Introduction
The City of North Miami recognizes that benefits are an important part of your total compensation package. Our benefit program provides competitive and valuable benefits for employees and their dependents while managing the increasing cost.

We are proud to provide our employees and their dependents with a comprehensive benefit package that includes copays for doctor office visits, prescription drugs, and a low out-of-pocket for medical expenses. Aetna will remain our medical carrier of choice for the 2022 Plan Year. Also, we are proud to continue to offer you Aetna for Dental & Vision.

We are changing our Life and Disability coverage to Mutual of Omaha who was able to offer better coverage and lower costs.

In addition, we will continue to offer you and your family a wide assortment of voluntary benefits provided by Aflac, including Accident, Hospital & Cancer Indemnity, and Critical Care & Recovery plans.

Eligibility & Enrollment
All active full-time employees working at least 30 hours per week are eligible for benefits the first of the month following 30 days of full-time employment. Your eligible dependents may also participate in the medical, dental, vision, voluntary life and Aflac plans if you are also enrolled.

An eligible dependent is considered to be:
- Your legally married spouse
- Domestic Partner
- Your child(ren) including:
  - A natural child,
  - A stepchild,
  - A legally adopted child or a child legally placed in the employee’s home for the purpose of adoption,
  - A foster child or child whom you or your spouse are the legal guardian, or
  - a child for whom the employee is required to provide health benefits pursuant to the Qualified Medical Child Support Order.
- Dependent children are covered until the end of the calendar year they turn 26. For medical plans, extended coverage to the end of the calendar year in which the dependent reaches age 30 may be available if the dependent meets all of the following requirements:
  - Is unmarried and does not have dependent of his or her own, and
  - Is a resident of the State of Florida or a student, and
  - Does not have coverage as a named subscriber, insured, enrollee or covered person under any other group or individual policy or is not entitled to benefits under Title XVIII of the Social Security Act.
Your Elections
As a New Hire, should you choose not to enroll when first eligible, you will have the opportunity to do so again during the next annual open enrollment, however some plans may require proof of insurance.

Should you or a family member experience an IRS-approved qualifying event and you notify the Personnel Department of the qualifying event within 30 days, you will receive special enrollment rights. Please see below for more details.

Changing Your Benefit Elections (HIPAA Special Enrollment)
Changes to benefits may generally only be made during the annual open enrollment period, unless you experience a qualifying event. Examples of qualifying events include:

- Termination of employment
- Family Medical Leave Act (FMLA) leave
- Change in status:
  - Legal marital status
  - Number of dependents including birth, death, adoption, and placement for adoption
  - Dependent satisfies or ceases to satisfy dependent eligibility requirements
  - If your, your spouse’s, or your dependents’ residence (if the residence is outside of the plan area)
  - Civil Union (consistent with the definition of civil union as defined under specific state laws)

- Change in coverage:
  - Loss of coverage for you, your spouse, or dependent under other group health coverage
  - Change in coverage under a plan of your employer or a plan of your spouse’s or dependents’ employer
  - The addition or significant improvement of a benefit package option

- HIPAA Special Enrollment rights:
  - An employee or his/her spouse or dependent declined to enroll in group health plan coverage because he/she had other coverage and eligibility for other coverage is lost due to legal separation, divorce, death, termination of employment, reduction in hours, or exhaustion of the maximum COBRA period, or other coverage was non-COBRA coverage and employer contributions were terminated
  - A new dependent is acquired as a result of marriage, birth, adoption, or placement of adoption,
  - If you or your dependents lose eligibility for coverage under Medicaid or the Children’s Health Insurance Program (CHIP) or become eligible for a premium assistance subsidy under Medicaid or CHIP, you may be able to enroll yourself and your dependents. You must request enrollment within 60 days of the loss of Medicaid or CHIP coverage or the determination of eligibility for a premium assistance subsidy.

SECTION 125
Under certain circumstances, you may be allowed to make changes to your benefits elections during the plan year, such as additions, deletions and cancellations, depending on whether or not you experience an eligible qualifying event as determined by the Internal Revenue Service (IRS) Code, Section 125. You may change a benefit election upon the occurrence of a valid qualifying event only if the event affects your own, your spouse’s or your dependent’s coverage eligibility.

QUALIFYING EVENTS

If you experience a qualifying event, you must report the qualifying event to Personnel Department within 30 days of the event.

Beyond 30 days, additions and deletions will be denied and you may be responsible both legally and financially for any claims and/or expenses incurred as a result of any dependent(s) who continued to be enrolled who no longer meet the entity’s eligibility requirements.

