The City shall have the right to terminate this Agreement, in the event Contractor fails to cure a default within five (5) business days after receiving Notice of Default. Contractor understands and agrees that termination of this Agreement under this Article shall not release Contractor from any obligations accruing prior to the effective date of termination.

8.2 Should Contractor remain in Default for a time period of five (5) consecutive calendar days, the City may, at its option, retain another contractor to perform the Services. The Contractor shall be liable for any damages as provided by Florida law.

ARTICLE 11 - INDEMNIFICATION

11.1 Execution of the Agreement by Contractor is a representation that Contractor has visited the worksite and is familiar with the local conditions under which the Services are to be performed, and relieves the City from any liability in regard to any matter not immediately brought to the attention of the City.

11.2 The Contractor shall defend, indemnify and hold harmless the City, its officers and employees from and against any and all claims, costs, losses and damages including, but not limited to reasonable attorney's fees, caused by the negligent acts or omissions of the Contractor, its officers, directors, agents, partners, subcontractors, employees and managers in the performance of the Services under this Agreement.

11.3 The Contractor shall be fully responsible to City for all acts and omissions of the Contractor, its employees, subcontractors, suppliers, or other persons directly or indirectly employed by its subcontractors or suppliers, and any other persons or organizations performing or furnishing supplies under a direct or indirect agreement with Contractor. Nothing in the Contract Documents shall create any contractual relationship between City and any such subcontractor, supplier or other person or organization, nor shall it create any obligation on the part of City to pay or to cause the payment of any money due any subcontractor, supplier, employee or agent except as may otherwise be required by law.

11.4 The Contractor shall assume full responsibility for any damage to land or property, resulting from the performance of this Agreement.

11.5 Nothing contained in this Agreement is any way intended to be a waiver of the limitation placed upon the City's liability as set forth in Chapter 768, Florida Statutes. Additionally, the City does not waive sovereign immunity, and no claim or award against the City shall include attorney's fees, investigative costs or pre-judgment interest.

ARTICLE 12 – INSURANCE

12.1 Prior to the execution of this Agreement, the Contractor shall submit certificate(s) of insurance evidencing the required coverage and specifically providing that the City is an additional

named insured. Contractor shall not commence Services under this Agreement until after Contractor has obtained all of the minimum insurance required in the IFB, and the policies of such insurance detailing the provisions of coverage have been received and approved by the City. Contractor shall not permit any subcontractor to begin Services until after similar minimum insurance to cover subcontractor has been obtained and approved. In the event the insurance certificate provided indicates that the insurance shall terminate and lapse during the term of this Agreement, Contractor shall furnish, at least ten (10) calendar days prior to expiration of the date of the insurance, a renewed certificate of insurance as proof that equal and like coverage and extension is in effect. Contractor shall not continue to perform the Services required by this Agreement unless all required insurance remains in full force and effect.

12.2 All insurance policies required of the Contractor shall be written by a company with a Best's rating of B+ or better and duly authorized and licensed to do business in the State of Florida and be executed by duly licensed managers upon whom service of process may be made in Miami-Dade County, Florida.

12.3 A performance bond in the amount of 100% of the compensation amount of this Agreement shall be required by the Contractor prior to the commencement of Services, in accordance with the IFB. The payment bond shall secure and guarantee payment of all persons performing labor or providing materials used for the Services rendered under this Agreement. The performance bond shall secure and guarantee Contractor's faithful performance of this Agreement, including but not limited to Contractor's obligation to correct defects after final payment has been made as required by the Contract Documents.

ARTICLE 13 – WARRANTIES

13.1 The Contractor warrants that Services shall comply with the Contract Documents and with the usual workmanship, thoroughness and competence of the Contractor's profession.

13.2 Upon the City's request, Contractor shall promptly correct or replace all deficient work without cost to the City. Payment in full by the City for work performed does not constitute a waiver of this guarantee.

13.3 In the event Contractor fails to perform its duties according to the terms of this Agreement, Contractor shall be liable to the City for all costs incurred in enforcing the terms of this Agreement, including but not limited to attorney's fees.

