Permits and Inspections: Apply for a Permit

My ProfileLog OffHelpContact

Select the type of permit you would like to apply for. Only certain types of permits can be applied for online.

Enter a complete description of the work you are doing.

Enter the street address and choose the city where the work will actually be performed. If there is a suite or unit number, please enter this on the second address line.

When entering the street type, be sure to use common abbreviations such as BLVD, AVE or ST and do not use punctuation symbols such as periods or hyphens.

Select Permit Type*

ELECTRICAL
Upgrade of Electrical service

Permit Description / Scope of Work*

Enter the address where the work will be performed. If there is a suite or unit number, please enter this on the second line of the address.

To search for an address, enter the house or building number and ZIP Code below, then click search. Select the address from the list.