**WELL-BEING SERVICES AT CVS MINUTECLINIC®**

Aetna offers well-being service at CVS Pharmacy® and Target® locations: Choose from these services:
- Smoking cessation
- Weight management
- Diabetes monitoring
- High cholesterol monitoring
- High blood pressure monitoring

You can work one-on-one with providers to help create personalized health plans and get the support you need for a healthier you.

Go to MinuteClinic.com to find the closest location and make appointments or view wait times.
Drug prices vary greatly between pharmacies. GoodRx finds the lowest prices and discounts by:

- Collecting and comparing prices for every FDA-approved prescription drug at more than 70,000 U.S. pharmacies
- Finding coupons to use at the pharmacy
- Showing the lowest price at each pharmacy near you

GoodRx will send you a drug savings card that can be used for discounts of up to 80% on most prescription drugs at virtually every U.S. pharmacy. The GoodRx mobile app allows you to get prescription drug prices on-the-go with coupons built into the app. Show your smartphone to the pharmacist to save.

Use GoodRx to save on pet medications too. We love our pets, but they can be expensive. GoodRx brings together prices from major online pet medication retailers, local pharmacies and other resources to find you the lowest prices on all of your pet medications.

Visit GoodRx.com to learn the terms of their current program.

PHARMACY OPTIONS

If you take prescription medication, you can save money by becoming an informed consumer and using the same buying techniques that you use when shopping for other goods and services.

Ways to save on your prescription drugs include:

- Generic medications
- Price comparison
- Drug substitution
- Discount prescription cards
- Over the counter drug substitutes
- Pharmaceutical company assistance programs

Local Pharmacies often offer free antibiotics and low priced medications.

Inquire at your local CVS, Publix, Target and Walmart pharmacies as to what discount programs are available.
Teladoc® Virtual Visits

With Virtual Visits, it’s easy to video chat with a doctor 24/7 — whenever, wherever.

Teladoc gives you 24/7 access to board-certified doctors by phone, video or mobile app.

Talk to a doctor in minutes and get a diagnosis, treatment and prescription (if needed), for non-emergency medical needs.

BASIC LIFE / AD&D

HOW BASIC LIFE/AD&D INSURANCE CAN HELP

Life and AD&D insurance may provide additional financial support by:

- Assisting your family with the cost of your funeral or medical bills
- Covering household expenses
- Relieving debt you might leave behind
- Leaving an inheritance for your loved ones or an organization you are passionate about

EMPLOYER-PAID BASIC LIFE/AD&D

CITY OF NORTH MIAMI provides all full-time, benefit eligible employees with Basic Life/Accidental Death & Dismemberment (AD&D) coverage through Mutual of Omaha at no cost to you. Please refer to the Mutual of Omaha contract for specific benefit plan design information and availability relevant to your specific eligibility class.

- **Age Reduction:** Basic Life/AD&D benefits are reduced to 65% at age 65, to 50% at age 70, to 35% at age 75, and Benefits Term at Retirement (unless otherwise eligible).

ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE: AD&D insurance coverage provides protection in the event of accidental death, loss of hands, feet, and/or vision. The benefit is equal to the life benefit. Please refer to the Mutual of Omaha contract for specific benefit plan design information and availability relevant to your specific eligibility class.

BE SURE TO UPDATE YOUR BENEFICIARY INFORMATION

A beneficiary is the person or entity you name in a life insurance policy to receive the death benefit.

You can name:

- One person
- Two or more people
- The trustee of a trust you’ve set up
- Your estate

Note: If you don’t name a beneficiary, the death benefit will be paid to your estate.

TWO LEVELS OF BENEFICIARIES:

Your Life Insurance policy should have both primary and contingent beneficiaries. The primary beneficiary receives the death benefit upon your passing. Contingent beneficiaries receive the death benefit if the primary beneficiary cannot be located. If no primary or contingent beneficiaries are located, the death benefit will be paid to your estate.

As part of naming beneficiaries, you should identify them as clearly as possible and include their Social Security Numbers. This will make it easier for the Life Insurance company to confirm their identity and decrease the likelihood of potential disputes.

**Voluntary Life**

In addition to the Basic Life/AD&D insurance, employees have the option to elect voluntary coverage through Mutual of Omaha.

If you are newly eligible, you may elect five (5) times your annual salary up to $100,000 for yourself and 100% of your elected amount up to $30,000 for your spouse without medical underwriting. Any elections over these amounts will require an Evidence of Insurability (EOI) form to be completed.