ARTICLE 14 - FORCE MAJEURE

14.1 A "Force Majeure Event" shall mean an act of God, act of governmental body or military authority, fire, explosion, power failure, flood, storm, hurricane, sink hole, other natural disasters, epidemic, riot or civil disturbance, war or terrorism, sabotage, insurrection, blockade, or embargo. In the event that either Party is delayed in the performance of any act or obligation pursuant to or required by the Agreement by reason of a Force Majeure Event, the time for required completion of such act or obligation shall be extended by the number of days equal to the total number of days, if any, that such Party is actually delayed by such Force Majeure Event. The Party seeking delay in performance shall give notice to the other Party specifying the anticipated duration of the delay, and if such delay shall extend beyond the duration specified in such notice, additional notice shall

be repeated no less than monthly so long as such delay due to a Force Majeure Event continues. Any Party seeking delay in performance due to a Force Majeure Event shall use its best efforts to rectify any condition causing such delay and shall cooperate with the other Party to overcome any delay that has resulted.

ARTICLE 15 - PUBLIC RECORDS

15.1 Contractor understands that the public shall have access, at all reasonable times, to all documents and information pertaining to City contracts, subject to the provisions of Chapter 119, Florida Statutes, and agrees to allow access by the City and the public to all documents subject to disclosure under applicable law.

ARTICLE 16 – RETAINAGE

16.1 To ensure Contractor’s complete and satisfactory performance of its obligations hereunder, the City shall withhold an amount of up to ten percent (10%) of each payment request submitted by Contractor. Each Invoice submitted by Contractor shall specify the amount of Retainage attributable to, and to be withheld from, amounts due under such Invoice.

16.2 Notwithstanding the above, at such time as the Project is deemed by the City to be at least fifty percent (50%) complete, the City shall reduce to five percent (5%) the amount of retainage withheld from each subsequent progress payment made to the Contractor. For purposes of this Article, the term “50-percent completion” has the meaning set forth in the Contract Documents or, if not defined in the Contract Documents the point at which the City has expended at least fifty percent (50%) of the total cost of the construction services purchased under the Contract, together with all costs associated with existing change orders and other additions or modifications to the Services provided for under the contract.

16.3 Release of any portion of retainage held by the City shall take place upon written request by the Contractor and in accordance with State of Florida statutory provisions. The final five percent (5%) of the total Project Budget shall only be released at the time of Final Payment following acceptance by the City of project completion, correction of all incomplete or defective work by the Contractor and satisfaction of any damages incurred by the City as a result of the Contractor’s failure to satisfactorily complete the work.

ARTICLE 17 - LIQUIDATED DAMAGES

17.1 It is mutually agreed by and between the Parties hereto that time shall be an essential part of this Agreement, and that in case of the failure on the part of the Contractor to achieve contractually scheduled completion of the milestones established in the Project schedule within the time specified and agreed upon, the City will be damaged thereby. The amount of said damages, inclusive of expenses for inspection(s), as well as additional personnel superintendence, and necessary traveling expenses, being difficult if not impossible of definite ascertainment and proof, it is hereby agreed that the amount of such damages shall be Five Hundred Dollars (\$500.00) for each Day delayed in finishing the Project, in excess of the number of Days prescribed in Article 4. The Contractor hereby agrees that said sum shall be deducted from monies due Contractor under the Agreement, or if no money is due the Contractor, the Contractor hereby agrees to pay to the

City as liquidated damages, and not by way of penalty, the amount of Five Hundred Dollars (\$500.00) for each Day delayed in finishing the Project, in excess of the number of Days prescribed in Article 4.

ARTICLE 18 - PERFORMANCE AND PAYMENT BONDS

18.1 The Contractor is required to furnish to the City a Performance Bond and Payment Bond, each in the amount of One Hundred percent (100%) of the total Project value ("Bonds"). Such Bonds may be in the following form: 1) a Cashier's Check, made payable to the City of North Miami; 2) Bonds written by a surety company authorized to do business in the State of Florida, in accordance with Section 255.05, Florida Statutes; or 3) an Irrevocable Letter of Credit. If the latter is chosen, it must be written on a bank located in Miami-Dade County, be in the amount of the Agreement and should clearly and expressly state that it cannot be revoked until express written approval has been given by the City. The City, to draw on same, would merely have to give written notice to the bank with a copy to the Contractor.

