(ies) must read as follows:

"City of North Miami, Florida
ISAOA ATIMA
(Its Successors and/or Assigns, as Their Interests May Appear)
776 NE 125 Street
North Miami, Florida 33161-5654"

7. **SHIP Funds Acknowledgment.** The Parties acknowledge and agree that the funds provided under this Agreement derive from SHIP Program funds appropriated to the City by HUD for the uses and purposes set forth herein.

8. **Owner(s) Occupancy and Repayment Obligation.**

- a. The Owner(s) acknowledge that the property is their primary residence and agree to continuously occupy the property as such for at least a seven (7) year period commencing on the date of execution of this Agreement.
- b. If the Owner(s) fail to continuously occupy the property as their primary residence for the entire seven (7) year period, the funds provided shall be immediately reimbursed to the City on a pro-rata basis for the time period remaining in the seven (7) years.
- c. The Parties further agree that the funds provided by the City derive from the SHIP Program and that such funds shall be secured by a non-interest-bearing Promissory Note and Mortgage, which shall take priority over all other encumbrances, except a Purchase Money First Mortgage.

- d. The Parties agree that the indebtedness shall be partially forgiven in the amount of **Five Thousand Two Hundred Dollars and 00/100 Cents (\$5,200.00)** per year over the seven (7) year period, until fully forgiven.

9. **Lien Continuation and Corrected Mortgage.** Notwithstanding any termination of contractor services or partial completion of the Project, the Owner(s) expressly acknowledge and agree that any and all funds disbursed by the City on the Project—including but not limited to contractor labor, materials, administrative expenses, inspections, and other approved costs—shall remain secured by the Promissory Note and Mortgage executed in connection with this Agreement.

The Owner(s) further acknowledge and agree that, in the event the actual amount expended by the City is less than the amount originally stated in the Promissory Note or Mortgage, the City may, in its sole discretion, prepare and record a corrected or amended Mortgage to reflect the actual amount disbursed. Such corrected Mortgage shall remain valid and enforceable without requiring the signature or consent of the Owner(s).

The Owner(s) understand that their repayment obligation, subject to applicable forgiveness provisions, shall be based on the actual funds expended by the City and is not contingent upon full completion of the Project or continued performance under the Construction Contract.

10. **Sale, Transfer, or Subordination of Interest.** a.) If any interest in the property is sold, conveyed, or transferred, or the Note and Mortgage created by this Agreement is subordinated, whether voluntarily or involuntarily, including in the event of bankruptcy or foreclosure, within seven (7) years of the execution of this Agreement, such an event shall be considered a default unless the Owner(s) agree to repay the remaining balance of the funds provided prior to such event. b.) In the event of a default, the indebtedness shall become payable at a rate of four percent (4%) simple interest per year on the unpaid principal amount. c.) Any person or entity who, after the execution of this Agreement, purchases or receives any interest in the subject property shall be bound by the terms and conditions of this Agreement and shall execute any and all documents required by the City.
11. **Binding Effect and Duration of Restrictions.** a.) All conditions and restrictions of this Agreement shall be considered as covenants running with the land and shall bind all successors, assigns, and persons claiming ownership of all or any portion of the subject property for a period of seven (7) years from the date that the Note and Mortgage are recorded. b.) After seven (7) years, the restrictions shall be released by the City.
12. **Liens on Property.** The Owner(s) and Contractor shall not voluntarily create or permit or suffer to be created or to exist on or against the Subject Property, any lien superior to the City's interest. The Owner(s) and Contractor agree to keep and maintain the property free from the claims of all parties supplying labor or materials that enter into the construction or installation of improvements under this Agreement.
13. **Civil Action for Non-Compliance.** The City may seek civil action and impose penalties, including court costs, attorneys' fees, and reasonable administrative expenses, should the Owner(s) fail to comply with the covenants and restrictions set forth in this Agreement.
14. **City's Inspection Rights.** The City may periodically inspect the real property to ensure compliance with the terms of this Agreement.
15. **Termination Due to Obstruction of Inspection.** In the event that the Owner(s) or Contractor prevents the City from inspecting the Project to ensure compliance with this Agreement, the Contract Documents, or applicable HUD regulations, federal, state, or local laws, the City shall be entitled to immediately terminate this Agreement, retain any remaining funds, seek reimbursement for any funds already disbursed for the Project, or seek any other relief as permitted by this Agreement or applicable law. Furthermore, any action by the Owner(s) or Contractor that prevents

or denies the City's inspection of the Project will constitute a default of this Agreement, and the City shall be entitled to exercise any and all remedies available under law or equity.

