## Fall 2025, Issue XIII

### DIRECTOR'S MESSAGE PAUL BAZILE, MLIS, MPA

Dear Patron,

As autumn begins in North Miami, I'm filled with gratitude and excitement for the season ahead. First and foremost, I want to extend a heartfelt thank you to our incredible library staff. This summer was nothing short of magical, packed with vibrant events, engaging workshops, and joyful community moments. Your creativity and dedication brought the library to life in ways that continue to inspire.

**🌟 Summer Reading Success:** We're excited to share that our community read over 100,000 minutes through Beanstack this summer! That's a testament to the power of stories and our readers' love of reading. Whether flipping pages at the beach or listening to audiobooks on a road trip, you helped make this milestone possible. Bravo, North Miami!

**📚 Back to School, Back to the Library:** To all our students, educators, and families, welcome back! Whether you're researching for a project, looking for a quiet study nook, or just need a good book to unwind with, the Library is here for you. We're your partner in learning, creativity, and discovery.

**🌐 Teen Room Transformation:** If you haven't visited our Teen Room lately, you're in for a treat. We've unveiled a stunning new mural that celebrates diversity, imagination, and the spirit of youth. It's more than just a visual update—it symbolizes how this space belongs to our teens. Stay tuned for more exciting updates coming to other areas of the Library soon!

**🍂 Fall Reading Challenge:** We're launching a brand-new Fall Reading Challenge this season. Dive into cozy mysteries, autumnal adventures, or whatever sparks your curiosity. Everyone who completes the challenge will choose a prize, and we will celebrate grand prize winners in the early learning, children, teen, and adult categories when it ends!

Thank you for being part of our Library family. Let's make this fall unforgettable, one page at a time.

Happy reading,

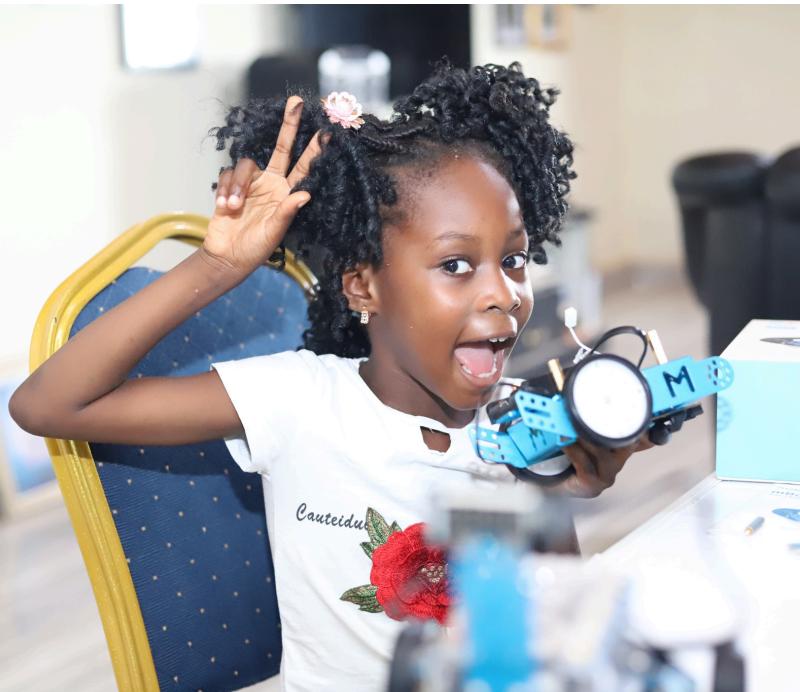

Paul Bazile, Director, North Miami Public Library
