The lowest price from a responsive and responsible bidder is the determining factor for award.

A Request for Proposal (RFP) or a Request for Qualifications (RFQ) is used when qualifications, experience, project methodologies and approaches need to be evaluated. Proposals are subject to negotiation. Proposals shall be evaluated by an evaluation committee appointed by the Purchasing Director. The recommendation of the evaluation committee shall be submitted to the City Manager and City Council for approval, as necessary.

Professional Services Procurements

To satisfy this requirement, the Solicitation Respondent must submit Contract Forms A-3 and A-6 (available on the Purchasing Department website) with their submittal to request local preference. Failure to submit the required documentation will render the Respondent ineligible for local preference.