16. **Termination of Contractor Services.** If the Owner(s), without valid cause and without the City's prior knowledge or approval, materially obstructs or denies the Contractor access necessary to complete the work, or if the Owner(s) terminates or cancels the Contractor's services, and the Contractor is not in default under this Agreement, then the Contractor shall be entitled to compensation for actual, reasonable labor and material expenses incurred up to the date of termination, plus normal profit and overhead.

The total compensation under this paragraph shall not exceed twenty percent (20%) of the documented labor and material costs. As a condition of payment, the Contractor must submit verifiable written documentation of such expenses to the City. Payment shall be made solely from funds allocated for the Project. Upon such payment, the Contractor waives any further claims or relief against the City related to such termination or obstruction.

17. **No Release or Amendment of Agreement.** The Owner(s) shall not release, amend, or modify this Agreement without the prior written consent of the City.

18. **Waiver of Right to Sue and Lien.** The Contractor, its subcontractors, agents, or employees waive any right to bring a lawsuit against the City or the Owner(s) for breach of this Agreement and agree to pursue alternative dispute resolution for all matters arising out of this Agreement.

In conjunction with the above, the Contractor, its subcontractors, agents, or employees waive any right to file a lien against the Subject Property.

19. **Payment and Discharge of Obligations.** Payment to the Contractor for the Project shall be made in accordance with the terms set forth in Exhibit "B". Upon payment to the Contractor by the City, the City shall be automatically discharged from any and all obligations, liabilities, and commitments to the Owner(s), Contractor, or any third party.

20. **Limitation of Liability.** The City desires to enter into this Agreement with a limit on its liability for any cause of action arising out of this Agreement, such that the City's liability shall never exceed the total monetary commitment of **Thirty-Six Thousand Four Hundred Dollars and 00/100 Cents (\$36,400.00)**. The Owner(s) and Contractor acknowledge and express their willingness to enter into this Agreement with the understanding that recovery from the City for any claims arising out of this Agreement will be limited to the total amount of the City's monetary commitment of **Thirty-Six Thousand Four Hundred Dollars and 00/100 Cents (\$36,400.00)**, minus any funds actually paid by the City pursuant to this Agreement. Nothing in this paragraph, or elsewhere in this Agreement, is intended to waive the limitations of the City's liability as set forth in Section 768, Florida Statutes. Additionally, the City does not waive its sovereign immunity, and no claim or award against the City shall include attorneys' fees, investigative costs, or pre-judgment interest.

21. **Indemnification and Hold Harmless.** The Owner(s) and Contractor shall hold harmless, indemnify, and defend the City, its officers, and employees from any and all obligations, liabilities, actions, claims, causes of action, suits, or demands arising from or related to this Agreement.

22. **No Subleasing, Transfer, or Assignment.** The Owner(s) and Contractor shall not sublease, transfer, or assign any interest in this Agreement without the prior written consent of the City.

23. **Default and Termination.** In the event of a default, the City may mail a notice of default to the Owner(s) or Contractor. If the default is not fully and satisfactorily cured, in the City's sole discretion, within thirty (30) days of mailing the notice of default, the City may cancel and terminate this Agreement without liability to any other party. The City shall also determine the amount of compensation to be paid to the Contractor for work completed up to the time of termination. The Contractor shall be responsible for all repairs and replacements to the City's satisfaction.