**Open Enrollment Annual Increase:**

If you are currently enrolled and your coverage amount is less than the guarantee issue limit, you may increase your coverage by up to 2 increments ($20,000) without completing an EOI. Your Spouse may also increase by up to 2 increments ($10,000) as long as the coverage doesn’t exceed the guarantee issue limit as well.

All other increases will be subject to completing evidence of insurability (EOI).

**Things to Remember:**

- You pay just one payroll deduction for child coverage, no matter how many children you are covering.
- The rates for spouse coverage are based on the employee’s age.
- Spouse coverage terminates at employee’s age 80.
- You must enroll in coverage in order to elect coverage for your dependents.
- Benefits reduce to 65% at age 65, to 50% at age 70, and to 35% at age 75.
- Payroll deductions may vary due to rounding.

**Evidence of Insurability Form**

An Evidence of Insurability (EOI) form is required if you or your spouse are electing an amount over the Guarantee Issue Limit (GI).

**Note:** Benefit coverage and payroll deductions will not take effect until EOI is approved by Mutual of Omaha.
**THINGS TO REMEMBER:**

**Pre-Existing Condition Exclusion (STD)**
The pre-existing condition limitation under the short-term disability plan is 3/6. This means that any condition that you received medical attention for in the 3 months prior to your effective date of coverage, that results in a disability during the first 6 months of coverage, would not be covered.

**Evidence of Insurability Form for LTD**
An evidence of insurability (EOI) form is required to come on to the plan during annual enrollment or if coverage was previously waived during the initial eligibility period.

**Pre-Existing Condition Exclusion (LTD)**
The pre-existing condition limitation under the long-term disability plan is 3/12. This means that any condition that you received medical attention for in the 3 months prior to your effective date of coverage that results in a disability during the first 12 months of coverage, would not be covered.

---

**Voluntary Short-Term Disability**
You have the opportunity to elect an income replacement supplement. This coverage is designed to replace a portion of your income should you become unable to work due to a non-work related injury or sickness. A brief summary of the plan is outlined in the following chart. Please refer to your Mutual of Omaha summary for additional details, including limitations and exclusions.

DEFERRED COMPENSATION

The City currently offers two deferred compensation programs through Mission Square/ICMA and AIG/VALIC. Representatives visit the City monthly.

Deferred compensation is a voluntary, pre-income tax payroll reduction plan available to all full-time employees. You choose an amount of money to be deferred from each paycheck which can be used at retirement to supplement your City pension and Social Security. For income tax purposes, the deferrals are not considered taxable income until withdrawn. Deferrals are considered taxable income for social security purposes. If you will need these funds do not put them in a deferred compensation account. It is not a savings account; it is a pension plan.

BE A WISE HEALTH CARE CONSUMER

Knowing your four health numbers is key to a healthier you.
At your annual check-up, ask your doctor for your four health numbers (Blood Pressure, Cholesterol, Blood Sugar and BMI - Body Mass Index).

Blood pressure:
A telltale sign for possible heart disease, stroke and kidney disease. Understanding your blood pressure numbers is key to controlling high blood pressure. The American Heart Association recommends a normal Blood Pressure range of Systolic mm Hg (upper number) Less then 120 and Diastolic mm Hg (lower number) Less than 80 (120/80).

Cholesterol
HDL is good. LDL is bad. Keeping both in check is essential. The American Heart Association (AHA) recommends that all adults age 20 or older have their cholesterol and other traditional risk factors checked every four to six years, and work with their healthcare providers to determine their risk for cardiovascular disease and stroke.

Blood Sugar
A leading determinant for the onset of diabetes. What is a normal blood sugar level? And how can you achieve normal blood sugar? For someone without diabetes, a fasting blood sugar on awakening should be under 100 mg/dl. Before-meal normal sugars are 70–99 mg/dl. "Postprandial" sugars taken two hours after meals should be less than 140 mg/dl.

Body Mass Index (BMI)
The measure of body fat based on height and weight that applies to adult men and women. In general, BMI is an inexpensive and easy-to-perform method of screening for weight category, for example underweight, normal or healthy weight, overweight, and obesity. There are many calculators online to assist you with obtaining your BMI.

Do you know your financial health numbers?
Knowing them is just as important as knowing your overall health numbers. Your financial health comes down to a series of ratios. Here’s where you should start:
1. Credit Score: Your FICO credit score—a ratio determined independently by three credit bureaus and based primarily on your track record of paying bills on time— is about far more than just being approved for loans.

2. Retirement Savings Rate: There is no single, correct dollar amount to put aside for retirement, which is why most projections rely on percentages. The most important one is how much of your salary you should put aside for retirement, which experts peg at 15%.