18.2 The Performance Bond shall secure and guarantee Contractor's faithful performance of this Agreement, including but not limited to Contractor's obligation to correct defects after final payment has been made as required by the Contract Documents. The Payment Bond shall secure and guarantee payment of all Subcontractors performing labor on the Project under this Agreement and furnishing supplies, materials or services in connection herewith. These Bonds shall be in effect through the duration of the Agreement plus the warranty period as required by the Contract Documents.

18.3 Each Bond shall be written by a corporate surety, having a resident agent in the State of Florida and having been in business with a record of successful continuous operation for at least five (5) years. The Bonds required hereunder shall be executed by a responsible surety licensed in the State of Florida, and have at least the following minimum qualification in accordance with the latest edition of A.M. Best's Insurance Guide, published by Alfred M. Best Company, Inc., Ambest Road, Oldwick, New Jersey 08858: B+ to A+. The Contractor shall require the attorney in fact who executes the required Bonds on behalf of the surety to affix thereto a certified and current copy of this power of attorney indicating the monetary limit of such power.

18.4 If the surety on any Bond furnished by Contractor is declared bankrupt or becomes insolvent or its right to do business is terminated in the State of Florida or it ceases to meet the requirements of other applicable laws or regulations, Contractor shall within three (3) Days substitute another Bond and surety, both of which must be acceptable to City. If Contractor fails to make such substitution, City may procure such required Bonds on behalf of Contractor at Contractor's expense.

18.5 The City may, in the City's sole discretion, inform surety of the progress of the Work, any defects in the Work, or any defaults of Contractor under the Contract Documents and obtain consents as necessary to protect the City's rights, interest, privileges and benefits under and pursuant to any Bond issued in connection with the Project.

18.6 Contractor shall indemnify and hold harmless the City and any agents, employees, representative from and against any claims, expenses, losses, costs, including reasonable attorneys' fees, as a result of any failure of Contractor to procure the Bonds required herein.

ARTICLE 19 - MISCELLANEOUS PROVISIONS

19.1 No waiver or breach of any provision of this Agreement shall constitute a waiver of any subsequent breach of the same or any other provision hereof, and no waiver shall be effective unless made in writing.

19.2 All representations, indemnifications, warranties and guarantees made in, required by, or given in accordance with this Agreement, as well as all continuing obligations indicated in the Contract Documents, shall survive final payment, completion and acceptance of the Services and termination or completion of the Agreement.

19.3 Should any provision, paragraph, sentence, word or phrase contained in this Agreement be determined by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable under the laws of the State of Florida, such provision, paragraph, sentence, word or phrase shall be deemed modified to the extent necessary in order to conform with such laws, or if not modifiable, then same shall be deemed severable, and in either event, the remaining terms and provisions of this Agreement shall remain unmodified and in full force and effect or limitation of its use.

19.4 This Agreement and Contract Documents constitute the sole and entire agreement between the Parties. No modification or amendments to this Agreement shall be binding on either Party unless in writing and signed by both Parties.

19.5 This Agreement shall be construed and enforced according to the laws of the State of Florida. Venue in any proceedings between the Parties shall be in Miami-Dade County, Florida.

19.6 The City reserves the right to audit the records of the Contractor covered by this Agreement at any time during the provision of Services and for a period of three years after final payment is made under this Agreement.

19.7 The Contractor agrees to comply with and observe all applicable federal, state, and local laws, rules, regulations, codes and ordinances, as they may be amended from time to time.

19.8 Services shall not be subcontracted, transferred, conveyed, or assigned under this Agreement in whole or in part to any other person, firm or corporation without the prior written consent of the City.

19.9 The City of North Miami is exempt from Federal Excise and State taxes. The applicable tax exemption number or certificate shall be made available upon request.

19.10 The professional Services to be provided by Contractor pursuant to this Agreement shall be non-exclusive, and nothing herein shall preclude the City from engaging other firms to perform Services.

19.11 This Agreement shall be binding upon the Parties herein, their heirs, executors, legal representatives, successors and assigns.

19.12 The Contractor agrees that it shall not discriminate as to race, sex, color, creed, national origin, or disability, in connection with its performance under this Agreement.

19.13 All other terms, conditions and requirements contained in the IFB, which have not been modified by this Agreement, shall remain in full force and effect.

19.14 This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute one and the same Agreement.

[The remainder of this page is intentionally left blank.]

IN WITNESS WHEREOF, the Parties have executed this Agreement by their respective proper officers duly authorized the day and year first written above.