24. **Legal and Equitable Actions for Enforcement.** In the event of a default, the City shall additionally be entitled to bring any and all legal or equitable actions in Miami-Dade County, Florida, to enforce its rights and remedies against the defaulting party. The City shall be entitled to recover all costs of such actions, including reasonable attorneys' fees at both the trial and appellate levels, to the extent allowed by law.
25. **Default Definition.** A default shall include, but not be limited to, the following acts or events of the Owner(s), Contractor, or their agents, servants, employees, or subcontractors:
- a. Failure by the Contractor to: (i) Commence work within thirty (30) days from the issuance of a Notice to Proceed; (ii) Diligently pursue construction and complete the project within the time frame allotted in the Notice to Proceed, including securing a Final Certificate of Completion; or (iii) Provide the required documentation for final payment within thirty (30) days from the issuance of the Final Certificate of Completion.
- Work shall be considered to have commenced and be in active progress when, in the opinion of the City, a full complement of workmen and equipment are present at the site, diligently incorporating materials and equipment in accordance with the Project throughout each full working day, weather permitting.
- b. Failure by the Contractor to comply with any applicable building, fire, life safety, housing, zoning laws, rules, regulations, or codes.
 - c. Failure by Owner to comply with the terms and conditions of the Note, Mortgage or other document executed in connection with the Program, or the Owner(s)' provision of false, fictitious, or fraudulent statements to obtain SHIP funding.
 - d. Insolvency or bankruptcy of the Owner(s) or the Contractor.
 - e. Failure by the Contractor to maintain the insurance required by the City.
 - f. Failure by the Contractor to correct defects within a reasonable time, as determined by the City in its sole discretion.
 - g. Breach of any term or condition of this Agreement by the Owner(s) or Contractor.
26. **Default by Owner(s) Due to Insolvency or Bankruptcy.** If the Owner(s) defaults this Agreement by insolvency or bankruptcy, the following shall apply:
- a. Should this Agreement be entered into and fully executed by the Parties, funds released and the Owner(s) files for bankruptcy, the following provisions shall apply:
 - i. Voluntary Petition or Order for Relief. In the event the Owner(s) files a voluntary petition under 11 U.S.C. §§ 301 or 302, or if an order for relief is entered under 11 U.S.C. § 303, the Owner(s) or Contractor shall acknowledge the extent, validity, and priority of the lien recorded in favor of the City. The Owner(s) agrees that, in the event of this default, the City may, at its option, seek relief from the automatic stay provisions pursuant to 11 U.S.C. § 362. The City shall be entitled to seek relief from the automatic stay under 11 U.S.C. § 362(d)(1) or (d)(2), and the Owner(s) waives the notice provisions under 11 U.S.C. § 362 and any applicable local bankruptcy rules. The Owner(s) acknowledges that this waiver is made knowingly and voluntarily.
 - ii. Adequate Protection Payments. If the City does not seek relief from the stay, or if relief is denied, the City shall be entitled to monthly adequate protection payments pursuant to 11 U.S.C. § 361. The amount of these payments will be determined in accordance with the terms of the Note and Mortgage executed by the Owner(s) in favor of the City.

iii. **Bankruptcy Under Chapter 13.** In the event the Owner(s) files for bankruptcy under Chapter 13 of Title 11 of the United States Code, the Owner(s) agrees to cure any amounts in arrears within a period not to exceed twenty-four (24) months from the date of the confirmation order. Such payments shall be in addition to the regular monthly payments required by the Note and Mortgage, if applicable. Furthermore, the Owner(s) agrees that the City is over-secured and, therefore, entitled to interest and attorney's fees pursuant to 11 U.S.C. § 506(b). These fees shall be allowed and payable as an administrative expense. If the Owner(s) has less than five (5) years of payments remaining on the Note, the Owner(s) agrees that any confirmed plan of reorganization will provide that the remaining payments will be satisfied in accordance with the Note, and the remaining payments or claim will not be extended or amortized over a longer period than the time remaining under the Note.

b. If this Agreement is entered into and fully executed, but funds have not been released to the Owner(s) or Contractor, and the Owner(s) files for bankruptcy, the following provisions shall apply:

In the event the Owner(s) files a voluntary petition pursuant to 11 U.S.C. §§ 301 or 302, or an order for relief is entered under 11 U.S.C. § 303, the Owner(s) acknowledges that the commencement of a bankruptcy proceeding constitutes an event of default under this Agreement. The Owner(s) further acknowledges that this Agreement constitutes an executory contract within the meaning of 11 U.S.C. § 365 and is not capable of being assumed pursuant to 11 U.S.C. § 365(c)(2), unless the City expressly consents in writing to the assumption. If the City consents to the assumption, the Owner(s) agrees to file a motion to assume the Agreement within ten (10) days after receipt of written consent from the City, regardless of whether the bankruptcy proceeding is under Chapter 7, 11, or 13 of Title 11 of the United States Code. The Owner(s) further acknowledges that this Agreement is not capable of being assigned pursuant to 11 U.S.C. § 365(b)(1).