3. Emergency Fund: The number you need to know: How many months could you survive on your savings? The key is to achieve an overall balance in your finances, with about half your income going toward fixed expenses like rent and utilities, 20% for financial goals like savings, and 30% for day-to-day expenses like groceries and gas, advises Vera Gibbons, personal finance consultant - mint.com

4. Net Worth: People tend to think of this number as their “wealth,” says LearnVest’s von Tobel, but it’s not really about how much you have at any given point. Rather, people should use net worth as a starting point to see how they are doing down the road.

Important Notice from The City of North Miami
About Your Prescription Drug Coverage and Medicare

If you and/or your covered dependents are not Medicare eligible, this document is for information purposes only.

However, if any of your covered benefit eligible dependents are Medicare eligible, please read this information carefully so that you and your dependents can make an informed decision regarding their prescription drugs.

Please read this notice carefully and keep it where you can find it.

This notice has information about your current prescription drug coverage with The City of North Miami and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. The City of North Miami has determined that the prescription drug coverage offered by Aenta is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage will pay and is therefore considered Creditable Coverage. Because your existing coverage is on average at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay extra if you later decide to enroll in Medicare prescription drug coverage.

When can you join a Medicare Drug Plan?
Individuals can enroll in a Medicare prescription drug plan when they first become eligible for Medicare and each year from October 15th through December 7th.

However, if you lose creditable prescription drug coverage, through no fault of your own, you will be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?
If you decide to join a Medicare drug plan, your current City of North Miami group health plan coverage will not be affected. You and your dependents can enroll in Part D as a supplement to, or in lieu of, the group health plan coverage. However, if your existing prescription drug coverage is under a Medigap policy, you cannot have an existing prescription drug coverage and Part D coverage. If you enroll in Part D coverage, you should inform your Medigap insurer of that fact, and the Medigap insurer must remove the prescription drug coverage from the Medigap policy and adjust the premium as of the date the Part D coverage starts.

If you drop your current prescription drug coverage and enroll in Medicare prescription drug coverage, you may enroll back into the The City of North Miami benefit plan during an open enrollment period.
When will you pay a higher premium (penalty) to join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with The City of North Miami and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 days or longer without prescription drug coverage that’s at least as good as Medicare’s prescription drug coverage, your monthly premium will go up at least 1% per month for every month that you did not have that coverage. For example, if you go nineteen months without coverage, your premium will always be at least 19% higher than what many other people pay. You may have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to enroll.

For more information about your options under Medicare prescription drug coverage:

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & you” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare prescription drug plans. For more information about Medicare prescription drug plans:

Visit [www.medicare.gov](http://www.medicare.gov)
Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
Call your State Health Insurance Assistance Program for personalized help.

For people with limited income and resources, extra help paying for Medicare prescription drug coverage is available. Information about this extra help is available from the Social Security Administration (SSA) online at [www.socialsecurity.gov](http://www.socialsecurity.gov), or you can call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Address:** 776 NE 125 Street 1st Floor
**Phone Number:** North Miami, FL 33161

**Note:** You will receive this notice annually and at other times in the future such as before the next period you can enroll in Medicare prescription drug coverage, and if this coverage through The City of North Miami changes. You also may request a copy.

**Remember:** Keep this notice. If you enroll in one of the new plans approved by Medicare which offer prescription drug coverage, you may be required to provide a copy of this notice when you join to show that you are not required to pay a higher premium amount.
The Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985 requires that most employers sponsoring group health plans offer employees and their families the opportunity for a temporary extension of health coverage (called ‘continuation coverage’) at group rates in certain instances where coverage under the plan would otherwise end. An employee, spouse of an employee or a dependent child of an employee covered by the Entity’s group health plan has the right to choose this continuation coverage if coverage is lost for any of the following reasons provided below.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT OF 1996 (NEWBORNS' ACT)
Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the patient, from discharging the mother or newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

THE WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998 (WHCRA, ALSO KNOWN AS JANET'S LAW)
Under WHCRA, group health plans, insurance companies and health maintenance organizations (HMOs) offering mastectomy coverage must also provide coverage for reconstructive surgery in a manner determined in consultation with the attending physician and the patient. Coverage includes reconstruction of the breast on which the mastectomy was performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, and prostheses and treatment of physical complications at all stages of the mastectomy, including lymph edemas.

Call your Plan Administrator for more information.

