WITNESSETH:

WHEREAS, this Agreement is entered into after compliance by the Parties with all applicable provisions of Federal, State, and local laws, statutes, rules and regulations.

NOW, THEREFORE, in consideration of the mutual promises and the money in the amount of **Twelve Thousand Five Hundred Seventy-Five Dollars and 69/100 Cents (\$12,575.69)** which the City will pay, which consideration is acknowledged by the Parties, the Parties agree as follows:

1. City's Capital Improvements Funds in the amount of **Twelve Thousand Five Hundred Seventy-Five Dollars and 69/100 Cents (\$12,575.69)** are being utilized for the purpose of beautifying the subject property located in the City.
2. The following documents are incorporated hereto and are made part of this Agreement collectively referred to as the "Contract Documents":
 - The ITB # **31-17-18** is incorporated herein by reference;
 - The Specifications & Proposal related to the Project, attached as composite Exhibit "A", amended from time to time, represent the scope of services and responsibilities

- of the Parties under the Program and that the Parties agree to abide by and comply with their roles and responsibilities;
- Program Regulations and Contractor Method of Payment, attached as Exhibit "B."
3. The City has the sole responsibility and obligation of interpreting the intent and purpose of the Program and Contract Documents.
 4. The Project shall be performed in accordance with the applicable codes, ordinances and statutes of the State of Florida, the City and Metropolitan Dade County.
 5. The Owner(s) agrees to maintain the property in good condition after the Project is completed. If the property is located in a Federal Emergency Management Act 100 year flood plain zone, the Owner(s) must have an active flood insurance policy.
 6. The Parties acknowledge and agree that funds provided derive from the City's General Fund for the uses and purposes referred to in this Agreement.
 7. The Owner(s) is required to provide proof of required insurance coverage and policy endorsements. If insurance coverage is not in compliance, Owner(s) may achieve compliance by obtaining the required coverage. Failure of Owner(s) to obtain and provide the City with proof of insurance within one (1) year from the date of execution of the contract will be an act of default.
 8. The Owner(s) acknowledges that they presently occupy the property as their primary residence, and agrees to continually occupy the property as their primary residence.
 9. Awards exceeding Ten Thousand Dollars (\$10,000.00) will require a lien placed on the property through a recorded promissory Note and Mortgage for a period of five (5) years from this Agreement execution.
 10. If any interest in the property is sold, assigned, subleased, conveyed or transferred, or the Note and Mortgage created by this Agreement is subordinated, whether voluntarily or involuntarily, including bankruptcy or foreclosure, within five (5) years of this Agreement's execution, such an event shall be considered a default unless the property Owner(s) agrees to repay the remaining balance prior to such event. The indebtedness shall be payable at a rate of four percent (4%) simple interest per year on the remaining principal amount. Any person or entity, who, subsequent to the execution of this Agreement, purchases or receives any interest in the subject property, shall be bound by the terms and conditions of this Agreement and shall execute any and all documents required by the City.
 11. All conditions and restrictions of this Agreement shall be considered and construed as restrictions running with the land, and shall bind all successors, assigns and persons claiming ownership of all or any portion of the subject property for a period of five (5) years from the date a Note and Mortgage are recorded, after which time, they shall be released by the City.