c. Should the Parties wish to execute the Agreement after the Owner(s) has filed for bankruptcy, the following provisions shall apply:

i. **Post-Petition Financing.** If the Owner(s) is a current debtor in bankruptcy, at the request of the City, the Owner(s) shall file a motion for authorization to obtain post-petition financing pursuant to 11 U.S.C. § 364(d)(1). Any funds loaned by the City shall be secured by a lien on the real property in first priority, ahead of any other existing liens, unless otherwise agreed to in writing by the City.

ii. **Legal Remedies in Case of Default.** In the event of a default, the City shall be entitled to pursue any and all available legal and equitable remedies, including but not limited to those remedies provided herein.

27. **Default by Contractor due to Insolvency or Bankruptcy.** If the Contractor defaults under this Agreement due to insolvency or bankruptcy, the following provisions shall apply:

a. **Voluntary Petition or Order for Relief.** In the event the Contractor files a voluntary petition pursuant to 11 U.S.C. § 301, or if an order for relief is entered under 11 U.S.C. § 303, the Contractor acknowledges that the commencement of a bankruptcy proceeding constitutes an event of default under this Agreement. The Contractor further acknowledges that this Agreement is an executory contract within the meaning of 11 U.S.C. § 365. The Contractor agrees to file a motion to assume the Agreement within fifteen (15) days after filing a voluntary petition under 11 U.S.C. § 301, or within five (5) days following the entry of an order for relief under 11 U.S.C. § 303. The City expressly reserves the right to oppose any motion to assume the Agreement filed by the Contractor. If the Contractor does not voluntarily assume the Agreement, or if the United States Bankruptcy Court does not authorize the Contractor's assumption of this Agreement, the Contractor acknowledges that the City may assert a valid claim of recoupment, thereby being entitled to recoup any

damages suffered due to the Contractor's breach of this Agreement. This recoupment may be applied against any monies owed to the Contractor under the Agreement.

- b. **Assumption of Agreement by Contractor.** If the Contractor is authorized by the Bankruptcy Court to assume this Agreement, the Contractor acknowledges and agrees that it shall cure any and all existing defaults upon the entry of an order by the United States Bankruptcy Court authorizing the assumption. Additionally, the Contractor agrees to provide adequate assurance of future performance, including, but not limited to, assurances that the Contractor will complete the project in accordance with the agreed-upon time frame and terms under this Agreement.
 - c. **Default by Owner(s) and Contractor's Obligations.** In the event the Owner(s) defaults under this Agreement due to insolvency or bankruptcy, either by filing a voluntary petition under 11 U.S.C. §§ 301 or 302, or by the entry of an order for relief under 11 U.S.C. § 303, the Contractor fully understands, acknowledges, and agrees to be bound by the provisions contained in Paragraph 22(a)(1), (a)(2), (a)(3), (b), and/or (c) as applicable, in the event the Contractor files a voluntary petition under 11 U.S.C. § 301, or an order for relief is entered under 11 U.S.C. § 303. The Contractor further acknowledges that if the City is not obligated to perform under the terms of this Agreement due to the Owner(s) defaulting under the Agreement, the City is entitled to assert any defenses available to it against the Owner(s), including any claims or rights of recoupment, against the Contractor.
28. **Governing Law and Venue.** This Agreement shall be governed by and construed in accordance with the laws of the State of Florida. The exclusive venue for any legal action arising under this Agreement shall be in the courts of Miami-Dade County, Florida.
29. **Compliance with Housing and Community Development Act.** The Owner(s) and Contractor shall comply with all applicable uniform administrative requirements as described in Chapter 420, Florida Statutes, and Chapter 67-37, Florida Administrative Code
30. **Notices and Demands.** All notices, demands, correspondence, and communications between the Parties shall be deemed sufficient if sent by registered or certified mail, postage prepaid, return receipt requested, and addressed as follows:

31. **Binding Effect.** It is understood and agreed that all Parties, personal representatives, executors, successors and assigns are bound by the terms, conditions and covenants of this Agreement.
32. **Amendments and Modifications.** Any amendments, alterations or modifications to this Agreement will be valid only when they have been reduced to writing and signed by the Parties.
33. **Waiver of Breach.** No waiver or breach of any provision of this Agreement shall constitute a waiver of any subsequent breach of the same or any other provision, and no waiver shall be effective unless made in writing.
34. **Severability.** Should any provision, paragraphs, sentences, words or phrases contained in the Agreement be determined by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable under the laws of the State of Florida, such provisions, paragraphs, sentences, words or phrases shall be deemed modified to the extent necessary in order to conform with such laws; or, if not modifiable to conform with such laws, then same shall be deemed severable, and in either event, the remaining terms and provisions of this Agreement shall remain unmodified and in full force and effect.

All leftover debris must be removed and disposed of by legal means. Property must be left in broom clean condition daily. All related construction items removed or replaced shall become the property of contractor unless prior agreement with Homeowner has been reached in writing and approved by Housing & Social Services Administration. The contractor shall not use the Homeowner's residential bulk pickup and the regular trash pickup system to remove construction debris.

The Contractor shall provide all necessary materials, equipment and shall perform the services with the standard of skill, care, and due diligence, which a competent and suitable qualified person performing such services would reasonably be expected to exercise in accordance with the Work Specifications. The work shall be performed in a "Workman Like Manner." Contractor to include cost of services of any licensed professional, if necessary, in procuring permits for the work.

All work to be performed in the Contract Agreement, including plans, and bid specifications shall comply with all current building codes, ordinances, and permitting requirements from the City of North Miami. This includes the current Florida Building Code with the latest revisions. All applicable State and Federal Statutes must be followed (i.e., Davis Bacon, Child Labor Laws, etc.) Failure to comply with general conditions may result in suspension or removal from the program.

The Contractor certifies that the location of the proposed work has been examined, as necessary to fully understand the nature of the obligation. Contractor is responsible for verifying all existing dimensions and job site conditions prior to submitting his bid. The work should be completed in the time limit(s) specified and in accordance with the plans and Work Specifications.

The Contractor must obtain all required permits within fifteen (15) days of the issuance of the Notice to Proceed. Construction work must begin within thirty (30) days from the date of the Building Permit issuance and shall be carried out at a rate that ensures its full completion: no later than thirty (30) days for exterior work and one hundred twenty (120) days for total rehabilitation work, from the date of the issuance of the Notice to Proceed. The Contractor is responsible for scheduling and coordinating all subcontractor work.

All permits, inspections, process fees, and the Notice of Commencement and engineering or survey required to complete the following tasks shall be the responsibility of the Contractor.

The Contractor agrees to provide a one (1) year general warranty for all work performed under these specifications and a 5/10/15-year roof warranty. This will include all labor and materials. If certain items require different warranty periods, these items will be cited in the individual specifications.

To the fullest extent permitted by law, the Contractor shall indemnify, defend and hold harmless the Homeowner and the City and its agents and employees, from and against claims, damages, losses and expenses, including but not limited to attorney's fees, arising out of or resulting from performance of the work or providing of materials to the extent caused in whole or in part by negligent or wrongful acts or omissions of, or a breach of this agreement by, the contractor, a subcontractor, anyone directly or indirectly employed by them or anyone whose acts they are legally responsible.

No verbal agreements are to be made between the Contractor and Homeowner. It is understood that the work contained in these specifications shall be done. **There shall be no private agreements of any kind between the Homeowner and the Contractor.**

No changes will be permitted to the Contract Agreement unless of an emergency nature, code violations, a requirement by the Building Department, a request for modification, or other instances as deemed necessary to complete the project. If said changes occur, a Change Order shall be approved and executed by the Homeowner, the Contractor, and the City prior to the start of the change order work.

If at any point in the following Specifications a "maximum retail price" is quoted for an item to be installed, the Homeowner will be responsible for selecting and approving this item within the quoted price range. The Contractor must have written acceptance from the Homeowner, prior to the product installation.