QUALIFIED MEDICAL CHILD SUPPORT ORDER (QMCSO)
QMCSO is a medical child support order issued under State law that creates or recognizes the existence of an “alternate recipient’s” right to receive benefits for which a participant or beneficiary is eligible under a group health plan. An “alternate recipient” is any child of a participant (including a child adopted by or placed for adoption with a participant in a group health plan) who is recognized under a medical child support order as having a right to enrollment under a group health plan with respect to such participant. Upon receipt, the administrator of a group health plan is required to determine, within a reasonable period of time, whether a medical child support order is qualified, and to administer benefits in accordance with the applicable terms of each order that is qualified. In the event you are served with a notice to provide medical coverage for a dependent child as the result of a legal determination, you may obtain information from your employer on the rules for seeking to enact such coverage. These rules are provided at no cost to you and may be requested from your employer at any time.

SPECIAL ENROLLMENT RIGHTS (HPAA)
If you have previously declined enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your dependents in this plan, provided that you request enrollment within 30 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

COVERAGE EXTENSION RIGHTS UNDER THE UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)
If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents (including spouse) for up to 24 months while in the military. Even if you do not elect to continue coverage during your military service, you have the right to be reinstated in your employer’s health plan when you are reemployed, generally without any waiting periods or exclusions for pre-existing conditions except for service-connected injuries or illnesses.

MICHELLE’S LAW
Michelle’s Law permits seriously ill or injured college students to continue coverage under a group health plan when they must leave school on a full-time basis due to their injury or illness and would otherwise lose coverage. The continuation of coverage applies to a dependent child’s leave of absence from (or other change in enrollment) a postsecondary educational institution (college or university) because of a serious illness or injury, while covered under a health plan. This would otherwise cause the child to lose dependent status under the terms of the plan. Coverage will be continued until: 1. One year from the start of the medically necessary leave of absence, or 2. The date on which the coverage would otherwise terminate under the terms of the health plan; whichever is earlier.

MENTAL HEALTH PARITY AND ADDICTION EQUITY ACT OF 2008
This act expands the mental health parity requirements in the Employee Retirement Income Security Act, the Internal Revenue Code and the Public Health Services Act by imposing new mandates on group health plans that provide both medical and surgical benefits and mental health or substance abuse disorder benefits. Among the new requirements, such plans (or the health insurance coverage offered in connection with such plans) must ensure that:

• The financial requirements applicable to mental health or substance abuse disorder benefits are no more restrictive than the predominant financial requirements applied to substantially all medical and surgical benefits covered by the plan (or coverage), and there are no separate cost sharing requirements that are applicable only with respect to mental health or substance abuse disorder benefits.

GENETIC INFORMATION NON-DISCRIMINATION ACT (GINA)
GINA broadly prohibits covered employers from discriminating against an employee, individual, or member because of the employee’s “genetic information,” which is broadly defined in GINA to mean (1) genetic tests of the individual, (2) genetic tests of family members of the individual, and (3) the manifestation of a disease or disorder in family members of such individual. GINA also prohibits employers from requesting, requiring, or purchasing an employee’s genetic information. This prohibition does not extend to information that is requested or required to comply with the certification requirements of family and medical leave laws, or to information inadvertently obtained through lawful inquiries under, for example, the Americans with Disabilities Act. Employers do not use the information in any discriminatory manner. In the event a covered employer lawfully (or inadvertently) acquires genetic information, the information must be kept in a separate file and treated as a confidential medical record, and may be disclosed to third parties only in very limited situations.

CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT (COBRA)
The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) requires employers who provide medical coverage to their employees to offer such coverage to employees and covered family members on a temporary basis when there has been a change in circumstances that would otherwise result in a loss of such coverage. This benefit, known as “continuation coverage,” applies if, for example, dependent children become independent, spouses get divorced, or employees leave the employer.

CHILDREN'S HEALTH INSURANCE PROGRAM REAUTHORIZATION ACT (CHIPRA)
Effective April 1, 2009 employees and dependents who are eligible for coverage, but who have not enrolled, have the right to elect coverage during the plan year under two circumstances:

• The employee’s or dependent’s state Medicaid or CHIP (Children’s Health Insurance Program) coverage terminates because the individual cease to be eligible.

• The employee or dependent becomes eligible for a CHIP premium assistance subsidy under state Medicaid or CHIP (Children’s Health Insurance Program).

Employees must request this special enrollment within 60 days of the loss of coverage and/or within 60 days of when eligibility is determined for the premium subsidy.

PREMIUM ASSISTANCE UNDER MEDICAID AND CHILDREN’S HEALTH INSURANCE PROGRAM (CHIP)
Disclosures

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available. If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan. If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askedwad dot gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of October 15, 2021. Contact your State for more information on eligibility —