12. The Owner(s) and Contractor will not voluntarily create or permit, suffer to be created or to exist on or against the subject property or any part, any lien superior to the City's interest, and will keep and maintain the property from the claim of all parties supplying labor or materials which will enter into the construction or installation of improvements.
13. The City may, periodically, inspect the property for the purpose of assuring compliance with this Agreement.
14. In the event the Owner(s) or Contractor prevents the City from inspecting the Project for purposes of assuring compliance with this Agreement or with the Contract Documents, or prevents the City from complying with federal, state or local laws, the City shall be entitled to immediately terminate this Agreement, retain all funds, seek reimbursement for any funds distributed for the Project or obtain other relief as permitted by the Agreement. Further, action by the Owner(s) or Contractor to prevent or deny the City's inspection of the project will constitute a default of this Agreement, and the City shall be entitled to exercise any and all remedies at law or equity.
15. If the Owner(s) terminates or cancels the services of the Contractor, and the Contractor is not in default of this Agreement, the Contractor shall be compensated for labor and material expenses incurred up to the date of cancellation, plus normal profit and overhead, the total sum of which shall not exceed twenty percent (20%) of the labor and materials' cost. As a condition of payment, Contractor shall submit verifiable written documentation of labor and materials expenses to the City. The Contractor shall be compensated from the funds provided to this Project. The Contractor shall not seek any relief or file any claim against the City should such termination or cancellation by the Owner(s) occur.
16. The Owner(s) shall not release or amend this Agreement without the prior written consent of the City.
17. Payment to the Contractor for the Project shall be made as described in composite Exhibit "B". After payment is made to the Contractor by the City, the City shall be automatically discharged from any and all obligations, liabilities and commitments to Owner(s), Contractor or any third person or entity.
18. The City desires to enter into this Agreement only if by so doing the City can place a limit on its liability for any cause of action arising out of this Agreement, so that its liability never exceeds its monetary commitment of **Twelve Thousand Five Hundred Seventy-Five Dollars and 69/100 Cents (\$12,575.69)**. Owner(s) and Contractor express their willingness to enter into this Agreement with recovery from the City for any action arising out of this Agreement to be limited to the total amount of its monetary commitment of **Twelve Thousand Five Hundred Seventy-Five Dollars and 69/100 Cents (\$12,575.69)**, less the amount of all funds actually paid by the City pursuant to this Agreement. Nothing contained in this paragraph or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed on the City's liability as set forth in Section 768.28, Florida Statutes.

19. The Owner(s) and Contractor shall hold harmless, indemnify and defend the City, its officers and employees from any and all obligations, liabilities, actions, claims, causes of action, suits, or demands arising or accruing by virtue of this Agreement.
20. The Owner(s) and Contractor shall not sublease, transfer or assign any interest in this Agreement.
21. In the event of a default, the City may mail to Owner(s) or Contractor a notice of default. If the default is not fully and satisfactorily cured within thirty (30) days of the City's mailing notice of default, the City may cancel and terminate this Agreement without liability to any other party to this Agreement. In addition, the City shall set the amount of compensation to be paid to the Contractor for the work completed up until the time of termination, including replacement of all work areas to a suitable condition.
22. In the event of a default, the City shall additionally be entitled to bring any and all legal and/or equitable actions in Miami-Dade County, Florida, in order to enforce the City's right and remedies against the defaulting party. The City shall be entitled to recover all costs of such actions including a reasonable attorney's fee, at trial and appellate levels, to the extent allowed by law.
23. A default shall include but not be limited to the following acts or events of an Owner(s), Contractor, or their agents, servants, employees, or subcontractors:
 - a. Failure by the Contractor to (i) commence work within thirty (30) days from the date of this Agreement, or (ii) diligently pursue construction and timely complete the project by securing a Final Certificate of Completion within two (2) months from the date of this Agreement, or (iii) provide the documentation required to make the final payment of the grant, within thirty (30) days from the date when a Final Certificate of Completion is issued.

Work shall be considered to have commenced and be in active progress when, in the opinion of the City a full complement of workmen and equipment is present at the site to diligently incorporate materials and equipment into the structure throughout the day on each full working day, weather permitting.
 - b. Failure by the Contractor to comply with any applicable building, fire, life safety, housing or zoning law, rule, regulation or code.
 - c. Default by an Owner(s) on any of the terms and conditions of the Note, Mortgage or other document executed in connection with the Program.
 - d. Insolvency or bankruptcy by the Owner(s) or by the Contractor.
 - e. Failure by the Contractor to maintain the insurance required by the City.
 - f. Failure by the Contractor to correct defects within a reasonable time as decided in the sole discretion of the City.

30. Should any provision, paragraphs, sentences, words or phrases contained in the Agreement be determined by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable under the laws of the State of Florida, such provisions, paragraphs, sentences, words or phrases shall be deemed modified to the extent necessary in order to conform with such laws; or, if not modifiable to conform with such laws, then same shall be deemed severable, and in either event, the remaining terms and provisions of this Agreement shall remain unmodified and in full force and effect.