Whenever a material, item, article, appliance, or piece of equipment is identified in the Contract Agreement including plans and bid specifications by reference to manufacturers or vendor's names, trade names, model numbers, catalog numbers, or otherwise, the CITY, will have made its best efforts to name such reference. Any such reference is intended merely to establish a standard; and, unless it is followed by the words "**no substitution is permitted**" because of form, fit, function and quality, any material, item, article, appliance, or equipment from other manufacturer's and vendors which will perform or serve the requirements of general design will be considered equally acceptable provided the material, item, article, appliance, or equipment so proposed is, in the sole opinion of the CITY, equal in substance, approval granted by the CITY in the form of an executed change order prior to the installation of the material, item, article, appliance, or equipment.

When a specification refers to an "allowance", the Contractor is to permit the Homeowner to select the product to be installed, providing the pre-tax cost of the product does not exceed the allowance. The product selected must meet the standards specified in these specifications.

If there are conflicts between the Homeowner and the Contractor, the requirements cited in the Work Specifications shall prevail. Exception: Contractor and Homeowner must get written approval from the Homeowner or Condo Association and/or Property Manager for all work items.

The Contractor acknowledges that the agent of the City shall perform pre and post inspections of all work performed. Final and full payment for all work completed pursuant to the Work Specifications (as amended/modified, if applicable) shall be made upon completion of all inspection(s) required by the program and the work has been deemed satisfactory.

2. **Taxes and Government Charges.** The Mortgagor(s) shall pay, when due, all ground rents (if any), real estate taxes, assessments, and all governmental charges, fines, and other impositions of every kind levied against the Mortgaged Property. The Mortgagor(s) shall also pay all sums secured by any lien to which this Mortgage is expressly made subordinate.
3. **Loan Purpose and Collateral Relationship.** This Mortgage and the Note secure funds advanced by the Mortgagee to the Mortgagor(s) pursuant to the City of North Miami State Housing Initiatives Partnership ("SHIP") Rehabilitation Loan Agreement, dated _____, for the rehabilitation of the Mortgaged Property, and for any additional purposes set forth in the Agreement.

5. **Liens and Priority.** The Mortgagor(s) shall not create, permit, or suffer to exist any lien on the Mortgaged Property that is superior to the lien of this Mortgage, except for liens to which this Mortgage is expressly subordinate, as stated in the granting clause. The Mortgagor(s) shall protect the Mortgaged Property against all claims for labor, materials, or services provided in connection with improvements. This Mortgage shall have priority over all encumbrances other than a purchase money first mortgage.
6. a) **Insurance Coverage.** The Mortgagor(s) shall maintain insurance on all buildings, structures, improvements, and equipment located on the Mortgaged Property against loss by fire and such other hazards, casualties, and contingencies as may be required by the Mortgagee. Policies and endorsements shall be delivered promptly to the Mortgagee, unless otherwise required to be delivered to a superior lienholder, in which case satisfactory proof of coverage shall be delivered to the Mortgagee. The Mortgagor(s) shall pay all insurance premiums when due and, if premiums are not paid through an escrow required under this Mortgage, shall provide the Mortgagee with proof of payment. If the Mortgagor(s) fails to maintain the required coverage, the Mortgagee may, but is not obligated to, obtain such insurance and the Mortgagor(s) shall reimburse the Mortgagee for all premiums paid.

Any such payment, including reasonable attorneys' fees, shall accrue interest at four percent (4%) per annum from the date of payment. These amounts shall be immediately due and payable upon demand and shall be secured by this Mortgage as a lien having priority over any lien attaching after the date of this Mortgage.
9. **Inspection and Protection.** The Mortgagee and its agents shall have the right to enter and inspect the Mortgaged Property at any reasonable time. If the Mortgagee determines, in its sole discretion, that the property requires inspection, repair, maintenance, or protection not provided by the Mortgagor(s), the Mortgagee may, after notice to the Mortgagor(s), perform such work or cause it to be performed. The Mortgagee may pay any costs incurred and such amounts shall be recoverable from the Mortgagor(s) and secured by this Mortgage.
10. **Acceleration Upon Transfer or Default.** The entire unpaid principal balance of the Note, together with all accrued interest, charges, and other amounts secured by this Mortgage, shall become immediately due and payable without notice or demand upon the occurrence of any of the following:

 - b) The appointment of a receiver or liquidator, whether voluntary or involuntary, for the Mortgagor(s) or any of their property;
 - c) The filing of a petition by or against the Mortgagor(s) under any state insolvency statute or the United States Bankruptcy Code;
 - d) The execution by the Mortgagor(s) of an assignment for the benefit of creditors. In addition, the Mortgagee may, at its option, declare the indebtedness secured hereby to be immediately due and payable upon the occurrence of any of the following **Events of Default**:
 - i. **Payment Default:** Failure to pay any installment of principal, interest, or other charge due under the Note or this Mortgage;

- ii. **Covenant Default:** Failure to perform any term, covenant, or condition of this Mortgage or the Note, after notice and opportunity to cure, where applicable;

- v. **Unauthorized Transfer or Subordination:** Any sale, lease, transfer, refinancing, or subordination of the Mortgaged Property without the prior written consent of the Mortgagee.

The Mortgagee's failure to exercise any right or remedy under this Mortgage shall not constitute a waiver of such right or remedy. All of the foregoing are referred to collectively as "Events of Default."

11. **Future Advances.** This Mortgage shall secure any future or additional advances made by the Mortgagee, at its sole discretion, to the Mortgagor(s) or their successors or assigns in title, provided such advances are made within seven (7) years from the date of this Mortgage, or within any lesser period permitted by applicable law for the purpose of maintaining record notice to third parties.

The total indebtedness secured by this Mortgage may increase or decrease over time but shall not exceed **Thirty-Six Thousand Four Hundred Dollars and 00/100 Cents (\$36,400.00)** in principal, plus accrued interest and any additional amounts disbursed for taxes, insurance, assessments, or other charges as permitted herein, together with interest on such disbursements.

All future advances shall be secured with the same priority as the original indebtedness and shall be governed by the terms of this Mortgage, regardless of whether such advances are evidenced by separate promissory notes or identified as secured obligations in those instruments. This Mortgage may only be modified or discharged by a written instrument signed by the party against whom enforcement is sought.

12. **Cure of Prior Liens.** The Mortgagee may, in its sole discretion, cure any default under a lien instrument that has priority over this Mortgage. Any amount paid by the Mortgagee to cure such default shall be reimbursed by the Mortgagor(s) upon demand and shall be secured by this Mortgage. The Mortgagee shall be subrogated to the rights of the prior lienholder with respect to such payment.

13. **Possession and Assignment of Rents.**

- a) Upon the occurrence of any Event of Default, and upon demand by the Mortgagee, the Mortgagor(s) shall surrender possession of the Mortgaged Property. The Mortgagee may enter and take possession, collect rents then due or becoming due, and apply such rents—after deducting expenses—toward the indebtedness secured by this Mortgage. All rents and income from the Mortgaged Property are hereby assigned to the Mortgagee as additional security. The Mortgagee may also initiate summary proceedings to dispossess any tenant in default of rent payment.
- b) If the Mortgagor(s) occupies the Mortgaged Property or any portion thereof, such occupancy shall convert to a tenancy-at-will upon default. The Mortgagor(s) shall pay monthly rent in advance, in an amount equal to one-twelfth (1/12) of the annualized total of Note payments, property taxes, insurance premiums, and other applicable charges. Upon failure to pay, the Mortgagee may remove the Mortgagor(s) through lawful eviction proceedings. This covenant shall take effect immediately upon default as determined in the sole discretion of the Mortgagee and shall inure to the benefit of any appointed receiver.

14. **Right to Receiver.** In any action to foreclose this Mortgage, the Mortgagee shall be entitled, as a matter of right and without notice, to the immediate appointment of a receiver, regardless of the value of the Mortgaged Property or the solvency of the Mortgagor(s) or any other party liable for the indebtedness secured by this Mortgage.

15. **Estoppel Certificate.** Upon request, the Mortgagor(s) shall, within ten (10) days if requested in person or twenty (20) days if requested by mail, deliver to the Mortgagee a written, notarized statement in form satisfactory to the Mortgagee, stating the amount then outstanding under the Note and this Mortgage, and whether any set-offs, defenses, or claims exist against the indebtedness.

16. **Notice of Casualty or Transfer.** The Mortgagor(s) shall promptly notify the Mortgagee, by registered or certified mail, of any fire, damage, or other casualty affecting the Mortgaged Property, and of any conveyance, transfer, or change in ownership of all or any part of the Mortgaged Property.

17. **Method of Notice.** Any notice, demand, or request required or permitted under this Mortgage shall be in writing and may be delivered personally or sent by mail to the applicable party's address of record.

18. **Sale in One Parcel.** In the event of foreclosure, the Mortgaged Property may, at the Mortgagee's discretion, be sold as a single parcel.

19. **Assignment of Rents.** The Mortgagor(s) shall not assign or transfer any rights to rents from the Mortgaged Property, in whole or in part, without the prior written consent of the Mortgagee.

20. **Title and Authority.** The Mortgagor(s) represents and warrants that they are lawfully seized of the Mortgaged Property and have full right, power, and lawful authority to convey the same as provided herein. The Mortgagor(s) shall forever warrant and defend title to the Mortgaged Property against the lawful claims of all persons whomsoever.

21. **Homestead Waiver.** The Mortgagor(s) hereby knowingly, voluntarily, and expressly waives the benefit of all homestead exemptions under Article X, Section 4 of the Florida Constitution, as to the debt secured by this Mortgage and any expenditures made by the Mortgagee for insurance, taxes, levies, assessments, dues, or other charges as provided herein. Mortgagor(s) acknowledges that this waiver has been explained and that the waiver is made with full understanding of its legal effect.

_____ **Mortgagor Initials**

22. **Binding Effect; Interpretation.** This Mortgage and all covenants, agreements, terms, and conditions herein shall be binding upon and shall inure to the benefit of the Mortgagor(s), their heirs, legal representatives, successors, and assigns, and—subject to applicable law—any subsequent owner of the Mortgaged Property. It shall likewise be binding upon and inure to the benefit of the Mortgagee and its successors and assigns.

This **PROMISSORY NOTE** is made and entered into this day of _____, between **Miderge M. Lafleur**, (collectively, "Mortgagor(s)") residing at 1275 NW 123 Street, North Miami, Florida 33167, and the **City of North Miami, Florida** ("Mortgagee").

FOR VALUE RECEIVED, the undersigned jointly and severally promise(s) to pay to the City of North Miami, Florida ("City") the sum of **Thirty-Six Thousand Four Hundred Dollars and 00/100 Cents (\$36,400.00)** payable without interest.

So long as the undersigned has not defaulted on payment under this Note, or has not provided false information in support of the application for loan, or has not otherwise violated the City of North Miami State Housing Initiatives Partnership Program ("SHIP Program") requirements, this amount shall be partially forgiven in the amount of **Five Thousand Two Hundred Dollars and 00/100 Cents (\$5,200.00)** per year over a period of seven (7) years, until fully forgiven.

If the property securing this note is sold or in any way alienated or transferred, except if such transfer is to the surviving spouse, such an event shall constitute a default, and this sum shall be payable at a rate of **four percent (4%) simple interest per annum** on the unpaid principal amount then owing. The undersigned reserve(s) the right to repay at any time all or any part of the principal amount of this Note without the payment of penalties or premiums.

If the principal amount of this Note is not paid when due, the undersigned's action shall constitute a default and shall, at the option of the City, pay to the City the late charge of **one percent (1%) per calendar month**, or fraction thereof, on the amount past due and remaining unpaid. Failure of the City to exercise such option shall not constitute a waiver of such default. If the undersigned shall default on payment under this note or provide false information in support of the application for loan, or otherwise violate the City's Program requirements, the undersigned may be subject to penalties authorized by state and local laws, codes, rules and regulations. If this Note be reduced to judgment, such judgment should bear the statutory interest rate on judgments.

If suit is instituted by the City to recover on this Note, the undersigned agree(s) to pay all costs of such collection including reasonable attorney's fees, at trial and appellate levels, and court costs.

THIS NOTE is secured by a Mortgage of even date duly filed for record in the Public Records of Miami-Dade County, Florida.

DEMAND, notice of demand and protest are hereby waived, and the undersigned hereby knowingly, voluntarily, and expressly waives any and all homestead and other exemption rights, to the extent permitted by law, which might otherwise apply to the indebtedness evidenced by this Note.

IN WITNESS WHEREOF, this Note has been duly executed by the undersigned as of its date.
